pizza places around? NFT has you covered. How about a list of the top vintage clothing stores in the city? We've got that, too. The nearest movie theater, hardware store, or coffee shop—whatever you need, NFT puts it at your fingertips. This pocket-sized book also features: A foldout map for subways and buses More than 130 city and neighborhood maps Details on parks and places Listings for arts and entertainment hot spots It is the indispensable guide to the city. Period.

**Ten Years a Nomad** - Matthew Kepnes 2019-07-16  
Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F\*ck* Ten Years

a Nomad is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel – and what extended travel around the world can teach us about life, ourselves, and our place in the world. *Ten Years a Nomad* is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

**A History Lover's Guide to New York City** - Alison Fortier 2016

New York is a city of superlatives. It has the largest population, greatest wealth, broadest diversity and most elegant museums in the nation. With that comes an

amazing history. This tour of the Big Apple goes beyond the traditional guidebook to offer visitors and residents alike a chance to walk back in time along the streets of Manhattan. George Washington took his first oath of office on the steps of Federal Hall. Visitors can still dine at the famed Fraunces Tavern and worship at historic St. Paul's Chapel. From the Brooklyn Bridge to stunning skyscrapers, the city celebrates its own history and that of the nation. Join author Alison Fortier as she traces the history and heritage of America's largest metropolis.

**Family Guide New York City** - Dk Travel 2016-03

"Where to play, what to see, where to stay"--Cover.

Guide to New York City Urban Landscapes - Robin Lynn 2013-08-05

Presents a tour of thirty-eight New York City urban sites that include parks, plazas, memorials, atriums, cemeteries, and gardens.

**A People's Guide to New York City** - Carolina Bank Muñoz 2022-01-25

This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of *A People's Guide to New York City* shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this

book shows you where to look to find them. New York City is a preeminent global city, serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function—immigrants, people of color, and the working classes—reside largely in the so-called outer boroughs, outside the corporations, neon, and skyscrapers of Manhattan. A People's Guide to New York City expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn and Staten Island as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city.

*How to Travel the World on \$50 a Day* - Matt Kepnes  
2015-01-06

\*UPDATED 2017 EDITION\* New York Times bestseller! No money? No problem. You can start packing your bags for that trip you've been dreaming a lifetime about. For more than half a decade, Matt Kepnes (aka Nomadic Matt) has been showing readers of his enormously popular travel blog that traveling isn't expensive and that it's affordable to all. He proves that as long as you think out of the box and travel like locals, your trip doesn't have to break your bank, nor do you need to give up luxury. *How to Travel the World on \$50 a Day* reveals Nomadic Matt's tips, tricks, and secrets to comfortable budget travel based on his experience traveling the world without giving up the sushi meals and comfortable

beds he enjoys. Offering a blend of advice ranging from travel hacking to smart banking, you'll learn how to: \* Avoid paying bank fees anywhere in the world \* Earn thousands of free frequent flyer points \* Find discount travel cards that can save on hostels, tours, and transportation \* Get cheap (or free) plane tickets Whether it's a two-week, two-month, or two-year trip, Nomadic Matt shows you how to stretch your money further so you can travel cheaper, smarter, and longer.

The Kid's Guide to New York City - Eileen Ogintz  
2016-03-15

Before you plan your family's next Big Apple excursion, get some help from a professional . . . and from your kids! The Kid's Guide to New York City lets the kids help plan the trip and guides you as you explore the city, neighborhood by neighborhood. Inside you'll find kid-tested tips on where to go, where to eat, what to see, and where to get the best souvenirs. Along the way the kids will be engaged by sharing fun New York facts and cool tips. Awesome games will keep everyone busy as you crisscross the city on foot, by subway or bus, or in a cab.

Kid's Travel Guide to Boston - Julie Grady 2019-03-31  
Add to the adventure with this Travel Guide and Activity Book just for kids. Kids will create lasting memories of their trip with this unique guidebook. A colorful and fun interactive book filled with information about your destination including top places to see and things to do, historic sites, neighborhoods to explore, cool museums, and more.

*A Booklover's Guide to New York* - Cleo Le-Tan 2019-10-01  
An illustrated guide to New York City tailored for the book-obsessed explorer showcasing the city's best bookshops; libraries; homes and haunts of world-famous

writers; and scenes from literary classics with charming drawings by the famed New Yorker cover artist Pierre Le-Tan. A Booklover's Guide to New York is a love letter to everything literary in New York City. It is a book all about books. The book is an object in itself, designed as the ultimate little tome any book collector would love to acquire, layered with witty Pierre Le-Tan drawings, as well as photographs of some of the most precious bookish locations. Rediscover New York in the most fashionably literate way: whether you are in need of an exceptionally rare edition of your favorite novel (perhaps to be found in the dark and musty backroom of The Center for Fiction), or the most tranquil place to devour a short story on a wintry day (an empty underground food court in a Midtown skyscraper), or if you are looking to follow in the footsteps of a beloved author or novella character (like Capote's Grady and Clyde in Central Park Zoo), this will be your ultimate companion. Part guide, part sophisticated scrapbook and part desirable object, A Booklover's Guide to New York is an absolute must for any book-savvy person--the young bookworm or old scholar, the visiting tourist or homegrown New Yorker, the aspiring writer or doting parent.

The Other Islands of New York City - Sharon Seitz  
2011-06-14

"A well-written and comprehensive tale . . . a lively history of the people and events that forged modern-day New York City."—The Urban Audubon Experience a seldom-seen New York City with journalists and NYC natives Sharon Seitz and Stuart Miller as they show you the 42 islands in this city's diverse archipelago. Within the city's boundaries there are dozens of islands—some famous, like Ellis, some infamous, like Rikers, and

others forgotten, like North Brother, where Typhoid Mary spent nearly 30 years in confinement. While the spotlight often falls on the museums, trends, and restaurants of Manhattan, the city's other islands have vivid and intriguing stories to tell. They offer the day-tripper everything from nature trails to military garrisons. This detailed guide and comprehensive history will give you a sense of how New York City's politics, population, and landscape have evolved over the last several centuries through the prism of its islands. Full of practical information on how to reach each island, what you'll see there, and colorful stories, facts, and legends, The Other Islands of New York City is much more than a travel guide.

**The New York Times Guide to Essential Knowledge** - The New York Times 2011-10-25

A COMPLETE REVISION AND THOROUGH UPDATING OF THE ULTIMATE REFERENCE FROM THE NEWSPAPER OF RECORD. A comprehensive guide offering insight and clarity on a broad range of even more essential subjects. Whether you are researching the history of Western art, investigating an obscure medical test, following current environmental trends, studying Shakespeare, brushing up on your crossword and Sudoku skills, or simply looking for a deeper understanding of the world, this book is for you. An indispensable resource for every home, office, dorm room, and library, this new edition of The New York Times Guide to Essential Knowledge offers in-depth explorations of art, astronomy, biology, business, economics, the environment, film, geography, history, the Internet, literature, mathematics, music, mythology, philosophy, photography, sports, theater, film, and many other subjects. This one volume is designed to offer more information than any other book on the most

important subjects, as well as provide easy-to-access data critical to everyday life. It is the only universal reference book to include authoritative and engaging essays from New York Times experts in almost every field of endeavor. The New York Times Guide to Essential Knowledge provides information with matchless accuracy and exceptional clarity. This new revised and expanded third edition covers major categories with an emphasis on depth and historical context, providing easy access to data vital for everyday living. Covering nearly 50 major categories, and providing an immediate grasp of complex topics with charts, sidebars, and maps, the third edition features 50 pages of new material, including new sections on \* Atheism \* Digital Media \* Inventions and Discoveries \* Endangered Species \* Inflation \* Musical Theater \* Book Publishing \* Wikileaks \* The Financial Crisis \* Nuclear Weapons \* Energy \* The Global Food Supply Every section has been thoroughly updated, making this third edition more useful and comprehensive than ever. It informs, educates, answers, illustrates and clarifies---it's the only one-volume reference book you need.

**Secret New York** - T. M. Rives 2012

Admire an amazing apocalyptic pillar in a church, relax in secret gardens, view the New York version of Barcelona's Sagrada Familia, visit a secret subway tunnel, watch the stars through a university telescope, track down a statue of Lenin, have your skirts billow up at the very same grating as Marilyn Monroe, gaze at a roomful of dirt, find a Venetian palazzo above a former stable, spot the forbidden island that was once declared a sovereign nation by a guy in a rowboat, track down a townhouse concealing a subway tunnel, walk under the canopy of the primeval forest, read a memorial plaque to an event that happened in another dimension, fall into a trance before a piece of subway art that flickers and moves, have your bicycle blessed in church. New York offers endless opportunity to step off the program and peer into the city's fascinating past and present.

"Secret New York An Unusual Guide" is an indispensable resource for those who thought they already knew everything about America's metropolis, or want to begin exploring its hidden places.

**The Rough Guide to New York City** - Andrew Rosenberg  
2014-02-03

The Rough Guide to New York City is the ultimate travel guide to this exciting city. In full color throughout and with dozens of photos to illustrate New York City's great buildings, iconic landmarks, and distinctive neighborhoods, this updated guidebook will show you the best the city has to offer. The guide includes itineraries to help you explore the city, discover great places to eat, and experience the city outside of the traditional tourist's path. You'll also find detailed information neighborhood-by-neighborhood, whether you want to visit the historic Financial District, Chelsea's High Line park, the churches of Harlem, Brooklyn's Coney Island, or even the furthest reaches of the Bronx. New York City has something for everyone--art galleries and museums, festivals and nightlife--and The Rough Guide to New York City uncovers it all, revealing hidden gems in some of the most popular areas and including all kinds of highlights in its "Top 5" lists. Detailed color maps for each neighborhood, plus a subway map and practical information on all the essentials, make getting around easy. Make the most of your time with The Rough Guide to New York City. Now available in ePub format.

**Kids' Travel Guide - New York City** - Kelse Fox  
2015-12-16

Together with Leonardo the tour guide, your kids will have so much fun discovering New York City--its history and geography, famous landmarks and attractions--and exploring the best sites for children. Leonardo makes it

interesting with "juicy information," challenging quizzes, special tasks, and colorful activities.

**The WPA Guide to New York City** - Federal Writers' Project 1982

This tour guide for time travelers offers New York lovers and 1930s buffs an endlessly fascinating look at life as it was lived in the days when a trolley ride cost five cents, a room at the Plaza was \$7.50, and the new World's Fair was the talk of the town. Hailed by the New York Times as one of the 10 best books ever written about the city. Photos. Maps.

**The Tour Guide** - Jonathan R. Wynn 2011-07-05

Everyone wants to visit New York at least once. The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs. The only problem is figuring out where to start—and that's where the city's tour guides come in. These guides are a vital part of New York's raucous sidewalk culture, and, as The Tour Guide reveals, the tours they offer are as fascinatingly diverse—and eccentric—as the city itself. Visitors can take tours that cover Manhattan before the arrival of European settlers, the nineteenth-century Irish gangs of Five Points, the culinary traditions of Queens, the culture of Harlem, or even the surveillance cameras of Chelsea—in short, there are tours to satisfy anyone's curiosity about the city's past or present. And the guides are as intriguing as the subjects, we learn, as Jonathan R. Wynn explores the lives of the people behind the tours, introducing us to office workers looking for a diversion from their desk jobs, unemployed actors honing their vocal skills, and struggling retirees searching for a second calling. Matching years of research with his own experiences as a guide, Wynn also lays bare the grueling process of acquiring an

official license and offers a how-to guide to designing and leading a tour. Touching on the long history of tour-giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9/11, The Tour Guide is as informative and insightful as the chatty, charming, and colorful characters at its heart.

*New York, a Guide to the Metropolis* - Gerard R. Wolfe 1988

Walking tours, of from two to five hours duration, of architectural and historical landmarks of New York City, from the Battery to Central Park and from the East River to Flushing

New York Pocket Guide - Berlitz Guides 1998-04-23  
This pocket guide to the Big Apple tells readers how to get the most from a trip, whether it's for business or for pleasure. Included is information on must-see sights, transportation, emergencies, hotel and restaurant recommendations, shopping, nightlife, and more--plus detailed maps and stunning photography.  
**The Unofficial Guide to New York City** - Eve Zibart 2010-04-19

**Cereal City Guide: London** - Rosa Park 2018-10-09  
From the leading independent travel and style magazine Cereal comes Cereal City Guide: London: a portrait of the English capital offering a finely curated edit on what to see and do for discerning travelers and locals alike. Rich Stapleton and Rosa Park, Cereal's founders, travel extensively for the magazine and were inspired to create a series of city guides that highlighted their favorite places to visit. Now, after building a loyal readership that counts on their unique, considered advice, they are relaunching the books with a fresh design and new content. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal's values, in both quality and aesthetic sensibility. Rich and Rosa have personally visited hundreds of venues in London, distilling their preferred locales down to their firm favorites. From the intimate local shops to the eclectic galleries that evoke London's dual sense of history and modernity, these are the finds that that will offer a more personal take on the city. Meticulously researched and illustrated with original photography, each guide includes: photo essays of striking images of the city an

illustrated neighborhood map interviews and essays from celebrated locals such as architectural designer John Pawson, fashion designer Margaret Howell, and more lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy an itinerary for an ideal day in London Cereal City Guide: London is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, hotels, restaurants, and shops. Also, check out Cereal City Guide: Paris and Cereal City Guide: New York.

AIA Guide to New York City - Norval White 2010-06-14 Hailed as "extraordinarily learned" (New York Times), "blithe in spirit and unerring in vision," (New York Magazine), and the "definitive record of New York's architectural heritage" (Municipal Art Society), Norval White and Elliot Willensky's book is an essential reference for everyone with an interest in architecture and those who simply want to know more about New York City. First published in 1968, the AIA Guide to New York City has long been the definitive guide to the city's architecture. Moving through all five boroughs, neighborhood by neighborhood, it offers the most complete overview of New York's significant places, past and present. The Fifth Edition continues to include places of historical importance--including extensive coverage of the World Trade Center site--while also taking full account of the construction boom of the past 10 years, a boom that has given rise to an unprecedented number of new buildings by such architects as Frank Gehry, Norman Foster, and Renzo Piano. All of the buildings included in the Fourth Edition have been revisited and re-photographed and much of the commentary has been re-written, and coverage of the outer boroughs-

-particularly Brooklyn--has been expanded. Famed skyscrapers and historic landmarks are detailed, but so, too, are firehouses, parks, churches, parking garages, monuments, and bridges. Boasting more than 3000 new photographs, 100 enhanced maps, and thousands of short and spirited entries, the guide is arranged geographically by borough, with each borough divided into sectors and then into neighborhood. Extensive commentaries describe the character of the divisions. Knowledgeable, playful, and beautifully illustrated, here is the ultimate guided tour of New York's architectural treasures. Acclaim for earlier editions of the AIA Guide to New York City: "An extraordinarily learned, personable exegesis of our metropolis. No other American or, for that matter, world city can boast so definitive a one-volume guide to its built environment." -- Philip Lopate, New York Times "Blithe in spirit and unerring in vision." -- New York Magazine "A definitive record of New York's architectural heritage... witty and helpful pocketful which serves as arbiter of architects, Baedeker for boulevardiers, catalog for the curious, primer for preservationists, and sourcebook to students. For all who seek to know of New York, it is here. No home should be without a copy." -- Municipal Art Society "There are two reasons the guide has entered the pantheon of New York books. One is its encyclopedic nature, and the other is its inimitable style--'smart, vivid, funny and opinionated' as the architectural historian Christopher Gray once summed it up in pithy W & W fashion." -- Constance Rosenblum, New York Times "A book for architectural gourmants and gastronomic gourmets." -- The Village Voice

In Love in New York - Caitlin Leffel 2015-01-13

New York is a city for lovers: *In Love in New York* guides the reader to the most romantic sights and destinations the city has to offer. Whether you want to watch the sun rise over the East River like Woody and Diane or enjoy a Cary Grant/Deborah Kerr moment at the top of the Empire State Building, there is no greater city than New York for couples in love. The book begins with "first impressions," the iconic New York sights that never fail to dazzle: the skyline (and the best

places to view it), the most beautiful blocks and neighborhoods, the famous views (rooftops, bridges, riverside parks). Chapters follow on great date ideas, including destination museums and unusual "dinner-and-a-movie/theater" combinations. For readers ready to commit, the authors detail the best proposal spots; where to go ring shopping; the coolest places to register for gifts; and information about the legal requirements for marrying in the city (gay and straight), including a rundown on the classic City Hall wedding—with the best places to buy flowers and to celebrate afterwards, naturally. There are also ideas for planning honeymoons and anniversaries. Throughout, sidebars offer romantic options such as wonderful bars with fireplaces, the prettiest park benches, great New York literary and film affairs to inspire your visit, and romantic day trips within and near the five boroughs. From champagne on the Peninsula rooftop in midtown to ice skating in Bryant Park, *In Love in New York* is the perfect gift for any couple dreaming of experiencing the romance of New York.

**Guide to New York City Landmarks** - New York City Landmarks Preservation Commission 2003-10-13

Five boroughs rich with history—and one guide to it all. The official and only complete guide to New York City's landmarks, this beautiful Third Edition has been updated to include 128 new individual sites and sixteen new historic districts. Mayor Michael Bloomberg opens this treasure trove of historical discovery with an elegant Foreword. What follows are insightful descriptions of more than 1,000 individual landmarks and 84 historic districts. Everyone will feel like a native New Yorker when they quickly point out landmarks with the help of 80 easy-to-read maps. This new edition also features new

photographs, enhanced maps, and more than a dozen themed sections that make it easy to create a customized sightseeing experience. New York City Landmarks Preservation Commission (New York, NY) is the agency responsible for identifying and designating local landmarks and historic districts. Established in 1965 in response to the destruction of the original Penn Station, the agency is comprised of eleven members appointed by the mayor and a professional staff.

Period.

**Cereal City Guide: New York** - Rosa Park 2018-12-04

From the leading independent travel and style magazine Cereal comes Cereal City Guide: New York: a portrait of the Empire City offering a finely curated edit on what to see and do for discerning travelers and locals alike. Rich Stapleton and Rosa Park, Cereal's founders, travel

extensively for the magazine and were inspired to create a series of city guides that highlighted their favorite places to visit. Now, after building a loyal readership that counts on their unique, considered advice, they are relaunching the books with a fresh design and new content. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal's values in both quality and aesthetic sensibility. Rich and Rosa have personally visited hundreds of venues in New York, distilling their preferred locales down to their firm favorites. From the inspired boutiques which reflect that distinctive New Yorker eclecticism to the local restaurants that feed them, these are the finds that that will offer a more personal take on the city. Meticulously researched and illustrated with original photography, each guide includes: photo essays of striking images of the city an illustrated neighborhood map interviews and essays from celebrated locals, such as chef Camille Becerra, shop owner Kai Avent-deLeon, and more lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy an itinerary for an ideal day in New York Cereal City Guide: New York is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, restaurants, and shops. Also, check out Cereal City Guide: London and Cereal City Guide: Paris.

**The Negro Motorist Green Book** - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts

and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
