Rectors Remembered: The Descendants of John Jacob Rector Volume 8 - Laura Wayland-Smith Hatch 2014-10-22

Volume 8 of 8. Sources & Index to a genealogical compilation of the descendants of John Jacob Rector and his wife, Anna Elizabeth Fischbach. Married in 1711 in Trupbach, Germany, the couple immigrated to the Germanna Colony in Virginia in 1714. Eight volumes document the lives of over 45,000 individuals.

Woke Gaming - Kishonna L. Gray 2018-11-04

From #Gamergate to the 2016 election, to the daily experiences of marginalized perspectives, gaming is entangled with mainstream cultures of systematic exploitation and oppression. Whether visible in the persistent color line that shapes the production, dissemination, and legitimization of dominant stereotypes within the industry itself, or in the dehumanizing representations often found within game spaces, many video games perpetuate injustice and mirror the inequities and violence that permeate society as a whole. Drawing from groundbreaking research on counter and oppositional gaming and from popular games such as World of Warcraft and Tomb Raider, Woke Gaming examines resistance to problematic spaces of violence, discrimination, and microaggressions in gaming culture. The contributors of these essays seek to identify strategies to detox gaming culture and orient players and gamers toward progressive ends. From Anna Anthropy's Keep Me Occupied to Momo Pixel's Hair, Nah, video games can reveal the power and potential for marginalized communities to resist, and otherwise challenge dehumanizing representations inside and outside of game spaces. In a moment of #MeToo, #BlackLivesMatter, and efforts to transform current political realities, Woke Gaming illustrates the power and potential of video games to foster change and become a catalyst for social justice.

Mate Chased (Paranormal Shapeshifter Romance) - Celia Kyle 2017-11-22

Thirty and single? Well, getcha ass to the Gathering! Wait... what? Lorelei is a hint over thirty—nobody better ask how much of a hint—and isn't sure why the hell she's been magically hauled to the land of werewolves. But she has. Which sucks. At least they stole her while she was at the gun range. Go Pink Pistol of Doom! So, they stole her, she stole a cell phone in return, and all is crazy in her new werewolf-laced world. It gets even crazier when, 1—she discovers her sisters have been kidnapped, too, and 2—werewolves are sexy as all get out. Lorelei is determined to come to her sisters' rescue and well, see what Dylan and Zeke have to offer. Dylan and Zeke can't believe they've found their mate. Even though word was passed around that Wardens can have mates, they never thought they'd find theirs. And yet, here she is. Lorelei—gorgeous, lush, and curved in all the right places—calls to their magic and heats up their wolves. They want to lick her from head to toe... together. And they will, once they get that little gun out of her hands. Hell, maybe she could keep it. She is sexy even when she threatens their lives. They found her and now they're gonna mate her... as soon as they take care of the powerful five families threatening to take Lorelei from them. Blood may be involved. Sucks to be those guys.

[Descendants of William Cromartie and Ruhamah Doane](#) - Amanda Cook Gilbert 2013

This ambitious work chronicles 250 years of the Cromartie family genealogical history. Included in the index of nearly fifty thousand names are the current generations, and all of those preceding, which trace ancestry to our family patriarch, William Cromartie, who was born in 1731 in Orkney, Scotland, and his second wife, Ruhamah Doane, who was born in 1745. Arriving

in America in 1758, William Cromartie settled and developed a plantation on South River, a tributary of the Cape Fear near Wilmington, North Carolina. On April 2, 1766, William married Ruhamah Doane, a fifth-generation descendant of a Mayflower passenger to Plymouth, Stephen Hopkins. If Cromartie is your last name or that of one of your blood relatives, it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie, his first wife, and Ruhamah Doane, who became the founding ancestors of our Cromartie family in America: William, Jr, James, Thankful, Elizabeth, Hannah Ruhamah, Alexander, John, Margaret Nancy, Mary, Catherine, Jean, Peter Patrick, and Ann E. Cromartie. These four volumes hold an account of the descent of each of these first-generation Cromarties in America, including personal anecdotes, photographs, copies of family bibles, wills, and other historical documents. Their pages hold a personal record of our ancestors and where you belong in the Cromartie family tree.

No. 3 of each volume contains the annual report and minutes of the annual meeting.

A Practice Beyond Cultural Humility - Claudia Grauf-Grounds 2020-03-23

A Practice Beyond Cultural Humility offers specific guidance to support students and practitioners in providing on-going, culturally-attuned professional care. The book introduces a multicultural diversity-training model named the ORCA-Stance, an intentional practice which brings together four core components: Openness, Respect, Curiosity, and Accountability. Drawing from an array of influences, it showcases work with common clinical populations in a variety of contexts, from private practice to international organizations. Each clinical chapter offers a brief review of information relevant to the population discussed, followed by a case study using the ORCA-Stance, and a summary of recommended best practices. In each case, the practice of the ORCA-Stance is shown to allow relationships to become more culturally sensitive and, therefore, more effective. A Practice Beyond Cultural Humility provides practical examples, research, and wisdom that can be applied in day-to-day clinical work and will be valuable reading for a wide-range of mental health students and clinicians who seek to continue their professional development.

Jimmy - William Malmborg 2017-07-29

High school can be a difficult time for a teenager, especially toward the end where one has to start making the sudden transition into adulthood. For Jimmy Hawthorn it is even worse. Not only does he need to successfully make that transition, he has to do it while hiding the fact that he is the one responsible for kidnapping two fellow high school students, both of whom are hanging from their wrists in a secret underground fallout shelter he discovered behind an abandoned house on the outskirts of town.

Everything That Makes You - Moriah McStay 2015-03-17

Ever wonder "What if?" Everything That Makes You is a romantic, epic story about one girl—and her two possible lives after an accident changes her fate. Fiona Doyle's face was horribly scarred as a child. She writes about her frustrations and dreams in notebooks, penning song lyrics. But she'd never be brave enough to sing those songs in public. Fi Doyle never had an accident. She's the best lacrosse player in the state and can't be distracted by her friend who wants to be more than that. But then her luck on the field goes south. Alternating chapters between Fiona and Fi tell two stories about the same girl—hopes and dreams and crushes, fears and failures and loss. This beautifully written realistic contemporary novel with a twist is perfect for fans of If I Stay by Gayle Forman and Before I Fall by Lauren Oliver.

Unconventional Warfare (Special Forces, Book 1) - Chris Lynch 2018-11-27

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.
