The Routledge Handbook to the History and Society of the Americas - Taylor & Francis Group
2021-06-30

The colonial heritage and its renewed aftermaths - expressed in the inter-American experiences of slavery, indigeneity, dependence, and freedom movements, to mention only a few aspects - form a common ground of experience in the Western Hemisphere. The flow of peoples, goods, knowledge and finances have promoted interdependence and integration that cut across borders and link the countries of North and South America together. The nature of this transversally related and multiply interconnected region can only be captured through a transnational, multidisciplinary, and comprehensive approach. The Routledge Handbook to the History and Society of the Americas explores the history and society of the Americas, placing particular emphasis on collective and intertwined experiences. Forty-four chapters cover a range of concepts and dynamics in the Americas from the colonial period until the present century: The shared histories and dynamics of Inter-American relationships are considered through pre-Hispanic empires, colonization, European hegemony, migration, multiculturalism, and political and economic interdependences. Key concepts are selected and explored from different geopolitical, disciplinary, and epistemological perspectives. Highlighting the contested character of key concepts that are usually defined in strict disciplinary terms, the Handbook provides the basis for a better and deeper understanding of inter-American entanglements. This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history, sociology, political science cultural, postcolonial, gender, literary, and globalization studies.

Sahaja Yoga - Shri Mataji Nirmala Devi 2019-06-01

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Twelve Years A Slave (Illustrated) - Solomon Northup 2014-08-22

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

That Winter - Pamela Gillilan 1986

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Being Love - Sister Shivani

We can each radiate unconditional love. We don't even need to create it - we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging - It does not need to

be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love - but just by being love.

Alignment and Ergativity in New Indo-Aryan Languages - Saartje Verbeke 2013-03-22

The volume investigates the different alignment patterns in Indo-Aryan and shows that the variation of alignment patterns in Indo-Aryan goes beyond the opposition between accusativity and ergativity. The book includes a thorough discussion of the concepts and terminology relating to alignment patterns. The study draws extensively on new language data from Indo-Aryan. It includes discussions of examples taken from Hindi, Sanskrit, Apabhramsa, Asamiya, Bangla, Oriya, the Bihari languages, Nepali, Kashmiri, Sindhi, Siraiki, Poguli, Gujarati, Punjabi, Marwari, Harauti, the Hindi varieties, and Shina. The volume offers a comprehensive overview of various alignment patterns in Indo-Aryan based on a wide range of data. By focusing on lesser known Indo-Aryan languages, the study questions the central position of Hindi-Urdu in the research on

ergativity. Each language is treated in its own right, with a focus on language-specific data and analyses, rather than relying on a notional format that starts with pre-established linguistic concepts. In accordance with this methodology, much attention is paid to "indirect" connections between ergative constructions and

other syntactic and semantic patterns in the various languages.
