Lessons for the Social Studies Classroom - M. Lazarus, S. Cohen, K. Lambert, R. E 2013-03-12

The idea for this book came while I was observing a student teacher and a master teacher. I realized that most student teachers while in training do not have the opportunity to think creatively about their lessons. I also noticed that teachers new to the field of teaching suffer the same fate; they are too busy trying to survive the day and are not sure how to plan and organize their teaching. Lesson plans are one of the most important tools for a teacher and more important for the novice teacher. I believe that during student teaching or during their undergraduate years, if students were equipped with this book their first year teaching will not look so first year. Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans, improving upon them and making them their own. Most first year teachers over teach or under teach and both types still miss the marks on the standardized test. These lesson plans will give the new teacher a place to begin.

E/M Auditing Step - Carol J. Buck 2012-12-11

Building your skills as a professional coder and auditor, *E/M Auditing Step, 3rd Edition* provides a thorough review of the 17 Evaluation and Management (E/M) subsections presented in the Current Procedural Terminology (CPT) manual. Real-life scenarios let you practice coding with cases taken from actual documentation. An outline format includes plenty of practice questions, making it easy to review and prepare for E/M certification exams. Written by coding author and educator Carol J. Buck, this edition covers both ICD-9 and ICD-10 code sets, and helps you gain the accuracy and proficiency you need for success in auditing records and in E/M coding. A convenient outline format provides easy-to-follow, efficient coverage of E/M coding. An introduction to E/M coding describes how to fill out the main audit form used in the book, then breaks down each of the 17 E/M CPT subsections separately. Follow-up questions and reports test your comprehension of the E/M subsections and allow you to build confidence. An examination with answers prepares you for the professional environment with 17 real-life cases covering E/M codes. 1995 and 1997 E/M Documentation Guidelines, along with an Internet Only Manual, provide a quick reference to all E/M coding variations. Useful appendices include answers to Unit 1 questions and the Unit 2 exam, blank audit forms for practice, abbreviations, and additional resources. UPDATED content lets you practice using the 2013 code sets. Dual coding includes answers for both ICD-9 and ICD-10, preparing you for the diagnosis coding sets of both today and tomorrow.

Adult-Gerontology Acute Care Nurse Practitioner - Anthony M. Angelow 2021-12-01

Master core content areas. Test your knowledge. Prepare for certification and clinical practice. Assure that you have the in-depth understanding of advanced pathophysiology, advanced pharmacology, advanced health assessment, diagnostic reasoning, clinical decision making, and the interplay between these concepts that are required for exam success. In addition to an in-depth review of core content, you'll also have access to Davis Edge, the online Q&A platform that creates quizzes based on your personal strengths and weaknesses and tracks your progress every step of the way. Approximately 240 questions in the book and 1,000 questions online at Davis Edge parallel the domain and content areas of the examination outlines of both the American Nurses Credentialing Center and the American Association of Critical Care. Answers and in-depth rationales for correct and incorrect responses advance your mastery and understanding. And, like the exam, the questions focus on analysis and synthesis of information rather than memorization.

Mosby's Review Questions for the National Board Dental Hygiene Examination - Mosby 2013-12-13

Offering the most realistic NBDHE review and practice available, Mosby's Review Questions for the National Board Dental Hygiene Examination includes both a print book and companion website to prepare you for exam success. In the book, you'll review with more than 1,250 Component A practice questions -

with each answer including a rationale for both correct and incorrect answer options. Online, you can review the same questions plus an additional 420 case-based items related to Component B in 1) practice mode or 2) timed, exam-simulation mode with randomized tests that match the number and distribution of questions on the NBDHE. From a team of dental hygiene experts including lead editor Barbara Bennett, this Q&A resource is an excellent supplement to any NBDHE content review book! More than 1,680 multiple-choice questions provide comprehensive practice spanning the entire NBDHE, with 1,250+ items relating to Component A - more than six times the number of questions on the actual exam! - and 420 case-based questions related to Component B. Rationales accompany each question, fully explaining why each answer choice is either correct or incorrect and thus serving as secondary content review. Distribution of questions matches each category on the NBDHE test specifications, ensuring that you have adequate practice for each content area. An Evolve companion website includes all 1,250+ questions from the book plus additional case studies with color images and accompanying questions, available either in practice mode with instant feedback or in exam-simulation format with results and feedback provided at the end of the exam. A test creator and timer on Evolve generates NBDHE-style tests that mimic the number and distribution of questions on the NBDHE and also provides realistic practice with time management during the exam. 16 detailed case studies on Evolve, each of which includes a patient medical/dental history, completed periodontal chart, oral radiographs, clinical photographs, and 20-35 multiple-choice questions for patients in the five main categories covered on the NBDHE (adult periodontitis, pediatric, geriatric, special needs, and medically compromised). References to text sources make it easy to review or find more information on specific topics.
