*Psychoanalytic Perspectives on Puberty and Adolescence* - Gertraud Diem-Wille 2020-12-31

Puberty is a time of tumultuous transition from childhood to adulthood activated by rapid physical changes, hormonal development and explosive activity of neurons. This book explores puberty through the parent-teenager relationship, as a "normal state of crisis", lasting several

years and with the teenager oscillating between childlike tendencies and their desire to become an adult. The more parents succeed in recognizing and experiencing these new challenges as an integral, ineluctable emotional transformative process, the more they can allow their children to become independent. In addition, parents who can also see this crisis as a chance for their own further development will be ultimately enriched by this painful process. They can face up to their own aging as they take leave of youth with its myriad possibilities, accepting and working through a newfound rivalry with their sexually mature children, thus experiencing a process of maturity, which in turn can set an example for their children. This book is based on rich clinical observations from international settings, unique within the field, and there is an emphasis placed by the author on the role of the body in self-awareness, identity crises and gender construction. It will be of great interest to psychoanalysts, psychotherapists, parents and carers, as well as all those interacting with adolescents in self, family and society.

On Sunset Boulevard - Ed Sikov 2017-06-14

On Sunset Boulevard, originally published in 1998, describes the life of acclaimed filmmaker Billy Wilder (1906-2002), director of such classics as Sunset Boulevard, The Lost Weekend, The Seven Year Itch, and Sabrina. This definitive biography takes the reader on a fast-paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna, where he grew up, to Berlin, where he moved as a young man while establishing himself as a journalist and screenwriter, and triumphantly to Hollywood, where he became as successful a director as there ever was. Double Indemnity, Sunset Boulevard, Some Like It Hot, and The Apartment" Wilder's cinematic legacy is unparalleled. Not only did he direct these classics and twenty-one other films, he co-wrote all of his own screenplays. Volatile, cynical, hilarious, and driven, Wilder arrived in Hollywood an all-but-penniless refugee who spoke no English. Ten years later he was calling his own shots, and he stayed on top of the game for the next three decades. Wilder battled with Humphrey Bogart, Marilyn Monroe, Bing Crosby, and Peter Sellers; kept close friendships with William Holden, Audrey Hepburn, Jack Lemmon, and Walter Matthau; amassed a personal fortune by way of blockbuster films and shrewd investments in art (including Picassos, Klees, and Mir's); and won Oscars--yet Wilder, ever conscious of his thick accent, always felt the sting of being an outsider. On Sunset Boulevard traces the course of a turbulent but fabulous life, both behind the scenes and on the scene, from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on-location shoots of the fifties and sixties. Crammed with Wilder's own caustic wit, On Sunset Boulevard reels out the story of one of cinema's most brilliant and prolific talents.

With six Academy Awards, four entries on the American Film Institute's list of 100 greatest American movies, and more titles on the National Historic Register of classic films deemed worthy of preservation than any other director, Billy Wilder counts as one of the most accomplished filmmakers ever to work in Hollywood. Yet how American is Billy Wilder, the Jewish émigré from Central Europe? This book underscores this complex issue, unpacking underlying contradictions where previous commentators routinely smoothed them out. Wilder emerges as an artist with roots in sensationalist journalism and the world of entertainment as well as with an awareness of literary culture and the avant-garde,

features that lead to productive and often highly original confrontations between high and low.

*Billy Wilder* - Billy Wilder 2001

Billy Wilder: Interviews edited by Robert Horton Always daring Hollywood censors' limits on content, Billy Wilder directed such greats as Marilyn Monroe, Jack Lemmon, Ginger Rogers, Marlene Dietrich, Kirk Douglas, Audrey Hepburn, and Gary Cooper. Billy Wilder: Interviews follows the filmmaking career of one of Hollywood's most honored and successful writer-directors and spans over fifty years. Wilder, born in 1906, fled from Nazi Germany and established himself in America. In collected interviews this book traces his progress through his Oscar-winning heyday of the 1940s to the 1990s, in which he is still witty, caustic, and defiant. He tells the stories behind his brilliant direction of such classics as *Double Indemnity* (1944), *The Lost Weekend* (1945), *Sunset Boulevard* (1950), *Stalag 17* (1953), *Sabrina* (1954), *The Seven-Year Itch* (1955), *Some Like It Hot* (1959), and *The Apartment* (1960), among others. A dazzling raconteur, Wilder spins marvelous anecdotes on the subject of show business and delivers penetrating and instructive observations on his craft. On screen, his special blend of cynicism and romanticism was always expressed in a style that avoided showiness.
