The Twilight of Equality? - Lisa Duggan
2012-04-03

By now, we've all heard about the shocking redistribution of wealth that's occurred during the last thirty years, and particularly during the last decade. But economic changes like this don't occur in a vacuum; they're always linked to politics. *The Twilight of Equality?* searches out these links through an analysis of the politics of the 1990s, the decade when neoliberalism-free market economics-became gospel. After a brilliant historical examination of how racial and gender inequities were woven into the very theoretical underpinnings of the neoliberal model of the state, Duggan shows how these inequities play out today. In a series of political case studies, Duggan reveals how neoliberal goals have been pursued, demonstrating that

progressive arguments that separate identity politics and economic policy, cultural politics and affairs of state, can only fail.

Ultimately, *The Twilight of Equality?* not only reveals how the highly successful rhetorical maneuvers of neoliberalism have functioned but, more importantly, it shows a way to revitalize and unify progressive politics in the U.S. today.

This course provides the foundation of Coach Simpson's offensive philosophy. Coach believes in the monikers that "Less is More" and the "Rule of 3", which both were evident in the explanation of the offense. His explanations were clear and concise, and the presentations were easy to follow." - Todd Knipp "This is absolutely amazing. Coach Simpson

does an excellent job of explaining his system. Whether you are a young coach or an experienced coach this is a must see. You can easily see why he is a successful coach. His detail on an organization is on point and I cannot wait to learn more from Coach Simpson." - Mike Kloes

"I've been following Coach Simpson for a while now and it's very clear to me that even though I may not be a HC, we have similar philosophies. If you are a Wing T guy looking for ways to "Modernize" your offense, or a Spread guy looking for an effective and efficient run game this is the offense you should be looking at!" - Coach Sheffer

"The course by Coach Simpson was quite helpful. As the new Head Coach of a small school - the Gun T system is going to help us be successful right away. Being a spread coach for the last 8-9 years, this system easily blends the best of both worlds of spread and wing-." - Mike Wilson

"Coach Simpson's Gun-T Offense is dynamic and efficient. This course gets into the foundation of building blocks of the Gun-T offense and what you are trying to do offensively to be as successful as possible." - Austin Pink

Reading *Prescribee* is not dissimilar to the experience of coming across a recipe in a vintage American cookbook: it transforms the familiar ingredients of contemporary life into an uncanny, discomfiting concoction. Wielding English as a foreign language and medium, Chang redefines the history of Taiwan and captures the alienation of immigrant experience with a startlingly original voice. Flouting tired expectations of race, gender, nationality, and citizen status, *Prescribee* is as provocative as it is perceptive, as playful as it is sobering.

I Will Survive - Gloria Gaynor
2014-03-11

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible.

Discovering the world of gospel, she
