"My Dear Friend" - 2008-01-01
A sequel to A Portrait in Letters: Correspondence to and about Joseph Conrad (Rodopi, 1995), this volume collects and annotates letters to Joseph Conrad by his family, friends, admirers, and publishers. An

indispensable companion to the writer's own letters, it restores the quality of exchange, interaction, and debate that belongs to a major correspondence. It also leads to a fuller, more rounded picture of Conrad in his personal and

professional dealings: both of the mutualities and rituals that underpinned his close friendships and of the terms underlying his mutual disagreements with others. Familiar names are here - Arnold Bennett, John Galsworthy, Edward Garnett, Ford Madox Ford, Bertrand Russell, and H. G. Wells - although in largely unfamiliar form, through unpublished or inaccessible materials. Another notable feature of the volume is the newly recovered correspondence relating to the implementation, by Henry Newbolt and William Rothenstein, of the Royal Bounty Fund grant awarded during one of Conrad's most severe financial crises (1904-06). An essential resource for the scholar, this vivid collection can also be read with pleasure by the general reader for the light it throws on Conrad the man and writer and the rich context in which he moved.

French Women Orientalist Artists, 1861-1956 - Mary Kelly 2021-07-26
This book is the first full-length study dedicated to French women Orientalist artists. Mary Kelly has gathered primary documentation relating to seventy-two women artists whose works of art can be placed in the canon of French Orientalism between 1861 and 1956. Bringing these artists together for the first time and presenting close contextual analyses of works of art, attention is given to artists' cross-cultural interactions with painted/sculpted representations of the Maghreb particularly in Algeria, Tunisia and Morocco. Using an interdisciplinary

'open platform of discussion' approach, Kelly builds on established theory which places emphases on the gendered gaze. This entails a discussion on women's painted perspectives of and contacts with Muslim women as well as various Maghrebi cultures and land—all the while remaining mindful of the subject position of the French artist and the problematic issues which can arise when discussing European-made 'ethnographic' scenes. Kelly argues that French women's perspectives of the Maghreb differed from the male gaze and were informed by their artistic training and social positions in Europe. In so doing, French women's socio-cultural modernity is also examined. Moreover, executed between 1861 and 1956, the works of art presented show influences of Modernism; therefore, this book also pays close attention to progressive Realism and Naturalism in art and the Orientalist shift into

Modernist subject matter and form. Through this research into French women Orientalists, Kelly engages with important discussions on the crossing view of the historical female other with the cultural other, artistic hybridity and influence in art as well as the postcolonial response to French activities in colonial Algeria and the protectorates of Tunisia and Morocco. On giving focus to women's art and the impact of cross-cultural interchanges, this book rethinks Orientalism in French art. This book will be of particular interest to scholars in the history of art, gender studies, history, and Middle Eastern and North African studies.

Form and Meaning in Avant-Garde Collage and Montage – Magda Dragu

2020-02-06

This book uses intermedial theories to study collage and montage, tracing the transformation of visual collage into photomontage in the early avant-

garde period. Magda Dragu distinguishes between the concepts of collage and montage, as defined across several media (fine arts, literature, music, film, photography), based on the type of artistic meaning they generate, rather than the mechanical procedures involved. The book applies theories of intermediality to collage and montage, which is crucial for understanding collage as a form of cultural production. Throughout, the author considers the political implications, as collages and montages were often used for propagandistic purposes. This book combines research methods used in several areas of inquiry: art history, literary criticism, analytical philosophy, musicology, and aesthetics.

The Concept of Negritude in the Poetry of Leopold Sedar Senghor -
Sylvia Washington Ba 2015-03-08
Negritude has been defined by Léopold Sédar Senghor as "the sum of the cultural values of the black world as they are expressed in the life, the institutions, and the works of black men." Sylvia Washington Bâ analyzes Senghor's poetry to show how the concept of negritude infuses it at every level. A biographical sketch describes his childhood in Senegal, his distinguished academic career in France, and his election as President of Senegal. Themes of alienation and

exile pervade Senghor's poetry, but it was by the opposition of his sensitivity and values to those of Europe that he was able to formulate his credo. Its key theme, and the supreme value of black African civilization, is the concept of life forces, which are not attributes or accidents of being, but the very essence of being. Life is an essentially dynamic mode of being for the black African, and it has been Senghor's achievement to communicate African intensity and vitality through his use of the nuances, subtleties, and sonorities of the French language. In the final chapter Sylvia Washington Bâ discusses the future of Senghor's belief that the black man's culture should be recognized as valid not simply as a matter of human justice, but because the values of negritude could be instrumental in the reintegration of positive values into western civilization and the reorientation of

contemporary man toward life and love. Originally published in 1973. La Mezzanotte Di Spoleto-Midnight in Spoleto - Paolo Valesio 2017-02

In this enchanting collection of poems—a love story and a love letter to an ancient city—the renowned scholar of Italian literature turns his gaze on Spoleto. A curtain is drawn, a harpsichord resounds, a choir chants at midnight, a poor student paces a terrace, a valley swirls reflected in an espresso cup: in poem after poem Paolo Valesio evokes the song and solemnity of Spoleto, a hill town in Umbria and home to no more than 40,000. Home, as well, to the "Festival of Two Worlds," a summer arts festival celebrating the city's two defining realms: the church and the theater. Drawing its title from one of the festival's main events—a series of choir performances at the ancient church of Sant'Eufemia—Midnight in

Spoleto explores the unique spaces of the city and the scenes of a life there staged. "As soon as they reached Spoleto, / with twilight approaching, / before even unzipping their bags, / they went to the piazza / to find something they'd left a summer ago." Never far from the lyrical narrative is the figure of St. Francis, the local genie, whose spirit guides and chides our raconteur. Valesio's layered visions and precise rhythms are here transported vitally into English, by the Raiziss/de Palchi-winning translator, Todd Portnowitz. *The White Archer* - James A. Houston 1993

Beyond The Pyramids - Douglas Kennedy 2011-11-03

BEYOND THE PYRAMIDS is a delightfully wry chronicle of travels through a country of incongruity - an Egypt encompassing a diversity of cultural influences which often belies its image of 'archaeological theme park'. With an acute eye for the unusual, the interesting or the plain absurd, Douglas Kennedy takes us on a continually surprising tour beyond the pyramids, to a place where

Bedouin watch American television in an oasis; where monks in the desert are computer-literate; and where an entire community of Cairo's poor have set up home in a cemetery. 'BEYOND THE PYRAMIDS seems to me to have the satisfying insights of a Paul Theroux' Maeve Binchy

The Banquet Years - Roger Shattuck
1968-06-12

The definitive chronicle of the origins of French avant-garde literature and art, Roger Shattuck's classic portrays the cultural bohemia of turn-of-the-century Paris who carried the arts into a period of renewal and accomplishment and laid the groundwork for Dadaism and Surrealism. Shattuck focuses on the careers of Alfred Jarry, Henri Rousseau, Erik Satie, and Guillaume Apollinaire, using the quartet as window into the era as he exploring a culture whose influence is at the very foundation of modern art.

Origins - Amin Maalouf 2008-05-13

Origins, by the world-renowned writer Amin Maalouf, is a sprawling, hemisphere-spanning, intergenerational saga. Set during the last quarter of the nineteenth century and the first quarter of the twentieth—in the mountains of Lebanon and in Havana, Cuba—*Origins* recounts the family history of the generation of Maalouf's paternal grandfather, Boutros Maalouf. Maalouf sets out to discover the truth about why Boutros, a poet and educator in Lebanon, traveled across the globe to rescue his younger brother, Gabrayel, who had settled in Havana. What follows is the gripping excavation of a family's hidden past. Maalouf is an energetic and amiable narrator, illuminating the more obscure corners of late Ottoman nationalism, the psychology of Lebanese sectarianism, and the dynamics of family quarrels. He moves with great agility across time and space, and across genres of writing. But he never loses track of

his story's central thread: his quest to lift the shadow of legend from his family's past. Origins is at once a gripping family chronicle and a timely consideration of Lebanese culture and politics.

The Rest is Silence - Carla Guelfenbein 2011-05-05

As the adults sit down to gossip over a long wedding lunch and the rest of the children rush off to play, a young boy slips out of sight beneath the table. Tommy is twelve years old but his weak heart prevents him from joining his cousins' games, so he sets his MP3 player to record the voices chattering above him. But then the conversation turns to his mother's death and he overhears something he was never meant to know: that she didn't die of an illness, but took her own life. Confused and hurt, Tommy keeps what he has learned to himself and begins his own secret

investigation into what really happened. At the same time, his father and stepmother have problems of their own to contend with. Juan is racked by private grief and guilt after the death of one of his patients, and Alma, his second wife, senses an increasing distance in their marriage and gradually finds herself drawn back towards an old flame. As all three withdraw into their own worlds, leaving more and more unsaid between them, their family story moves inexorably, affectingly towards its devastating conclusion.

Old Families of Louisiana - Stanley Clisby Arthur 2009-06

Originally published in 1931, *Old Families of Louisiana* was compiled in response to a demand for a comprehensive series of genealogical records of the foundation families of the state--families whose ancestors settled with Bienville in New Orleans at the time the famous old city was

laid out in the crescent bend of the Mississippi River. This book also answers the call for information on those who came to Louisiana when the golden lilies of France, the castellated banner of Spain, the Union Jack of Great Britain, or the flag of fifteen stars and fifteen stripes waved over the land. During the compilation of the original data it became apparent that the present book would be greatly augmented in interest and value by the addition of genealogical records of other prominent foundation families besides the French and Spanish. For this reason, information was included on the English, Scottish, and Irish lineages whose representatives now form an integral part of the present-day population of Louisiana. In the seventy years since its first publication, *Old Families of Louisiana* has exceeded the original scope intended. In order to set a limit to its range, it was agreed

that only those families settling in Louisiana before and up to the time of the beginning of the American domination in 1803 should be included. *Old Families of Louisiana* traces the genealogy of such traditional Louisiana families as Fortier, Claiborne, Kenner, Percy, Wiltz, Chalmette, Landry, Derbigny, Butler, St. Martin, and Wilkinson. *The Allure of Chanel* - Paul Morand
2013-05-14

Coco Chanel invited Paul Morand to visit her in St Moritz at the end of the Second World War when he was given the opportunity to write her memoirs; his notes of their conversations were put away in a drawer and only came to light one year after Chanel's death. Through Morand's transcription of their conversations, Chanel tells us about her friendship with Misia Sert, the men in her life - Boy Capel, the Duke of Westminster, artists such as Diaghilev, her philosophy of fashion

and the story behind the legendary Number 5 perfume...The memories of Chanel told in her own words provide vivid sketches and portray the strength of Coco's character, leaving us with an extraordinary insight into Chanel the woman and the woman who created Chanel.

The Futurist Moment - Marjorie Perloff 2003-12-03

This volume examines the flourishing of Futurist aesthetics in the European art and literature of the early twentieth century. Futurism was an artistic and social movement that was largely an Italian phenomenon, though there were parallel movements in Russia, England and elsewhere. The Futurists admired speed, technology, youth and violence, the car, the airplane and the industrial city, all that represented the technological triumph of humanity over nature. This work looks at the prose, visual art, poetry, and the manifestos of Futurists from Russia to Italy. The

author reveals the Moment's impulses and operations, tracing its echoes through the years to the work of "postmodern" figures like Roland Barthes. This updated edition reexamines the Futurist Moment in the light of a new century, in which Futurist aesthetics seem to have steadily more to say to the present *The Official History of the Royal Canadian Air Force: The creation of a national air force* - W. Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called "split personality", referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next.

Other Russias - Victoria Lomasko
2017-06-15

From a renowned graphic artist and activist, an incredible portrait of life in Russia today 'Victoria Lomasko's gritty, street-level view of the great Russian people masterfully intertwines quiet desperation with open defiance. Her drawings have an on-the-spot immediacy that I envy. She is one of the brave ones' - Joe Sacco, author of *Palestine* What does it mean to live in Russia today? What is it like to grow up in a forgotten city, to be a migrant worker or to grow old and seek solace in the Orthodox church? For the past eight years, graphic artist and activist Victoria Lomasko has been travelling around Russia and talking to people as she draws their

stories. She spent time in dying villages where schoolteachers outnumber students; she stayed with sex workers in the city of Nizhny Novgorod; she went to juvenile prisons and spoke to kids who have no contact with the outside world; and she attended every major political rally in Moscow. The result is an extraordinary portrait of Russia in the Putin years -- a country full of people who have been left behind, many of whom are determined to fight for their rights and for progress against impossible odds. Empathetic, honest, funny, and often devastating, Lomasko's portraits show us a side of Russia that is hardly ever seen.

The New Adventures of Sinbad the Sailor - Salim Bachi 2013-07-02
Sinbad the Sailor is reborn as a young, adventurous man in modern day Algeria, who has joined the waves of North African immigration into Europe. Accompanied by a mysterious mongrel and his Senegalese friend Robinson, this lover of women and beauty embarks on a journey around the Mediterranean—from Algiers to Damascus, passing through Rome, Paris, Baghdad, through the refugee camps and the deceitful glimmer of the Western world—that takes him on a headlong pursuit of happiness and love. A tale of our times—sometimes cruel, often funny and always fascinating—this novel tells the story of a man coming to grips with the stark realities of war within the framework of legend. It is at once a reconciliation of East and West and a resounding judgement on the state of

the modern world.
