NCLEX-RN® EXCEL, Second Edition - Ruth A. Wittmann-Price, PhD, RN, CNE, CHSE, ANEF
2016-11-15

Promotes mastery of the more challenging 2016 exam! This ultimate NCLEX-RN® review book that “helps you think like a nurse” has been fully updated to incorporate the 2016 test plan. Including more complex case studies to reflect the difficulty of the exam, this comprehensive review encourages active learning to master the content. Each evolving case study is broken down into realistic clinical problems that students can solve only by using the critical thinking skills necessary for the NCLEX-RN exam. Interspersed with over 700

interactive questions and rationales, audio-based questions, and electronic learning resources, the case studies mimic real-life nursing situations and provide models to help students problem-solve when taking the actual test. The review is presented in an enjoyable format without the drudgery of question after unrelated question or medical terminology flashcards. Multiple-choice questions, select all that apply, hot spots, matching, true and false, prioritizing, gaming, and calculations replicate the actual NCLEX-RN exam and keep students engaged throughout the review process. Each nursing specialty features a chapter on its specific pharmacology principles, culminating in a stand-alone chapter solely dedicated to reviewing pharmacological principles. Beyond its utility as an exam review, this resource is also a unique case study book designed to assist instructors in delivering content in an innovative format. New to

the Second Edition: Fully updated to mirror the new 2016 test plan Reflects new changes in nursing, including prioritization, delegation, room assignment, The Joint Commission competencies, work-arounds, Situation, Background, Assessment, and Recommendation (SBAR) reporting, and value-based care More in-depth case studies to reflect greater exam complexity New chapters on gerontology nursing, men's health, and veterans' health New question types, including audio-based New e-learning component New responses to questions are defined by test plan categories and difficulty level Adds many new interactive questions and answers Key Features: Uses unfolding case study approach, integrating all patient care content areas with practice and professional roles Mirrors NCLEX test blueprint Offers an enjoyable study option distinct from traditional Q & A Provides over 700 questions and

answers using varied NCLEX question styles. Includes references at the end of chapters for self-remediation. Leadership and Nursing Care Management - E-Book - Diane Huber 2013-08-07

Comprehensive and easy to read, this authoritative resource features the most up-to-date, research-based blend of practice and theory related to the issues that impact nursing management and leadership today. Key topics include the nursing professional's role in law and ethics, staffing and scheduling, delegation, cultural considerations, care management, human resources, outcomes management, safe work environments, preventing

employee injury, and time and stress management. Research Notes in each chapter summarize relevant nursing leadership and management studies and show how research findings can be applied in practice. Leadership and Management Behavior boxes in each chapter highlight the performance and conduct expected of nurse leaders, managers, and executives. Leading and Managing Defined boxes in each chapter list key terminology related to leadership and management, and their definitions. Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key chapter concepts can be applied to actual practice. Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions that allow you to reflect on chapter content, critically analyze the information, and apply it to the situation. A new Patient Acuity chapter uses

evidence-based tools to discuss how patient acuity measurement can be done in ways that are specific to nursing. A reader-friendly format breaks key content into easy-to-scan bulleted lists. Chapters are divided according to the AONE competencies for nurse leaders, managers, and executives. Practical Tips boxes highlight useful strategies for applying leadership and management skills to practice.

Lippincott NCLEX-RN Alternate-Format Questions
- Diana Rupert 2019-02-11

Lippincott NCLEX-RN Alternate-Format

Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the-blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are

written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

Saunders Q&A Review for the NCLEX-RN® Examination E-Book - Linda Anne Silvestri
2011-11-23

With more than 5,800 test questions, Saunders Q&A Review for the NCLEX-RN® Examination, 5th Edition provides the practice you need to succeed on the NCLEX-RN exam. To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The companion Evolve website adds a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Written by NCLEX review

expert Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX exam! A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration (hot spot), audio, video, and chart/exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX-RN® test plan

blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. Preparation for your NCLEX-RN review includes chapters on nonacademic preparation, test-taking strategies, the CAT format, and a view of the NCLEX-RN from a new graduate's perspective. Page references to Elsevier textbooks direct you to remediation material for any question answered incorrectly. A companion Evolve website includes a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition. Content from the most recent NCLEX-RN® test plan covers the newest topics you could see on the exam. 600 questions are added, for a total of 5,800 in the book and on the companion Evolve

website. Hundreds of new alternate item format questions provide even more opportunity for practice. A Priority Nursing Tip is included with each question, providing important patient care information. A full-color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination, and includes a test for each Client Need category, a test on Integrated Processes, and a comprehensive test for practice in answering questions from all areas. A new content-area index makes it easier to find questions and review a given disorder/topic.
