*The Little Book of Thanks* - Anne Rogers Smyth 2015  
With inspiring words of gratitude, this tiny book with a great big message, helps us recognize the people who make our lives brighter and our hearts lighter. Enlightening quotes and short writings paired with adorable animal photos provide the perfect way to acknowledge everyone who makes a difference: a parent,

friend, sibling, spouse, colleague, teacher, mentor, or anyone else who has enriched your life. Filled with page after page of inspiring and humorous photos, this gift will show the people who matter just how much you care.

**The Blue Zones Kitchen** - Dan Buettner 2019-12-03  
Best-selling author Dan Buettner debuts his first cookbook, filled with 100

longevity recipes inspired by the Blue Zones locations around the world, where people live the longest. Building on decades of research, longevity expert Dan Buettner has gathered 100 recipes inspired by the Blue Zones, home to the healthiest and happiest communities in the world. Each dish--for example, Sardinian Herbed Lentil Minestrone; Costa Rican Hearts of Palm Ceviche; Cornmeal Waffles from Loma Linda, California; and Okinawan Sweet Potatoes--uses ingredients and cooking methods proven to increase longevity, wellness, and mental health. Complemented by mouthwatering photography, the recipes also include lifestyle tips (including the best times to eat dinner and proper portion sizes), all gleaned from countries as far away as Japan and as near as Blue Zones project cities in Texas. Innovative, easy to follow, and delicious, these healthy living recipes make the Blue Zones lifestyle even more attainable, thereby improving your health,

extending your life, and filling your kitchen with happiness.

**Women** - National Geographic 2019  
This powerful photography collection, drawn from the celebrated National Geographic archive, reveals the lives of women from around the globe, accompanied by revelatory new interviews and portraits of contemporary trailblazers including Oprah Winfrey, Jane Goodall, and Christiane Amanpour. #MeToo. #GirlBoss. Time's Up. From Silicon Valley to politics and beyond, women are reshaping our world. Now, in anticipation of the 100th anniversary of the 19th amendment, this bold and inspiring book from National Geographic mines 130 years of photography to showcase their past, their present, and their future. With 400+ stunning images from more than 50 countries, each page of this

glorious book offers compelling testimony about what it means to be female, from historic suffragettes to the haunting, green-eyed "Afghan girl." Organized around chapter themes like grit, love, and joy, the book features brand-new commentary from a wide swath of luminaries including Laura Bush, Gloria Allred, Roxane Gay, Melinda Gates, New Zealand prime minister Jacinda Ardern, and the founders of the #MeToo and Black Lives Matter movements. Each is accompanied by a bold new portrait, shot by acclaimed NG photographer Erika Larsen. The ultimate coffee table book, this iconic collection provides definitive proof that the future is female.

*Pristine Seas* - Enric Sala 2015  
"National Geographic Explorer-in-Residence Enric Sala takes readers on an unforgettable journey to 10 places where the ocean is virtually untouched by man, offering a fascinating glimpse into our past and an inspiring vision for the future. From the shark-rich waters surrounding Coco Island, Costa

Rica, to the iceberg-studded sea off Franz Josef Land, Russia, this incredible photographic collection showcases the thriving marine ecosystems that Sala is working to protect. Offering a rare glimpse into the world's underwater Edens, more than 200 images take you to the frontier of the Pristine Seas expeditions, where Sala's teams explore the breathtaking wildlife and habitats from the depths to the surface--thriving ecosystems with healthy corals and a kaleidoscopic variety of colorful fish and stunning creatures that have been protected from human interference. With this dazzling array of photographs that capture the beauty of the water and the incredible wildlife within it, this book shows us the brilliance of the sea in its natural state."--

**Visions of Earth** - National Geographic 2011

Visions of Earth raises a curtain on the wonders of the world and thrills us with nature's opulence and humanity's splendor. Each

image alone exposes a nugget of our planet's magnificence; the totality of the collection goes beyond our imagination. Turning the pages, viewers are struck by the richness of life on Earth. One photograph is more awe-inspiring than the next--chosen by veteran National Geographic Magazine photo editors to present what is visually incredible. The photographs are drawn from the popular "Visions of Earth" feature in the magazine, (rated #1 by readers), from our own storied Image Collection, and from renowned photographers throughout the world, many never-before published. Enthralling images fill the book in a gallery of stunning landscapes, fascinating people, amazing animals, and unexpected glimpses of the usual and unusual. Puffins' beaks signal breeding time in Norway and a speckled emperor moth in South Africa diverts predators with an illusion. An elephant takes a morning dip in India's Andaman Sea while Siamese crocodiles race in Thailand and

surfers in Australia relish a perfect day. Monks in Bhutan run to dinner and a little girl in red stands out among white-robed women in an Indonesian mosque. Spanish youth decked in colorful, oversize papier-mâché heads celebrate a festival in Catalonia and a flower of flame blooms from a man's kerosene-filled mouth in a Sikh celebration in India. Around the globe, amazing moments are captured in time, from a spray of flash frozen petal fragments in California to a truck show of chrome-covered and gleaming neon rigs half the world away in Japan. Visions of Earth is a welcome escape from the news of natural disasters, conflict, political upheaval, and social unrest that fills our lives. The book delights our senses, ignites our emotions, and renews our optimism, showcasing the many ways that our world is a marvel to behold and a privilege to call home.

**The Photo Ark** - Joel Sartore 2017

This book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by

photographer Joel Sartore to make portraits of the world's animals -- especially those that are endangered. His message: to know these animals is to save them. Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits: from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the prose of veteran wildlife writer Douglas Chadwick, this book presents an argument for saving all the species of our planet.
