Chasing the Dragon - Jackie Pullinger 2007-05-07

Inside Hong Kong was the infamous Walled City. Strangers were not welcome there. Police hesitated to enter. It was a haven of filth, crime, and sin. Prostitution, pornography, and drug addiction flourished. Jackie Pullinger had grown up believing that if she put her trust in God, He would lead her. When she was twenty years old, God called her to the Walled City. She obeyed. And as she spoke of Jesus Christ, brutal hoods were converted, prostitutes retired from their trade, and heroin junkies found new power that freed them from the bondage of drug addiction. Hundreds discovered new life in Christ. Chasing the Dragon tells the whole amazing story exactly as it happened. Equally amazing has been the reach of this ministry, now detailed in this updated and revised edition. From Hong Kong to the Philippines, Thailand, and beyond, the ministry that started with Jackie and her friends taking people in to live and care for them has continued and developed to form the present St. Stephen's Society. Readers will be inspired by this tale of trust and loving like Jesus.

Porsche 911 - Randy Leffingwell 2005

For over 40 years, Porsche's legendary 911 has ruled the realm of sports cars. The Porsche 911 is the benchmark. The 911 recently celebrated its 40th anniversary, making it one of the longest-running models currently in production from any manufacturer. A leader on the race track as well as the street, it posted an outright, overall victory at the 24 Hours of Daytona in 2003, beating Corvettes, Ferraris, and even purpose-built Daytona Prototype race cars. This, despite the fact the 911's rear-engine configuration was long ago rejected by rivals. Why does it hold such a coveted spot at the pinnacle of the sports car world? In *Porsche 911: Perfection by Design*, best-selling author/photographer and noted Porsche historian Randy Leffingwell adeptly answers this question, tracing the amazing story of its development and rise to international success, from the 1963 Type 901 through 2005 models. In tandem, he weaves the racing 911's rich history, where it reigned victorious at Le Mans, Daytona and many more of the world's most prestigious races. With more than 350 pages and 300 vivid color and black and white photographs, this amazing hard-cover book showcases why the 911 continues to impress enthusiasts and engineers alike. Leffingwell interviewed dozens of former and current Porsche engineers, designers and executives – including Ferdinand "Butzi" Porsche, the father of the 911 – as well as Porsche competitors (who used the 911 as a benchmark for their own designs) to create a true, hands-on anecdotal history of the 911. Straight from the key players and decision-makers, he explains: "This book is an inside story of how the 911 came to be what it was, what it is now and how it moved through 40-plus years of evolution, growth and improvement." A jaw-dropping and unprecedented collection of 911s between two covers (Leffingwell and David Newhardt's stunning, full-page, color photography features more than 80 Porsche 911s) complements the text, enticing readers to an up-close-and-personal view of these exotic, wish-list cars.
