The Trophies of Time - Graham Parry 1996-02-22

The Trophies of Time presents the first comprehensive survey of the English antiquarians of the seventeenth century. In Britain throughout the period there was a persistent curiosity about the origins of the nation and its institutions, inspired initially by the publication in 1586 of Camden's Britannia. A remarkable campaign of scholarship developed, which attempted to imagine the vanished societies that had once flourished there. What could be known of prehistoric Britain from its monuments and language? Could the lay-out of Roman Britain be recovered? Was it possible somehow to retrieve the language, religion, and laws of Saxon England? The answers to these questions often had a bearing on contemporary issues of church and state and also enabled citizens to gain a new insight into the character and identity of their nation. Many of the most learned men of the age addressed themselves to antiquarian enquiry and this book presents lively and fascinating portraits of Camden, Cotton, Selden, Spelman, Ussher, Dugdale, Aubrey, and many other lesser-known scholars.

Last Child in the Woods - Richard Louv 2008-04-22

"The children and nature movement is fueled by this fundamental idea: the child in nature is an endangered species, and the health of children and the health of the Earth are inseparable."

—Richard Louv, from the new edition In his landmark work Last Child in the Woods, Richard Louv brought together cutting-edge studies that pointed to direct exposure to nature as essential for a child's healthy physical and emotional development. Now this new edition updates the growing body of evidence linking the lack of nature in children's lives and the rise in obesity, attention

disorders, and depression. Louv's message has galvanized an international back-to-nature campaign to "Leave No Child Inside." His book will change the way you think about our future and the future of our children. "[The] national movement to 'leave no child inside' . . . has been the focus of Capitol Hill hearings, state legislative action, grass-roots projects, a U.S. Forest Service initiative to get more children into the woods and a national effort to promote a 'green hour' in each day. . . . The increased activism has been partly inspired by a best-selling book, Last Child in the Woods, and its author, Richard Louv." —The Washington Post "Last Child in the Woods, which describes a generation so plugged into electronic diversions that it has lost its connection to the natural world, is helping drive a movement quickly flourishing across the nation." —The Nation's Health "This book is an absolute must-read for parents." —The Boston Globe Now includes A Field Guide with 100 Practical Actions We Can Take Discussion Points for Book Groups, Classrooms, and Communities Additional Notes by the Author New and Updated Research from the U.S. and Abroad

Apotheosis of the North - Bernd Roling 2017-05-08

Despite its enormous extent and impact, the Swedish scholarship produced in the context of Olof Rudbeck's monumental 'Atlantica' (4 vols, 1679-1702) has hitherto escaped attention outside Scandinavia. The present volume explores the numerous disciplines that comprised this, one of the last, but grandest appropriations of the classical heritage in early modern times. In the decades around 1700, dozens of scholars all around the Baltic Sea embarked on studies of classical and Norse mythology, material remains and antiquities, of languages, botany and zoology as well as biblical scholarship, in order to reveal the primordial status of ancient Sweden. Fusing together numerous disciplines within Rudbeck's elaborate and all-encompassing epistemological framework, they gave to a nation that had advanced to the rank of a European superpower a narrative of a glorious past that matched its contemporary pretensions. Presenting case studies stretching from the 17th to the 19th century and across a wide number of fields, this volume traces the extent and *longue durée* of one of the most fascinating and underestimated episodes in European intellectual history.

Magnus Chase: The Complete Series (Books 1, 2, 3) - Rick Riordan 2018-12-13

Now available for the first time: all three novels from the amazing Magnus Chase series, collected in one stunning digital edition. My name is Magnus Chase. I'm orphaned and living rough on the streets of Boston. And things are about to get much worse. My day started out normally enough. I was sleeping under a bridge when some guy kicked me awake and said, 'They're after you.' Next thing I know, I'm reunited with my obnoxious uncle, who casually informs me that my long-lost father is a Norse god. And it turns out the gods of Asgard are preparing for war. Apparently, if I can't find the sword my father lost two thousand years ago, there will be doom. Doomsday, to be precise. But first I'm going to die. This is the story of how my life goes downhill from there... Magnus Chase: The Complete Series includes all three novels in the action-packed, electrifying series from Rick Riordan: The Sword of Summer, The Hammer of Thor and The Ship of the Dead *Weiss's Herbal Medicine* - Rudolf Fritz Weiss 2001 The classic edition is back! First published in 1988, Weiss's Herbal Medicine is revered by herbalists and medical professionals alike as the seminal work in the field of phytotherapy. This book has established itself as an indispensable resource and is widely acknowledged as the key text in the field

of medical herbalism. You will find clear, detailed information on treating conditions ranging from colds and influenza to rheumatic problems, metabolic and endocrine disorders, cancer, and much more. Conveniently arranged by organ system, the text provides guidelines for prescribing herbal remedies, with sections on dosage, application, and precautionary measures. Plus, for each plant discussed, you will find lists of their occurrence, botanical features, differentiation from related species, constituents, and medical benefits. Proprietary formulations, full references, and a comprehensive subject index of almost 2,000 entries round out the superb coverage! Weiss's life's work examines the subject of herbal medicine from both a clinical and practical viewpoint, incorporating his personal observations and clinical experience with scientific studies. This material formed the basis of *Herbal Medicine*, 2E, also by Thieme. The second edition, revised, expanded and modernized by Volker Fintelmann, streamlines the work into a more clinical text, incorporating the latest scientific research and Commission E findings on the efficacy of herbs. This edition is recommended for allopathic physicians and other medical professionals who are new to the field of herbal medicine. Professor Rudolf Fritz Weiss (1895-1991) is highly regarded as the founding father of modern German phytotherapy. He studied botany and medicine at the University of Berlin, qualifying as a doctor in 1922 and subsequently taking additional qualifications in internal medicine. A teaching post in herbal medicine was interrupted by war service as an army doctor, followed by seven years in Russian captivity as a doctor in prisoner-of-war camp hospitals. After retiring from clinical practice in 1961, he devoted his life to the scientific development and acceptance of herbal medicine. Weiss was appointed as a member of the German Commission E in 1978. He was founder and editor of the *Zeitschrift fuer Phytotherapie*, and lectured on current advances in the subject at the University of Tuebingen.

Reckless - Cornelia Funke 2010-09-14

Ever since Jacob Reckless was a child, he has been escaping to a hidden world through a portal in his father's abandoned study. Over the years, he has made a name for himself as a finder of enchanted items and buried secrets. He's also made many enemies and allies--most important, Fox, a beautiful shape-shifting vixen whom Jacob cares for more than he lets on. But life in this other world is about to change. Tragedy strikes when Jacob's younger brother, Will, follows him through the portal. Brutally attacked, Will is infected with a curse that is quickly transforming him into a Goyl--a ruthless killing machine, with skin made of stone. Jacob is prepared to fight to save his brother, but in a land built on trickery and lies, Jacob will need all the wit, courage, and reckless spirit he can summon to reverse the dark spell--before it's too late.

Breverton's Phantasmagoria - Terry Breverton 2013-10-01

From dragons and wyverns to vampires, werewolves and mischievous gremlins, pixies and fairies, Breverton's *Phantasmagoria* is a unique compendium of over 250 mythical animals. Prepare to revisit familiar myths, such as vampires, werewolves and the Loch Ness Monster, the Minotaur and Medusa from Greek legend, and Biblical beasts such as Behemoth and Leviathan. Discover new mysterious animals like the giant serpents of Central America, the lethal Mongolian death worm, and the Ennedi tiger in Africa, and investigate the evidence for sightings of Bigfoot and the reclusive Yeti. Packed with quirky line illustrations and a wealth of weird and wonderful information, Breverton's *Phantasmagoria* surveys the globe to uncover over 250 imaginary creatures passed down from generation to generation.

The Birth of Kumara - Kali dasa 2005-02

This court epic describes events leading up to but not including the birth of Kumara (also known as Skanda or Karttikeya), the

war god destined to defeat the demon Taraka. The gods attempt to deploy Kama, the Indian Cupid, to set the ascetic supreme deity Shiva on fire with love for Uma (also known as Parvati), the daughter of the god of the Himalayan mountain range. Kama's mission fails, and Shiva, roused from his meditative trance, turns his flaming third eye on the love god, burning him to ashes. Next, Parvati herself turns to intense asceticism in order to win spiritual power and thereby the husband for whom she longs. She succeeds, and the climax of the poem is Shiva and Parvati's marriage and cosmic lovemaking, and Kumara's divine conception.

The Hebrew Folktale - Eli Yassif 2009-04-16

"The most comprehensive account of its subject now available, this impressive study lives up to the encyclopedic promise of its title." -- Choice The Hebrew Folktale seeks to find and define the folk-elements of Jewish culture. Through the use of generic distinctions and definitions developed in folkloristics, Yassif describes the major trends -- structural, thematic, and functional -- of folk narrative in the central periods of Jewish culture.

The King Who Refused to Die - Zecharia Sitchin 2013-09-20

Zecharia Sitchin's secret allegorical novel that brings to life the key concepts of his bestselling book *The 12th Planet* •

Reimagines the Epic of Gilgamesh in the context of Sitchin's discoveries • Details ancient Sumerian sex rituals, the Anunnaki lineage of the gods who lived in Sumer, Anunnaki spacecraft technology, the workings of the Oracle of Anu, and Gilgamesh's relationship with the goddess Ishtar Written in secret so as not to incite criticism about his controversial discoveries, this novel from the late Zecharia Sitchin brings to life the key themes of his bestseller *The 12th Planet*. The story begins in London as Astra arrives at the British Museum's opening for their new Gilgamesh exhibit. There she meets a handsome stranger who knows secrets about her that no stranger should know, including the source of the unusual scar on her hand. Taking her to his apartment, he reveals that she is descended from the goddess Ishtar and that he is the modern-day avatar of Gilgamesh seeking to claim the eternal life Ishtar denied him so long ago. Reenacting their sacred sex ritual from eons ago, they find themselves transported to ancient Sumer as Gilgamesh and Ishtar, where he is at last able to continue his quest for immortality. But as Gilgamesh fulfills his sacred duties with Ishtar, something goes awry and the Oracle of Anu will not renew its blessing upon his kingship. Following the direction of his mother, the Anunnaki goddess Ninsun--the source of his partial divinity--Gilgamesh flees the city for the Anunnaki forbidden zone in search of a way to the planet Nibiru and eternal life. Travel alongside Gilgamesh and his immortal companion Enkidu as they escape the fate pronounced by the oracle, discover a Tablet of Destiny meant for Ishtar, fight off Marduk's raiders, and foil the plot of the high priest, Gilgamesh's half-brother who is seeking Gilgamesh's crown for himself. Retelling the Epic of Gilgamesh in the context of his discoveries about the Anunnaki, Zecharia Sitchin weaves a tale of ancient ceremony, accidental betrayal, gods among men, interplanetary travel, and a quest for immortality spanning millennia.

The Haustlǫng of Þjóðólfr of Hvinir - Þjóðólfr ór Hvini 1997

One of the earliest preserved Skaldic poems, which were based on highly complex rules of alliteration and metre, this 10th-century work praises the gift of a painted shield depicting mythological scenes. This is a bilingual edition of the poem.

Swastika Night - Katharine Burdekin 1985

In a "feudal Europe seven centuries into post-Hitlerian society, Burdekin's novel explores the connection between gender and political power and anticipates modern feminist science fiction."--Cover.

Edda - Snorri Sturluson 1999

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading

experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.
Freyr's Offspring - Olof Sundqvist 2000

Moses - Elias Auerbach 1975

Advanced historical analysis of the life and time of Moses by a radical biblical critic.

Unformed Landscape - Peter Stamm 2004

She is in her late 20s, has a son from an early marriage, and has drifted into a second loveless marriage to a man whose cold and dominating conventionality forms a "bold stroke through the unformed landscape of her life." After she makes a discovery about her husband that deeply wounds her, Kathrine cuts loose from her moorings - and her confusion - and sets off in search of herself."

A Short History of My Philosophy - Agnes Heller 2011

A Short History of My Philosophy is an autobiographic account of Agnes Heller's intellectual and academic career. It traces the development of ideas and gives a thorough account of some of Agnes Heller's most influential works.

H.P. Blavatsky and the Masters of the Wisdom - Annie Besant 1907

The Uses of History in Early Modern England - Paulina Kewes 2006

Confessions of an Illuminati Vol. 6.66: The Age of Cyber Satan, Artificial Intelligence, and Robotics - Leo Lyon Zagami

2019-02-14

From Rome, the home of exorcism, comes the latest shocking book from the most controversial Vatican insider of all time. Zagami reveals to the world for the first time with new compelling evidence, the sabotage of the Catholic Church and the most sinister plot ever-devised by Cyber Satan and his Legion to enslave humanity through the use of Artificial Intelligence and robotics, with the help of the Vatican Jesuits and the upcoming One World Religion. You will read how the Second Vatican Council has literally opened the Gates of Hell, the links between the film *The Exorcist*, 2001 *Space Odyssey* and the United Nations and their evil push for Transhumanism, and an in-depth look into the secrets behind the Black Mass and Exorcism. Not for the faint of heart, this latest book by Zagami is sure to open your eyes to the future Cyberhell that awaits us all.

Hrafnagaldur Odins - Annette Lassen 2011

This anonymous poem in eddic style is shown in this edition to have probably originated in Skálholt in the mid seventeenth century. The main title probably meant 'Song of Óðinn's ravens', i.e. one of the reports said to have been brought to Óðinn from all over the world every evening.

The extreme Right in Western Europe - Elisabeth Carter 2013-07-19

Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades. This phenomenon has been far from uniform, however, and the considerable attention that the more successful right-wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies. Furthermore, the electoral scores of these parties have also varied over time, with the same party recording low electoral scores in one election but securing high electoral scores in another. This book, available in paperback for the first time, examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s. It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth. As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right, this book provides up-to-date information on all right-wing extremist parties that have contested elections at national level across Western Europe since the late 1970s. In addition to examining the parties' ideology and organisation, it discusses their relationship with the parties of the mainstream, and it investigates the impact that electoral institutions have on their ability to attract votes. This book is aimed at both scholars and students interested in the extreme right, in party politics and in comparative politics more generally.

Magnetic Current - Edward Leedskalnin 1945

This writing is lined up so when you read it you look East, and all the description you will read about magnetic current, it will be just as good for your electricity. Following is the result of my two years' experiment with magnets at Rock Gate, seventeen miles Southwest from Miami, Florida. Between Twenty-fifth and Twenty-sixth Latitude and Eightieth and Eighty-first Longitude west. This book contains all 105 original illustrations and diagrams.
