Crazy Love - Francis Chan

2013-04-01

Revised & Updated Edition!

God is love. Crazy, relentless,

all-powerful love. Have you ever

wondered if we're missing it?
It's crazy, if you think about it.
The God of the universe—the
Creator of nitrogen and pine
needles, galaxies and E-
minor—loves us with a radical,
unconditional, self-sacrificing
love. And what is our typical
response? We go to church,
sing songs, and try not to cuss.
Whether you've verbalized it yet
or not, we all know something's
wrong. Does something deep
inside your heart long to break
free from the status quo? Are
you hungry for an authentic
faith that addresses the
problems of our world with
tangible, even radical,
solutions? God is calling you to
a passionate love relationship

with Himself. Because the
answer to religious
complacency isn't working
harder at a list of do's and
don'ts—it's falling in love with
God. And once you encounter
His love, as Francis describes
it, you will never be the same.
Because when you're wildly in
love with someone, it changes
everything. Learn more about

Perfectionist Politics - Douglas

M. Strong 1999-06-01

The story of an important but

overlooked antebellum reform

movement: ecclesiastical

abolitionism. Perfectionist

Politics is the story of an important, but overlooked, antebellum reform movement: ecclesiastical abolitionism. Douglas M. Strong examines those radical evangelical Protestants who seceded from proslavery denominations and reorganized themselves into independent antislavery congregations. Mirroring political abolitionist activity-particularly in the "burned-over district" of New York State-the ecclesiastical abolitionists formed a network of abolition churches and became the primary focus of Liberty Party electioneering strategy. Ecclesiastical abolitionists justified this clear connection between church and

state through the ethical experience of evangelical perfectionism. A vote for the Liberty Party became a mark of one's holiness. Perfectionist concepts also provided ecclesiastical abolitionists with a theological compass that enabled them to steer a middle course between two poles of U.S. democratic society-the need for institutional structure on one hand and the desire for greater individual liberty on the other. Strong contends that Liberty Party politics can be understood only as part of a broader perfectionist religious culture and specifically as an antebellum reflection of the popularized theological principle

of "entire sanctification."

Catholic Power in the

1981

Dutch Catholics long constituted

by far the most cohesive

political subculture in Western

Europe. For nearly half a

century virtually all Catholics in

the Netherlands supported a

single political party - the

Catholic party - resisting

appeals from both the left and

the right. Then in the mid-1960s

their allegiance began to

crumble; by 1972 only a small

minority of Dutch Catholics still

voted for the party and a few

years later it had ceased to

exist.

Lordship Salvation - Charles C.

Bing 2010-07

A powerfully biblical and thorough answer to the Lordship Salvation controversy. There is no more important issue than how to become a Christian. Lordship Salvation is a view that has confused many people about the nature of the gospel itself. Based on a Ph.D. dissertation, this is an academic and biblical response to the Lordship view. - The crucial issues of faith, repentance, lordship, and discipleship - Over 65 important passages explained - A helpful Scripture index - Can be used as a textbook - Retains its original academic form and content You will find out how Lordship Salvation undermines the

assurance of Christians as you gain a new confidence in the gospel of God's sure salvation. Read it, use it as a Bible study reference, or teach from it; it is a valuable resource in a critical and controversial issue. Charles C. Bing obtained his Ph.D. from Dallas Theological Seminary. As founder and president of GraceLife Ministries he is active as an author, conference speaker, and adjunct professor. **Minutes of the ... the award-winning, New York

Times bestselling author of

White Rage, the startling--and

timely--history of voter

suppression in America, with a

foreword by Senator Dick

Durbin. In her New York Times

bestseller White Rage, Carol

Anderson laid bare an insidious

history of policies that have

systematically impeded black

progress in America, from 1865

to our combustible present.

With One Person, No Vote, she

chronicles a related history: the

rollbacks to African American

participation in the vote since

the 2013 Supreme Court

decision that eviscerated the

Voting Rights Act of 1965.

Known as the Shelby ruling, this

decision effectively allowed

districts with a demonstrated

history of racial discrimination to

change voting requirements

without approval from the

Department of Justice. Focusing

on the aftermath of Shelby,

Anderson follows the

astonishing story of government-dictated racial discrimination unfolding before our very eyes as more and more states adopt voter suppression laws. In gripping, enlightening detail she explains how voter suppression works, from photo ID requirements to gerrymandering to poll closures. And with vivid characters, she explores the resistance: the organizing, activism, and court battles to restore the basic right to vote to all Americans.
