**Hollywood's Indies** - Yannis Tzioumakis 2012-03-07

For almost three decades the big Hollywood studios have operated classics divisions or specialty labels, subsidiaries that originally focused on the foreign art house film market, while more recently (and controversially) moving on to the American 'indie' film market. This is the first book to offer an in depth examination of the phenomenon of the classics divisions by tracing its history since the establishment the first specialty label in 1980, United Artists Classics, to more contemporary outfits like Focus Features, Warner Independent and Picturehouse. This detailed account of all classics divisions examines their business practices, their position within the often labyrinthine structure of contemporary entertainment conglomerates and their relationship to their parent companies. Yannis Tzioumakis examines the impact of those companies on American 'indie' cinema and argues that it was companies such as Fox Searchlight and Paramount Classics (now Paramount Vantage) that turned independent filmmaking to an industrial category endorsed by the Hollywood majors as opposed to a mode of filmmaking practised outside the conglomerated major players and posed as a sustained alternative to mainstream Hollywood cinema. A number of case studies are provided, including such celebrated films as *Mystery Train*, *The Brothers McMullen*, *Broken Flowers*, *Before Sunset* and many others.

**Passion and Pain** - Marc Shapiro 2007-06-26

A definitive biography of Hector Lavoe's rise from Puerto Rico to stardom in New York that led to sold-out concerts and best-selling salsa albums, yet gave way to drug addiction, a strained marriage and tragedy. From the poverty-stricken streets of Ponce, Puerto Rico to the vibrant barrios of New York City, HECTOR LAVOE became the singer of all singers, and the driving-force behind the Salsa movement in the mid-1960s. His popularity rivaled that of his contemporaries, Tito Puente, Celia Cruz and Johnny Pacheco. Behind the music, Hector's life was filled with drugs, alcohol and women. An endless stream of tragedy plagued him, including a gun-related accident that killed his son, Hector's ninth floor jump from a hotel window, and his death in 1993 from AIDS. But Hector's pristine voice, one-of-a-kind stage performances, sold-out concerts and bestselling albums were what his fans remember most and what made him an international icon. His music brought joy to legions of people, and it continues today. Marc Shapiro's *Passion and Pain* is "A no-holds barred biography" (Uptown Magazine) of a fascinating life.

**Billboard** - 2007-08-25

*The Cry of the Senses* - Ren Ellis Neyra 2020-11-06

In *The Cry of the Senses*, Ren Ellis Neyra examines the imaginative possibility for sound and poetics to foster new modes of sensorial solidarity in the Caribbean Americas. Weaving together the black radical tradition with Caribbean and Latinx performance, cinema, music, and literature, Ellis Neyra highlights the ways Latinx and Caribbean sonic practices challenge antiblack, colonial, post-Enlightenment, and humanist epistemologies. They locate and address the sonic in its

myriad manifestations—across genres and forms, in a legal trial, and in the art and writing of Xandra Ibarra, the Fania All-Stars, Beatriz Santiago Muñoz, Édouard Glissant, and Eduardo Corral—while demonstrating how it operates as a raucous form of diasporic dissent and connectivity. Throughout, Ellis Neyra emphasizes Caribbean and Latinx sensorial practices while attuning readers to the many forms of blackness and queerness. Tracking the sonic through their method of multisensorial, poetic listening, Ellis Neyra shows how attending to the senses can inspire alternate, ethical ways of collective listening and being.

**Mambo Montage** - Agustín Laó-Montes 2001

New York is the capital of mambo and a global factory of latinidad. This book covers the topic in all its multifaceted aspects, from Jim Crow baseball in the first half of the twentieth century to hip hop and ethno-racial politics, from Latinas and labor unions to advertising and Latino culture, from Cuban cuisine to the language of signs in New York City. Together the articles map out the main conceptions of Latino identity as well as the historical process of Latinization of New York. *Mambo Montage* is both a way of imagining latinidad and an angle of vision on the city.

**Billboard** - 2010-10-02

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Tania León's Stride** - Alejandro L. Madrid 2021-12-28

Acclaimed composer, sought-after conductor, esteemed educator, tireless advocate for the arts--Tania León's achievements encompass but also stretch far beyond contemporary classical music. Alejandro L. Madrid draws on oral history, archival work, and ethnography to offer the first in-depth biography of the artist. Breaking from a chronological account, Madrid looks at León through the issues that have informed and defined moments in her life and her professional works. León's words become a starting ground--but also a counterpoint--to the accounts of the people in her orbit. What emerges is more than an extraordinary portrait of an artist's journey. It is a story of how a human being reacts to the challenges thrown at her by history itself, be it the Cuban revolution or the struggle for civil and individual rights. Nuanced and multifaceted, *Tania León's Stride* looks at the life, legacy, and milieu that created and sustained one of the most important figures in American classical music.

**Billboard** - 2007-08-18

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**A Horrible Experience of Unbearable Length** - Roger Ebert 2012-03-06

More of the Pulitzer Prize-winning film critic's most scathing reviews. A Horrible Experience of Unbearable Length collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer. Known for his fair-minded and well-written film reviews, Roger is at his razor-sharp humorous best when skewering bad movies. Consider this opener for the one-star

Your Highness: "Your Highness is a juvenile excrescence that feels like the work of 11-year-old boys in love with dungeons, dragons, warrior women, pot, boobs, and four-letter words. That this is the work of David Gordon Green beggars the imagination. One of its heroes wears the penis of a minotaur on a string around his neck. I hate it when that happens." And finally, the inspiration for the title of this book, the one-star Transformers: Revenge of the Fallen: "Transformers: Revenge of the Fallen is a horrible experience of unbearable length, briefly punctuated by three or four amusing moments. One of these involves a doglike robot humping the leg of the heroine. If you want to save yourself the ticket price, go into the kitchen, cue up a male choir singing the music of hell, and get a kid to start banging pots and pans together. Then close your eyes and use your imagination." Roger Ebert's I Hated, Hated, Hated This Movie and Your Movie Sucks, which gathered some of his most scathing reviews, were bestsellers. This collection continues the tradition, reviewing not only movies that were at the bottom of the barrel, but also movies that he found underneath the barrel. Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh!
