This is why you remain in the best website to see the unbelievable ebook to have.

The School of Greatness - Lewis Howes 2017-10-31

When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In the New York Times bestseller *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

Nasty Galaxy - Sophia Amoruso 2016-10-04

From Sophia Amoruso, the New York Times–bestselling author of #GIRLBOSS, a lushly illustrated embodiment of the collective spirit of the Nasty Gal brand, Sophia's own personal brand, and girlbosses everywhere, with a foreword by Courtney Love. Warning: this is not a style book. It's not about how to mix prints—it's about how to leave yours on everything you touch. Highly graphic and visual, filled with illustrations, photos and short essays, *Nasty Galaxy* is part scrapbook, part inspo-journey, with moments of frivolity scattered throughout. Tactical and entertaining, envelope-pushing and conventional, surprising and refreshingly straightforward, *Nasty Galaxy* is a dive into Sophia's philosophies on work, relationships, balance, friendships, and more. It is a celebration of her roots in vintage clothing, punk attitude, fringe characters, and don't-give-a-fuck thought leadership. *Nasty Galaxy* is Amoruso's newest life bible, approaching style, music, philosophy, and advice in the same way #GIRLBOSS approached business—unconventionally. Oversized and in full color, this is the newest, coolest, must-have accessory.

[Mean Girls at Work: How to Stay Professional When Things Get Personal](#) - Katherine Crowley 2012-11-02

One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: "Accidentally" excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a "pack" of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, "You've just been judged"? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today's transformed workplace. Praise for Mean Girls at Work "An invaluable suit of armor for surviving nine to five!" —Leil Lowndes, bestselling author of *How to Talk to Anyone* "If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies." —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* "Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!" —Carolyn Cassin, President, Michigan Women's Foundation "A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need

the skills outlined in this book to survive and thrive when the Mean Girls attack.” –Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

All-Time Best Brunch - America's Test Kitchen 2018-09-04

Host a brilliant brunch without the hassle. The secret is plenty of hands-off recipes, good make-ahead options, and the best tips for mastering techniques like poaching eggs. Everything that makes brunch great also makes it tricky to prepare at home. From just-set eggs to high-flying popovers to rich (not soggy) strata, it's challenging to get every element just right. Enter this fresh collection of 75 foolproof recipes that guarantee a perfectly executed brunch every time. This scrupulously tested recipe collection features inventive takes on brunch classics (our Huevos Rancheros delivers a whole meal from one sheet pan), helpful make-ahead options (you can freeze our Quick Coffee Cake unbaked for up to a month), and easy approaches to finicky favorites (our Eggs Benedict offers a hollandaise that holds without breaking and a streamlined egg poaching technique). A smart organization makes building a memorable brunch as easy as flipping through the pages. Go beyond everyday eggs with chile-packed Migas and fuss-free Baked Eggs Florentine (which achieves runny yolks and tender whites in a cheesy spinach base). Chapters on brunch sweets offer new weekend keepers, like Blueberry Swirl Muffins, Cider-Glazed Apple Bundt Cake, and French Toast Casserole (no hovering over the stove). Brunch's savory side gets equal billing with standout recipes like Leek and Goat Cheese Quiche and Savory Bread Pudding with Turkey Sausage and Kale, while a chapter of perfect sides such as Maple-Glazed Oven-Fried Bacon (no messy splattering) and Baked Cheese Grits rounds out the meal. And with recipes serving anywhere from 4 to 16 people you'll find options for brunches large and small.

I Hear She's a Real Bitch - Jen Agg 2017-05-16

A sharp and candid memoir from a star in the restaurant world, and an up-and-coming literary voice. Toronto restaurateur Jen Agg, the woman behind the popular The Black Hoof, Cocktail Bar, Rhum Corner, and Agrikol restaurants, is known for her frank, crystal-sharp and often hilarious observations and ideas on the restaurant industry and the world around her. *I Hear She's a Real Bitch*, her first book, is caustic yet intimate, and wryly observant; an unforgettable glimpse into the life of one of the most interesting, smart, trail-blazing voices of this moment.

Being Boss - Emily Thompson 2018-04-10

From the creators of the hit podcast comes an interactive self-help guide for creative entrepreneurs, where they share their best tools and tactics on "being boss" in both business and life. Kathleen Shannon and Emily Thompson are self-proclaimed "business besties" and hosts of the top-ranked podcast *Being Boss*, where they talk shop and share their combined expertise with other creative entrepreneurs. Now they take the best of their from-the-trenches advice, giving you targeted guidance on: The Boss Mindset: how to weed out distractions, cultivate confidence, and tackle "fraudy feelings" Boss Habits: including a tested method for visually mapping out goals with magical results Boss Money: how to stop freaking out about finances and sell yourself (without shame) With worksheets, checklists, and other real tools for achieving success, here's a guide that will truly help you "be boss" not only at growing your business, but creating a life you love.

Ask For It - Linda Babcock 2009-01-27

From the authors of *Women Don't Ask*, the groundbreaking book that revealed just

how much women lose when they avoid negotiation, here is the action plan that women all over the country requested—a guide to negotiating anything effectively using strategies that feel comfortable to you as a woman. Whether it's a raise, that overdue promotion, an exciting new assignment, or even extra help around the house, this four-phase program, backed by years of research and practical success, will show you how to recognize how much more you really deserve, maximize your bargaining power, develop the best strategy for your situation, and manage the reactions and emotions that may arise—on both sides. Guided step-by-step, you'll learn how to draw on your special strengths to reach agreements that benefit everyone involved. This collaborative, problem-solving approach will propel you to new places both professionally and personally—and open doors you thought were closed.

It's About Damn Time - Arlan Hamilton 2020-05-05

"A hero's tale of what's possible when we unlock our potential, continue the search for knowledge, and draw on our lived experiences to guide us through the darkest moments."—Stacey Abrams From a Black, gay woman who broke into the boys' club of Silicon Valley comes an empowering guide to finding your voice, working your way into any room you want to be in, and achieving your own dreams. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FORTUNE In 2015, Arlan Hamilton was on food stamps and sleeping on the floor of the San Francisco airport, with nothing but an old laptop and a dream of breaking into the venture capital business. She couldn't understand why people starting companies all looked the same (White and male), and she wanted the chance to invest in the ideas and people who didn't conform to this image of how a founder is supposed to look. Hamilton had no contacts or network in Silicon Valley, no background in finance—not even a college degree. What she did have was fierce determination and the will to succeed. As much as we wish it weren't so, we still live in a world where being underrepresented often means being underestimated. But as someone who makes her living investing in high-potential founders who also happen to be female, LGBTQ, or people of color, Hamilton understands that being undervalued simply means that a big upside exists. Because even if you have to work twice as hard to get to the starting line, she says, once you are on a level playing field, you will sprint ahead. Despite what society would have you believe, Hamilton argues, a privileged background, an influential network, and a fancy college degree are not prerequisites for success. Here she shares the hard-won wisdom she's picked up on her remarkable journey from food-stamp recipient to venture capitalist, with lessons like "The Best Music Comes from the Worst Breakups," "Let Someone Shorter Stand in Front of You," "The Dangers of Hustle Porn," and "Don't Let Anyone Drink Your Diet Coke." Along the way, she inspires us all to defy other people's expectations and to become the role models we've been looking for. Praise for *It's About Damn Time* "Reading Arlan Hamilton's *It's About Damn Time* is like having a conversation with that frank, bawdy friend who somehow always manages to make you laugh, get a little emo, and, ultimately, think about the world in a different way. . . . The book is warm, witty, and unflinching in its critique of the fake meritocracy that permeates Silicon Valley."—Shondaland

The Problem with Work - Kathi Weeks 2011-09-09

The Problem with Work develops a Marxist feminist critique of the structures and ethics of work, as well as a perspective for imagining a life no longer subordinated to them.

My Friend Anna - Rachel DeLoache Williams 2019-07-23

NEW YORK TIMES BESTSELLER □ ONE OF TIME'S 100 BEST BOOKS OF THE YEAR Sex and the

City meets Bad Blood and Catch Me if You Can in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former Vanity Fair photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at Le Coucou, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, My Friend Anna is an unforgettable true story of “glamour, greed, lust for power” (The New York Times), and female friendship.

Work Won't Love You Back - Sarah Jaffe 2021-01-26

A deeply-reported examination of why “doing what you love” is a recipe for exploitation, creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives. You're told that if you “do what you love, you'll never work a day in your life.” Whether it's working for “exposure” and “experience,” or enduring poor treatment in the name of “being part of the family,” all employees are pushed to make sacrifices for the privilege of being able to do what we love. In *Work Won't Love You Back*, Sarah Jaffe, a preeminent voice on labor, inequality, and social movements, examines this “labor of love” myth—the idea that certain work is not really work, and therefore should be done out of passion instead of pay. Told through the lives and experiences of workers in various industries—from the unpaid intern, to the overworked teacher, to the nonprofit worker and even the professional athlete—Jaffe reveals how all of us have been tricked into buying into a new tyranny of work. As Jaffe argues, understanding the trap of the labor of love will empower us to work less and demand what our work is worth. And once freed from those binds, we can finally figure out what actually gives us joy, pleasure, and satisfaction.

The Advocate - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Brandsplaining - Jane Cunningham 2021-02-18

'It's high time we expose and remedy the pseudo-feminist marketing malarkey holding women back under the guise of empowerment' Amanda Montell, author of *Wordslut* _____ Brands profit by telling women who they are and how to be. Now they've discovered feminism and are hell bent on selling 'fempowerment' back to us. But behind the go-girl slogans and the viral hash-tags has anything really changed? In *Brandsplaining*, Jane Cunningham and Philippa Roberts expose the monumental gap that exists between the women that appear in the media around us

and the women we really are. Their research reveals how our experiences, wants and needs - in all forms - are ignored and misrepresented by an industry that fails to understand us. They propose a radical solution to resolve this once and for all: an innovative framework for marketing that is fresh, exciting, and - at last - sexism-free. _____ 'If you think we've moved on from 'Good Girl' to 'Go Girl', think again!' Professor Gina Rippon, author of *The Gendered Brain* 'An outrageously important book. Erudite, funny, and deeply engaging -- with no condescension or bullshit' Dr Aarathi Prasad, author of *Like A Virgin* 'This book has the power to change the way we see the world' Sophie Devonshire, CEO, The Marketing Society and author of *Superfast*

Stand Up For Yourself Without Getting Fired - Donna Ballman 2012-09-21

Hate your job? Ready to quit? Facing a layoff before you even have a chance to quit? Is your boss is a flaming jerk? Think you might have a lawsuit? If any of these scenarios apply to you, you are facing a crucial career moment. Mistakes and misinformation will cost you dearly. In *Stand Up For Yourself Without Getting Fired*, celebrated attorney Donna Ballman provides winning answers to these and many more tough questions, such as: I think they're getting ready to lay me off. What can I do? My boss is creating a hostile environment. Can I sue? What does it mean if I sign a paper saying I'm an independent contractor and not an employee? Am I exempt from overtime? Whether you're a recent college grad or an almost-retiree, newly employed or laid off after 20 years; gay or married with kids; janitor or CEO...*Stand Up For Yourself Without Getting Fired* will give you the specific and relevant advice you need to face any career-threatening situation...and come out ahead. Of course, you could just say, “Screw you guys. I'm going home!”

Machiavelli for Women - Stacey Vanek Smith 2021-09-07

From the NPR host of *The Indicator* and correspondent for *Planet Money* comes an “accessible, funny, clear-eyed, and practical” (Sarah Knight, *New York Times* bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling—perfect for fans of *Feminist Fight Club*, *Lean In*, and *Nice Girls Don't Get the Corner Office*. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli “with this delicious look at what we have to gain by examining our relationship to power” (Sally Helgesen, *New York Times* bestselling author). Using *The Prince* as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. “*Machiavelli For Women* is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it's a must-read for every woman ready to wield power unapologetically” (Claire Shipman, coauthor of *The Confidence Code*).

Boss Bitch - Nicole Lapin 2017-03-21

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their own lives and careers. You don't

need dozens or hundreds of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to be confident, savvy, and ready to get out there and make your success happen. You need to find your inner Boss Bitch – your most confident, savvy, ambitious self—and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of herself and her future and embraces being a “boss” in all senses of the word: whether as the boss of her own life, a boss at work, or the literal boss of her own company (or all three). Whichever she chooses, being a Boss Bitch isn't something to apologize for—it's something to be proud of! We all have what it takes to be a boss bitch, says Lapin. The problem is: we don't learn how to do it in school. Even if we study business, we're not getting enough real-deal business education. Until now. Here, Lapin draws on raw and often hilariously real stories from her own career and experiences starting businesses—the good, the bad, and the ugly—to show what it means to be a “boss” in twelve easy steps. In her refreshingly honest and relatable style, she first shows how to embrace the boss-of-you mentality by seizing the power that comes from believing in yourself and expanding your personal skillset. Then she offers candid no-nonsense advice on how to kill it as the boss at work whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the boss of your own business—from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a rock star in your career is something that should be worn as a badge of honor. Here Lapin shows how to crush it in our careers like like a Boss Bitch!

Women Who Work - Ivanka Trump 2017-05-02

NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from Women Who Work to the Ivanka M. Trump Charitable Fund, a donor advised fund that will make grants to organizations that empower and educate women and girls.* “This is a chatty step-by-step guide to living a happy life and getting ahead in a career.” –USA Today “The advice is spot-on for everyone, not just women.” –Tony Hsieh, CEO of Zappos.com and author of Delivering Happiness I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, “work” encompasses my efforts to succeed in all of these areas. After appearing on The Apprentice years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about “women who work.” So I created a forum to do just that. This book evolves the conversation that started on IvankaTrump.com, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. Women Who Work will equip you with the best skills I've

learned from some of the amazing people I've met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the “Fund”) is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the “LLC”), which receives royalties from the publication of Women Who Work. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.

My Body - Emily Ratajkowski 2021-11-09

INSTANT NEW YORK TIMES BESTSELLER “My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist.” –Melissa Febos, The New York Times Book Review A “MOST ANTICIPATED” AND “BEST OF FALL 2021” BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.

Work It - Carrie Kerpen 2018-01-09

An empowering career guide featuring bold advice from 50 high-profile women on how to succeed in work, leadership and life You don't have to be a #Girlboss or “lean in” to have a dream career and live a life you love. In Work It, CEO of Likeable Media and popular podcast host Carrie Kerpen shares lessons from her career and an “advisory board” of powerful women in a wide range of industries to help women everywhere make their aspirations a reality. Packed with actionable tips and stories from the likes of Sheryl Sandberg, Aliza Licht, and Reshma Saujani, this inspiring book reveals their counterintuitive secrets for success, including: - How and when to say “no” – whether it's a dream job that just isn't the right cultural fit or a low salary proposal, as well as when to say “yes” - How to make your career work for you and your family rather than the other way around - How to develop your own FAB PAB (Fabulous Personal Advisory Board) – a support network of women – rather than work with a single mentor - The importance of talking openly

about money – from job offer negotiations and cash flow management, to fundraising venture capital dollars With advice on everything from mastering social media to navigating office politics and the seemingly impossible work/life balance, Work It arms every woman with the courage and skills to achieve success and happiness on her terms.

She's So Boss - Stacy Kravetz 2017-05-30

Whether you already have an idea for a business or you're mulling how to turn the things you enjoy into a self-sustaining enterprise, this book will connect the dots. From inspiration to execution, there are concrete steps every young entrepreneur, creator, or leader needs to take, and this book shows you how. Packed with information and with the profiles of more than a dozen real-life girl bosses who have turned their passions into business, She's So Boss is about thinking big, aiming high, and becoming the boss of your thing, whether it's a blog about baking organic treats or playing guitar and putting your music videos on YouTube. Specific features of the book include: Profiles of some of history's great girl bosses: Eleanor Roosevelt, Madam C.J. Walker, Coco Chanel, Marie Curie, Lena Dunham, Michelle Phan, and others Pop-up features, including lists of Ten Fabulous Girl Bosses, Ten Jobs You Wish Existed, Six Turned-Out-to-Be-Awesome Ideas No One Thought Could Make It, Signs You're Heading for an Epic Fail, and more Real-life girl boss profiles showing the stages of development of more than a dozen girls who've transformed their visions into action Eye-catching graphs, charts, and diagrams covering such topics as the Basics of Any Business, Financial Implications of Borrowing at Different Interest Rates, The Importance of Superstar Marketing, Anatomy of a Girl Boss, Portrait of the Diva Anti-Boss, and the Social Media Influencer's Flow Chart Examples of logos, savvy packaging and branding ideas, great thank-you notes and other effective communication, texts never to send, and more

These Violent Delights - Chloe Gong 2020-11-17

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of The Last Magician and Serpent & Dove, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.

What It Takes - Raegan Moya-Jones 2019-05-07

"Raegan Moya-Jones is one of today's most fascinating entrepreneurs. Ten years ago, seeing a huge opening in the baby products market, she started aden + anais, which introduced cotton muslin swaddles to the U.S. On the heels of that success she's now launching another idea, Saint Luna, a boutique liquor company poised to turn the stereotype of moonshine on its head. This book is the story of her entrepreneurial journey: how she stopped holding herself back and learned to go

after her dreams. The John Burroughs quote "Leap, and the net will appear" has been Moya-Jones' guiding principle in business. But she wasn't always that bold. She was a party girl in high school in Australia, then ended up dropping out of college. When she finally got her act together, she went into sales, but quickly realized the corporate world wasn't for her. It was obvious that her (mostly male) bosses didn't like being challenged by an outspoken Aussie chick. So she decided to start a company, on her own terms. But instead of quitting her sales executive job at the Economist right away, she quietly built her business every night after putting her young daughters to bed. And when aden + anais reached \$1 million in revenue in less than two years, she was finally ready to make the leap. Today her little company is a thriving global brand, and Raegan has moved on to make another entrepreneurial leap. This empowering story will show the hopeful entrepreneur or career changer that she doesn't have to know it all--as long as she's willing to leap. If Raegan can do it, anyone can"--

Girl, Interrupted - Susanna Kaysen 2013-06-19

NATIONAL BESTSELLER • In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. Her memoir of the next two years is a "poignant, honest ... triumphantly funny ... and heartbreaking story" (The New York Times Book Review). The ward for teenage girls in the McLean psychiatric hospital was as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. Girl, Interrupted is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

Broke Millennial Takes On Investing - Erin Lowry 2019-04-09

A guide to investing basics by the author of Broke Millennial, for anyone who feels like they aren't ready (or rich enough) to get into the market Millennials want to learn how to start investing. The problem is that most have no idea where to begin. There's a significant lack of information out there catering to the concerns of new millennial investors, such as: * Should I invest while paying down student loans? * How do I invest in a socially responsible way? * What about robo-advisors and apps--are any of them any good? * Where can I look online for investment advice? In this second book in the Broke Millennial series, Erin Lowry answers those questions and delivers all of the investment basics in one easy-to-digest package. Tackling topics ranging from common terminology to how to handle your anxiety to retirement savings and even how to actually buy and sell a stock, this hands-on guide will help any investment newbie become a confident player in the market on their way to building wealth.

Thought Economics - Vikas Shah 2021-02-04

'Stimulating, intelligent and enjoyable discussions of the most important issues of our day.' STEVEN PINKER 'From entrepreneurs to athletes, and world leaders to entertainers, this is a fascinating collection of interviews with some of the world's most influential individuals.' MARK CUBAN 'Thought Economics is a fine rebuke to the soundbite culture; these interviews are driven by real curiosity, and there is a wealth of wisdom here.' EDWARD STOURTON
Since 2007, entrepreneur and philanthropist Vikas Shah has been on a mission to interview the people shaping our century. Including conversations with Nobel

prizewinners, business leaders, politicians, artists and Olympians, he has been in the privileged position of questioning the minds that matter on the big issues that concern us all. We often talk of war and conflict, the economy, culture, technology and revolutions as if they are something other than us. But all these things are a product of us - of our ideas, our dreams and our fears. We live in fast-moving and extraordinary times, and the changes we're experiencing now, in these first decades of the twenty-first century, feel particularly poignant as decisions are made that will inform our existence for years to come. What started out as a personal interest in the mechanisms that inform our views of the world, and a passion for understanding, has grown into a phenomenal compilation of once-in-a-lifetime conversations. In this incredible collection, Shah shares some of his most emotive and insightful interviews to date.

The Art of Money - Bari Tessler 2016-06-14

Awarded the 2016 Nautilus Silver Medal for Personal Growth! This is the book your money-savvy best friend, therapist, and accountant would write if they could. It's the book about money for people who don't even want to think about money, until the arrival of that inevitable day when we all realize we must come to terms with this thing called money. Everyone has pain and challenges, strengths and dreams about money, and many of us mix profound shame into that relationship. In *The Art of Money*, Bari Tessler offers an integrative approach that creates the real possibility of "money healing," using our relationship with money as a gateway to self-awareness and a training ground for compassion, confidence, and self-worth. Tessler's gentle techniques weave together emotional depth, big picture visioning, and refreshingly accessible, nitty-gritty money practices that will help anyone transform their relationship with money and, in so doing, transform their life. As Bari writes, "When we dare to speak the truth about money, amazing healing begins."

Lean In - Sheryl Sandberg 2013-03-11

The #1 international best seller *In Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of *Option B* with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to "sit at the table," seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

Confidence Creator - Heather Monahan 2018-04-04

The key to reaching your personal and professional goals and living the life of your dreams lies in the power of confidence. If you don't have it, don't worry. Heather Monahan will show you how anyone can master the essential techniques to building confidence and becoming your best self. In *Confidence Creator*, Heather offers a resource she wishes she had when she was younger. Using personal stories from her life and career, Heather illustrates the tough lessons she learned along the way that helped her develop the self-assurance necessary for getting what she

wanted in life. You'll discover how to determine your number-one enemy, attract the right people, find your voice, and more. Whether you've never had confidence or have lost it due to a breakup, divorce, unemployment, or another one of life's challenges, this book gives you the tools to take charge of your life and create your own confidence.

#GIRLBOSS - Sophia Amoruso 2015-09-29

The New York Times bestseller Sophia Amoruso spent her teens hitchhiking, committing petty theft, and dumpster diving. By twenty-two, she had resigned herself to employment, but was still broke, directionless, and working a mediocre day job she'd taken for the health insurance. Eight years later, she is the founder, CEO, and creative director of Nasty Gal, a \$100 million plus online fashion retailer with more than 350 employees. Sophia's never been a typical CEO, or a typical anything, and she's written *#GIRLBOSS* for outsiders (and insiders) seeking a unique path to success, even when that path is winding as all hell and lined with naysayers. *#GIRLBOSS* proves that being successful isn't about how popular you were in high school or where you went to college (if you went to college). Rather, success is about trusting your instincts and following your gut, knowing which rules to follow and which to break.

Island of Vice - Richard Zacks 2012-03-13

A ROLLICKING NARRATIVE HISTORY OF THEODORE ROOSEVELT'S EMBATTLED TENURE AS POLICE COMMISSIONER OF CORRUPT, PLEASURE-LOVING NEW YORK CITY IN THE 1880s, AND HIS DOOMED MISSION TO WIPE OUT VICE In the 1890s, New York City was America's financial, manufacturing, and entertainment capital, and also its preferred destination for sin, teeming with 40,000 prostitutes, glittering casinos, and all-night dives packed onto the island's two dozen square miles. Police captains took hefty bribes to see nothing while reformers writhed in frustration. In *Island of Vice*, bestselling author Richard Zacks paints a vivid picture of the lewd underbelly of 1890s New York, and of Theodore Roosevelt, the cocksure crusading police commissioner who resolved to clean up the bustling metropolis, where the silk top hats of Wall Street bobbed past teenage prostitutes trawling Broadway. Writing with great wit and zest, Zacks explores how Roosevelt went head-to-head with corrupt Tammany Hall, took midnight rambles with muckraker Jacob Riis, banned barroom drinking on Sundays, and tried to convince 2 million New Yorkers to enjoy wholesome family fun. In doing so, Teddy made a ruthless enemy of police captain "Big Bill" Devery, who grew up in the Irish slums and never tired of fighting "tin soldier" reformers. Roosevelt saw his mission as a battle of good versus evil; Devery saw prudery standing in the way of fun and profit. When righteous Roosevelt's vice crackdown started to succeed all too well, many of his own supporters began to turn on him. Cynical newspapermen mocked his quixotic quest, his own political party abandoned him, and Roosevelt discovered that New York loves its sin more than its salvation. Zacks's meticulous research and wonderful sense of narrative verve bring this disparate cast of both pious and bawdy New Yorkers to life. With cameos by Stephen Crane, J. P. Morgan, and Joseph Pulitzer, plus a horde of very angry cops, *Island of Vice* is an unforgettable portrait of turn-of-the-century New York in all its seedy glory, and a brilliant portrayal of the energetic, confident, and zealous Roosevelt, one of America's most colorful public figures.

The Wisdom of Crowds - Joe Abercrombie 2021-09-14

The New York Times bestselling finale to the *Age of Madness* trilogy finds the world in an unstoppable revolution where heroes have nothing left to lose as darkness and destruction overtake everything. Chaos. Fury. Destruction. The Great Change is

upon us . . . Some say that to change the world you must first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . . "No one writes with the seismic scope or primal intensity of Joe Abercrombie." –Pierce Brown For more from Joe Abercrombie, check out: *The Age of Madness* *A Little Hatred* *The Trouble With Peace* *The Wisdom of Crowds* *The First Law Trilogy* *The Blade Itself* *Before They Are Hanged* *Last Argument of Kings* *Best Served Cold* *The Heroes* *Red Country* *The Shattered Sea Trilogy* *Half a King* *Half a World* *Half a War*

Man Repeller - Leandra Medine 2013-09-10

Engage using #manrepeller. Silk parachute pants. A gold lamé jumpsuit. Ankle boots with fringe. Were these fashion-forward items sending men running in the opposite direction? Maybe, but Leandra Medine never cared. Slipping into drop-crotch shorts and a boxed sequin blazer in the dressing room of Topshop in downtown Manhattan, a brokenhearted Leandra had an epiphany. Looking in the mirror, she suddenly realized she didn't have a boyfriend because of the way she dressed. And the more she thought about it, the more she realized that such outfits said a lot about her life-romantic and otherwise. Now, in her first book, the acclaimed blogger and fashion darling recounts her most significant memories through the lens of her sartorial choices. With her signature sass, blunt honesty, and some personal photos, Leandra shares details of the night she lost her virginity right down to the pair of white tube socks she forgot to take off, as well as when and why she realized her grandma's vintage Hermès ostrich skin clutch could hold much more than just keys and a cell phone. Through it all, she proves you don't need to compromise even your most repellent qualities to find your way into that big white dress (and an organza moto jacket). See? You can have your yeti and wear it, too. Showcasing the singular voice that has won Leandra millions of fans, this book is a collection of awkwardly funny experiences, a sweet love story, and above all, a reminder to celebrate and embrace a world made for women, by women.

The Fallback Plan - Leigh Stein 2012-01-03

A hilarious debut novel about the tricky period between graduating from college and moving out of your parents' house What to do when you've just graduated from college and your plans conflict with those of your parents? That is, when your plans to hang out on the couch, re-read your favorite children's books, and take old prescription tranquilizers, conflict with your parents plans that you, well, get a job? Without a fallback plan, Esther Kohler decides she has no choice but to take the job her mother has lined up for her: babysitting for their neighbors, the Browns. It's a tricky job, though. Six months earlier, the Browns' youngest child died. Still, as Esther finds herself falling in love with their surviving daughter May, and distracted by a confusing romance with one of her friends, she doesn't notice quite how tricky the job is ... until she finds herself assuming the role of confidante to May's mother Amy, and partner in crime to Amy's husband Nate. Trapped in conflicting roles doomed to collide, Esther is forced to come up with a

better idea of who she really is. Both hilarious and heartbreaking, *The Fallback Plan* is a beautifully written and moving story of what we must leave behind, and what we manage to hold on to, as we navigate the treacherous terrain between youth and adulthood.

Trick Mirror - Jia Tolentino 2019-08-06

NEW YORK TIMES BESTSELLER • "From The New Yorker's beloved cultural critic comes a bold, unflinching collection of essays about self-deception, examining everything from scammer culture to reality television."—Esquire Book Club Pick for Now Read This, from PBS NewsHour and The New York Times • "A whip-smart, challenging book."—Zadie Smith • "Jia Tolentino could be the Joan Didion of our time."—Vulture FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE'S JOHN LEONARD PRIZE FOR BEST FIRST BOOK • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND HARVARD CRIMSON AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Chicago Tribune • The Washington Post • NPR • Variety • Esquire • Vox • Elle • Glamour • GQ • Good Housekeeping • The Paris Review • Paste • Town & Country • BookPage • Kirkus Reviews • BookRiot • Shelf Awareness Jia Tolentino is a peerless voice of her generation, tackling the conflicts, contradictions, and sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, wit and fearlessness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. *Trick Mirror* is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet; the advent of scamming as the definitive millennial ethos; the literary heroine's journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino's sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, *Trick Mirror* is an instant classic of the worst decade yet. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY

Molly's Game - Molly Bloom 2017-12-14

A SUNDAY TIMES BESTSELLER NOW A MAJOR MOTION PICTURE WRITTEN AND DIRECTED BY AARON SORKIN, AND STARRING JESSICA CHASTAIN, IDRIS ELBA, KEVIN COSTNER AND MICHAEL CERA The true story of the 26-year-old woman behind the most exclusive, high-stakes underground poker game in the world When Molly Bloom was a little girl in a small Colorado town, she dreamed of a life without rules and limits, a life where she didn't have to measure up to anyone or anything - where she could become whatever she wanted. She ultimately got more than she ever could have bargained for. In *Molly's Game*, she takes you through her adventures running an exclusive private poker game catering to Hollywood royalty like Leonardo DiCaprio and Ben Affleck, athletes, billionaires, politicians and financial titans. With rich detail, Molly describes a world of glamour, privilege and secrecy in which she made millions, lived the high life and fearlessly took on the Russian and Italian mobs - until she met the one adversary she could not outsmart: the United States government.

Imagine It Forward - Beth Comstock 2018-09-18

FROM ONE OF TODAY'S FOREMOST INNOVATION LEADERS, AN INSPIRING, PERSONAL APPROACH TO MASTERING CHANGE IN THE FACE OF UNCERTAINTY. NAMED A 2018 BEST BUSINESS BOOK PICK BY FAST COMPANY AND WIRED UK. Confronting change is incredibly hard, both

organizationally and personally. People become resistant. They are afraid. Yet the pace of change in our world will never be slower than it is right now, says Beth Comstock, the former Vice Chair and head of marketing and innovation at GE. *Imagine It Forward* is an inspiring, fresh, candid, and deeply personal book about how to grapple with the challenges to change we face every day. It is a different kind of narrative, a big picture book that combines Comstock's personal story in leading change with vital lessons on overcoming the inevitable roadblocks. One of the most successful women in business, Comstock shares her own transformation story from introverted publicist to GE's first woman Vice Chair, and her hard-won lessons in shifting GE, a 125 year old American institution, toward a new digital future and a more innovative culture. As the woman who initiated GE's Ecomagination clean-energy and its (and NBC's) digital transformations, Comstock challenged a global organization to not wait for perfection, but to seek out emerging trends, embrace smart risks and test ideas boldly, and often. She shows how each one of us can become a "change maker" by leading with imagination. "Ideas are rarely the problem," writes Comstock. "What holds all of us back, really—is fear. It's the attachment to the old, to 'What We Know.'" As Comstock makes clear, transforming the mindset and culture of a company is messy. There is no easy checklist. It is fraught with uncertainty, tension and too often failure. It calls for the courage to defy convention, go around corporate gatekeepers when necessary, and reinvent what is possible. For all those looking to spearhead change in their companies and careers, and reinvent "the way things are done," *Imagine It Forward* masterfully points the way.

Power Your Happy - Lisa Sugar 2016-09-20

Lisa Sugar has an amazing job. She spends her days at POPSUGAR creating content about pop culture, must-have handbags and makeup, healthy recipes, and Instagram-worthy sweets. She manages an enormously successful, growing company with employees who love what they do. And her life is just as great at home. She and her husband have three daughters and she's the number one soccer mom who loves reading bedtime stories every night. How did she do it? By figuring out what her dream job was, taking risks, and believing in herself. And now she wants to motivate others to do the same. She wants to show them how to live colorful, interesting lives where every second counts. She'll do so by sharing her personal and business story. Lisa knows that creating your dream job requires hard work, patience, and experience. She'll give advice, in big and small ways, about exactly how to do that, from starting a company to ditching a relationship that isn't working to becoming a fabulous boss. And with the great, accessible writing style that has made PopSugar such a hit, she'll make it fun!

The Disaster Tourist - Yun Ko-Eun 2020-08-04

Welcome to the desert island of Mui, where a paid vacation to paradise is nothing short of a disaster in this "mordantly witty novel [that] reads like a highly literary, ultra-incisive thriller (Refinery29). Jungle is a cutting-edge travel agency specializing in tourism to destinations devastated by disaster and climate

change. And until she found herself at the mercy of a predatory colleague, Yona was one of their top representatives. Now on the verge of losing her job, she's given a proposition: take a paid "vacation" to the desert island of Mui and pose as a tourist to assess the company's least profitable holiday. When she uncovers a plan to fabricate an extravagant catastrophe, she must choose: prioritize the callous company to whom she's dedicated her life, or embrace a fresh start in a powerful new position? An eco-thriller with a fierce feminist sensibility, *The Disaster Tourist* introduces a fresh new voice to the United States that engages with the global dialogue around climate activism, dark tourism, and the #MeToo movement.

The Most Powerful Woman in the Room Is You - Lydia Fenet 2021-03-02

The Senior Vice President of Christie's and seasoned auctioneer Lydia Fenet, with her "razor-sharp humor and her don't-mess-with-me gavel strike" (Mariska Hargitay, star of *Law & Order: Special Victims Unit*), shares the secrets of success and the strategies behind her revolutionary sales approach to show you how to embrace and channel your own power in any room. Who is the most powerful woman in the room? She's the one who can raise a million dollars in a minute. She's the one who can command the attention of a group of any size from one person to five thousand. She's the one who can sell anything to anyone. And she can be you. As a senior executive at Christie's, leader in her field, and one of *Gotham* magazine's Most Influential Women in New York, Lydia Fenet knows firsthand that the one skill that can set women apart in both their personal life and career is the ability to sell. *The Most Powerful Woman in the Room Is You* equips you with everything you need to know—from how to sell authentically and how to network (or die), to the importance of never apologizing (start negotiating instead), how to perfect your poker face, and always, always, tell the truth. Most of all, she offers plenty of encouragement to take ownership in your position and look for opportunities to innovate. Filled with additional case studies, thoughtful insights, and meaningful advice from some of the most powerful and successful women in business, fashion, journalism, sports, and the arts, *The Most Powerful Woman in the Room Is You* "is an insightful, inspiring guide for women who are trying to claim their own seat at the table" (New York Journal of Books).

The Girlboss Workbook - Sophia Amoruso 2017-10-24

Sophia Amoruso, the bestselling author of #GIRLBOSS, shares her favorite tips, checklists, and fill-in-the-blanks that will help you become your best Girlboss yet. Filled with whimsical illustrations, exercises, and plenty of scribble room, *The Girlboss Workbook* is designed for both the dreamer and the doer. It invites you—hell, implores you—to get in there and mess it up a little. Write in the blank spaces and in between them. #GIRLBOSS started as Sophia's story, but *The Girlboss Workbook* is your story. Use it as a diary, a mood board, a stress ball. Use it in class or at work for daydreaming and doodling. Use it to figure out what makes your freak flag fly -- and then go for it. Whatever you do, take this book, and your path, into your own hands. No need to handle it with care and no need to live a typical, cookie-cutter life. Sophia's has been anything but.
