Good Night, Mr. Tom - Michelle Magorian 1986-11-13

London is poised on the brink of World War II. Timid, scrawny Willie Beech -- the abused child of a single mother -- is evacuated to the English countryside. At first, he is terrified of everything, of the country sounds and sights, even of Mr. Tom, the gruff, kindly old man who has taken him in. But gradually Willie

forgets the hate and despair of his past. He learns to love a world he never knew existed, a world of friendship and affection in which harsh words and daily beatings have no place. Then a telegram comes. Willie must return to his mother in London.

When weeks pass by with no word from Willie, Mr. Tom sets out for London to look for the young boy he has come to love as a son.

Learn your Accounting Basics – A step by step approach: Junior High School and beginners -

Annelize Iliffe 2017-06-16

A step by step guide on how to master the basics in

Accounting. Whether you have just started Accounting or

struggling to grasp the basic principles this book is for you.

Colourful illustrations make

Accounting come alive on your iPad or device, and it is a

valuable add-on in the

classroom for students doing

Accounting or EMS. Topics

include: 1. Introduction and

Accounting Equations 2. Price

Lists & Purchase Orders 3.

Monitoring your bank balance 4.

Writing up of the Subsidiary

Journals 5. Balancing the

Subsidiary Journals 6. Posting to the General Ledger 7.

Balancing the General Ledger

and Preparing a Trial Balance

Concepts are explained in a

basic manner, for example what

a source document is, and

where to use it. Different source

documents are explained and

illustrated. The analysis of

receipts column, the cost of

sales columns, the columns in

the subsidiary journals and

whether they are debits or

credits, the orderly posting of

the journals in a step by step

manner, and many other basic

concepts are illustrated in

colourful and understandable steps. This book will be beneficial for educators in the classroom environment, pupils who lack the basics and homeschoolers who want to learn Accounting by themselves.
