Tales of the Marvellous and News of the Strange - 2014-11-06

On the shrouded corpse hung a tablet of green topaz with the inscription: 'I am Shaddad the Great. I conquered a thousand cities; a thousand white elephants were collected for me; I lived for a thousand years and my kingdom covered both east and west, but when death came to me nothing of all that I had gathered was of any avail. You who see me take heed: for Time is not to be trusted.' Dating from at least a millennium ago, these are the earliest known Arabic short stories, surviving in a single, ragged manuscript in a library in Istanbul. Some found their way into

The Arabian Nights but most have never been read in English before. Tales of the Marvellous and News of the Strange has monsters, lost princes, jewels beyond price, a princess turned into a gazelle, sword-wielding statues and shocking reversals of fortune.

The Fire Horse: Children's Poems by Vladimir Mayakovsky, Osip Mandelstam and Daniil Kharms - Eugene Ostashevsky 2017-03-14

Whimsical and revolutionary poems and art by some of Russia's foremost avant-garde writers and illustrators. A boy wants a toy horse big enough to ride, but where can his father find it? Not in the stores, which means it's got to be built from scratch. How? With the help of expert workers, from the carpenter to the painter, working together as one. And now the

bold boy is ready to ride off in defense of the future! Two trams, Click and Zam, are cousins. Click goes out for a day on the tracks and before long he's so tired he doesn't know where he is or how to get back. All he knows is he's got to find Zam. Click is looking for Zam and Zam is looking for Click, and though for a while it seems like nobody knows where to find Click, good and faithful Zam is not to be deterred. Peter's a car, Vasco's a steamboat, and Mikey's a plane. They're all running like mad and going great guns until, whoops, there's a big old cow, just a plain old cow, standing in the road. What then? The early years of the Soviet Union were a golden age for children's literature. The Fire Horse brings together three classics from the era in which some of

Russia's most celebrated poets, Vladimir Mayakovsky, Osip Mandelstam, and Daniil Kharms, teamed up with some of its finest artists, Lidia Popova, Boris Ender, and Vladimir Konashevich. Brilliantly translated by the poet Eugene Ostashevsky, this is poetry that is as whimsical and wonderful as it is revolutionary. *Seasons of Splendour* - Madhur Jaffrey 1992

Fire from Heaven - Mary Renault

2013-09-10

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light."

Alexander the Great stands alone as a leader and strategist, and Fire from Heaven is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover,

Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. Fire from Heaven is the first volume of the Novels of Alexander the Great trilogy, which continues with The Persian Boy and Funeral Games. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just

like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” –Hilary Mantel

By the author of the bestselling picture book *Petunia*, *The House of Four Seasons* is a bright and lively family picture book about colors, imagination, and compromise. When Father, Mother, Billy, and Suzy go

house hunting in the country, they fall in love with a grand old house nestled among tall weeds and trees. It is in need of repair, and soon a carpenter, mason, and tinsmith come to set things straight, but it needs painting too. The family agrees it would be more fun to paint the house themselves, but no one can agree on the color, and to make matters worse, the hardware store only carries three colors: red, blue, and yellow. But Father has an idea. “You’ll see, he says, “colors can do many tricks when they get together,” and with a sudden flourish, a color wheel appears! Budding artists and engineers will love this surprising story, and adults would do well to note how Father arrives at a winning trifecta of negotiation, education, and thrift.

I, Cosmo - Carlie Sorosiak 2021-03-30
A golden retriever narrates a hilarious, heart-tugging tale of a dog and his humans as he tries to keep his family together while everything around them falls apart. Ever since Cosmo became a big brother to Max ten years ago, he's known what his job was: to protect his boy and make him happy. Through many good

years marked by tennis balls and pilfered turkey, torn-up toilet paper and fragrant goose poop, Cosmo has doggedly kept his vow. Until recently, his biggest problems were the evil tutu-wearing sheepdog he met on Halloween and the arthritis in his own joints. But now, with Dad-scented blankets appearing on the couch and arguing voices getting louder, Cosmo senses a tougher challenge ahead. When Max gets a crazy idea to teach them both a dance routine for a contest, how can Cosmo refuse, stiff hips or no? Max wants to remind his folks of all the great times they've had together dancing -- and make them forget about the "d" word that's

making them all cry. Told in the open, optimistic, unintentionally humorous voice of a golden retriever, I, Cosmo will grab readers from the first page -- and remind them that love and loyalty transcend whatever life throws your way.
