Mastering the American Accent with Online Audio - Lisa Mojsin 2016-09-15
Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program

provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and

formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

Painless Poetry - Mary Elizabeth
2001-04-01

Reading and writing poetry as a class assignment can be a rewarding experience—especially when it's approached in a spirit of fun. This book explains how poets use words imaginatively in rhymed and metered

verse as well as free verse. Poems can be humorous or serious, long or very short, joyful or sad—and this instructive, yet fun-to-read book points the way toward composing and reading poems of all kinds. It's filled with examples from Homer through today. All titles in Barron's Painless Series are written especially for classroom use for middle-school students.

The Everything Store - Brad Stone 2013-10-15

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive

convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and

largest bets on the Internet and forever changed the way we shop and read.

The Godborn - Paul S. Kemp 2013-10-01
In the 2nd book of the multi-author

Sundering series launched by New York Times best-selling author R.A. Salvatore, the shadow legacy of Erevis Cale lives on even as his old foe Mephistopheles seeks to stamp it out at any cost. Cale's son Vasen—unmoored in time by the god Mask—has thus far been shielded from the archdevil's dark schemes, alone among the servants of the Lord of Light who have raised him since birth. Living in a remote abbey nestled among the Thunder Peaks of Sembia, Vasen is haunted by dreams of his father, trapped in the frozen hell of Cania. He knows the day will come when he must assume his role in the divine drama unfolding across Faerûn. But Vasen knows not what that role should be . . . or whether he is ready to take it on. He only knows what his father tells him in

dreams—that he must not fail. Enter Drasek Riven, a former compatriot of Erevis Cale, now near divine and haunted by dreams of his own—he too knows the time to act is near. Shar, the great goddess of darkness, looks to cast her shadow on the world forever. Riven has glimpsed the cycle of night she hopes to complete, and he knows she must be stopped. At the crossroads of divine intrigue and mortal destiny, unlikely heroes unite to thwart the powers of shadow and hell, and the sundering of worlds is set on its course.
