*Walter and Ingrid Trobisch and the Globalization of Modern, Christian Sexual Ethics* - Anneke H. Stasson 2021-05-13

Walter and Ingrid Trobisch played a major role in shaping a transcultural conversation about love, sex, gender identity, and marriage during the mid-twentieth century. The Trobisches are most well known for Walter's book *I Loved a Girl* (1962), which he wrote while teaching at Cameroon Christian College. Within a decade, one million copies of the book were in circulation, it was translated into seventy languages, and Trobisch

had received ten thousand letters from African and American readers of the book asking for relational advice. The Trobisches founded an international marriage-counseling ministry to answer these letters. While the Trobisches held paternalistic attitudes common among western missionaries of their generation, their vision of sexuality helped Christians in Africa and the United States to navigate changing sexual norms of the mid-twentieth century.

**Choosing Our Religion** - Elizabeth Drescher  
 2016-03-01

To the dismay of religious leaders, study after  
 study has shown a steady decline in affiliation  
 and identification with traditional religions in  
 America. By 2014, more than twenty percent of  
 adults identified as unaffiliated--up more than  
 seven percent just since 2007. Even more  
 startling, more than thirty percent of those under  
 the age of thirty now identify as "Nones"--  
 answering "none" when queried about their  
 religious affiliation. Is America losing its religion?  
 Or, as more and more Americans choose  
 different spiritual paths, are they changing what it  
 means to be religious in the United States today?  
 In **Choosing Our Religion**, Elizabeth Drescher  
 explores the diverse, complex spiritual lives of  
 Nones across generations and across categories  
 of self-identification such as "Spiritual-But-Not-  
 Religious," "Atheist," "Agnostic," "Humanist," "just  
 Spiritual," and more. Drawing on more than one  
 hundred interviews conducted across the United  
 States, Drescher opens a window into the lives of  
 a broad cross-section of Nones, diverse with

respect to age, gender, race, sexual orientation, and prior religious background. She allows Nones to speak eloquently for themselves, illuminating the processes by which they became None, the sources of information and inspiration that enrich their spiritual lives, the practices they find spiritually meaningful, how prayer functions in spiritual lives not centered on doctrinal belief, how morals and values are shaped outside of institutional religions, and how Nones approach the spiritual development of their own children. These compelling stories are deeply revealing about how religion is changing in America--both for Nones and for the religiously affiliated family, friends, and neighbors with whom their lives remain intertwined.

Christianity, Femininity and Social Change in

Contemporary China - Li Ma 2019-12-11

Women make up the vast majority of Protestant Christians in China—a largely faceless majority, as their stories too often go untold in scholarly research as well as popular media. This book writes Protestant Chinese women into the history of twenty-first-century China. It features the oral histories of over a dozen women, highlighting themes of spiritual transformation, politicized culture, social mobility, urbanization, and family life. Each subject narrates not only her own story, but that of her mother, as well, revealing a deeply personal dimension to the dramatic social change that has occurred in a matter of decades. By uncovering the stories of Christian women in China, Li Ma offers a unique window onto the

interactions between femininity and Christianity, and onto the socioeconomic upheavals that mark recent Chinese history.

Dictionary of Christianity and Science -

Zondervan, 2017-04-25

The definitive reference work on science and Christian belief How does Christian theology relate to scientific inquiry? What are the competing philosophies of science, and do they "work" with a Christian faith based on the Bible? No reference work has covered this terrain sufficiently--until now. Featuring entries from over 140 international contributors, the Dictionary of Christianity and Science is a deeply-researched, peer-reviewed, fair-minded work that illuminates the intersection of science and Christian belief. In one volume, you get reliable summaries and critical analyses of over 450 relevant concepts, theories, terms, movements, individuals, and debates. *It Ends with Us* - Colleen Hoover 2020-07-28

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming

the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

The Idea of a Christian College - Todd C. Ream 2013-10-28

In 1975, Arthur F. Holmes published The Idea of a Christian College. At the time he could not have imagined his book would gather such a large following. This work's thoughtful yet accessible style made it a long-standing choice for reading lists on Christian college and university campuses across the country and around the world.

Countless numbers of first-year students have read and discussed his book as part of their introduction to the Christian college experience. However, enough has changed since 1975 in both the Church and Academy to now merit a full-scale reexamination. In this book, Todd C. Ream and Perry L. Glanzer account for changes in how people view the Church and themselves as human agents, and propose a vision for the Christian college in light of the fact that so many Christian colleges now look and act more like research universities. Including topics such as the co-curricular, common worship, and diversity, Ream and Glanzer craft a vision that strives to see into the future by drawing on the riches of the past. First-year students as well as new faculty members and administrators will benefit from the insights in this book in ways previous generations benefitted from Arthur Holmes's efforts.

**Mark of the Lion Gift Collection - Francine Rivers**  
2012-09-14

The complete 3-book historical Christian fiction series by the New York Times bestselling author of *Redeeming Love* and *The Masterpiece*. Travel to first-century Rome in this classic series and discover what has inspired millions of readers worldwide. This Collection bundles all three titles from the Mark of the Lion series into one volume. *A Voice in the Wind*, the first book in the trilogy, introduces readers to Hadassah, a young Jewish girl captured and sold into slavery but still holding firm to her faith in God. Though torn by her love for a handsome aristocrat, Hadassah becomes a shining beacon of light in the darkness and depravity around her. In *An Echo in the Darkness*, Marcus, a wealthy Roman aristocrat touched by Hadassah's sincere belief, begins to wonder if there's more to this life. As he continues to search for meaning and faith, he is led by a whispering voice from the past that could set him free from the darkness of his soul. The trilogy concludes with *As Sure as the Dawn*, which follows Atretes, the high chief of a Germanic tribe who fought as a gladiator and won his freedom. As Atretes sets out to return home with his infant son, only one thing stands in his way: Rizpah, a Christian widow who has

cared for the baby since his birth. All three books in this latest Collection include a preface from Francine Rivers and discussion questions suitable for personal and group use. "Francine Rivers puts readers right into the history of the moment."

—Romantic Times "Francine Rivers without a doubt is one of the finest storytellers of our generation. . . . No one reading her books will ever be the same again." —Debbie Macomber, New York Times bestselling author "As we 'watch' Hadassah and Atretes struggle through first-century trials, we learn how to handle similar situations in the twenty-first century. The 'costumes' may vary, but our Lord does not change." —Angela Hunt "Francine redefined Christian fiction—honest, unflinching, powerful, life-changing—demonstrating why storytelling is the most effective way to communicate God's truth. Every Christian novelist writing today owes a debt of gratitude to Francine Rivers for lighting the way." —Liz Curtis Higgs "Francine Rivers writes from her heart to touch the hearts of her readers. Her books are essential reading for all who love Christian fiction." —Bodie Thoene
