Once there, Rebecca begins noticing strange things, including a figure in a hooded black gown gliding silently through the abbey's cloisters. For all its renovations and veneer of luxury, the ancient foundations seem to echo with whispers of the past--including her own. For there she encounters Sir Frederick--magistrate, widower, and former neighbor--who long ago broke her heart. When the famous author is found murdered in the abbey, Sir Frederick begins questioning staff and guests and quickly discovers that several people held grudges against the man, including Miss Lane and her brother. Haunted by a painful betrayal in his past, Sir Frederick searches for answers but is torn between his growing feelings for Rebecca and his pursuit of the truth. For Miss Lane is clearly hiding something. . . .

Abigail Foster is the practical daughter. She fears she will end up a spinster, especially as she has little dowry, and the one man she thought might marry her seems to have fallen for her younger, prettier sister. Facing financial ruin, Abigail and her father search for more affordable lodgings, until a strange solicitor arrives with an astounding offer: the use of a distant manor house abandoned for eighteen years. The Fosters journey to imposing Pembroke Park and are startled to find it entombed as it was abruptly left: tea cups encrusted with dry tea, moth-eaten clothes in wardrobes, a doll's house left mid-play... The handsome local curate welcomes them, but though he and his family seem acquainted with the manor's past, the only information they offer is a stern warning: Beware trespassers drawn by rumors that Pembroke Park contains a secret room filled with treasure. This catches Abigail's attention. Hoping to restore her family's finances--and her dowry--Abigail looks for this supposed treasure. But eerie sounds at night and footprints in the dust reveal she isn't the only one secretly searching the house. Then Abigail begins receiving anonymous letters, containing clues about the hidden room and startling discoveries about the past. As old friends and new foes come calling at Pembroke Park, secrets come to light. Will Abigail find the treasure and love she seeks...or very real danger?

The Hollow of the Three Hills - Nathaniel Hawthorne 2018-07-11

The Hollow of the Three Hills (+Biography and Bibliography) (Glossy Cover Finish): In those strange old times, when fantastic dreams and madmen's reveries were realized among the actual circumstances of life, two persons met together at an appointed hour and place. One was a lady, graceful in form and fair of feature, though pale and troubled, and smitten with an untimely blight in what should have been the fullest bloom of her years; the other was an ancient and meanly-dressed woman, of ill-favored aspect, and so withered, shrunken, and decrepit, that even the space since she began to decay must have exceeded the ordinary term of human existence. In the spot where they encountered, no mortal could observe them.

The Grey Woman - Elizabeth Cleghorn Gaskell 1871

Propertius in Love - Sextus Propertius 2002-06-03

These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

Romero channels the spirit of myth into a brilliantly original tale, inspired by her experiences restoring Jewish cemeteries in Eastern Europe. Magic will burn you up. Sent to stay with her aunt in Prague and witness the humble life of an artist, Ilana Lopez--a biracial Jewish girl--finds herself torn between her dream of becoming a violinist and her immigrant parents' desire for her to pursue a more stable career. When she discovers a forgotten Jewish cemetery behind her aunt's cottage, she meets the ghost of a kindhearted boy named Benjamin, who died over a century ago. As Ilana restores Benjamin's grave, he introduces her to the enchanted side of Prague, where ghosts walk the streets and their kisses have warmth. But Benjamin isn't the only one interested in Ilana. Rudolph Wassermann, a man with no shadow, has become fascinated with her and the music she

plays. He offers to share his magic, so Ilana can be with Benjamin and pursue her passion for violin. But after Ilana discovers the truth about Wassermann and how Benjamin became bound to the city, she resolves to save the boy she loves, even if it means losing him--forever. A love letter to Latin American and Jewish diasporas, based on the author's experiences working to maintain Jewish cemeteries in Eastern Europe. The Hill Road - Patrick O'Keeffe 2006-10-31

Winner of the 2005 Story Prize Reminiscent of Alice Munro and William Trevor, Patrick O'Keeffe's lyrical eloquence expressively unveils the cloistered world of a rural southwestern Irish town and its inhabitants. Brimming with thoughtful, gorgeous prose and linked by setting and circumstances that span generations, the four novellas in The Hill Road revolve around the parish of Kilroan and its inhabitants, and how, over time, the people and the community itself are transfigured by life-changing events. Marked by love, devotion, secrets, unfulfilled dreams, family intimacies, and missed opportunities, these characters embody the rugged unfolding of the landscape--a volatile place of natural beauty where stories alter lives. BACKCOVER: "A remarkable achievement . . . There is a wonderful Irish music running through O'Keeffe's prose, yet his tales of ordinary rural life in twentieth-century Ireland are unsparing and never sentimental." -The Baltimore Sun "Handsome, subtle narratives by an exquisitely talented Irishborn writer." -Elle "Lush and evocative . . . a dreamlike collection." -The New York Times Book Review *The Ladies of Ivy Cottage (Tales from Ivy Hill Book #2)* - Julie Klassen 2017-12-05

September Moon - Candice Proctor 2020-11-16

Alternately poignant, uplifting, and laugh-out-loud funny, this is an enchanting tale of love, self-forgiveness, and the joyous discovery that it's never too late to become what you were meant to be. Stranded in Adelaide, South Australia, after the death of her former employer, Englishwoman Amanda Davenport is compelled by her rapidly dwindling resources to accept a position as governess on a sheep station in the wilds of the Australian outback. Frightened by the raw desolation she

discovers there, Amanda is desperate to earn her passage home to England. Yet against her will, she finds herself irresistibly drawn to both the strange, haunting land and to the easy smile and rugged sensuality of the down-to-earth man who has made it his home. Struggling to bring up three irrepressible, motherless children on an isolated station plagued by all the hardships and dangers of the Flinders Ranges in the 1860s, Patrick O'Reilly thinks the last thing he needs in his life is a prim and proper English gentlewoman. But it isn't long before O'Reilly begins to suspect that Miss Davenport is not exactly what she seems . . . From the original 1999 Random House edition: In this, her third novel, the multitalented author of *NIGHT IN EDEN* returns to the glorious setting of nineteenth-century Australia, to the ancient, primal vistas of the outback, to a land as untamed as a man's soul . . . The Book of Night Women - Marlon James 2009-02-19
From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." – The New York Times Book Review
A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The *Night Women*, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book—the secret to the stirring imagery and insistent prose—is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.
