## **This Unquiet Land** - Barkha Dutt 2016

India's fault lines run wide and deep. Some of them go back centuries, others are of comparatively recent origin. The myriad villains these fault lines have spawned include rapists, murderers, terrorists, prophets of religious hatred, corrupt politicians, upholders of abhorrent caste traditions, opponents of free speech and dissent, apologists for regressive cultural practices, and external adversaries who try to destabilize our borders. All of them are responsible for impeding the country's progress, destroying the lives of numberless innocents, usually the poorest and most vulnerable of our people, and besmirching the democratic, plural, free and secular nature of our society. Set against these enemies of our nation's promise are the heroic ones-the poor, illiterate woman who was gang-raped but helped change the nation's attitude towards women through her determined fight for justice; the young soldier whose courage and sacrifice in the high Himalayas was an inspiration to his comrades fighting the Kargil War; the wife whose husband was beheaded by Maoist terrorists, yet sought not revenge but succour for the poor and underprivileged; and the son of the village blacksmith who was lynched by a mob of religious fundamentalists appealing for an end to discord and sectarian violence. These stories, and dozens of others like them, map our country's fault lines. In this book, Barkha Dutt recounts the ones that have left an indelible mark on her. Taken together, they provide a vivid, devastating and unforgettable portrait of our unquiet land.

## *Breakfast at the Exit Cafe* - Wayne Grady 2010-09-25

What begins as a road trip through America soon

becomes a journey of discovery into themselves and into the heart of the next-door neighbour they thought they knew. For Wayne Grady, the thrill of landscape and history is tempered by memories of racism and his own family roots. Marilyn Simonds, her ear tuned for the offbeat, finds curious echoes of the ex-pat promised land she grew up with. Together they travel against the tide of American history, following in the literary tire tracks of John Steinbeck, William Least Heat Moon, and Francis Trollope. Grady and Simonds experience the splendors of the Mojave Desert, the Grand Canyon, the Mississippi River, and the bayou's of Louisiana and the Outer Banks and contemplate the impact of geography on culture and of culture on landscape. They observe America from the outside, yet feel strangely at home. Part travelogue, part exploration, part mid-winter love story told with wit and acuity by one of Canada's most engaging literary couples, *Breakfast at the Exit Cafe* is a journey into the reality behind the cultural myth that is America.

*The Rescue Artist* - Edward Dolnick 2010-11-16  
In the predawn hours of a gloomy February day in 1994, two thieves entered the National Gallery in Oslo and made off with one of the world's most famous paintings, Edvard Munch's *Scream*. It was a brazen crime committed while the whole world was watching the opening ceremonies of the Winter Olympics in Lillehammer. Baffled and humiliated, the Norwegian police turned to the one man they believed could help: a half English, half American undercover cop named Charley Hill, the world's greatest art detective. *The Rescue Artist* is a rollicking narrative that carries readers deep inside the art underworld -- and introduces them to a large and colorful cast of titled aristocrats, intrepid investigators, and thick-necked thugs. But most compelling of all is Charley Hill himself, a complicated mix of brilliance, foolhardiness, and charm whose hunt for a purloined treasure would either cap an illustrious career or be the fiasco that would haunt him forever.

*The Husbands* - Sharmila Chauhan 2014-07-23  
It's Aya's wedding day. Her third. Her current two husbands aren't too fussed. In a society in which there are few women, that's just what happens. But as the household prepares for the wedding feast, a stranger arrives - one who threatens to

challenge everything they believe in. Against a backdrop of modern rural India, Sharmila Chauhan weaves an extraordinary tale of love and wonder. From the preparation of luxury food and the sacrifice of the lamb to the dressing of the bride and the dance to end all dances, this will be an exuberant, joyful and challenging piece of theatre. 'In parts of India, polyandry has become a necessity. Gendercide, as a consequence of the ancient preference for boys, the modern desire for smaller families and the increasing availability of ultrasound techniques to detect the gender of a baby still in the womb means that the number of females is declining. I wrote *The Husbands* both as a response to this but also as an exploration of the complexity of love, intimacy and trust between one woman and three men where gender differences and expectations are amplified. In a sense this play is as much a warning as an allegory for the fate of women in *The West* today.' - Sharmila Chauhan  
*A Year of Techniques* - Arnall-Culliford Knitwear 2017

**The Flying Man (India Only)** - Roopa Farooki 2013-07-01

Meet Maqil - also known as Mike, Miguel and Mikhail- a chancer and charlatan. A criminally clever man who tells a good tale, trading on his charm and good looks, reinventing himself with a new identity and nationality in each successive country he makes his home, abandoning wives and children and careers in the process.

**Bitter Sweets** - Roopa Farooki 2007-11-13  
With this spellbinding first novel about the destructive lies three immigrant generations of a Pakistani/Bangladeshi family tell each other, Roopa Farooki adds a fresh new voice to the company of Zadie Smith, Jhumpa Lahiri and Arudhati Roy. Henna Rub is a precocious teenager whose wheeler-dealer father never misses a business opportunity and whose sumptuous Calcutta marriage to wealthy romantic Ricky-Rashid Karim is achieved by an audacious network of lies. Ricky will learn the

truth about his seductive bride, but the way is already paved for a future of double lives and deception--family traits that will filter naturally through the generations, forming an instinctive and unspoken tradition. Even as a child, their daughter Shona, herself conceived on a lie and born in a liar's house, finds telling fibs as easy as ABC. But years later, living above a sweatshop in South London's Tooting Bec, it is Shona who is forced to discover unspeakable truths about her loved ones and come to terms with what superficially holds her family together--and also keeps them apart--across geographical, emotional and cultural distance. Roopa Farooki has crafted an intelligent, engrossing and emotionally powerful Indian family saga that will stay with you long after you've read the last page.

**Achtung-Panzer!** - Heinz Guderian 1995

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*Delsarte System of Dramatic Expression* - Genevieve Stebbins 1886

**Trichier** - Alessandra Ceretto

Snookered - Ishy Din 2014-12-30

Snookered probes into the lives of young Muslim men and their fragile masculinity, burdened by cultural expectations yet charged with personal dreams. In a volatile political climate, Ishy Din opens a timely window into a strand of British Muslim life that often remains unseen. The plot follows four friends who, every year, meet on the anniversary of their mate's death for a game of pool and a few drinks. As they excavate the past and measure their own lives, secrets are revealed and allegiances shift as quickly as the drinks are downed. Can they put to rest their guilt over the untimely death of their friend? And will their friendship survive the final betrayal? One of the very few plays written both by and about British Muslims, Snookered explores their camaraderie, life decisions, and their self identity within their close-knit Muslim community of extended families and network of friends. The sharp, pace-filled dialogue captures the Punjabi-English urban patois that is currently developing in northern towns but is rarely seen onstage. The result is that the characters are both alive and relevant, and moments of sharp wit collide with emotionally searing exchanges. Developed by the theatre company Tamasha, whose manifesto is to explore British Asian perspectives and identities, Snookered is unafraid to feature difficult and significant themes such as religion, drug addiction, misogyny, poverty and racism. Against this backdrop, Snookered is first and foremost a psychologically detailed but razor-sharp depiction of young men finding their paths in life, whilst navigating what it means to be young, British and Muslim.

*The Singing Stones* - Kay Adshead 2015-02-10

In 2011, all over the Arab World, veiled women took to the streets to protest. Their calls for

change were briefly celebrated, soon derided, and eventually ignored. For the first time on stage, *The Singing Stones* gives voice to their extraordinary stories. These are the women who snitched on Gaddafi, marched on Tahrir Square, defended the bloody borders of Kurdistan, and became the heroines of our century's greatest struggle. But who are they? What led them to revolution? And where do they go from here? *The Singing Stones* is a fearless exploration of women and the Arab Spring.

**Social Work in Europe** - Charlotte Williams  
2017-07-07

It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed, and indeed perceptively unsettled, by increased migrations across nations and by the asserted presence of established minorities within their borders. The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety. Encounters with such diversity are part and parcel of the social work task, and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions. However, the moral and political dimensions of the role, scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested. This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in Europe. It extends the debates on inter-cultural and race equality practice in social work through a stimulating and innovative collection of contributions. This book was originally published as a special issue of the *European Journal of Social Work*.

*Angels and Demons in Art* - Rosa Giorgi 2005

This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the *Guide to Imagery* series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation

and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

*Shades* - Alia Bano 2014-03-10

'How religious are you? I never know how to answer that question. I mean how do you measure religiousness?' London worships many gods, but it often seems that Cupid isn't one of them. Sabrina, a single girl-about-town, is seeking Mr Right in a world where traditional and liberal brothers sit side-by-side, but rarely see eye-to-eye. *Shades* explores tolerance within and without the Muslim community. A programme text edition published to coincide with the world premiere at the Royal Court Theatre, London, on 28 January 2009.

**Seducing Ingrid Bergman** - Chris Greenhalgh  
2014-03-18

The beautiful Casablanca star, the world's greatest war photographer, and the secret love affair that would change their lives forever . . . in Chris Greenhalgh's *Seducing Ingrid Bergman* June 1945. When Ingrid Bergman walks into the lobby of the Ritz hotel in Paris, war photographer Robert Capa is enchanted. From the moment he slips a mischievous invitation to dinner under her door, the two find themselves helplessly attracted. Played out against the cafés and

nightclubs of post-war Paris and the parties and studios of Hollywood, they pursue an intense and increasingly reckless affair. But the light-hearted Capa, who likes nothing more than to spend his mornings reading in the tub and his afternoons at the racetrack, is not all that he seems. And Ingrid offers the promise of salvation to a man haunted by the horrors of war, his father's suicide, and the death of a former lover for which he blames himself. Addicted to risk, Capa must wrestle his devils, including gambling and drink, and resist an impulse to go off and photograph yet another war. Meanwhile, Ingrid, trapped in a passionless marriage and with a seven-year-old daughter to bring up, must court scandal and risk compromising her Hollywood career and saintly reputation if their love is to survive. With their happiness and identities at stake, both Capa and Ingrid are presented with terrible choices.

Once you have perfected your business set-up, it will pretty much run itself with little maintenance, and you have all time and financial freedom you ever need.

**Dressed to Rule** - Philip Mansel 2005-01-01  
Throughout history rulers have used clothes as a form of legitimization and propaganda. While palaces, pictures, and jewels might reflect the choice of a monarch's predecessors or advisers, clothes reflected the preferences of the monarch himself. Being both personal and visible, the right costume at the right time could transform and define a monarch's reputation. Many royal leaders have known this, from Louis XIV to Catherine the Great and from Napoleon I to Princess Diana. This intriguing book explores how rulers have sought to control their image through their appearance. Mansel shows how individual styles of dress throw light on the personalities of particular monarchs, on their court system, and on their ambitions. The book looks also at the economics of the costume industry, at patronage, at the etiquette involved in mourning dress, and at the act of dressing itself. Fascinating glimpses into the lives of European monarchs and contemporary potentates reveal the intimate connection between power and the way it is packaged.

*Montessori Madness* - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

**Hell's Angel** - Sonny Barger 2001

Narrated by the visionary founding member,

Hell's Angel provides a fascinating all-access pass to the secret world of the notorious Hell's Angels Motorcycle Club. Sonny Barger recounts the birth of the original Oakland Hell's Angels and the four turbulent decades that followed. Hell's Angel also chronicles the way the HAMC revolutionized the look of the Harley-Davidson motorcycle and built what has become a worldwide bike-riding fraternity, a beacon for freedom-seekers the world over. Dozens of photos, including many from private collections and from noted photographers, provide visual documentation to this extraordinary tale. Never simply a story about motorcycles, colorful characters, and high-speed thrills, Hell's Angel is the ultimate outlaw's tale of loyalty and betrayal, subcultures and brotherhood, and the real price of freedom.
