Harlem Street Portraits - 2013

Well-known New York photographer Harvey Stein documents the humanity and spirit of the people of Harlem in 166 beautiful black and white photographs taken over 23 years, from 1990 to 2013. The images are mostly close-up portraits that reveal the friendliness and warmth of this city's inhabitants, the vibrant and bustling vitality of the area, and the changing nature of the neighborhood. What may at first appear to be a casual encounter becomes a personal, intimate record, a meaningful collaboration between photographer and subject. With a population of nearly half a million people, Harlem is America's most celebrated African-American neighborhood. Its rich past and historical importance have made a unique contribution to our national popular culture. Stein's photographs capture and celebrate the Harlem spirit.

Hold Still - Sally Mann 2015-05-12

This National Book Award finalist is a revealing and beautifully written memoir and family history from acclaimed photographer Sally Mann. In this groundbreaking book, a unique interplay of narrative and image, Mann's preoccupation with family, race, mortality, and the storied landscape of the American South are revealed as almost genetically predetermined, written into her DNA by the family history that precedes her. Sorting through boxes of family papers and yellowed photographs she finds more than she bargained for: "deceit and scandal, alcohol, domestic abuse, car crashes, bogeymen, clandestine affairs, dearly loved and disputed family land . . . racial complications, vast sums of money made and lost, the return of the prodigal son, and maybe even bloody murder." In lyrical prose and startlingly revealing photographs, she crafts a totally original form of personal history that has the page-turning drama of a great novel but is firmly rooted in the fertile soil of her own life.

Yearning - Sally Cisney Mann 2009

Praise for Yearning! "Sally Cisney Mann tells a powerful, moving, and unforgettable story of tragedy and hope, loss and love, suffering and triumph. Hers is a life shaped by sweeping events - economic and social dislocation from the Great Depression, World War II, and the war in Southeast Asia. All students of 'war and the family' should read this work, as well as those interested in the social history of women in America and in how we construct our individual identities when the world seems unwilling to cooperate. Her truly remarkable account, at once personal and universal, details her quest for stability - and for family. Readers will shed tears at all she endured, and they'll be 'in her corner' as she struggles to prevail over heartache." - Donald J. Mrozek Professor and Director of Graduate Studies, Department of History, Kansas State University Author of Air Power and the Ground War in Vietnam

Sally Mann (Limited Ed) - SARAH. KENNEL GREENOUGH (SARAH.) 2018-03-27

This clothbound, slipcased special edition is limited to five hundred copies, signed and numbered by the artist. The book was printed on 150 gsm Phoenix Motion Xantur by Brilliant Graphics in Exton, Pennsylvania. For more than 40 years, Sally Mann (b. 1951) has made experimental, elegiac, and hauntingly beautiful photographs that explore the overarching themes of existence: memory, desire, death, the bonds of family, and nature's magisterial indifference to human endeavor. What unites this broad body of work--portraits, still lifes, landscapes, and other studies--is that it is all "bred of a place," the American South. Mann, who is a native of Lexington, Virginia, uses her deep love of her homeland and her knowledge of its historically fraught heritage to ask powerful, provocative questions--about history, identity, race, and religion--that reverberate across geographic and national boundaries. Organized into five sections--Family, The Land, Last Measure, Abide with Me, and What Remains--and including many works not previously

exhibited or published, Sally Mann: A Thousand Crossings is a sweeping overview of Mann's artistic achievements.

Short Nights of the Shadow Catcher - Timothy Egan 2012

A narrative account of the pioneering photographer's life-risking effort to document a disappearing North American Indian nation offers insight into the danger and resolve behind his venture, his elevation to an impassioned advocate and the posthumous discovery of his considerable achievements. By the Pulitzer Prize-winning author of *The Big Burn*. 75,000 first printing.

Slightly Out Of Focus - Robert Capa 2015-11-06

In 1942, a dashing young man who liked nothing so much as a heated game of poker, a good bottle of scotch, and the company of a pretty girl hopped a merchant ship to England. He was Robert Capa, the brilliant and daring photojournalist, and *Collier's* magazine had put him on assignment to photograph the war raging in Europe. In these pages, Capa recounts his terrifying journey through the darkest battles of World War II and shares his memories of the men and women of the Allied forces who befriended, amused, and captivated him along the way. His photographs are masterpieces — John G. Morris, *Magnum Photos'* first executive editor, called Capa "the century's greatest battlefield photographer" — and his writing is by turns riotously funny and deeply moving. From Sicily to London, Normandy to Algiers, Capa experienced some of the most trying conditions imaginable, yet his compassion and wit shine on every page of this book. Charming and profound, *Slightly Out of Focus* is a marvelous memoir told in words and pictures by an extraordinary man.—Print Ed.

Right Place, Right Time - Bob Gruen 2020-10-20

"Gruen chronicles his adventures as one of the preeminent photographers of rock and roll in his spectacular memoir . . . a roller-coaster narrative" (*Publishers Weekly*, starred review). Bob Gruen is one of the most well-known and respected photographers in rock and roll. From John Lennon to Johnny Rotten; Muddy Waters to the Rolling Stones; Elvis to Madonna; Bob Dylan to Bob Marley; Tina Turner to Debbie Harry, he has documented the music scene for more than fifty years in photographs that have captured the world's attention. In *Right Place, Right Time*, Gruen recounts his personal journey from discovering a love of photography in his mother's darkroom when he was five, through his time in Greenwich Village for 1960s rock and 1970s punk, to being named the world's premiere rock photographer by the *New York Times*. With fast-paced stories and iconic images, Gruen gives the reader both a front row seat and a backstage pass to the evolution of American music culture over the last five decades. In the words of Alice Cooper, "Bob had the ultimate backstage pass. Can you imagine the stories he's got?"

Hemingway's Boat - Paul Hendrickson 2011-09-20

From a National Book Critics Circle Award winner, a brilliantly conceived and illuminating reconsideration of a key period in the life of Ernest Hemingway that will forever change the way he is perceived and understood. Focusing on the years 1934 to 1961—from Hemingway's pinnacle as the reigning monarch of

American letters until his suicide—Paul Hendrickson traces the writer's exultations and despair around the one constant in his life during this time: his beloved boat, Pilar. We follow him from Key West to Paris, to New York, Africa, Cuba, and finally Idaho, as he wrestles with his best angels and worst demons. Whenever he could, he returned to his beloved fishing cruiser, to exult in the sea, to fight the biggest fish he could find, to drink, to entertain celebrities and friends and seduce women, to be with his children. But as he began to succumb to the diseases of fame, we see that Pilar was also where he cursed his critics, saw marriages and friendships dissolve, and tried, in vain, to escape his increasingly diminished capacities. Generally thought of as a great writer and an unappealing human being, Hemingway emerges here in a far more benevolent light. Drawing on previously unpublished material, including interviews with Hemingway's sons, Hendrickson shows that for all the writer's boorishness, depression, and alcoholism, and despite his choleric anger, he was capable of remarkable generosity—to struggling writers, to lost souls, to the dying son of a friend. We see most poignantly his relationship with his youngest son, Gigi, a doctor who lived his adult life mostly as a cross-dresser, and died squalidly and alone in a Miami women's jail. He was the son Hemingway forsook the least, yet the one who disappointed him the most, as Gigi acted out for nearly his whole life so many of the tortured, ambiguous tensions his father felt. Hendrickson's bold and beautiful book strikingly makes the case that both men were braver than we know, struggling all their lives against the complicated, powerful emotions swirling around them. As Hendrickson writes, "Amid so much ruin, still the beauty." Hemingway's Boat is both stunningly original and deeply gripping, an invaluable contribution to our understanding of this great American writer, published fifty years after his death.

No Longer Human - 1958

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

You Have Seen Their Faces - Erskine Caldwell 1995

In the middle years of the Great Depression, Erskine Caldwell and photographer Margaret Bourke-White spent eighteen months traveling across the back roads of the Deep South—from South Carolina to Arkansas—to document the living conditions of the sharecropper. Their collaboration resulted in *You Have Seen Their Faces*, a graphic portrayal of America's desperately poor rural underclass. First published in 1937, it is a classic comparable to Jacob Riis's *How the Other Half Lives*, and James Agee and Walker Evans's *Let Us Now Praise Famous Men*, which it preceded by more than three years. Caldwell lets the poor speak for themselves. Supported by his commentary, they tell how the tenant system exploited whites and blacks alike and fostered animosity between them. Bourke-White, who sometimes waited hours for the right moment, captures her subjects in the shacks where they lived, the depleted fields where they plowed, and the churches where they worshipped.

Chasing Dragons - Sam Barzilay 2015

As a child, Bill Hayward traversed thousands of miles of American highway, peering out the window from the backseat of his father's 1940 Chevy. On the road, Bill and his sister, Janet, embarked upon an epic journey of the imagination, making believe they were "chasing dragons" through vast, shifting landscapes. This playful, childhood undertaking has had a profound impact on the life of the prolific, multimedia artist. For more than fifty years, Hayward has endeavoured to bring light, through his art, to the strange and wondrous forms that lie hidden beneath the surface of things, revealing what is left behind when conventions fade away. In the artist's own words, "I inhaled the essence and enchantment of play, permission, and possibility... I came to understand that the truly meaningful will be experienced outside the known world of fact and frame." Presented here is a stunning visual autobiography, chronicling more than five decades of artistic vision. Arranged in five acts, *Chasing Dragons* traces the evolution of Hayward's work from traditional portraiture to increasingly abstract and altered images, figurative paintings, dance, performance, and film. Join Hayward on this creative odyssey, exploring the fundamental elements of humankind and probing the mystery that lies at the core of your own being. Artist Bill Hayward works in a diverse array of media, including photography, film, painting, music, sculpture, and dance. In all cases, Hayward's work is primarily inspired by the drama of living forms. To these ends, his work explores the human body - its outward appearance and innermost feelings - often entering territories of vulnerability and emotional risk. Hayward's work has been exhibited in galleries and performance centers across the United

States, as well as in France and Germany, including Martin Art Gallery, Muhlenberg College (Allentown, Pennsylvania), Fashion Night Out (New York City), Center for Performance Research (Brooklyn, New York), The Wynwood Art Fair and The Art Live Fair (Miami, Florida), The Tribeca Grand (New York City). Hayward is co-founder of The Maine Photographic Workshops (now the Maine Media Workshops), wherein he taught Master Class Workshops in portraiture and the creative process. He has also taught Master Classes at the International Center of Photography (New York City), YC; Palm Beach Photographic Workshops (West Palm Beach, Florida), and the Art Kane Photo Workshops (Cape May, New Jersey). The artist's previous books of photography include *Cat People* (Doubleday, 1978) and *Bad Behavior* (Rizzoli, 2000). Hayward lives and in works in New York City and Montana.

Full Disclosure - Stormy Daniels 2018-10-02

Instant New York Times bestseller "Standing up to bullies is my kind of thing." How did Stormy Daniels become the woman willing to take on a president? In this book, Stormy Daniels tells her whole story for the first time: what it's like to be a leading actress and director in the adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national stage, and everything about her interaction with Donald Trump that led to the nondisclosure agreement and the behind-the-scenes attempts to intimidate her. Stormy is funny, sharp, warm, and impassioned by turns. Her story is a thoroughly American one, of a girl who loved reading and horses and who understood from a very young age what she wanted—and who also knew she'd have to get every step of the way there on her own. People can't stop talking about Stormy Daniels. And they won't be able to stop talking about her fresh, surprising, completely candid, nothing-held-back book.

Hold Still - Sally Mann 2016-05-03

A Box of Photographs - Roger Grenier 2019-04-05

Most attempts to generalize about photography as a medium run up against our experience of the photographs themselves. We live with photos and cameras every day, and philosophies of the photographic image do little to shake our intimate sense of how we produce photographs and what they mean to us. In this book that is equal parts memoir and intellectual and cultural history, French writer Roger Grenier contemplates the ways that photography can change the course of a life, reflecting along the way on the history of photography and its practitioners. Unfolding in brief, charming vignettes, *A Box of Photographs* evokes Grenier's childhood in Pau, his war years, and his working life at the Gallimard publishing house in Paris. Throughout these personal stories, Grenier subtly weaves the story of a lifetime of practicing and thinking about photography and its heroes—Henri Cartier-Bresson, Weegee, Alfred Eisenstaedt, George Brassai, Inge Morath, and others. Adding their own insights about photography to the narrative are a striking range of writers, thinkers, and artists, from Lewis Carroll, Albert Camus, and Arthur Schopenhauer

to Susan Sontag, Edgar Degas, and Eugène Delacroix. Even cameras themselves come to life and take on personalities: an Agfa accompanies Grenier on grueling military duty in Algeria, a Voigtlander almost gets him killed by German soldiers during the liberation of Paris, and an ill-fated Olympus drowns in a boating accident. Throughout, Grenier draws us into the private life of photographs, seeking the secrets they hold for him and for us. A valedictory salute to a lost world of darkrooms, proofs, and the gummed paper corners of old photo albums, *A Box of Photographs* is a warm look at the most honest of life's mirrors.

Regarding the Pain of Others - Susan Sontag 2013-10-01

A brilliant, clear-eyed new consideration of the visual representation of violence in our culture--its ubiquity, meanings, and effects Watching the evening news offers constant evidence of atrocity--a daily commonplace in our "society of spectacle." But are viewers inured -or incited--to violence by the daily depiction of cruelty and horror? Is the viewer's perception of reality eroded by the universal availability of imagery intended to shock? In her first full-scale investigation of the role of imagery in our culture since her now-classic book *On Photography* defined the terms of the debate twenty-five years ago, Susan Sontag cuts through circular arguments about how pictures can inspire dissent or foster violence as she takes a fresh look at the representation of atrocity--from Goya's *The Disasters of War* to photographs of the American Civil War, lynchings of blacks in the South, and Dachau and Auschwitz to contemporary horrific images of Bosnia, Sierra Leone, Rwanda, and New York City on September 11, 2001. As John Berger wrote when *On Photography* was first published, "All future discussions or analysis of the role of photography in the affluent mass-media societies is now bound to begin with her book." Sontag's new book, a startling reappraisal of the intersection of "information", "news," "art," and politics in the contemporary depiction of war and disaster, will be equally essential. It will forever alter our thinking about the uses and meanings of images in our world.

Marilyn & Me - Lawrence Schiller 2012-05-29

An intimate memoir recalling a young photographer's relationship with Marilyn Monroe just months before her death, with extraordinary photographs, some of which have never been published. "With the precision of a surgeon, Schiller slices through the façade of Marilyn Monroe in his unflinching memoir. Revealing and readable, it's a book I couldn't put down." —Tina Brown When he pulled his station wagon into the 20th Century-Fox studios parking lot in Los Angeles in 1960, twenty-three-year-old Lawrence Schiller kept telling himself that this was just another assignment, just another pretty girl. But the assignment and the girl were anything but ordinary. Schiller was a photographer for *Look* magazine and his subject was Marilyn Monroe, America's sweetheart and sex symbol. In this intimate memoir, Schiller recalls the friendship that developed between him and Monroe while he photographed her in Hollywood in 1960 and 1962 on the sets of *Let's Make Love* and the unfinished feature *Something's Got to Give*, the last film she worked on. Schiller recalls Marilyn as tough and determined, enormously insecure as an actress but totally self-assured as a photographer's model. Monroe knew how to use her looks and sexuality to generate publicity, and in 1962 she allowed Schiller to publish the first nude photographs of her in over ten years, which she then used as a weapon against a studio that wanted to have her fired—and ultimately succeeded. The Marilyn Schiller knew and writes about was adept at hiding deep psychological scars, but she was also warm and open, candid and disarming, a movie star who wished to be taken more seriously than she was. Accompanying the text are eighteen of the author's own photographs, some never previously published. Many writers have tried to capture her essence on the page, but as someone who was in the room, a young man Marilyn could connect with and trust, Schiller gives us a unique look at the real woman offscreen. "In this short, splendid memoir, Lawrence Schiller offers us another cut on the scintillating diamond that is Marilyn Monroe. In clear honest straightforward prose, Schiller allows us to dwell in the heart of another time. He captures Marilyn, both in photographs and words, and in so doing he gives us intimate access into one of the great stories of the 20th century: the complicated cocktail of joy and sadness that goes along with both beauty and fame." —Colum McCann

Cherry Hill - Jona Frank 2020-11-03

A memoir by photographic artist Jona Frank told in captivating stories and poignant images with a cast of actors, including Laura Dern and Imogene Wolodarsky, *Cherry Hill* tells the story of one girl's suburban youth and deliverance. *Cherry Hill* is a multimedia memoir of photographic artist Jona Frank's upbringing in--and flight from--a stifling suburban household. Told in words and evocative photographs, Frank's account of her childhood struggles with a repressive mother, mentally ill brother, and overwhelming expectations is leavened with episodes from her rich interior world. Akin to a graphic novel, this hybrid of personal essay and photography breaks open the memoir format, detailing the life of a young artist as she spends her days dreaming of a friendship with Emily Dickinson, longing for Bruce Springsteen and eschewing the rules of femininity. Frank employs a cinematic approach to construct vivid scenes from her youth. Using elaborately dressed sets, era-specific wardrobes, and multiple actors to portray herself as a child, Frank refashions her memories into vibrant tableaux. Strikingly, Frank cast Academy Award-winning actor Laura Dern in the role of her strict and complicated mother in a performance as bravura as her film and television work. As Frank outgrows the confines of her environment and suffocating domestic life, discovering art and photography as the path to her personal fulfillment, she plots her ultimate escape. A unique photographic storytelling project reminiscent of such classics as *Fun Home* and *The Best We Could Do*, *Cherry Hill* is an intimate self-portrait of what it takes to break free of convention and answer the question, "Who am I meant to be?"

Sally Mann - Sally Mann 2014-04-28

Taken against the Arcadian backdrop of her woodland summer home in Virginia, Sally Mann's extraordinary, intimate photographs of her children : Emmett, Jessie, and Virginia reveal truths that embody the individuality of her immediate family and ultimately take on a universal quality. Mann states that her work is "about everybody's memories, as well as their fears," a theme echoed by Reynolds Price in his eloquent, poignantly reflective essay accompanying the photographs in *Immediate Family*. With sublime dignity, acute wit, and feral grace, Mann's pictures explore the eternal struggle between the child's simultaneous dependence and quest for autonomy, the holding on, and the breaking away. This is the stuff of which Greek dramas are made : impatience, terror, self-discovery, self-doubt, pain, vulnerability, role-playing, and a sense of immortality, all of which converge in Sally Mann's astonishing photographs. A traveling exhibition of *Immediate Family*, organized by Aperture, opened at the Institute of Contemporary Art in Philadelphia in the fall of 1992. All of the photographs in *Immediate Family* were taken with an 8-by-10-inch view camera.

Feast Your Eyes - Myla Goldberg 2020-02-18

ONE OF NPR'S BEST BOOKS OF 2019 2020 Andrew Carnegie Medals for Excellence Finalist 2019 National Book Critics Circle Award Finalist "A daringly inventive parable of female creativity and motherhood" (*O, The Oprah Magazine*) from Myla Goldberg, the award-winning, New York Times bestselling author of *Bee Season*, about a female photographer grappling with ambition and motherhood—a balancing act familiar to women of every generation. *Feast Your Eyes*, framed as the catalogue notes from a photography show at the Museum of Modern Art, tells the life story of Lillian Preston: "America's Worst Mother, America's Bravest Mother, America's Worst Photographer, or America's Greatest Photographer, depending on who was talking." After discovering photography as a teenager through her high school's photo club, Lillian rejects her parents' expectations of college and marriage and moves to New York City in 1955. When a

small gallery exhibits partially nude photographs of Lillian and her daughter Samantha, Lillian is arrested, thrust into the national spotlight, and targeted with an obscenity charge. Mother and daughter's sudden notoriety changes the course of both of their lives, and especially Lillian's career as she continues a life-long quest for artistic legitimacy and recognition. "A searching consideration of the way that the identities and perceptions of a female artist shift over time" (The New Yorker), Feast Your Eyes shares Samantha's memories, interviews with Lillian's friends and lovers, and excerpts from Lillian's journals and letters—a collage of stories and impressions, together amounting to an astounding portrait of a mother and an artist dedicated, above all, to a vision of beauty, truth, and authenticity. Myla Goldberg has gifted us with "a mother-daughter story, an art-monster story, and an exciting structural gambit" (Lit Hub)—and, in the end, "a universal and profound story of love and loss" (New York Newsday).

Hold Still - 2021-05

Spearheaded by The Duchess of Cambridge, Patron of the National Portrait Gallery, Hold Still was an ambitious community project to create a unique collective portrait of the UK during lockdown. People of all ages were invited to submit a photographic portrait, taken in a six-week period during May and June 2020, focussed on three core themes - Helpers and Heroes, Your New Normal and Acts of Kindness. From these, a panel of judges selected 100 portraits, assessing the images on the emotions and experiences they conveyed. Featured here in this publication, the final 100 images present a unique and highly personal record of this extraordinary period in our history. From virtual birthday parties, handmade rainbows and community clapping to brave NHS staff, resilient keyworkers and people dealing with illness, isolation and loss. The images convey humour and grief, creativity and kindness, tragedy and hope - expressing and exploring both our shared and individual experiences. Presenting a true portrait of our nation in 2020, this publication includes a foreword by The Duchess of Cambridge, each image is accompanied by an extended caption and further works show the nationwide outdoor exhibition of Hold Still.

Next Generation Indie Book Awards, Best Non Fiction 2019 National Indie Excellence Award Winner Nautilus Book Awards, Gold #1 Amazon Best Seller in Architecture History & Periods Amazon Best Seller in Art Subjects & Themes Seeing the World Through Shape How do humans make sense of the world? In answer to this timeless question, award winning documentary filmmaker, Lois Farfel Stark, takes the reader on a remarkable journey from tribal ceremonies in Liberia and the pyramids in Egypt, to the gravity-defying architecture of modern China. Drawing on her experience as a global explorer, Stark unveils a crucial, hidden key to understanding the universe: Shape itself. The Telling Image is a stunning synthesis of civilization's changing mindsets, a brilliantly original perspective urging you to re-envision history not as a story of kings and wars but through the lens of shape. In this sweeping tour through time, Stark takes us from migratory humans, who imitated a web in round-thatched huts and stone circles, to the urban ladder of pyramids and skyscrapers, organized by hierarchy and measurements, to today's world of interconnected networks. In The Telling Image Stark reveals how buildings, behaviors, and beliefs reflect humans' search for pattern and meaning. We can read the past and glimpse the future by watching when shapes shift. Stark's beautifully illustrated book asks of all its readers: See what you think.

Motorcycle Adventurer - Dr. Gregory W. Frazier 2010-04-08

"The longest, most difficult, and most perilous motorcycle journey ever attempted." The Bicycling World and Motorcycle Review "Anyone who desires to diverge from the beaten path and visit points that may be of peculiar interest to him personally, the motorcycle is undoubtedly the only satisfactory means of travel." Syracuse Herald "One must die sometime and to die with one's boots on is very noble." Carl Stearns Clancy while riding his motorcycle at night in Spain, 1913. This travelogue originally authored by Clancy is for the avid motorcycle adventurer, the travel dreamer thirsting for motorcycle touring. Clancy circled the globe during 1912-1913 on a 1912 motorcycle. There were no GPSs, ATMs, Internet, and often no gas, roads or motorcycle repair shops. It describes the first motorcycle global adventure ride by the man who survived a

dream quest with his gun, determination, grit, and guts. Edited by author Dr. Gregory W. Frazier, "America's #1 extreme motorcycle adventurer," who has raced, ridden, and repaired motorcycles over 1,000,000 miles and five times around the world. Best-selling author, journalist, film producer and professional photographer, Frazier's works include 14 books and 10 films. He says of motorcycle adventures, "I hate adventure that involves snakes or sharks."

Obama: An Intimate Portrait - Pete Souza 2017-11-07

Relive the extraordinary Presidency of Barack Obama through White House photographer Pete Souza's behind-the-scenes images and stories in this #1 New York Times bestseller -- with a foreword from the President himself. During Barack Obama's two terms, Pete Souza was with the President during more crucial moments than anyone else -- and he photographed them all. Souza captured nearly two million photographs of President Obama, in moments highly classified and disarmingly candid. Obama: An Intimate Portrait reproduces more than 300 of Souza's most iconic photographs with fine-art print quality in an oversize collectible format. Together they document the most consequential hours of the Presidency -- including the historic image of President Obama and his advisors in the Situation Room during the bin Laden mission -- alongside unguarded moments with the President's family, his encounters with children, interactions with world leaders and cultural figures, and more. Souza's photographs, with the behind-the-scenes captions and stories that accompany them, communicate the pace and power of our nation's highest office. They also reveal the spirit of the extraordinary man who became our President. We see President Obama lead our nation through monumental challenges, comfort us in calamity and loss, share in hard-won victories, and set a singular example to "be kind and be useful," as he would instruct his daughters. This book puts you in the White House with President Obama, and is a treasured record of a landmark era in American history.

It's What I Do - Lynsey Addario 2016-11-08

"An unflinching memoir . . . [that] offers insight into international events and the challenges faced by the journalists who capture them." —The Washington Post War photographer Lynsey Addario's memoir is the story of how the relentless pursuit of truth, in virtually every major theater of war in the twenty-first century, has shaped her life. What she does, with clarity, beauty, and candor, is to document, often in their most extreme moments, the complex lives of others. It's her work, but it's much more than that: it's her singular calling. Lynsey Addario was just finding her way as a young photographer when September 11 changed the world. One of the few photojournalists with experience in Afghanistan, she gets the call to return and cover the American invasion. She decides to set out across the world, face the chaos of crisis, and make a name for herself. Addario finds a way to travel with a purpose. She photographs the Afghan people before and after the Taliban reign, the civilian casualties and misunderstood insurgents of the Iraq

War, as well as the burned villages and countless dead in Darfur. She exposes a culture of violence against women in the Congo and tells the riveting story of her headline-making kidnapping by pro-Qaddafi forces in the Libyan civil war. As a woman photojournalist determined to be taken as seriously as her male peers, Addario fights her way into a boys' club of a profession. Rather than choose between her personal life and her career, Addario learns to strike a necessary balance. In the man who will become her husband, she finds at last a real love to complement her work, not take away from it, and as a new mother, she gains an all the more intensely personal understanding of the fragility of life. Watching uprisings unfold and people fight to the death for their freedom, Addario understands she is documenting not only news but also the fate of societies. It's *What I Do* is more than just a snapshot of life on the front lines; it is witness to the human cost of war.

In Love - Amy Bloom 2022-03-08

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE TEN BEST BOOKS OF THE YEAR: Publishers Weekly ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, Entertainment Weekly, NPR, The Washington Post, The Boston Globe, USA Today, Real Simple, Prospect (UK), She Reads, Kirkus Reviews Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. Shortlisted for the Rathbones Folio Prize

Diane Arbus - Arthur Lubow 2016-06-07

The definitive biography of the beguiling Diane Arbus, one of the most influential and important photographers of the twentieth century, a brilliant and absorbing exposition that links the extraordinary arc of her life to her iconic photographs. Diane Arbus brings to life the full story of one of the greatest American artists of the twentieth century, a visionary who revolutionized photography and altered the course of contemporary art with her striking, now iconic images. Arbus comes startlingly to life on these pages, a strong-minded child of unnerving originality who grew into a formidable artist and forged an intimacy with her subjects that has inspired generations of artists. Arresting, unsettling, and poignant, her photographs stick in our minds. Why did these people fascinate her? And what was it about her that captivated them? It is impossible to understand the transfixing power of Arbus's photographs without understanding her life story. Arthur Lubow draws on exclusive interviews with Arbus's friends, lovers, and colleagues, on previously unknown letters, and on his own profound critical understanding of photography, to explore Arbus's unique perspective. He deftly traces Arbus's development from a wealthy, sexually precocious free spirit into first a successful New York fashion photographer, and then a singular artist who coaxed hidden truths from her subjects. Lubow reveals that Arbus's profound need not only to see her

subjects but to be seen by them drove her to forge unusually close bonds with these people, helping her discover the fantasies, pain, and heroism within each of them. Diane Arbus is the definitive biography of this unique, hugely influential artist. This magnificently absorbing, sensitive treatment of a singular personality brushes aside the clichés that have long surrounded Arbus and her work to capture a brilliant portrait of this seminal artist whose work has immeasurably shaped art and modern culture. Lubow's Diane Arbus finally does justice to Arbus, and brings to life the story and art of one of the greatest American artists in history. Diane Arbus includes a 16-page black-and-white photo insert.

Fashion Climbing - Bill Cunningham 2018-09-04

The New York Times bestseller “[An] obscenely enjoyable romp.” —The New York Times Book Review The untold story of a New York City legend's education in creativity and style For Bill Cunningham, New York City was the land of freedom, glamour, and, above all, style. Growing up in a lace-curtain Irish suburb of Boston, secretly trying on his sister's dresses and spending his evenings after school in the city's chicest boutiques, Bill dreamed of a life dedicated to fashion. But his desires were a source of shame for his family, and after dropping out of Harvard, he had to fight them tooth-and-nail to pursue his love. When he arrived in New York, he reveled in people-watching. He spent his nights at opera openings and gate-crashing extravagant balls, where he would take note of the styles, new and old, watching how the gowns moved, how the jewels hung, how the hair laid on each head. This was his education, and the birth of the democratic and exuberant taste that he came to be famous for as a photographer for The New York Times. After two style mavens took Bill under their wing, his creativity thrived and he made a name for himself as a designer. Taking on the alias William J.--because designing under his family's name would have been a disgrace to his parents--Bill became one of the era's most outlandish and celebrated hat designers, catering to movie stars, heiresses, and artists alike. Bill's mission was to bring happiness to the world by making women an inspiration to themselves and everyone who saw them. These were halcyon days when fashion was all he ate and drank. When he was broke and hungry he'd stroll past the store windows on Fifth Avenue and feed himself on beautiful things. *Fashion Climbing* is the story of a young man striving to be the person he was born to be: a true original. But although he was one of the city's most recognized and treasured figures, Bill was also one of its most guarded. Written with his infectious joy and one-of-a-kind voice, this memoir was polished, neatly typewritten, and safely stored away in his lifetime. He held off on sharing it--and himself--until his passing. Between these covers, is an education in style, an effervescent tale of a bohemian world as it once was, and a final gift to the readers of one of New York's great characters.

Bill Cunningham: On the Street - New York Times 2019-09-03

NEW YORK TIMES BESTSELLER • The first published collection of photographs by the icon of street style, bringing together favorites published in The New York Times alongside never-before-seen work across five decades. “A dazzling kaleidoscope from the gaze of an artist who saw beauty at every turn.”—André Leon Talley Bill Cunningham's photography captured the evolution of style, of trends, and of the everyday, both in New York City and in Paris. But his work also shows that street style is not only about fashion; it's about the people and the changing culture. These photographs—many never before seen, others having originally appeared in The New York Times and elsewhere—move from decade to decade, beginning in the 1970s and continuing until Cunningham's death in 2016. Here you'll find Cunningham's distinctive chronicling of the 1980s transit strike, the rise of 1990s casual Fridays, the sadness that fell over the city following 9/11, Inauguration Day 2009, the onset of selfies, and many other significant moments. This enduring portfolio is enriched by essays that provide a revealing portrait of Cunningham and a few of his many fascinations and influences, contributed by Cathy Horyn, Tiina Loite, Vanessa Friedman, Ruth La Ferla, Guy Trebay, Penelope Green, Jacob Bernstein, and a much favored subject, Anna Wintour. More than anything, *On the Street* is a timeless representation of Cunningham's commitment to capturing the here and now. “An absolute delight.”—People
