The Hotel - Sonny Kleinfield 2014-04-29

A look inside New York's icon of luxury: "Reading [The Hotel] is at least as enjoyable—and certainly less expensive—than staying at the Plaza" (Publishers Weekly). When it opened its doors in 1907, the Plaza was considered the world's finest luxury hotel. Since then, the grand building at the southern tip of Central Park has hosted kings and queens, the rich and famous, and countless world leaders. And like any hotel, it has seen its share of crimes, suicides, and drunken mayhem as well. A fascinating read for fans of Stephen Birmingham's *Life at the Dakota* or Justin Kaplan's *When the Astors Owned New York*, this book combines Manhattan history with a guided behind-the-scenes tour, interviewing the hospitality industry employees who tote the luggage, change the light bulbs, and clean the rooms. From a Pulitzer Prize-winning journalist who has written for the *New York Times* and *Rolling Stone*, *The Hotel* offers the kind of day-to-day detail that brings the Fifth Avenue French Renaissance landmark to vivid, colorful life.

Hong Kong Management Cases in Hotel Management -

Management Development Centre of Hong Kong 1996
Until recently, very few case books are written about Hong Kong's hotel management. Most case books have drawn their materials from North America and Europe. There are very few which reflect the local situation familiar to readers in Hong Kong. To remedy this situation, the Case Clearing House of Hong Kong encouraged local authors to write cases based on true-to-life Hong Kong situations. Managers in the hospitality industry will find the situations presented in the book similar to those they face in their work and will be able to learn from the discussions of the cases presented. Students will find the cases a useful means of enhancing their understanding of hospitality management practice in Hong Kong.

The Miralisa were back in the Regent and so was their boss, Geppetto. As the Miralisa set the stage to frame Michael for murder to force his Uncle Paulo into their criminal enterprise, Michael's uncle is on the hunt to find the elusive Geppetto and put the Miralisa out of business.
