The Personal and the Political - Charles de Secondat baron de Montesquieu 2008
The Personal and the Political presents three fables written by social commentator and political thinker Charles-Louis de Secondat, Baron de La Brede et de Montesquieu: The Temple of Cnidus (on eros and justice), Lysimachus (on philosophy and imperial

ambition), and Dialogue de Sylla et d'Eucrate (on the limits of political ambition). This work is author W.B. Allen's response to attempts that collapse Montesquieu's analysis of modern political philosophy into a general discussion of virtue and morality by raising anew the issues of true and false happiness and pleasures. Allen maintains that Montesquieu's fables demonstrate the continuing relevance of the issue of philosophical morality, and offer a reconciliation of the tension between philosophical morality and political morality. The Personal and the Political provides a translation of each fable (with parallel French text), a brief introduction and commentaries to develop the context in which each is written and the situations that they address. Each fable is suited to introduce Montesquieu's conceptions of ancient virtues and vices, and what they

contribute to modern sensibilities.

Ténèbres 2013 - Benoît Domis 2013-05

'Eugénie et Mathilde, ou Mémoires de la famille du Comte de Revel', by Madame de Souza - Kirsty Carpenter 2014-06-25

Madame de Souza was an eighteenth-century political journalist of undisputed talent. She did not fear to accuse religion of falsely justifying intolerant political attitudes, or using indoctrination for little human gain. She dared to show that this

achieved immediate social dislocation, and, in the long-term, grief and financial dysfunction. *Eugénie et Mathilde*, which documents revolutionary decisions made in Emigration, and the irrevocable futility of losing family, home, rank and property in war, fully reflects her approach. It is a complex and compelling story of one family and its experience of 1789-1797 - the years of exile during the French Revolution. Heart-rending decisions, forced departures, capital punishment and death of loved-ones make the novel as topical now as it was on the eve of Napoleon's Russian Campaign. Souza's plea for tolerance, fraternity and compromise on the part of the State and its enemies has a relevance that stretches out to the 21st Century; her message to include women in politics and not to make them suffer the unnecessary death of fathers, husbands, children and friends is even more current. This edition lifts the veil on a literary

form of anti-sentimental romance, or the art of making historically accurate accounts masquerade as fiction. That, more than anything else, was Madame de Souza's forte.
