

Child Soldier When Boys And Girls Are Used In War

As recognized, adventure as with ease as experience not quite lesson, amusement, as capably as concurrence can be gotten by just checking out a book **Child Soldier When Boys And Girls Are Used In War** as well as it is not directly done, you could say you will even more more or less this life, vis--vis the world.

We allow you this proper as capably as simple quirk to acquire those all. We offer Child Soldier When Boys And Girls Are Used In War and numerous book collections from fictions to scientific research in any way. in the middle of them is this Child Soldier When Boys And Girls Are Used In War that can be your partner.

Easy Prey - Janet Fleischman 1994

6. ROLES AND DUTIES

Girl Soldier - Faith J. H. McDonnell 2007-06-01

For several decades a brutal army of rebels has been raiding villages in northern Uganda, kidnapping children and turning them into soldiers or wives of commanders. More than 30,000 children have been abducted over the last twenty years and forced to commit unspeakable crimes. Grace Akallo was one of these. Her story, which is the story of many Ugandan children, recounts her terrifying experience. This unforgettable book--with historical background and insights from Faith McDonnell, one of the clearest voices in the church today calling for freedom and justice--will inspire readers around the world to take notice, pray, and work to end this tragedy.

What's Where on Earth Atlas - DK 2017-03-30

You will be hard-pressed to find a more impressive children's atlas than this one! Tour the world on a 3D action-packed journey of fun fact discovery. Earth is brought to life like never before through stunning,

specially commissioned 3D maps and artworks. Uncover incredible geographical features, wildlife, cities and landmarks, and the world's population in unprecedented detail. If you are looking for adventure, look no further. Scale the majestic peaks of the Himalayas, trek through the thick, creature filled jungles of South America, or roam the expansive grasslands of Africa in these pages! This amazing educational book is so much more than just a knowledge book filled with cool maps and facts about the world. This vital source of learning is perfect for children to dip into for school projects and is a fantastic addition to any family library. Explore, Learn And Get To Know The World Around You In Spectacular Detail! See the world like never before. More than 60 stunning, specially commissioned maps take you on a fact-filled continent-by-continent tour of the world you will never forget! Without even leaving your home, this awesome kid's educational book allows you to:
-Go back in time to see how the continents have evolved
-See incredible geographical features
-Learn about fascinating animals the world over
-Travel the world's

cities and landmarks -Dive into intriguing facts about the world's population A kid's atlas that makes the perfect gift and home reference for any child ages 8 to 11 with an interest in the world around them and a taste for adventure! Part of the bestselling Where on Earth? series including titles such as What's Where on Earth? - Dinosaurs and Other Prehistoric Life, When on Earth? - History As You've Never Seen It Before!, and more.

People and Places: A Visual Encyclopedia - DK 2019-08-20 Meet the people of the world and find out about some of the fascinating cultures that make up our global community. From Spaniards to Samoans, and the Miao to the Miskitu, this fully updated edition of DK's popular Encyclopedia of People will take you on a worldwide tour of continents, peninsulas, and islands to discover what life is like for the billions of people on our planet. Discover how the Yakut people survive in the Arctic temperatures of Siberia, or why tattoos are so important in Maori culture. Learn about the Mbendeje people's hunting sign language that lets them silently creep up on unsuspecting prey. People and Places: A Visual Encyclopedia allows you to explore different cultures through illuminating photography and bitesize chunks of information. The perfect companion to geography and culture projects for school-aged children, this book is a treasure trove of facts and information about the people that make up our world.

Tools of War, Tools of State - Robert Tynes 2018-09-01 Examines why many governments, rebels, and terrorist organizations are using children as soldiers.

The Legal Legacy of the Special Court for Sierra Leone - Charles C. Jalloh 2020-07-31 This important book considers whether the Special Court for Sierra Leone (SCSL), which was established jointly

through an unprecedented bilateral treaty between the United Nations (UN) and Sierra Leone in 2002, has made jurisprudential contributions to the development of the nascent and still unsettled field of international criminal law. A leading authority on the application of international criminal justice in Africa, Charles Jalloh argues that the SCSL, as an innovative hybrid international penal tribunal, made useful jurisprudential additions on key legal questions concerning greatest responsibility jurisdiction, the war crime of child recruitment, forced marriage as a crime against humanity, amnesty, immunity and the relationship between truth commissions and criminal courts. He demonstrates that some of the SCSL case law broke new ground, and in so doing, bequeathed a 'legal legacy' that remains vital to the ongoing global fight against impunity for atrocity crimes and to the continued development of modern international criminal law.

Slaughterhouse-Five - Kurt Vonnegut 1999-01-12 Kurt Vonnegut's masterpiece, Slaughterhouse-Five is "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time). Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW.

Unlike Vonnegut, he experiences time travel, or coming “unstuck in time.” An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut’s writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O’Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut’s words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut’s portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties.

Girl at War - Sara Novic 2016-03-22

For readers of *The Tiger’s Wife* and *All the Light We Cannot See* comes a powerful debut novel about a girl’s coming of age—and how her sense of family, friendship, love, and belonging is profoundly shaped by war. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE, BOOKLIST,

AND ELECTRIC LITERATURE • ALEX AWARD WINNER • LOS ANGELES TIMES BOOK PRIZE FINALIST • LONGLISTED FOR THE BAILEYS WOMEN’S PRIZE FOR FICTION Zagreb, 1991. Ana Jurić is a carefree ten-year-old, living with her family in a small apartment in Croatia’s capital. But that year, civil war breaks out across Yugoslavia, splintering Ana’s idyllic childhood. Daily life is altered by food rations and air raid drills, and soccer matches are replaced by sniper fire. Neighbors grow suspicious of one another, and Ana’s sense of safety starts to fray. When the war arrives at her doorstep, Ana must find her way in a dangerous world. New York, 2001. Ana is now a college student in Manhattan. Though she’s tried to move on from her past, she can’t escape her memories of war—secrets she keeps even from those closest to her. Haunted by the events that forever changed her family, Ana returns to Croatia after a decade away, hoping to make peace with the place she once called home. As she faces her ghosts, she must come to terms with her country’s difficult history and the events that interrupted her childhood years before. Moving back and forth through time, *Girl at War* is an honest, generous, brilliantly written novel that illuminates how history shapes the individual. Sara Nović fearlessly shows the impact of war on one young girl—and its legacy on all of us. It’s a debut by a writer who has stared into recent history to find a story that continues to resonate today. Praise for *Girl at War* “Outstanding . . . *Girl at War* performs the miracle of making the stories of broken lives in a distant country feel as large and universal as myth.”—The New York Times Book Review (Editor’s Choice) “[An] old-fashioned page-turner that will demand all of the reader’s attention, happily given. A debut novel

that astonishes.”—Vanity Fair “Shattering . . . The book begins with what deserves to become one of contemporary literature’s more memorable opening lines. The sentences that follow are equally as lyrical as a folk lament and as taut as metal wire wrapped through an electrified fence.”—USA Today

Super Red Riding Hood - Claudia Davila 2014-08-01

Ruby loves to play superhero, so when her mother gives her a “mission” that takes her into the deep, dark woods, Ruby throws on her red cloak to become ... Super Red Riding Hood! Nothing can scare her – except maybe coming face-to-face with a big bad wolf. What would a superhero do? A story of guts and girl power, this is a fun update on a familiar tale.

War Child - Emmanuel Jal 2009-02-03

This extraordinary memoir tells the true story of a former child soldier, who survived and escaped a violent life to become Africa's number-one hip-hop artist and an international ambassador for children in war-torn countries.

A Long Way Gone - Ishmael Beah 2007-02-13

My new friends have begun to suspect I haven’t told them the full story of my life. “Why did you leave Sierra Leone?” “Because there is a war.” “You mean, you saw people running around with guns and shooting each other?” “Yes, all the time.” “Cool.” I smile a little. “You should tell us about it sometime.” “Yes, sometime.” This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one

stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he’d been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty.

War Brothers - Sharon E. McKay 2014

A powerful and unforgettable graphic novel, based on true events, about the capture of Ugandan schoolchildren forced to serve as child soldiers in the Lord's Resistance Army. A 2014 Eisner Award nominee. Fourteen-year-old Jacob and his friends are sharing stories about their school break when the door to their dorm is violently kicked in. Blinded by fear and confusion, the boys are abducted from their school in the middle of the night, marched into the jungle and forced to become child soldiers in the Lord's Resistance Army - it's kill or be killed. Based on the award-winning novel *War Brothers* by Sharon E. McKay, with striking illustrations by animator and storyboard artist Daniel Lafrance, this graphic novel captures the very essence of life as a child soldier. Readers will never forget Jacob's experiences as he struggles to survive, unsure of who he can trust, afraid of succumbing to madness and, above all, desperate to get to freedom.

Hitler's Boy Soldiers - Helene Munson 2022-05-24

A shocking personal memoir and a new perspective on World War II that follows the author’s journey in the

footsteps of her father's youth as one of Hitler's child soldiers—bringing to light the untold story of the 300,000 German children who served in Hitler's army. When Helene Munson finally reads her father, Hans Dunker's, wartime journal, she discovers secrets he kept buried for seven decades. This is no ordinary historical document but a personal account of devastating trauma. During World War II, the Nazis trained some three hundred thousand German children to fight—and die—for Hitler. Hans was just one of those boy soldiers. Sent to an elite school for the gifted at nine years old, he found himself in the grip of a system that substituted dummy grenades for Frisbees. By age seventeen, Hans had shot down Allied pilots with anti-aircraft artillery. In the desperate, final stage of Hitler's war, he was sent on a suicide mission to Závada on the Sudetenland front, where he witnessed the death of his schoolmates—and where Helene begins to retrace her father's footsteps after his death. As Helene translates Hans's journal and walks his path of suffering and redemption, she uncovers the lost history of an entire generation brainwashed by the Third Reich's school system and funneled into the Hitler Youth. A startling new account of this dark era, Hitler's Boy Soldiers grapples with inherited trauma, the burden of guilt, and the blurred line between "perpetrator" and "victim." It is also a poignant tale of forgiveness, as Helene comes to see her late father as not just a soldier but as one child in a sea of three hundred thousand forced onto the wrong side of history—and left to answer for it.

Child Soldiers in Africa - Alcinda Honwana 2011-06-03
Young people have been at the forefront of political conflict in many parts of the world, even when it has turned violent. In some of those situations, for a

variety of reasons, including coercion, poverty, or the seductive nature of violence, children become killers before they are able to grasp the fundamentals of morality. It has been only in the past ten years that this component of warfare has captured the attention of the world. Images of boys carrying guns and ammunition are now commonplace as they flash across television screens and appear on the front pages of newspapers. Less often, but equally disturbingly, stories of girls pressed into the service of militias surface in the media. A major concern today is how to reverse the damage done to the thousands of children who have become not only victims but also agents of wartime atrocities. In *Child Soldiers in Africa*, Alcinda Honwana draws on her firsthand experience with children of Angola and Mozambique, as well as her study of the phenomenon for the United Nations and the Social Science Research Council, to shed light on how children are recruited, what they encounter, and how they come to terms with what they have done. Honwana looks at the role of local communities in healing and rebuilding the lives of these children. She also examines the efforts undertaken by international organizations to support these wartime casualties and enlightens the reader on the obstacles faced by such organizations.

Luz Makes a Splash - Claudia Davila 2012-08

With a heat wave and a drought threatening the city's water supply, Luz and her friends dive into the fight to save the swimming pond and Friendship Park.

Child Soldiers in the Age of Fractured States - Scott Gates 2010

Current global estimates of children engaged in warfare range from 200,000 to 300,000. Children's roles in conflict range from armed and active participants to

spies, cooks, messengers, and sex slaves. *Child Soldiers in the Age of Fractured States* examines the factors that contribute to the use of children in war, the effects of war upon children, and the perpetual cycle of warfare that engulfs many of the world's poorest nations. The contributors seek to eliminate myths of historic or culture-based violence, and instead look to common traits of chronic poverty and vulnerable populations. Individual essays examine topics such as: the legal and ethical aspects of child soldiering; internal UN debates over enforcement of child protection policies; economic factors; increased access to small arms; displaced populations; resource endowments; forced government conscription; rebel-enforced quota systems; motivational techniques employed in recruiting children; and the role of girls in conflict. The contributors also offer viable policies to reduce the recruitment of child soldiers such as the protection of refugee camps by outside forces, "naming and shaming," and criminal prosecution by international tribunals. Finally, they focus on ways to reintegrate former child soldiers into civil society in the aftermath of war.

Compliant Rebels - Hyeran Jo 2015-08-21

Seventeen million people have died in civil wars and rebel violence has disrupted the lives of millions more. In a fascinating contribution to the active literature on civil wars, this book finds that some contemporary rebel groups actually comply with international law amid the brutality of civil conflicts around the world. Rather than celebrating the existence of compliant rebels, the author traces the cause of this phenomenon and argues that compliant rebels emerge when rebel groups seek legitimacy in the eyes of domestic and international audiences that care about humanitarian

consequences and human rights. By examining rebel groups' different behaviors such as civilian killing, child soldiering, and allowing access to detention centers, *Compliant Rebels* offers key messages and policy lessons about engaging rebel groups with an eye toward reducing civilian suffering in war zones.

"My Gun was as Tall as Me" - Kevin Heppner 2002

Life as a Soldier

Trauma Rehabilitation After War and Conflict - Erin Martz 2010-04-15

"As foreign assistance flows into post-conflict regions to rebuild economies, roads, and schools, it is important that development professionals retain a focus on the purely human element of rebuilding lives and societies. This book provides perspective on just how to begin that process so that the trauma people suffered is not passed on to future generations long after the violence has stopped." - Amy T. Wilson, Ph.D., Gallaudet University, Washington, DC "This ground-breaking text provides the reader with an excellent and comprehensive overview of the existing field of trauma rehabilitation. It also masterfully navigates the intricate relationships among theory, research, and practice leaving the reader with immense appreciation for its subject matter." - Hanoch Livneh, Hanoch Livneh, Ph.D., LPC, CRC, Portland State University Fear, terror, helplessness, rage: for soldier and civilian alike, the psychological costs of war are staggering. And for those traumatized by chronic armed conflict, healing, recovery, and closure can seem like impossible goals. Demonstrating wide-ranging knowledge of the vulnerabilities and resilience of war survivors, the collaborators on *Trauma Rehabilitation after War and Conflict* analyze successful rehabilitative processes and

intervention programs in conflict-affected areas of the world. Its dual focus on individual and community healing builds on the concept of the protective "trauma membrane," a component crucial to coping and healing, to humanitarian efforts (though one which is often passed over in favor of rebuilding infrastructure), and to promoting and sustaining peace. The book's multiple perspectives—including public health, community-based systems, and trauma-focused approaches—reflect the complex psychological, social, and emotional stresses faced by survivors, to provide authoritative information on salient topics such as: Psychological rehabilitation of U.S. veterans, non-Western ex-combatants, and civilians Forgiveness and social reconciliation after armed conflict Psychosocial adjustment in the post-war setting Helping individuals heal from war-related rape The psychological impact on prisoners of war Rehabilitating the child soldier Rehabilitation after War and Conflict lucidly sets out the terms for the next stage of humanitarian work, making it essential reading for researchers and professionals in psychology, social work, rehabilitation, counseling, and public health.

Luz Sees the Light - Claudia Davila 2011-08

When the city starts to be hit by regular blackouts, and Luz's mother has trouble affording gas and groceries, Luz decides that she will do what she can do in her own neighborhood, with her friends and neighbors, to become less reliant on fossil fuels.

Historium - Jo Nelson 2015-09-08

Discover more than 160 exhibits in this virtual museum, open all hours. Welcome to the museum! There are more than 160 historical artifacts to be discovered in Welcome to the Museum: Historium. Wander the galleries of this museum whenever you wish—it's open 365 days a

year!—and discover a collection of curated objects on every page, accompanied by informative text. Each chapter features a different ancient civilization, from the Silla dynasty of Korea to ancient Rome.

Child Soldiers - Michael Wessells 2009-03-31

Compelling and humane, this book reveals the lives of the 300,000 child soldiers around the world, challenging stereotypes of them as predators or a lost generation. Kidnapped or lured by the promise of food, protection, revenge, or a better life, children serve not only as combatants but as porters, spies, human land mine detectors, and sexual slaves. Nearly one-third are girls, and Michael Wessells movingly reveals the particular dangers they face from pregnancy, childbirth complications, and the rejection they and their babies encounter in their local contexts. Based mainly on participatory research and interviews with hundreds of former child soldiers worldwide, Wessells allows these ex-soldiers to speak for themselves and reveal the enormous complexity of their experiences and situations. The author argues that despite the social, moral, and psychological wounds of war, a surprising number of former child soldiers enter civilian life, and he describes the healing, livelihood, education, reconciliation, family integration, protection, and cultural supports that make it possible. A passionate call for action, *Child Soldiers* pushes readers to go beyond the horror stories to develop local and global strategies to stop this theft of childhood.

Radiance of Tomorrow - Ishmael Beah 2014-01-07

A haunting, beautiful first novel by the bestselling author of *A Long Way Gone* When Ishmael Beah's *A Long Way Gone* was published in 2007, it soared to the top of bestseller lists, becoming an instant classic: a

harrowing account of Sierra Leone's civil war and the fate of child soldiers that "everyone in the world should read" (The Washington Post). Now Beah, whom Dave Eggers has called "arguably the most read African writer in contemporary literature," has returned with his first novel, an affecting, tender parable about postwar life in Sierra Leone. At the center of *Radiance of Tomorrow* are Benjamin and Bockarie, two longtime friends who return to their hometown, Imperi, after the civil war. The village is in ruins, the ground covered in bones. As more villagers begin to come back, Benjamin and Bockarie try to forge a new community by taking up their former posts as teachers, but they're beset by obstacles: a scarcity of food; a rash of murders, thievery, rape, and retaliation; and the depredations of a foreign mining company intent on sullyng the town's water supply and blocking its paths with electric wires. As Benjamin and Bockarie search for a way to restore order, they're forced to reckon with the uncertainty of their past and future alike. With the gentle lyricism of a dream and the moral clarity of a fable, *Radiance of Tomorrow* is a powerful novel about preserving what means the most to us, even in uncertain times. Named one of the Christian Science Monitor's best fiction books of 2014

Child Soldier - Jessica Dee Humphreys 2015

Michel Chikwanine was five years old when he was abducted from his schoolyard soccer game in the Democratic Republic of Congo and forced to become a soldier for a brutal rebel militia. Against the odds, Michel managed to escape and find his way back to his family, but he was never the same again. After immigrating to Canada, Michel was encouraged by a teacher to share what happened to him in order to raise awareness about child soldiers around the world, and

this book is part of that effort. Told in the first person and presented in a graphic novel format, the gripping story of Michel's experience is moving and unsettling. But the humanity he exhibits in the telling, along with Claudia Dávila's illustrations, which evoke rather than depict the violent elements of the story, makes the book accessible for this age group and, ultimately, reassuring and hopeful. The back matter contains further information, as well as suggestions for ways children can help. This is a perfect resource for engaging youngsters in social studies lessons on global awareness and social justice issues, and would easily spark classroom discussions about conflict, children's rights and even bullying. Michel's actions took enormous courage, but he makes clear that he was and still is an ordinary person, no different from his readers. He believes everyone can do something to make the world a better place, and so he shares what his father told him: If you ever think you are too small to make a difference, try sleeping in a room with a mosquito...

Arrows, Bones and Stones - Donna White 2017-08-27

Charlie looked at Fire, then to the burning logs, and back to her again. Finally, he spoke. "If you were taken by the LRA, why can you not say it just?" Fire glanced at Charlie and sighed. "Because when you are a girl, there is more to lose." Charlie has much to fear since escaping the Lord's Resistance Army. If recaptured by Joseph Kony, he faces torture and death at the hands of his fellow soldiers. If he returns to his own village, many will seek revenge at the end of a hangman's rope for killing and maiming his own people. But it is the *ajiji* he fears most—the haunting flashbacks and tormented nightmares of the evil deeds he has committed. When he meets Fire, the village witch doctor, Charlie

sets out on a journey where he must learn to face the sun and leave the shadows of his past behind him. But many secrets can't be revealed. And Fire, a beautiful young girl who has recently escaped from the LRA, holds the darkest secret of them all. "Arrows, Bones and Stones compellingly reveals the struggle faced by those trying to overcome childhood trauma. For youth abducted and forced to fight as child soldiers, escape is not the end of the story, but just the beginning. The shadow of their past haunts them, and the physical scars and psychological wounds cut deep. But even in the darkest hour, there is always the promise of new light. Yes, this is a story of despair, guilt, and shame, but it's also one of resilience and hope." - Patrick Reed, Director/Producer, *Fight Like Soldiers, Die Like Children* "In this second installment in the trilogy, Charlie, Fire and Sam, provide us with the necessary human contexts to the plight of girl child soldiers but also the harsh reality of losing a loved one at a young age. The gripping tale reminds us that even in the midst of inhumanity, we all have the ability to be hopeful, and have the will to survive. An incredibly well written book! I can't wait for the next one." -Michel

Chikwanine, former child soldier and author of *Child Soldier: When Boys and Girls are Used in War*
The Oxford Handbook of Children's Rights Law - Jonathan Todres 2020-02-19

Children's rights law is a relatively young but rapidly developing discipline. The U.N. Convention on the Rights of the Child, the field's core legal instrument, is the most widely ratified human rights treaty in history. Yet, like children themselves, children's rights are often relegated to the margins in mainstream legal, political, and other discourses, despite their

application to approximately one-third of the world's population and every human being's first stages of life. Now thirty years old, the Convention on the Rights of the Child (CRC) signalled a definitive shift in the way that children are viewed and understood--from passive objects subsumed within the family to full human beings with a distinct set of rights. Although the CRC and other children's rights law have spurred positive changes in law, policies, and attitudes toward children in numerous countries, implementation remains a work in progress. We have reached a state in the evolution of children's rights in which we need more critical evaluation and assessment of the CRC and the large body of children's rights law and policy that this treaty has inspired. We have moved from conceptualizing and adopting legislation to focusing on implementation and making the content of children's rights meaningful in the lives of all children. This book provides a critical evaluation and assessment of children's rights law, including the CRC. With contributions from leading scholars and practitioners from around the world, it aims to elucidate the content of children's rights law, explore the complexities of implementation, and identify critical challenges and opportunities for children's rights law.

They Fight Like Soldiers, They Die Like Children - Roméo Dallaire 2011-06-01

Traces the proliferation of child-soldier use throughout the world as well as international efforts to end the practice.

Reimagining Child Soldiers in International Law and Policy - Mark A. Drumbl 2012-01-26

Child soldiers are generally perceived as faultless, passive victims. This ignores that the roles of child

soldiers vary, from innocent abductee to wilful perpetrator. This book argues that child soldiers should be judged on their actions and that treating them like a homogenous group prevents them from taking responsibility for their acts.

Child Soldiers - Myriam Denov 2010-03-25

Tragically, violence and armed conflict have become commonplace in the lives of many children around the world. Not only have millions of children been forced to witness war and its atrocities, but many are drawn into conflict as active participants. Nowhere has this been more evident than in Sierra Leone during its 11-year civil war. Drawing upon in-depth interviews and focus groups with former child soldiers of Sierra Leone's rebel Revolutionary United Front, Myriam Denov compassionately examines how child soldiers are initiated into the complex world of violence and armed conflict. She also explores the ways in which the children leave this world of violence and the challenges they face when trying to renegotiate their lives and self-concepts in the aftermath of war. The narratives of the Sierra Leonean youth demonstrate that their life histories defy the narrow and limiting portrayals presented by the media and popular discourse.

World Report 2004 - Human Rights Watch 2004

Human Rights Watch is dedicated to protecting the human rights of people around the world. We stand with victims and activists to prevent discrimination, to uphold political freedom, to protect people from inhumane conduct in wartime, and to bring offenders to justice. We investigate and expose human rights violations and hold abusers accountable. We challenge governments and those who hold power to end abusive practices and respect international human rights law. The sixteen 16

thematic essays, explore human rights issues facing the world today: From Bali in Indonesia, to Najaf in Iraq, to Mumbai in India, hundreds of civilians have been killed in acts of politically motivated violence. The bombing of the United Nations office in Baghdad, killing more than twenty people, marked a new low in the history of attacks against humanitarian workers. In Israel and the Occupied Territories, scores of civilians have been killed in repeated suicide bombings by Palestinian armed groups. These terrible crimes cry out for justice. They have flouted the fundamental values of international human rights and humanitarian law, and those responsible should be held accountable and brought to justice before a court of law. But for all the political rhetoric and the enormous human and financial resources invested in the international campaign against terrorism, many counter-terrorist strategies are undermining the rule of law and the fundamental values they seek to defend. Around the world, states have responded to the indiscriminate violence of terrorism with new laws and measures that themselves fail to discriminate between the guilty and the innocent. Numerous countries have passed regressive anti-terrorism laws that expand governmental powers of detention and surveillance in ways that threaten basic rights.

War Brothers - Sharon McKay 2013-02-07

When fourteen-year-old Jacob is brutally abducted and forced to become a child soldier, he struggles to hold on to his sanity and the will to escape. Daniel Lafrance's striking artwork and the poignant, powerful text capture the very essence of life as a child soldier. Readers will never forget the experiences of this young boy struggling to survive, unsure who to trust, afraid of succumbing to madness, and above all,

desperate to get to freedom. In the end, Jacob engineers a daring escape. This graphic novel is based on the acclaimed novel of the same title, winner of a 2009 Arthur Ellis award. The author spent time in Uganda and based this story on real-life accounts of the horrors inflicted on child soldiers and their victims. This is a story of unthinkable violence, but also one of hope, courage, friendship, and family.

The Rape Of Nanking - Iris Chang 2014-03-11

The New York Times bestselling account of one of history's most brutal -- and forgotten -- massacres, when the Japanese army destroyed China's capital city on the eve of World War II In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode. "Chang vividly, methodically, records what happened, piecing together the abundant eyewitness reports into an undeniable tapestry of horror." - Adam Hochschild, Salon !--[if !supportAnnotations]-- !--[if !supportAnnotations]-- !--[endif]--

Soldier Boy - Keely Hutton 2017-06-13

An unforgettable novel based on the life of Ricky Richard Anywar, who at age fourteen was forced to fight as a soldier in the guerrilla army of notorious Ugandan warlord Joseph Kony *Soldier Boy* begins with the story of Ricky Richard Anywar, abducted in 1989 to fight with Joseph Kony's rebel army in the Ugandan civil war (one of Africa's longest running conflicts). Ricky is trained, armed, and forced to fight government soldiers alongside his brutal kidnappers, but never stops dreaming of escape. The story continues twenty years later, with a fictionalized character named Samuel, a boy deathly afraid of trusting anyone ever again. Samuel is representative of the thousands of child soldiers Ricky eventually helped rehabilitate as founder of the internationally acclaimed charity Friends of Orphans. Working closely with Ricky himself, debut author Keely Hutton has written an eye-opening book about a boy's unbreakable spirit and indomitable courage in the face of unimaginable horror. This title has Common Core connections.

Child Soldiers - Leora Kahn 2008-10-14

Photographs by: Ghaith Abdul-Ahad, Lynsey Addario, Martin Adler, Richard Butler, Francesco Cito, Gary Calton, Chris de Bode, Donna De Cesare, Miquel Dewever Plana, Tiane Doan na Champassak, Colin Finlay, Riccardo Gangale, Cedric Gerbehaye, Jan Grarup, Tim A. Hetherington, Rhodri Jones, Bob Koenig, Roger Lemoyne, Zed Nelson, Peter Mantello, Heather McClintock, Olivier Pin Fat, Giacomo Pirozzi, Q. Sakamaki, Marcelo Salinas, Dominic Sansoni, Guy Tillim, Sven Torfinn, Ami Vitale, Vincent van de Wijngaard, Tomas van Houtryve, Kadir van Lohuizen, Alvaro Ybarra-Zavala, Francesco Zizola
Essay by: Jo Becker, Jimmi Briggs, Dick Durbin, Emmanuel Jal, Michael Wessells "I would like to give you a message.

Please do your best to tell the world what is happening to us, the children, so that other children don't have to pass through this violence." -A 15-year-old girl who escaped from the Lord's Resistance Army in Uganda Up to half a million children have been engaged in more than 85 conflicts worldwide. As armed conflict proliferates, increasing numbers of children are exposed to the brutalities of war. Boys and girls around the world are recruited to be child soldiers by armed forces and militant groups, either forcibly or voluntarily. Some are tricked into service by manipulative recruiters, others join in order to escape poverty or discrimination, while still others are outright abducted at school, on the streets, and at home. Aside from participating in combat, many are used for sexual purposes, made to lay and clear land mines, or employed as spies, messengers, porters, or servants. Kids have become the ultimate weapons of twenty-first-century war. *Child Soldiers* focuses on countries with a history of child warfare, as captured by photographers and writers from across the globe. The book explores the children's time as combatants, as well as their demobilization and rehabilitation. Included are Tim Hetherington's photographs from Liberia; Roger Lemoyne and Cedric Gerbehaie's work from the Congo; Ami Vitale's series on child Maoist recruits in Nepal; and other work from Burma, Columbia, the Central African Republic, Sri Lanka, Afghanistan, and Palestine.

Waiting for First Light - Romeo Dallaire 2016-10-25
Longlisted for the RBC Taylor Prize: In this piercing memoir, Roméo Dallaire, retired general and former senator, the author of the bestsellers *Shake Hands with the Devil* and *They Fight Like Soldiers, They Die Like Children*, and one of the world's leading humanitarians,

delves deep into his life since the Rwandan genocide. At the heart of *Waiting for First Light* is a no-holds-barred self-portrait of a top political and military figure whose nights are invaded by despair, but who at first light faces the day with the renewed desire to make a difference in the world. Roméo Dallaire, traumatized by witnessing genocide on an imponderable scale in Rwanda, reflects in these pages on the nature of PTSD and the impact of that deep wound on his life since 1994, and on how he motivates himself and others to humanitarian work despite his constant struggle. Though he had been a leader in peace and in war at all levels up to deputy commander of the Canadian Army, his PTSD led to his medical dismissal from the Canadian Forces in April 2000, a blow that almost killed him. But he crawled out of the hole he fell into after he had to take off the uniform, and he has been inspiring people to give their all to multiple missions ever since, from ending genocide to eradicating the use of child soldiers to revolutionizing officer training so that our soldiers can better deal with the muddy reality of modern conflict zones and to revolutionizing our thinking about the changing nature of conflict itself. His new book is as compelling and original an account of suffering and endurance as Joan Didion's *The Year of Magical Thinking* and William Styron's *Darkness Visible*.

Beautiful Disaster Signed Limited Edition - Jamie McGuire 2012-11-27

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

Children at War - Peter W. Singer 2015-03-04

Children at War is the first comprehensive book to

examine the growing and global use of children as soldiers. P.W. Singer, an internationally recognized expert in twenty-first-century warfare, explores how a new strategy of war, utilized by armies and warlords alike, has targeted children, seeking to turn them into soldiers and terrorists. Singer writes about how the first American serviceman killed by hostile fire in Afghanistan—a Green Beret—was shot by a fourteen-year-old Afghan boy; how suspected militants detained by U.S. forces in Iraq included more than one hundred children under the age of seventeen; and how hundreds who were taken hostage in Thailand were held captive by the rebel "God's Army," led by twelve-year-old twins. Interweaving the voices of child soldiers throughout the book, Singer looks at the ways these children are recruited, abducted, trained, and finally sent off to fight in war-torn hot spots, from Colombia and the Sudan to Kashmir and Sierra Leone. He writes about children who have been indoctrinated to fight U.S. forces in Iraq and Afghanistan; of Iraqi boys between the ages of ten and fifteen who had been trained in military arms and tactics to become Saddam Hussein's Ashbal Saddam (Lion Cubs); of young refugees from Pakistani madrassahs who were recruited to help bring the Taliban to power in the Afghan civil war. The author, National Security Fellow at the Brookings Institution and director of the Brookings Project on U.S. Policy Towards the Islamic World, explores how this phenomenon has come about, and how social disruptions and failures of development in modern Third World nations have led to greater global conflict and an instability that has spawned a new pool of recruits. He writes about how technology has made today's weapons smaller and lighter and therefore easier for children to carry and handle; how one billion people

in the world live in developing countries where civil war is part of everyday life; and how some children—without food, clothing, or family—have volunteered as soldiers as their only way to survive. Finally, Singer makes clear how the U.S. government and the international community must face this new reality of modern warfare, how those who benefit from the recruitment of children as soldiers must be held accountable, how Western militaries must be prepared to face children in battle, and how rehabilitation programs can undo this horrific phenomenon and turn child soldiers back into children.

The Secret Garden - Hodgson B.F.

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

Innocents Lost - Jimmie Briggs 2009-04-27

Ida, a member of Sri Lanka's Female Tamil Tigers, fought with one of the longest-surviving and successful guerilla movements in the world. She is sixteen. Francois, a fourteen-year-old Rwandan child of mixed ethnicity, was forced by Hutu militiamen to hack to death his sister's Tutsi children. More than 250,000

children have fought in three dozen conflicts around the world, but growing exploitation of children in war is staggering and little known. From the "little bees" of Colombia to the "baby brigades" of Sri Lanka, the subject of child soldiers is changing the face of terrorism. For the last seven years, Jimmie Briggs has been talking to, writing about, and researching the plight of these young combatants. The horrific stories of these children, dramatically told in their own voices, reveal the devastating consequences of this global tragedy. Cogent, passionate, impeccably researched, and compellingly told, *Innocents Lost* is the fullest, most personal and powerful examination yet of the lives of child soldiers.

Survivors of the Holocaust - Kath Shackleton 2019-10-01

"Perhaps there is no simple, easy way to educate children about the Holocaust. Yet [this] new

extraordinary work in the form of a nonfiction graphic novel for children is a valiant attempt to do just that. These testimonials... serve as a reminder never to allow such a tragedy to happen again."—BookTrib
Between 1933 and 1945, Adolf Hitler and the Nazi party were responsible for the persecution of millions of Jews across Europe. This extraordinary graphic novel tells the true stories of six Jewish children who survived the Holocaust. From suffering the horrors of Auschwitz, to hiding from Nazi soldiers in war-torn Paris, to sheltering from the Blitz in England, each true story is a powerful testament to the survivors' courage. These remarkable testimonials serve as a reminder never to allow such a tragedy to happen again. Features a current photograph of each contributor and an update about their lives, along with a glossary and timeline to support reader understanding of this period in world history.
