country's great legacy in education. India has been a major seat of learning for thousands of years. The country was home to Takshashila, the first university in the world and Aryabhata, the inventor of the digit Zero. In fact, education in Kerala has now become more value added and affordable, thanks to the pro-active initiatives of the State Government and active involvement of the private sector. Moreover, in the higher education market, Kerala has a significant edge in respect of cost which means that there would be growing influx of candidates into the state from outside the state for better and affordable professional education in the days to come. With the most sought after professionals and excellent network of institutes Kerala is becoming the very preferred educational destination in the world. And, we are equipped for you with some elucidations which step-up her significance in the educational map. In Campus Plus, we propose some valuable information along with

a number of educational institutes in the State which will be useful for the students and parents in the higher education scenario.

2006-07

This volume covers the 2006 GCSE maths specifications, since the elimination of the intermediate level that has been absorbed by the Higher and Foundation level.

School for the Community -

Timothy Rogers 2022-12-15
Originally published in 1971, this is a first-hand account of how an old-established County Grammar School was transformed into a completely new Upper School and Community College in the Leicestershire system. From their experience the Headmaster and staff have compiled the sort of book which they would have found most helpful, giving a working account of their aims and objectives, and the problems they encountered in this reorganization. They discuss the failures and successes

which they met in areas such as curriculum planning, the school council, the sixth form, the uniform debate, the less able children, and the treatment of specialized subjects. They also look at the special aspects of the institution, including the Design Centre and the Community College. Stewart Mason, Director of Education for Leicestershire, contributes a chapter on the Leicestershire Plan, in the establishment of which he played a central part. Now Bosworth Academy this is a fascinating look at the history of how the school came to be.
