Golden Urchin (Large Print 16pt) - Madeleine Brent 2012-11-01

Mitji had lived with the Aboriginal tribe for as long as she could remember. With her white skin, thin nose and red hair, she does not look like the rest of the tribe but she has learnt their skills of survival in the arid desert. As she nears womanhood, her oddness has made her an outcast and she must leave her people. She goes on a walkabout, in search of the walypalya, the tribe with red hair and white skin like her own, who had come from the great waters. Perhaps they would receive her kindly and let her stay with them. On her wanderings she comes upon a white man, lying half - dead in the blazing heat, and nurses him back to health. Together they made their way to his home, and Mitji becomes Meg and has to learn to wear clothes, to sleep in a bed, to sit on a chair - and to speak English. Gradually, she came to understand that she was herself one of the walypalya, a subject of Mitjiquin, Elder of Elders of all the white tribes - Queen Victoria. Meg has barely started her journey towards her true origins. In the world of the walypalya, there are new dangers and Meg must confront the terrors of a long sea voyage before she can find happiness on the other side of the world. Only the knowledge that she has learnt from her Aboriginal tribe can guarantee her survival and that of her friends.

Kirkby's Changeling - Madeleine Brent 2012-07-01

When eighteen year-old Chantal first encounters the half-starved tramp who calls himself Martin, she is touring Hungary with a circus company as one of the 'Flying Gallettis', and prefers to forget every detail of her unhappy early years in faraway England. But a train of events is started which will bring her inevitably back to her destiny and to the unravelling of many mysteries that surround her life. Who is this Martin, who speaks like an English gentleman and looks like a tinker? Why is he in Hungary at all? Whose powerful malice has pursued her since childhood, and why? Who indeed is she? In Chantal Madeleine Brent has created one of her most appealing characters. Red-haired and spirited, her wilfulness and

courage win hearts and bring trouble upon her wherever she goes, but although she has driven herself unsparingly to attain a rare skill as a circus artist, her true ambition is to become a doctor (no mean aspiration at the beginning of this century). The story moves from the warm, bustling atmosphere of a travelling circus to the cold correctness of English country house society, and back again to Eastern Europe, before all the complex strands are finally unravelled. Packed with incident and excitement, Kirkby's *Changeling* represents Madeleine Brent at her very best.

Mark of the Thief (Mark of the Thief #1) - Jennifer A. Nielsen
2015-02-24

Jennifer A. Nielsen, author of the NYT and USA TODAY bestselling *Ascendance Trilogy*, has woven an electrifying tale of greed and power, magic and destiny, and one boy's courage at the heart of it all. When Nic, a slave in the mines outside of Rome, is forced to enter a sealed cavern containing the lost treasures of Julius Caesar, he finds much more than gold and gemstones: He discovers an ancient bulla, an amulet that belonged to the great Caesar and is filled with a magic once reserved for the Gods -- magic some Romans would kill for. Now, with the deadly power of the bulla pulsing through his veins, Nic is determined to become free. But instead, he finds himself at the center of a ruthless conspiracy to overthrow the emperor and spark the Praetor War, a battle to destroy Rome from within. Traitors and spies lurk at every turn, each more desperate than the next to use Nic's newfound powers for their own dark purposes. In a quest to stop the rebellion, save Rome, and secure his own freedom, Nic must harness the magic within himself and defeat the empire's most powerful and savage leaders.
