How did he get from being a depressed dog to the mutt of the moment? In this, the most unusual celebrity book of the year, he's finally ready to tell his tale. As a young pup, Pudsey always knew he was somehow different to his dog-standard peers. While his brothers and sisters contented themselves with chasing their tails, he sat apart, yearning for something more. With the help of the menagerie of pets that fill the Butler household and despite some dastardly opposition threatening to stop him at every turn, Pudsey managed to achieve his dream. This Autobiography tells the story of his incredibly journey, straight from the dog's mouth.
