*Deleuze and Guattari's Anti-Oedipus* - Eugene W. Holland 2002-01-04

Eugene W. Holland provides an excellent introduction to Gilles Deleuze and Felix Guattari's *Anti-Oedipus* which is widely recognized as one of the most influential texts in philosophy to have appeared in the last thirty years. He lucidly presents the theoretical concerns behind *Anti-Oedipus* and explores with clarity the diverse influences of Marx, Freud, Nietzsche and Kant on the development of Deleuze & Guattari's thinking. He also examines the wider implications of their work in revitalizing Marxism, environmentalism, feminism and cultural studies.

*Stormqueen!* - Marion Zimmer Bradley 2011-09-29

The great epic of *Darkover* did not begin with the Terrans' arrival. For in those years, the power of the matrix was first learned - and misused in a power struggle that could have made *Darkover* a duplicate of Terra.

*The Baphomet* - Pierre Klossowski 1998

In this erotic, metaphysical, and theological novel, the spirits of medieval Templar monks gather on the anniversary of their Grand Master's torment and execution. Together they commit the sexual perfidies and blasphemous acts of which they had been forced to accuse one another before a tribunal.

*Mother Spring* - Driss Chraïbi 1989

Beginning with an epilogue set in the present, this novel quickly moves back to the time of the generation after Muhammad - a time when North Africa, the home of the Berber peoples, was overrun by Arab armies. First

published in French in 1982.

*The Populist Manifesto* - Emmy Eklundh 2020-02-15

This volume brings together a range of scholars dissatisfied with the mainstream of the populism debate. It intends to bring forward a perspective which envisions populism not simply as a negative aspect of politics, but as a way of doing politics. Contemporary politics has been characterised by the overarching presence of populism, while simultaneously engendering a sense of fear and extremism around the results of populist movements. This collection intends to unpack the true potential for movements from and by the people, linking these historically and offering a new lens for thinking about contemporary populism. What can we learn from recent events? How can these lessons inform how we think about politics for the future? Offering this approach, from the perspective of populist potential, will help us answer these questions and open the debate with contributors from countries or regions that have a tradition of populism, privileging them with a deeper understanding.

*Alain on Happiness* - Alain 1989

*Topology of a Phantom City* - Alain Robbe-Grillet 1977

*Symbolism and Interpretation* - Tzvetan Todorov 1986

In *Symbolism and Interpretation*, Tzvetan Todorov examines two aspects of discourse: its production, which has traditionally been the domain of

rhetoric, and its reception, which has always been the object of hermeneutics. He analyzes the diverse theories of symbolism and interpretation that have been elaborated over the centuries and considers their contribution to a general theory of verbal symbolism, discussing a wide range of thinkers, from the Sanskrit philosophers and Aristotle to the German Romantics and contemporary semioticians. Todorov begins by examining general ideas of linguistic symbolism and the interpretive process. He then turns to a detailed consideration of two of the most influential and pervasive interpretative strategies in Western thought: the patristic exegesis of Augustine and Aquinas, and the philological exegesis foreshadowed in the work of Spinoza, developed by Wolf, Ast, Boeckh, and Lanson, and criticized by Schleiermacher. Todorov clarifies in masterly fashion the intricacies of the many schools of thought and refines the concepts crucial to critical theory today, including the distinctions between language and discourse, direct and indirect meaning, sign and symbol. Ably translated by Catherine Porter, *Symbolism and Interpretation* provides a coherent and innovative framework that is indispensable to the study of semiotics, its history, and its future.

*Die beiden Nemos* - Arnold Krieger 1983

*Hawks on Hawks* - Joseph McBride 2013-12-03

"I read *Hawks on Hawks* with passion. I am very happy that this book exists." -- François Truffaut  
Howard Hawks (1896--1977) is often credited as being the most versatile of all of the great American directors, having worked with equal ease in screwball comedies, westerns, gangster movies, musicals, and adventure films. He directed an impressive number of Hollywood's greatest stars -- including Humphrey Bogart, Cary Grant, John Wayne, Lauren Bacall, Rosalind Russell, and Marilyn Monroe -- and some of his most celebrated films include *Scarface* (1932), *Bringing Up Baby* (1938), *The Big Sleep* (1946), *Red River* (1948), *Gentlemen Prefer Blondes* (1953), and *Rio Bravo* (1959). *Hawks on Hawks* draws on interviews that author Joseph McBride conducted with the director over the course of seven years, giving rare insight into Hawks's artistic philosophy, his relationships with the stars, and his position in an industry that was rapidly changing. In its new edition, this classic book is both an account of the film legend's life and work and a guidebook on how to make movies.

*Tarot of the Magicians* - Wirth, Oswald 2013-02-01

*Tarot of the Magicians* by Swiss occultist artist and author Oswald Wirth was first published in Paris in 1927, and a Weiser edition was later released in 1985. Long unavailable, the book is back in print in a beautiful new package with full-color pull-out cards reproducing Wirth's 1889 tarot deck. With a new introduction by bestselling tarot author Mary K. Greer, *Tarot of the Magicians* offers tarot enthusiasts and students of the occult an in-depth and authoritative analysis of one of the most beautiful and evocative of all modern tarot decks. In this important tarot work of the Major Arcana, Wirth combines the imagery and symbolism from Alchemy, Freemasonry, Rosicrucianism, and the magical heritage of Egypt and Chaldea, and explores the astronomical (rather than strictly zodiacal) associations for the Major Arcana cards.

*Hallucinations in Children* - Daniel Pilowsky 1986

*Althusser and Feminism* - Alison Assiter 1990

*Project for a Revolution in New York* - Alain Robbe-Grillet 2012-09-04  
New York City becomes the imaginary setting for a novel that draws parallels between politics and different forms of criminal and sexual activity.

*Kundalini* - Lilian Silburn 1988-01-01

Kundalini's power lies dormant in humans until it is awakened. The awakened Kundalini expresses the primal divine impulse and ultimately joins the individual with the divine. The development of the book parallels the development of the Kundalini within. Part One exposes the awakening and unfolding of the Kundalini; Part Two describes the piercing of the energy centers and the stages of ascent through the body; and Part Three examines Kundalini's relation to sexual expression. The book provides a deep understanding of Tantra and of the underlying purpose of Tantricism. The author carefully considers the Caryakrama practices of sexual expression as a means of awakening and controlling Kundalini. Silburn draws together passages from the Trika, Krama, and Kaula systems ranging through Abhinavagupta and Lalla and provides both translation and commentary for them. Chapters on the Chakras, the Nadis, and on mantras further elucidate the topic and lead to a forceful conclusion: Kundalini is the source of ultimate human knowledge and power.

*Cytomegalovirus* - Hervé Guibert 2015-10-01

By the time of his death, Herve Guibert had become a singular literary voice on the impact of AIDS in France. He was prolific. His oeuvre contained some twenty novels, including *To the Friend Who Did Not Save My Life* and *The Compassion Protocol*. He was thirty-six years old. In *Cytomegalovirus*, Guibert offers an autobiographical narrative of the everyday moments of his hospitalization because of complications of AIDS. Cytomegalovirus is spare, biting, and anguished. Guibert writes through the minutiae of living and of death—as a quality of invention, of melancholy, of small victories in the face of greater threats—at the moment when his sight (and life) is eclipsed. This new edition includes an Introduction and Afterword contextualizing Guibert’s work within the history of the AIDS pandemic, its relevance in the contemporary moment, and the importance of understanding the quotidian aspects of terminal illness.

[The Spectre Of Hegel](#) - Louis Althusser 2014-01-07

Louis Althusser is remembered today as the scourge of humanist Marxism, but that was his later incarnation, an identity formed by years grappling with the intellectual inheritance of Hegel and Catholicism. *The Spectre of Hegel* collects the writings of the young Althusser, before his final epistemological break with the philosopher’s work in 1953. Including his famed essay ‘Ideology and Ideological State Apparatuses’, *The Spectre of Hegel* gives a unique insight into Althusser’s engagement with a philosophy he would later renounce.

[Canadian Literature in English](#) - Cynthia Sugars 2008

This book differs from other anthologies of Canadian literature in its inclusion of substantial contextual material; its historical emphasis on the production of Canadian literature; its interdisciplinary approach; its emphasis on intertextual dialogue between selections; its inclusion of popular culture texts, such as song lyrics; and its inclusion of a substantial representation of Canadian First Nations writing within a general Canadian Literature anthology.

[Samurai](#) - Adrienne Lee 2013-07

"Describes the lives of Japan's Samurai warriors, including their daily life, weapons, and fighting techniques"--Provided by publisher.

**Carnac** - Eugène Guillevic 1999

Eugene Guillevic, who died in 1997, was one of France's most important contemporary poets. Dating from 1961, *Carnac* marks the beginning of Guillevic's mature life as a poet. A single poem divided into several parts, it evokes the rocky, sea-bound, unfinished landscape of Brittany with its sacred objects and its great silent sense of waiting. The texts are brief but have a grave, meditative serenity, as the poet seeks to effect balance and help us to make friends with nature, as well as to live in a universe which is chaotic and often frightening. In this poetry of description -- where entire landscapes are built up from short, intense texts -- language is reduced to its essentials, as words are placed on the page like a dam against time,

and aspire to what John Montague calls their mystic materialism.

[Wittgenstein Reads Freud](#) - Jacques Bouveresse 1995

Did Freud present a scientific hypothesis about the unconscious, as he always maintained and as many of his disciples keep repeating? This question has long prompted debates concerning the legitimacy and usefulness of psychoanalysis, and it is of utmost importance to Lacanian analysts, whose main project has been to stress Freud's scientific grounding. Here Jacques Bouveresse, a noted authority on Ludwig Wittgenstein, contributes to the debate by turning to this Austrian-born philosopher and contemporary of Freud for a candid assessment of the early issues surrounding psychoanalysis. Wittgenstein, who himself had delivered a devastating critique of traditional philosophy, sympathetically pondered Freud's claim to have produced a scientific theory in proposing a new model of the human psyche. What Wittgenstein recognized--and what Bouveresse so eloquently stresses for today's reader--is that psychoanalysis does not aim to produce a change limited to the intellect but rather seeks to provoke an authentic change of human attitudes. The beauty behind the theory of the unconscious for Wittgenstein is that it breaks away from scientific, causal explanations to offer new forms of thinking and speaking, or rather, a new mythology. Offering a critical view of all the texts in which Wittgenstein mentions Freud, Bouveresse immerses us in the intellectual climate of Vienna in the early part of the twentieth century. Although we come to see why Wittgenstein did not view psychoanalysis as a science proper, we are nonetheless made to feel the philosopher's sense of wonder and respect for the cultural task Freud took on as he found new ways meaningfully to discuss human concerns. Intertwined in this story of Wittgenstein's grappling with the theory of the unconscious is the story of how he came to question the authority of science and of philosophy itself. While aiming primarily at the clarification of Wittgenstein's opinion of Freud, Bouveresse's book can be read as a challenge to the French psychoanalytic school of Lacan and as a provocative commentary on cultural authority.

**Country Dark** - Chris Offutt 2018-04-10

"A smart, rich country noir" from the acclaimed author *Kentucky Straight* and *The Good Brother* (Stewart O’Nan, bestselling author of *Henry, Himself*). Chris Offutt is an outstanding literary talent, whose work has been called “lean and brilliant” (*The New York Times Book Review*) and compared by reviewers to Tobias Wolff, Ernest Hemingway, and Raymond Carver. He’s been awarded the Whiting Writers Award for Fiction/Nonfiction and the American Academy of Arts and Letters Fiction Award, among numerous other honors. His first work of fiction in nearly two decades, *Country Dark* is a taut, compelling novel set in rural Kentucky from the Korean War to 1970. Tucker, a young veteran, returns from war to work for a bootlegger. He falls in love and starts a family, and while the Tuckers don’t have much, they have the love of their home and each other. But when his family is threatened, Tucker is pushed into

violence, which changes everything. The story of people living off the land and by their wits in a backwoods Kentucky world of shine-runners and laborers whose social codes are every bit as nuanced as the British aristocracy, *Country Dark* is a novel that blends the best of Larry Brown and James M. Cain, with a noose tightening evermore around a man who just wants to protect those he loves. It reintroduces the vital and absolutely distinct voice of Chris Offutt, a voice we've been missing for years. "[A] fine homage to a pocket of the country that's as beautiful as it is prone to tragedy."—The Wall Street Journal "A pleasure all around."—Daniel Woodrell, author of *Winter's Bone*

*Soap* - Francis Ponge 1998

In this work, begun during the German occupation, the eminent French poet and philosopher began to turn away from the small, perfect poem toward a much more open form, a kind of prose poem that recounted its own process of coming into being along with the final result.

*Overcoming School Refusal* - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to

deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal
