Arcimboldo - Thomas DaCosta Kaufmann 2010-05-15

In Giuseppe Arcimboldo's most famous paintings, grapes, fish, and even the beaks of birds form human hair. A pear stands in for a man's chin. Citrus fruits sprout from a tree trunk that doubles as a neck. All sorts of natural phenomena come together on canvas and panel to assemble the strange heads and faces that constitute one of Renaissance art's most striking oeuvres. The first major study in a generation of the artist behind these remarkable paintings, Arcimboldo tells the singular story of their creation. Drawing on his thirty-five-year engagement with the artist, Thomas DaCosta Kaufmann begins with an overview of Arcimboldo's life and work, exploring the artist's early years in sixteenth-century Lombardy, his grounding in Leonardesque traditions, and his tenure as a Habsburg court portraitist in Vienna and Prague. Arcimboldo then trains its focus on the celebrated composite heads, approaching them as visual jokes with serious underpinnings—images that poetically display pictorial wit while conveying an allegorical message. In addition to probing the humanistic, literary, and philosophical dimensions of these pieces, Kaufmann explains that they embody their creator's continuous engagement with nature painting and natural history. He reveals, in fact, that Arcimboldo painted many more nature studies than scholars have realized—a finding that

significantly deepens current interpretations of the composite heads. Demonstrating the previously overlooked importance of these works to natural history and still-life painting, Arcimboldo finally restores the artist's fantastic visual jokes to their rightful place in the history of both science and art.

Marie Syrkin - Carole S. Kessner 2008

Marie Syrkin's life spanned ninety years of the twentieth century, 1899-1989. As a polemical journalist, socialist Zionist, poet, educator, literary critic, translator, and idiosyncratic feminist, she was eyewitness to and reporter on most of the major events in America, Israel, and Europe. Beautiful as well as brilliant, she had a rich personal life as lover, wife, mother, and friend. During her lifetime Syrkin's name was widely recognized in the world of Jewish life and letters. Yet, inevitably, since her death, recognition of her name is no longer quite so immediate. Carole S. Kessner's intention is to restore for a new generation the singular legacy of Syrkin's life. Syrkin was born in Switzerland, the only child of the theoretician of socialist Zionism Nachman Syrkin and Bassya Osnos Syrkin, a feminist socialist Zionist. Following short stints in several European countries, the family immigrated to the United States in 1909. By the age of ten Marie was fluent in five languages. Educated in American public schools and at Cornell University, by the time she was twenty-three she had published translations as well as her own poetry. After her first trip to Palestine in 1933, Syrkin joined the staff of the Jewish Frontier. This began her lifelong contribution to Zionism, Jewish life, and responsible journalism. In 1947 she published her most celebrated work, *Blessed Is the Match*. In 1950 she became a professor of English literature at Brandeis University and later published a biography of her father and the authorized biography of her longtime close friend Golda Meir. Syrkin married three times: the first, to Maurice Samuel, annulled by her father's intervention; the second, to the biochemist Aaron Bodansky, the father of her son David; the third, to the poet Charles Reznikoff, lasted on and off for more than forty years. In the course of her life, Marie had many influential friends, such as Hayim Greenberg, Ben Gurion, and Irving Howe, and she served as inspiration to many younger intellectuals, including Martin Peretz, Michael Walzer, and Leon Wieseltier. As poet and journalist, Zionist activist and public intellectual, Syrkin's work and actions illuminate a wide range of twentieth-century literary, cultural, and political concerns. Her passions demonstrate, as Irving Howe said, "a life of commitment to values beyond the self."

Answer Them Nothing - Debra Weyermann 2011-08-01

The compelling story of the struggle by law enforcement and activists to dismantle the Fundamentalist Church of Jesus Christ of Latter Day Saints (FLDS) is finally told. In 1953, when police raided the Short Creek compound of the FLDS, it soon became a political and publicity nightmare eventually costing the governor of Arizona his job. Thus began 50 years of skittish public officials turning a blind eye to heinous offenses such as child abandonment, kidnapping, statutory rape, and incest, as well as massive tax and welfare fraud. Warren Jeffs became the new FLDS prophet and president in 2002, and anti-FLDS activists watched in horror as he used his boundless authority and the resources of a tax-supported community to devastate thousands of lives on cruel whims. This exposé presents a detailed, chilling account of how a hostile, destructive group can manipulate the U.S. judicial system. It is a mesmerizing journey into one of the United States's darkest corners, a story that stretches over three states and deep into the history of the powerful Mormon Church.

Fight Like a Girl - Laura Barcella 2019-08-01

Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. #YesAllWomen, conversations around consent, equal pay, access to contraception, and a host of other

issues are foremost topics of conversation in American (and worldwide) media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism, in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause, and unique portraits (artist's renderings) of the feminists themselves. This artistic addition will take the book beyond simply an informational text, and make it a treasure of a book.

Soundtracked Books from the Acoustic Era to the Digital Age - Justin St. Clair 2022-06-16

Offering both a short history and a theoretical framework, this book is the first extended study of the soundtracked book as a media form. A soundtracked book is a print or digital publication for which a recorded, musical complement has been produced. Early examples were primarily developed for the children's market, but by the middle of the twentieth century, ethnographers had begun producing book-and-record combinations that used print to contextualize musical artifacts. The last half-century has witnessed the rapid expansion of the adult market, including soundtracked novels from celebrated writers such as Ursula K. Le Guin, Kathy Acker, and Mark Z. Danielewski. While often dismissed as gimmicks, this volume argues that soundtracked books represent an interesting case study in media consumption. Unlike synchronous multimedia forms, the vast majority of soundtracked books require that audience activity be split between reading and listening, thus defining the user experience and often shaping the content of singing books as well. Mapping the form's material evolution, this book charts a previously unconsidered pathway through more than a century of recording formats and packaging strategies, emphasizing the synergies and symbioses that

characterize the marriage of sound and print. As such, it will be of value to scholars and postgraduate students working in media studies, literary studies, and sound studies.

Between Heaven and Mirth - James Martin 2011-10-04

“Between Heaven and Mirth will make any reader smile. . . . Father Martin reminds us that happiness is the good God’s own goal for us.” —Timothy M. Dolan, Archbishop of New York From The Colbert Report’s “official chaplain” James Martin, SJ, author of the New York Times bestselling The Jesuit Guide to (Almost) Everything, comes a revolutionary look at how

joy, humor, and laughter can change our lives and save our spirits. A Jesuit priest with a busy media ministry, Martin understands the intersections between spirituality and daily life. In Between Heaven and Mirth, he uses scriptural passages, the lives of the saints, the spiritual teachings of other traditions, and his own personal reflections to show us why joy is the inevitable result of faith, because a healthy spirituality and a healthy sense of humor go hand-in-hand with God's great plan for humankind.
