The Rat Eater - Anand Ranganathan 2019-11-18

'I was born on a bloody road. The blood was my mother's. My sisters couldn't find a midwife in time. There was no way my mother could get relief from the upper-caste well, and so they tell me, that my sisters ran to some puddles to fill their little mouths up and then ran back to where my mother was almost dying of pain and then spat out some water on her face and the rest down below on mine. That is how I came into this world.' Someone is

disposing of politicians one by one. And the murderer has borrowed from the genius of Agatha Christie. When a local Mumbai politician is found wrapped in a plastic bag behind a park bench, the dashing and capable DIG Ajay Biswas is told to take over the case. Ajay arrives in Mumbai along with his wife Aparajita and soon discovers he is being misled by his Mumbai compatriots who are determined to save their own skin. Someone is deliberately providing false leads; his presence is not wanted. While in Mumbai, Ajay and Aparajita meet up with their old college friend Akhil Sukumar. Akhil and Aparajita have had a tortuous history, and it appears that the one-time lovers now want nothing more than to let bygones be bygones. Easier said. From the barren lands of rural India to the immaculate lawns of Cambridge, *The Rat Eater* is a book whose uninhibitedness may offend purists as it lays bare a few uncomfortable truths about India—a country entangled in a web of caste, corruption and cover-ups. The privileged flourish at the cost of the oppressed. The price has to be paid, and someone has decided that it needs to be paid in blood.

The Photo Ark - Joel Sartore 2017

This book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals -- especially those that are endangered. His message: to know these animals is to save them. Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits: from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the prose of veteran wildlife writer Douglas Chadwick, this book presents an argument for saving all the species of our planet.

Family Discipleship - Matt Chandler 2020-08-28

The most important disciple a parent will make is within their own home, and yet this is the most difficult disciple to make. *Family Discipleship* by Matt Chandler and Adam Griffin helps readers develop a sustainable rhythm of gospel-centered discipleship through a guided framework focusing on moments of discipleship in 3 key areas: time (intentional time gathering your family around gospel activities or conversations), moments (leveraging opportunities throughout the day), and milestones (celebrating significant life events). Each section provides parents with Scriptures to consider, questions to answer, structures to implement, and ideas to try out as they seek to see Christ formed in their children. Here is a book that begins with the end in mind, offering ideas and examples of what gospel-centered family discipleship looks like, helping parents design their own discipleship plan as they seek to raise children in the love and fear of the Lord.

My Mother's Body - Marge Piercy 2013-08-28

My Mother's Body, Marge Piercy's tenth book of poetry, takes its title from one of her strongest and most moving poems, the climax of a powerful sequence of Poems to her mother. Rooted in an honest, harrowing, but ally ecstatic confrontation of the mother / daughter relationship in all its complexity and intimacy, it is at the same time an affirmation of continuity and identification. "The Chuppah" comprises poems actually used in her wedding ceremony with Ira Wood. This section sings with powerfully female love poetry. There is also a sustained and direct use of her Jewish identity and faith in these poems, as there is in a number of other poems throughout the volume. Readers of Piercy's previous collections will not be surprised to encounter her mixture of the personal and the political, her love of animals and the Cape landscape. There are poems about doing housework, about accidents, about dreaming, about bag ladies, about luggage, about children's fears of nuclear holocaust; about tomcats, insects in the rafters, the influence of a name, appleblossoms and blackberries, pollution, and some of the ways women objectify one another. In "Does the light fail us, or do we fail the light?" Piercy writes with lacerating honesty about our relationships with the elderly and about hers with her father. Some of the most moving poems are domestic, as in the final sequence, "Six underrated pleasures," which finds in daily women's tasks both pleasure and mystery, affirmation of self and connection with the mother. In all, *My Mother's Body* is one of Piercy's most powerful and balanced collections.

The Oxford Desk Dictionary and Thesaurus - Frank R. Abate 1997

Critically acclaimed as a unique new reference combining the best features of both dictionary and thesaurus, *The Oxford Dictionary and Thesaurus* was the first American reference work to offer integrated dictionary and thesaurus entries. Neither a dictionary nor a thesaurus can, by itself, provide the reader with the full range of word choices. Now this revolutionary volume is available in a convenient size and price that is perfect for the casual user. The unified approach of the *Oxford Desk Dictionary and Thesaurus* treats meanings and related words within the same entry, making it easy to find -- in one place -- an abundance of information about words, and provides a far more thorough analysis of the variety

and nuances of our language than is possible in a dictionary or thesaurus alone. Based on the 1800-page Oxford Dictionary and Thesaurus, the light and portable Oxford Desk Dictionary and Thesaurus is a valuable tool for students, writers, business people, and for anyone who wants to use American English with accuracy and flexibility. Fitting easily into a backpack or briefcase or on any student or office desk, the Oxford Desk Dictionary and Thesaurus is guaranteed to be the most frequently used reference work you own. Athena Rising - W. Brad Johnson 2019-12-03

When it comes to mentoring, women face more barriers than men. Here's how men can help change that. Increasingly, new employees and junior members of any profession are encouraged - sometimes stridently - to "find a mentor!" Four decades of research reveals that the effects of mentorship can be profound and enduring; strong mentoring relationships have the capacity to transform individuals and entire organizations. But the mentoring landscape is unequal. Evidence consistently shows that

women face more barriers in securing mentorships than men, and when they do find a mentor, they may reap a narrow range of both professional and psychological benefits. *Athena Rising* is a book for men about how to eliminate this problem by mentoring women deliberately and effectively. Traditional notions of mentoring are modeled on male-to-male relationships, yet women often report a desire for mentoring that addresses their interpersonal needs. Women want mentors who not only

understand this, but truly honor it. Coauthors W. Brad Johnson and David G. Smith present a straightforward, no-nonsense manual for men working in all types of institutions, organizations, and businesses to become excellent mentors to women, because as women succeed, lean in, and assume leading roles in any organization or work context, the culture will become more egalitarian, effective, and prone to retaining top talent. *The Oregon Improvement Company* - Elijah Smith 1886
