Accident! - Andrea Tsurumi 2017-10-03

When a clumsy armadillo named Lola knocks over a glass pitcher, she sets off a silly chain of events, encountering chaos wherever she goes. But accidents happen—just ask the stoat snarled in spaghetti, the airborne sheep, and the bull who has broken a whole shop’s worth of china. In the tradition of beloved books like *The Dot* and *Beautiful Oops*, this charming, hilarious debut from author-illustrator Andrea Tsurumi shows that mistakes don’t have to be the end of the world.

[The Little White Owl](#) - Tracey Corderoy
2011-09-01

Once there was a little white owl who lived by himself in the snow. He didn't have a mummy. He didn't have a daddy. He didn't even have a name.

But he didn't really mind too much. It had always been like that. And his head was full of happy stories... Then one day, the Little White Owl sets off to explore the world, and he gets a very wonderful surprise...

Sensational Butterflies - Ben Rothery 2019-02-07

Butterflies and moths are some of the most amazing creatures in nature. There are over 180,000 different kinds and they can be found on every continent except the Antarctic. From Monarchs to swallowtails, Blue Morphos to birdwings, the intricate beauty of butterflies spans the globe and yet also settles close to home in a child's garden, local park or window box. This large-format book brings the vibrancy and ecosystem of butterflies to life with simple text and gorgeous illustrations, covering the key butterfly and moth families and including scores of fascinating facts. Learn the unique way that butterflies see, or be amazed by the multiple double-page spreads showing wingspans in sensational detail. A stunning showcase of the world's butterflies and moths, debuting one of the UK's finest natural history illustrators, Ben Rothery.

Game of Scones (Bad Food #1) - Eric Luper

2021-09-28

"An all-new original series featuring the art of viral sensation Joe Whale, AKA the Doodle Boy, and fan-favorite Eric Luper! Somewhere deep within the walk-in pantry at Belching Walrus Elementary lives an array of different foods that live in harmony. One day, the Supplies from the principal's office show up and insist on sharing

the coolness of the cooler. Their ruler is a ruler (pun intended) named Baron von Lineal. There's plenty of room in the cooler for everyone, right?

Wrong! It's up to three young heroes, Slice, Scoop, and Totz to venture out of the pantry and foil the Baron's plan for good. Highly illustrated with big black-and-white pictures from Joey on every page, this series will be sure to resonate with kids worldwide!"--Page [4] of cover.

Iz - Rick Carroll 2006

Israel Kamakawiwo'ole, born in 1959, the year Hawai'i became a state, rose to unrivaled celebrity on the strength of his one-in-a-million voice and a four-string 'ukulele. His phenomenal hit "Over the Rainbow" propelled his Facing Future album to Platinum status. His voice has been heard around the world in blockbuster films, television shows, and advertisements. IZ: Voice of the People is a portrait in words and over 200 photos of the man behind the music--his childhood, his early year with the Māhala Sons of Ni'ihau, his solo career, his personal struggles and successes. It is about fame, but it is also about triumph over adversity and loss; about standing up for the people of Hawai'i at a critical time in their history and inspiring them to demand justice and sovereignty; and about the music, people, and events that shaped Israel and his career.

The Very Hungry Bear - Nick Bland 2017-12-26

Nick Bland's bestselling *The Very Hungry Bear* is now available in board book! Bear is back...and he's very, very hungry! Bear is trying to fish, but instead of food, he only manages to catch . . . a polar bear? The poor bear is lost and his ice floe is rapidly melting. The polar bear makes a deal: he'll give Bear a pile of fish in return for a new home. Bear takes his new friend on a tour, and finally they find the just-right home for an ice-loving bear. The Bear we all fell in love with in *The Very Cranky Bear* and *The Very Itchy Bear* is just as delightful as always -- and much less cranky with the promise of food on the horizon! This new story features the same bold, clever illustrations and catchy rhyming text that made Nick Bland's first two Bear books instant favourites. Told with his characteristic humour and wit, *The Very Hungry Bear* is both an endearing tale of friendship and a subtle message about preserving our environment.

Rude Cakes - Rowboat Watkins 2015-06-02

Who knew that cakes were so rude?! In this deliciously entertaining book, a not-so-sweet cake—who never says please or thank you or listens to its parents—gets its just desserts. Mixing hilarious text and pictures, Rowboat Watkins, a former Sendak fellow, has cooked up a laugh-out-loud story that can also be served up as a delectable discussion starter about manners or bullying, as it sweetly reminds us all that even the rudest cake can learn to change its ways. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Sarabella's Thinking Cap - Judy Schachner 2017-09-05

From the bestselling creator of *Skippyjon Jones*, a heartwarming story about the importance of imagination and creativity. Sarabella is always thinking—conjuring, daydreaming, and creating new worlds from her imagination. There is so much going on in her head that it can barely be contained. But there are times when daydreaming is decidedly not a good thing—like when you're supposed to be doing multiplication tables.

Luckily, Sarabella has an understanding teacher and with his encouragement She comes up with her own idea to show everyone who she is.

Follow Those Zebras! - Sandra Markle 2020

Every year in Namibia, about two thousand

zebras suddenly disappear from their grazing area along the Chobe River. Months later, the herd returns. Where do they go? And why? Thanks to satellite-tracking collars, scientists were able to solve the mystery, but several questions remain. Award-winning science author Sandra Markle reveals the process scientists used to study the zebras, and she also delves into the science of migration, exploring how animals know where to go, how to get there, and when to leave.

Crafts for Kids who are Wild about Polar Life - Katharine Reynolds Ross 1998

Kids who are wild about polar life will be wild about these projects. The caribou marionette is a fabulous toy -- you can make it tap dance! The Snarling Wolf Face or the Walrus Mask have costume possibilities. Many of the projects would be great for enhancing a science project presentation -- the changing coat hare or the molting beluga, for example. Colorful step-by-step illustrations for projects that are made from easy-to-find household materials will provide hours of fun as well as a lot of information about the polar regions and those plants and animals that are able to survive there.
