*Delirium: The Complete Collection* -  
Lauren Oliver 2014-06-03  
This collection contains the complete text of the three bestselling Delirium novels plus three short novellas about characters in the

Delirium world. Lauren Oliver's powerful New York Times bestselling dystopian trilogy presents a world as terrifying as George Orwell's 1984 and a romance as true as Romeo & Juliet. Delirium: In a dystopian

world where love is declared the deadliest of all diseases, one's only hope is to be cured. Lena is 95 days away from getting her cure when she does the unthinkable. She falls in love. Pandemonium: The explosive second book of the Delirium trilogy brings us a new Lena: strong, fierce, and defiant. But the chaos of a loveless world will lead her into the fight of her life. Requiem: This exciting finale to Lauren Oliver's New York Times bestselling Delirium trilogy is a riveting blend of nonstop action and forbidden romance in a dystopian United States. The Hana, Annabel, and Raven novellas each center around a fascinating and complex character who adds important information to the series and gives it greater depth.

**Gone Series Complete Collection -**

Michael Grant 2014-06-03

This collection contains all six books in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi Gone saga. These page-turning thrillers invoke the classic *The Lord of the Flies* along with the horror of Stephen King. King himself said: "I love these books." In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by

the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . Michael Grant's *Gone* series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: *Gone*, *Hunger*, *Lies*, *Plague*, *Fear*, and *Light*.

**The Academie** - Amy Joy 2016-09-15  
The teachers have been replaced with military personal. The school doors are locked. We won't be going home until we're 22. And somehow, everyone seems to be ok with this. Everyone, that is, but me. When Allie Thompson graduated, she thought she'd put high

Matched - Ally Condie 2011-09-20  
Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the

screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Requiem - Lauren Oliver 2016-05-17  
The third and final book in Lauren Oliver's powerful New York Times

bestselling trilogy about forbidden love, revolution, and the power to choose. Now an active member of the resistance, Lena has transformed. The nascent rebellion has ignited into an all-out revolution, and Lena is at the center of the fight. After rescuing Julian from a death sentence, Lena and her friends fled to the Wilds. But the Wilds are no longer a safe haven. Pockets of rebellion have opened throughout the country, and the government cannot deny the existence of Invalids. Regulators infiltrate the borderlands to stamp out the rebels. As Lena navigates the increasingly dangerous terrain of the Wilds, her best friend, Hana, lives a safe, loveless life in Portland as the fiancée of the young mayor. They live side by side in a world that divides them

until, at last, their stories converge.

The Book of Shhh - Lauren Oliver  
2016-05-17

A perfect companion to Lauren Oliver's bestselling Delirium trilogy, The Book of Shhh expands on excerpts included in the original series. Lauren Oliver delves deeper into the world created in the Delirium trilogy and provides fans with an in-depth look at the terrifying society that her characters live in. This free novella includes case studies, exercises, invocations, quotes, proverbs, and detailed information on amor deliria nervosa. The Book of Shhh, or the Safety, Health, and Happiness Handbook, describes the perils of amor deliria nervosa. In today's society, thanks to the cure and its

enforcement, our citizens are more productive and committed to their jobs, political organizations, and social impact than ever before. The following excerpts are meant to give portability to a small portion of its materials so that elements of its wisdom may be available for reference on the go. Do not rely on the following excerpts to diagnose, treat, or address evidence of amor deliria nervosa. Should you believe that you or someone in your family might be infected, call the National Health Services hotline immediately, or seek the care of a professional physician at once.

Before I Fall - Lauren Oliver  
2010-03-02

Like Adam Silvera's They Both Die at the End and Colleen Hoover's It Ends with Us, Before I Fall raises

thought-provoking questions about love, death, and how one person's life can affect so many others. With this stunning debut novel, New York Times bestselling author Lauren Oliver emerged as one of today's foremost authors of young adult fiction. For popular high school senior Samantha Kingston, February 12—"Cupid Day"—should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it is...until she dies in a terrible accident that night. However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined. Before I Fall is now a major motion picture

Zoey Deutch, Halston Sage, and Kian Lawley. Named to numerous state reading lists, the novel was also recognized as a Best Book of the Year by Amazon, Barnes & Noble, The Daily Beast, NPR, and Publishers Weekly.

**Alex** - Lauren Oliver 2014-11-25

This captivating digital original story set in the world of Lauren Oliver's New York Times bestselling Delirium series focuses on Alex, Lena's first love. When Alex sacrificed himself to save Lena, he thought he was committing himself to certain death, but what he got was almost worse. Imprisoned and tortured by the guards, his mind forces him to relive a past he would rather forget. But in the dark he grows stronger. Both hopeful and terrified, he fights to find his way back to her and the love he still clings to. In this

digital story that will appeal to fans of Delirium and welcome new admirers to its world, readers will learn of Alex's time after the events of Delirium, as well as the dark past that he has tried to forget.

**Someday Angeline** - Louis Sachar

2007-01-01

Angeline could read before she was old enough to turn the pages of a book, and she mastered the piano without a single lesson. But being so clever doesn't make life easy for Angeline. This charming book is a quirky celebration of fathers, teachers, being yourself and finding happiness in unexpected places.

**Pandemonium** - Lauren Oliver

2012-02-28

The second book in Lauren Oliver's New York Times bestselling trilogy about forbidden love, revolution, and

the power to choose. In this electrifying follow-up to Delirium, Lena is on a dangerous course that takes her through the unregulated Wilds and into the heart of a growing resistance movement. This riveting, brilliant novel crackles with the fire of fierce defiance, romance, and the sparks of a revolution about to ignite.

**I Hunt Killers** - Barry Lyga

2012-04-03

It was a beautiful day. It was a beautiful field. Except for the body. Jazz is a likable teenager. A charmer, some might say. But he's also the son of the world's most infamous serial killer, and for Dear Old Dad, "Take Your Son to Work Day" was year-round. Jazz has witnessed crime scenes the way cops wish they could--from the criminals' point of

view. And now, even though Dad has been in jail for years, bodies are piling up in the sleepy town of Lobo's Nod. Again. In an effort to prove murder doesn't run in the family, Jazz joins the police in the hunt for this new serial killer. But Jazz has a secret--could he be more like his father than anyone knows? From acclaimed author Barry Lyga comes a riveting thriller about a teenager trying to control his own destiny in the face of overwhelming odds.

**The Spindlers** - Lauren Oliver

2012-10-02

Evocative of Alice in Wonderland, this novel from New York Times bestselling author Lauren Oliver is a bewitching story about the reaches of loyalty and the enduring power of hope. Perfect for fans of the

author's other middle grade novels: Liesl & Po and the Curiosity House series. Looking across the breakfast table one morning, twelve-year-old Liza feels dread wash over her. Although her younger brother, Patrick, appears the same, Liza knows that he is actually quite different. She is certain that the spindlers--evil, spiderlike beings--came during the night and stole his soul. And Liza is also certain that she is the only one who can rescue him. Armed with little more than her wits and a huge talking rat for a guide, Liza descends into the dark and ominous underground to save Patrick's soul. Her quest is far from easy: she must brave tree-snakes, the Court of Stones, and shape-shifting scawgs before facing her greatest challenge in the

spindlers' lair, where more than just Patrick's soul is at stake.

*Liesl & Po* - Lauren Oliver 2011-10-04  
From New York Times bestselling author Lauren Oliver comes a luminous novel that glows with rare magic, ghostly wonders, and a true friendship that lights even the darkest of places. An E. B. White Read-Aloud Honor Book, it's perfect for fans of the author's other middle grade novels: *The Spindlers* and the *Curiosity House* series. Liesl lives in a tiny attic bedroom, locked away by her cruel stepmother. Her only friends are the shadows and the mice—until one night a ghost named Po appears from the darkness. That same evening, an alchemist's apprentice named Will makes an innocent mistake that has tremendous consequences for Liesl and Po, and it draws the three

of them together on an extraordinary journey.

*Delirium* - Lauren Oliver 2011-08-02  
The first book in Lauren Oliver's New York Times bestselling trilogy about forbidden love, revolution, and the power to choose. In an alternate United States, love has been declared a dangerous disease, and the government forces everyone who reaches eighteen to have a procedure called the Cure. Living with her aunt, uncle, and cousins in Portland, Maine, Lena Haloway is very much looking forward to being cured and living a safe, predictable life. She watched love destroy her mother and isn't about to make the same mistake. But with ninety-five days left until her treatment, Lena meets enigmatic Alex, a boy from the Wilds who lives under the government's radar. What

will happen if they do the  
unthinkable and fall in love?

*Specials* - Scott Westerfeld

2010-03-04

"Special Circumstances" - These words have sent chills down Tally's spine since her days as a rebellious Ugly. Back then Specials were a sinister rumour - frighteningly beautiful, dangerously strong, breathtakingly fast. Ordinary pretties might live their whole lives without meeting a Special. But Tally's never been ordinary... Now she's been turned into one of them: a superamped fighting machine, engineered to keep the Ugliers down and the Pretties stupid. The strength, the speed, and the clarity and focus of her thinking feel better than anything Tally can remember... most of the time. One tiny corner of her heart still remembers

something more. Still, it's easy to tune that out - until Tally's offered a chance to stamp out the rebels of the New Smoke permanently. It all comes down to one last choice: carry out the mission she's programmed to complete, or listen to that tiny, faint heartbeat telling her that something's wrong... Either way, Tally's world will never be the same.  
*Reached* - Ally Condie 2013

After leaving the Society and desperately searching for each other - and the Rising - Cassia and Ky have found what they were looking for, but at the cost of losing each other yet again. But nothing is as predicted, and all too soon the veil lifts and things shift once again.

*Enclave* - Ann Aguirre 2011-04-12

New York City has been decimated by war and plague, and most of

civilization has migrated to underground enclaves, where life expectancy is no more than the early 20's. When Deuce turns 15, she takes on her role as a Huntress, and is paired with Fade, a teenage Hunter who lived Topside as a young boy. When she and Fade discover that the neighboring enclave has been decimated by the tunnel monsters--or Freaks--who seem to be growing more organized, the elders refuse to listen to warnings. And when Deuce and Fade are exiled from the enclave, the girl born in darkness must survive in daylight--guided by Fade's long-ago memories--in the ruins of a city whose population has dwindled to a few dangerous gangs. Ann Aguirre's thrilling young adult novel is the story of two young people in an apocalyptic world--facing dangers,

and feelings, unlike any they've ever known.

**The One** - Kiera Cass 2014-05-06  
The captivating third book in Kiera Cass's #1 New York Times bestselling Selection series America Singer searches for her happily ever after in this swoon-worthy YA dystopian romance, perfect for readers who loved Veronica Roth's *Divergent*, Lauren Oliver's *Delirium*, or Renée Ahdieh's *The Wrath & the Dawn*. Entering the Selection changed America Singer's life in ways she never could have imagined. Since she arrived at the palace, America has struggled with her feelings for her first love, Aspen--and her growing attraction to Prince Maxon. Now she's made her choice . . . and she's prepared to fight for the future she wants. Don't miss *The Betrothed*, a

glittering royal romance sure to captivate Kiera Cass's legion of loyal readers and lovers of courtly intrigue alike!

**Lilac Girls** - Martha Hall Kelly  
2016-04-05

NEW YORK TIMES BESTSELLER • One million copies sold! Inspired by the life of a real World War II heroine, this remarkable debut novel reveals the power of unsung women to change history in their quest for love, freedom, and second chances. "Extremely moving and memorable . . . This impressive debut should appeal strongly to historical fiction readers and to book clubs that adored Kristin Hannah's *The Nightingale* and Anthony Doerr's *All the Light We Cannot See*."—Library Journal (starred review) New York socialite Caroline Ferriday has her hands full with her

post at the French consulate and a new love on the horizon. But Caroline's world is forever changed when Hitler's army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision

course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten. USA Today “New and Noteworthy” Book • LibraryReads Top Ten Pick Must-Read Teen Novel Sampler - Lauren Oliver 2012-05-08

These books may be labeled "Teen," but don't judge a book by its category. No matter what your age, you'll love reading excerpts from these buzzed-about books: *Delirium: The Special Edition* by Lauren Oliver, *Divergent* by Veronica Roth, *The Fame Game* by Lauren Conrad, *Pretty Little Liars* by Sara Shepard, *The Selection* by Kiera Cass, and *Where I Belong* by

Gwendolyn Heasley. For the teen in all of us—a collection of fabulous reads.

*Rooms* - Lauren Oliver 2015-08-27  
The New York Times bestselling author of *Before I Fall* and the *Delirium* trilogy makes her brilliant adult debut with this mesmerizing story in the tradition of *The Lovely Bones*, *Her Fearful Symmetry*, and *The Ocean at the End of the Lane*--a tale of family, ghosts, secrets, and mystery, in which the lives of the living and the dead intersect in shocking, surprising, and moving ways. Wealthy Richard Walker has just died, leaving behind his country house full of rooms packed with the detritus of a lifetime. His estranged family--bitter ex-wife Caroline, troubled teenage son Trenton, and unforgiving daughter Minna--have arrived for

their inheritance. But the Walkers are not alone. Prim Alice and the cynical Sandra, long dead former residents bound to the house, linger within its claustrophobic walls. Jostling for space, memory, and supremacy, they observe the family, trading barbs and reminiscences about their past lives. Though their voices cannot be heard, Alice and Sandra speak through the house itself--in the hiss of the radiator, a creak in the stairs, the dimming of a light bulb. The living and dead are each haunted by painful truths that will soon surface with explosive force. When a new ghost appears, and Trenton begins to communicate with her, the spirit and human worlds collide--with cataclysmic results. Elegantly constructed and brilliantly paced, *Rooms* is an enticing and imaginative

ghost story and a searing family drama that is as haunting as it is resonant.

**Crossed** - Ally Condie 2013-03-12  
The highly anticipated second book in the New York Times bestselling *Matched* trilogy! Perfect for fans of 1984, Brave New World, Black Mirror, and *The Handmaid's Tale*. Chasing down an uncertain future, Cassia makes her way to the Outer Provinces in pursuit of Ky--taken by Society to his certain death--only to find that he has escaped into the majestic, but treacherous, canyons. On this wild frontier are glimmers of a different life . . . and the enthralling promise of rebellion. But even as Cassia sacrifices everything to reunite with Ky, ingenious surprises from Xander may change the game. On the edge of Society, nothing is as

expected, and crosses and double crosses make Cassia's path more twisted than ever. Look for the epic series finale, REACHED!

**Replica** - Lauren Oliver 2016-10-04  
From Lauren Oliver, New York Times bestselling author of *Before I Fall* and the *Delirium* trilogy, comes an epic, masterful novel that explores issues of individuality, identity, and humanity. Lyra's story begins in the Haven Institute, a building tucked away on a private island off the coast of Florida that from a distance looks serene and even beautiful. But up close the locked doors, military guards, and biohazard suits tell a different story. In truth, Haven is a clandestine research facility where thousands of replicas, or human models, are born, raised, and observed. When a surprise

attack is launched on Haven, two of its young experimental subjects—Lyra, or 24, and the boy known only as 72—manage to escape. Gemma has been in and out of hospitals for as long as she can remember. A lonely teen, her life is circumscribed by home, school, and her best friend, April. But after she is nearly abducted by a stranger claiming to know her, Gemma starts to investigate her family's past and discovers her father's mysterious connection to the secretive Haven research facility. Hungry for answers, she travels to Florida, only to stumble upon two replicas and a completely new set of questions. While the stories of Lyra and Gemma mirror each other, each contains breathtaking revelations critically important to the other story. Using hotlinks in this

electronic edition, readers can decide how they would like to read the book, as with the print version. They can read the story of Gemma or Lyra straight through first, followed by the other girl's story, or they can move between chapters in Lyra's and Gemma's sections. No matter how it is read, *Replica* is an ambitious, thought-provoking masterwork.

**Uninvited** - Sophie Jordan 2014-01-28  
From New York Times bestselling author Sophie Jordan, *Uninvited* is a chilling and suspenseful story about a girl whose DNA brands her a killer, perfect for fans of *The Unbecoming of Mara Dyer* and *Shatter Me*. Davy had everything—a terrific boyfriend, the homecoming crown, a bright future at Juilliard—but when her genetic tests come back positive for Homicidal Tendency Syndrome, she loses it all.

*Uninvited* from her prestigious school, avoided by her friends and family, she is placed in a special class with other "carriers" who are treated like the murderers they someday might become. Only Sean, a fellow HTS carrier, can relate to her new life and tells her that she alone controls her actions—not the code embedded into her DNA. But even if she can learn to trust him, can Davy trust herself? Don't miss the continuation of Davy's journey in *Unleashed*, the romantic, high-stakes conclusion!

[The Fame Game](#) - Lauren Conrad  
2012-04-03

In Hollywood, fame can be found on every corner and behind any door. You just have to know where to look for it. Nineteen-year-old Madison Parker made a name for herself as best

frenemy of nice-girl-next-door Jane Roberts on the hot reality show L.A. Candy. Now Madison's ready for her turn in the spotlight and she'll stop at nothing to get it. Sure, she's the star of a new show, but with backstabbing friends and suspicious family members trying to bring her down, Madison has her work cut out for her. Plus, there's a new nice girl in "reality" town—aspiring actress Carmen Price, the daughter of Hollywood royalty—and she's a lot more experienced at playing the fame game... When the camera's start rolling, whose star will shine brighter? Filled with characters both familiar and new, Lauren Conrad's series about the highs and lows of being famous delivers Hollywood gossip and drama at every turn.

Contributions by Megan Brown, Jill Coste, Sara K. Day, Rachel Dean-Ruzicka, Rebekah Fitzsimmons, Amber Gray, Roxanne Harde, Tom Jesse, Heidi Jones, Kaylee Jangula Mootz, Leah Phillips, Rachel L. Rickard Rebellino, S. R. Toliver, Jason Vanfosson, Sarah E. Whitney, and Casey Alane Wilson While critical and popular attention afforded to twenty-first-century young adult literature

has exponentially increased in recent years, classroom materials and scholarship have remained static in focus and slight in scope. *Twilight*, *The Hunger Games*, *The Fault in Our Stars*, and *The Hate U Give* overwhelm conversations among scholars and critics—but these are far from the only texts in need of analysis. *Beyond the Blockbusters: Themes and Trends in Contemporary Young Adult Fiction* offers a necessary remedy to this limiting perspective, bringing together essays about the many subgenres, themes, and character types that have until now been overlooked. The collection tackles a diverse range of topics—modern updates to the marriage plot; fairy tale retellings in dystopian settings; stories of extrajudicial police killings and racial justice.

The approaches are united, though, by a commitment to exploring the large-scale generic and theoretical structures at work in each set of texts. As a collection, *Beyond the Blockbusters* is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences. It will prove a crucial addition to the library of any scholar or instructor of young adult literature.

This dystopian series set in a futuristic Chicago has captured the hearts of millions of teen and adult readers. Perfect for fans of the Hunger Games and Maze Runner series, Divergent and its sequels, Insurgent and Allegiant, are electrifying thrillers filled with tough decisions, stunning consequences, and unexpected romance. Fans of the Divergent movie will find the book packed with just as much emotional depth and exhilarating action as the film, all told in beautiful, rich

language. One choice can transform you. Beatrice Prior's society is divided into five factions—Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions. Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous. Supports the Common Core State Standards.

Furysong - Rosaria Munda 2022-08-09

In this explosive conclusion to the epic trilogy that began with Fireborne, Annie and Lee are fighting for their lives—and for each other—as

invading dragonfire threatens to burn their home to the ground. A new revolution is underway, and nobody will emerge unscathed. In New Pythos, Griff is facing an execution by the dragonborn, who are furious at his betrayal. He has allies on both sides seeking to defy his fate, but the price of his freedom might come at a dear cost. And Delo will have to make a choice: follow his family, or finally surrender to his conscience. Meanwhile, Annie must race home to hatch a plan to save her Guardians and their dragons. With Callipolis on the brink of collapse and the

triarchy set to be reinstated, she may be the one person who can save the city—if she can overcome her own doubts about her future. Lee is a revolutionary at heart, but now he'll have to find a way to fight with diplomacy. Going up against the dragonborn court and a foreign princess, he faces a test of loyalty that sets his head against his heart. As the fate of Callipolis darkens, Annie and Lee must determine what they are willing to sacrifice in order to save each other, defeat their enemies, and reclaim their home.
