Sautee Shadows - Denise Weimer 2013

Sautee Shadows: Book One of the Georgia Gold Series is the sweeping saga of four families whose lives intertwine through romance, adventure and murder, linking antebellum Georgia's coast and mountains during the mid-1800s. Journey back to a time when the foothills of Northeast Georgia were scarcely more than a frontier, a summer retreat for the state's wealthy coastal elite, verdant watercolor vistas where the footprint of the Cherokee remained. Where one half-Cherokee, orphaned girl grows up in the shadow of a mystery. Who killed her father, and what happened to the gold he mined from the Sautee Valley? And with whom does she belong, the adoptive farm family who raised her, or her white inn-keeper grandmother? Forced from the only life she's ever known and molded into her grandmother's idea of a proper young lady, Mahala Franklin finds life in Clarkesville lonely and full of challenges. But there are at least pieces of the puzzle of her past to be fit together, and relationships that will shape her future ... with Clay Fraser, her Cherokee friend who wants to be so much more, with wealthy entrepreneur and competitor Jack Randall, with whom Mahala doesn't dare to dream of more, and with Carolyn Calhoun, unwilling socialite caught between her feelings for two very different brothers. As the lives of the coastal summer people mingle with those of Habersham's natives, a tapestry of love, friendship and intrigue unfolds, a tapestry laced with a brilliant thread that will lure you through all four books of The Georgia Gold Series.

Where the Crawdads Sing - Delia Owens 2018-08-14

NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads*

*Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Between, Georgia - Joshilyn Jackson 2006-07-03

Nonny Frett understands the meaning of the phrase "in between a rock and a hard place" better than any woman alive. She's got two mothers, "one deaf-blind and the other four baby steps from flat crazy." She's got two men: a husband who's easing out the back door; and a best friend, who's laying siege to her heart in her front yard. And she has two families: the Fretts, who stole her and raised her right; and the Crabtrees, who won't forget how they were done wrong. Now, in *Between, Georgia*, a feud that began the night Nonny was born is escalating and threatening to expose family secrets. Ironically, it might be just what the town needs...if only Nonny weren't stuck in between.

One Night in Georgia - Celeste O. Norfleet 2019-06-18

One of “The 17 Best Summer Reads of 2019” by Harper’s Bazaar! Set in the summer of 1968, a provocative and devastating novel of individual lives caught in the grips of violent history—a timely and poignant story that reverberates with the power of Alice Walker’s *Meridian* and Ntozake Shange’s *Betsey Browne*. At the end of a sweltering summer shaped by the tragic assassinations of Martin Luther King, Jr., and Bobby Kennedy, race riots, political protests, and the birth of Black power, three coeds from New York City—Zelda Livingston, Veronica Cook, and Daphne Brooks—pack into Veronica’s new Ford Fairlane convertible, bound for Atlanta and their last year at Spelman College. It is the beginning a journey that will change their lives irrevocably. Unlikely friends from vastly different backgrounds, the trio has been inseparable since freshman year. Zelda, serious and unyielding, the heir of rebellious slaves and freedom riders, sees the world in black versus white. Veronica, the privileged daughter of a refined, wealthy family, strongly believes in integration and racial uplift. Daphne lives with a legacy of loss—when she was five years old, her black mother committed suicide and her white father abandoned her. Because they will be going their separate ways after graduation, Zelda, Veronica, and Daphne intend to make lasting memories on this special trip. Though they are young and carefree, they aren’t foolish.

Joined by Veronica's family friend Daniel, they rely on the Motorist Green Book to find racially friendly locations for gas, rest, and food. Still, with the sun on their cheeks, the wind in their hair, and Motown on the radio, the girls revel in their freedom. Yet as the miles fly by, taking them closer to the Mason-Dixon line, tension begins to rise and the conversation turns serious when Daphne shares a horrifying secret about her life. When they hit Washington, D.C., the joyous trip turns dark. In Virginia they barely escape a desperate situation when prison guards mistake Daniel for an escapee. Further south they barely make it through a sundown town. When the car breaks down in Georgia they are caught up in a racially hostile situation that leaves a white person dead and one of the girls holding the gun.

**The Color Purple** - Alice Walker 2011-09-20

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. **Midnight in the Garden of Good and Evil** - John Berendt 2010-05-12

NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —*The New York Times Book Review* Shots rang out in Savannah's grandest mansion

in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

**The Cailiffs of Baghdad, Georgia: A Novel** - Mary Helen Stefaniak 2011-09-19

A hidden history of the South emerges when a worldly teacher leads Threestep, GA, to reinvent itself, setting in motion events that lead to triumph and tragedy for the black teenager who happens to be the smartest person in Piedmont County, Georgia, in 1938–39. As an epigraph from *The Souls of Black Folk* by W. E. B. Du Bois reminds us at the start of this novel, "Throughout history, the powers of single black men flash here and there like falling stars, and die sometimes before the world has rightly gauged their brightness." Protagonist Theo Boykin is a genius, an artist, an inventor, a Leonardo DaVinci-type, whose talents are sought after by local blacks and whites alike, but even this is not enough to save him. He falls victim to "the tragedy of ignorance and the damage caused by fear," in the words of poet Rita Dove—the first African American to serve as U.S. Poet Laureate and a member of the jury that conferred on *The Cailiffs of Baghdad, Georgia* the 2011 Anisfield-Wolf Award for books that "make a significant contribution to our understanding of racism and our appreciation for the diversity of human cultures." You won't forget Theo Boykin, nor will you forget his friends the Cailiffs, especially Gladys, who tells this story with love and bewilderment, and the teacher, Miss Spivey, who changes all their lives.

*Georgia Bottoms* - Mark Childress 2011-02-23

Georgia Bottoms is known in her small community of Six Points, Alabama, as a beautiful, well-to-do, and devoutly Baptist Southern belle. Nobody realizes that the family fortune has long since disappeared, and a determinedly single woman like Georgia needs an alternative, and discreet, means of income. In Georgia's case it is six well-heeled lovers -- one for each day of the week, with Mondays off -- none of whom knows about the others. But when the married preacher who has been coming to call (Saturdays) decides to confess their affair in front of the whole congregation, Georgia must take drastic measures to stop him. In *Georgia Bottoms*, Mark Childress proves once again his unmistakable skill for combining the hilarious and the absurd to reveal the inner workings of the rebellious human heart.

*Run with the Horsemen* - Ferrol Sams 1984-07-03

From the author of *The Whisper of the River* and *Epiphany*. In this coming-of-age story, Porter Osbourne Jr. is a precocious, sensitive, and rambunctious boy trying to make it through adolescence during the Depression. On a red-clay farm in Georgia, he learns all there is to know about cotton-chopping, hog-killing, watermelon-thumping, and mule-handling. School provides a quick course in practical joking, schoolboy crushes, athletic glory, and clandestine sex. But it is Porter's family-- his genteel, patient mother, his swarm of cousins, his snuff-dipping grandmother, and, most of all, his beloved though flawed father--who teaches Porter the painful truths about growing up strong enough to run with the horsemen. "The writing is elegant, reflective, and amused. Mr. Sams is a storyteller sure of his audience . . . gifted with perfect timing."--*The New York Times Book Review* "Remarkable both for its humor and its sustained and detailed picture of a mischievous Southern farmboy's life during the Great Depression."--*The Washington Post*

*Saving CeeCee Honeycutt* - Beth Hoffman 2010-10-26

*Steel Magnolias* meets *The Help* in Beth Hoffman's New York Times bestselling Southern debut novel, *Saving CeeCee Honeycutt*. Twelve-year-old CeeCee Honeycutt is in trouble. For years, she has been the caretaker of her mother, Camille, the town's tiara-wearing, lipstick-smearing laughingstock, a woman who is trapped in her long-ago moment of glory as the 1951 Vidalia Onion Queen of Georgia. When tragedy strikes, Tootie Caldwell, CeeCee's long-lost great-aunt, comes to the rescue and whisks

her away to Savannah. There, CeeCee is catapulted into a perfumed world of prosperity and Southern eccentricity—one that appears to be run entirely by strong, wacky women. From the exotic Miz Thelma Rae Goodpepper, who bathes in her backyard bathtub and uses garden slugs as her secret weapons; to Tootie's all-knowing housekeeper, Oletta Jones; to Violene Hobbs, who entertains a local police officer in her canary-yellow peignoir, the women of Gaston Street keep CeeCee entertained and enthralled for an entire summer. A timeless coming of age novel set in the 1960s, *Saving CeeCee Honeycutt* explores the indomitable strengths of female friendship, and charts the journey of an unforgettable girl who loses one mother, but finds many others in the storybook city of Savannah. As Kristin Hannah, author of *Fly Away*, says, Beth Hoffman's sparkling debut is "packed full of Southern charm, strong women, wacky humor, and good old-fashioned heart."

*Stories with a Moral* - Michael E. Price 2000-01-01

*Stories with a Moral* is the first comprehensive study of the effects of plantation society on literature and the influences of literature on social practices in nineteenth-century Georgia. During the years of frontier settlement, the Civil War, and Reconstruction, Georgia authors voiced their support for the slave system, the planter class, and the ideals of the Confederacy, presenting a humorous, passionate, and at times tragic view of a rapidly changing world. Michael E. Price examines works of fiction, travel accounts, diaries, and personal letters in this thorough survey of King Cotton's literary influence, showing how Georgia authors romanticized agrarian themes to present an appealing image of plantation economy and social structure. *Stories with a Moral* focuses on the importance of literature as a mode of ideological communication. Even more significant, the book shows how the writing of one century shaped the development of social practices and beliefs that persist, in legend and memory, to this day.

*Mark of the Wicked* - Georgia Bowers 2021-08-10

A young witch tries to unravel the mystery of who is framing her for dark magic in Georgia Bowers' creepy YA debut fantasy, *Mark of the Wicked*. Magic always leaves its mark. All her life, Matilda has been told one thing about her magic: You use only when necessary. But Matilda isn't interested in being a good witch. She wants revenge and popularity, and to live her life free of consequences, free of the scars that dark magic leaves on her face as a reminder of her misdeeds. When a spell goes awry and the new boy at school catches her in the act, Matilda thinks her secret might be out. But far from being afraid, Oliver already knows about her magic - and he wants to learn more. As Oliver and Matilda grow closer, bizarre things begin to happen: Animals show up with their throats slashed and odd markings carved into their bodies, a young girl dies mysteriously, and everyone blames Matilda. But she isn't responsible -- at least, not that she can remember. As her magic begins to spin out of control, Matilda must decide for herself what makes a good witch, and discover the truth...before anyone else turns up dead. "[A] breathlessly

told, consuming portrait of a witch's relationship with loneliness and power... protagonists are elaborately drawn, and the novel's eerie atmosphere lingers." —Publishers Weekly

[I Am a Fugitive from a Georgia Chain Gang!](#) - Robert E. Burns 2011-08-15

*I Am a Fugitive from a Georgia Chain Gang!* is the amazing true story of one man's search for meaning, fall from grace, and eventual victory over injustice. In 1921, Robert E. Burns was a shell-shocked and penniless veteran who found himself at the mercy of Georgia's barbaric penal system when he fell in with a gang of petty thieves. Sentenced to six to ten years' hard labor for his part in a robbery that netted less than \$6.00, Burns was shackled to a county chain gang. After four months of backbreaking work, he made a daring escape, dodging shotgun blasts, racing through swamps, and eluding bloodhounds on his way north. For seven years Burns lived as a free man. He married and became a prosperous Chicago businessman and publisher. When he fell in love with another woman, however, his jealous wife turned him in to the police, who arrested him as a fugitive from justice. Although he was promised lenient treatment and a quick pardon, he was back on a chain gang within a month. Undaunted, Burns did the impossible and escaped a second time, this time to New Jersey. He was still a hunted man living in hiding when this book was first published in 1932. The book and its movie version, nominated for a Best Picture Oscar in 1933, shocked the world by exposing Georgia's brutal treatment of prisoners. *I Am a Fugitive from a Georgia Chain Gang!* is a daring and heartbreaking book, an odyssey of misfortune, love, betrayal, adventure, and, above all, the unshakable courage and inner strength of the fugitive himself.

**The Eighth Life** - Nino Haratischvili 2020-10-20

'That night Stasia took an oath, swearing to learn the recipe by heart and destroy the paper. And when she was lying in her bed again, recalling the taste with all her senses, she was sure that this secret recipe could heal wounds, avert catastrophes, and bring people happiness. But she was wrong.' At the start of the twentieth century, on the edge of the Russian Empire, a family prospers. It owes its success to a delicious chocolate recipe, passed down the generations with great solemnity and caution. A caution which is justified- this is a recipe for ecstasy that carries a very bitter aftertaste ... Stasia learns it from her Georgian father and takes it north, following her new husband, Simon, to his posting at the centre of the Russian Revolution in St Petersburg. Stasia's is only the first in a symphony of grand but all too often doomed romances that swirl from sweet to sour in this epic tale of the red century. Tumbling down the years, and across vast expanses of longing and loss, generation after generation of this compelling family hears echoes and sees reflections. Great characters and greater relationships come and go and come again; the world shakes, and shakes some more, and the reader rejoices to have found at last one of those glorious old books in which you can live and learn, be lost and found, and make indelible new friends. 'It is a great read. If you love historical sagas and romances, this is the book for you.' - ABC Radio National The Bookshelf 'A harrowing, heartening and utterly engrossing epic novel ... astonishing ... A subtle and compelling translation by Charlotte Collins and Ruth Martin (on the heels of a Georgian version

earlier this year) should make this as great a literary phenomenon in English as it has been in German.' -Maya Jaggi, The Guardian 'If it's a family saga you're seeking, look no further than this grand tale...The author gracefully interweaves the historical backdrop of her novel with the lives of her characters, thus adding depth to her story. Heartily recommended.' STARRED REVIEW -Library Journal

Georgia - Dawn Tripp 2017-01-17

NATIONAL BESTSELLER • In a dazzling work of historical fiction in the vein of Nancy Horan's *Loving Frank*, Dawn Tripp brings to life Georgia O'Keeffe, her love affair with photographer Alfred Stieglitz, and her quest to become an independent artist. This is not a love story. If it were, we would have the same story. But he has his, and I have mine. In 1916, Georgia O'Keeffe is a young, unknown art teacher when she travels to New York to meet Stieglitz, the famed photographer and art dealer, who has discovered O'Keeffe's work and exhibits it in his gallery. Their connection is instantaneous. O'Keeffe is quickly drawn into Stieglitz's sophisticated world, becoming his mistress, protégé, and muse, as their attraction deepens into an intense and tempestuous relationship and his photographs of her, both clothed and nude, create a sensation. Yet as her own creative force develops, Georgia begins to push back against what critics and others are saying about her and her art. And soon she must make difficult choices to live a life she believes in. A breathtaking work of the imagination, *Georgia* is the story of a passionate young woman, her search for love and artistic freedom, the sacrifices she will face, and the bold vision that will make her a legend. Praise for *Georgia* "Complex and original . . . Georgia conveys O'Keeffe's joys and disappointments, rendering both the woman and the artist with keenness and consideration."—The New York Times Book Review "As magical and provocative as O'Keeffe's lush paintings of flowers that upended the art world in the 1920s . . . Tripp inhabits Georgia's psyche so deeply that the reader can practically feel the paintbrush in hand as she creates her abstract paintings and New Mexico landscapes. . . . Evocative from the first page to the last, Tripp's *Georgia* is a romantic yet realistic exploration of the sacrifices one of the foremost artists of the twentieth century made for love."—USA Today "Sexually charged . . . insightful . . . Dawn Tripp humanizes an artist who is seen in biographies as more icon than woman. Her sensuous novel is as finely rendered as an O'Keeffe painting."—The Denver Post "A vivid work forged from the actual events of O'Keeffe's life . . . [Tripp] imbues the novel with a protagonist who forces the reader to consider the breadth of O'Keeffe's talent, business savvy, courage and wanderlust. . . . [She] is vividly alive as she grapples with success, fame, integrity, love and family."—Salon

**Blood at the Root: A Racial Cleansing in America** - Patrick Phillips

2016-09-20

“Gripping and meticulously documented.”—Don Schanche Jr., Washington Post Forsyth County, Georgia, at the turn of the twentieth century, was home to a large African American community that included ministers and teachers, farmers and field hands, tradesmen, servants, and children. But then in September of 1912, three young black laborers were accused of raping and murdering a white girl. One man was dragged from a jail cell and lynched on the town square, two teenagers were hung after a one-day trial, and soon bands of white “night riders” launched a coordinated campaign of arson and terror, driving all 1,098 black citizens out of the county. The charred ruins of homes and churches disappeared into the weeds, until the people and places of black Forsyth were forgotten.

National Book Award finalist Patrick Phillips tells Forsyth’s tragic story in vivid detail and traces its long history of racial violence all the way back to antebellum Georgia. Recalling his own childhood in the 1970s and ’80s, Phillips sheds light on the communal crimes of his hometown and the violent means by which locals kept Forsyth “all white” well into the 1990s. In precise, vivid prose, *Blood at the Root* delivers a “vital investigation of Forsyth’s history, and of the process by which racial injustice is perpetuated in America” (Congressman John Lewis).

“You're hooked, you feel every cut, grope up every cliff, swallow water with every spill of the canoe, sweat with every draw of the bowstring. Wholly absorbing [and] dramatic.”—Harper's Magazine The setting is the Georgia wilderness, where the states most remote white-water river awaits. In the thundering froth of that river, in its echoing stone canyons,

four men on a canoe trip discover a freedom and exhilaration beyond compare. And then, in a moment of horror, the adventure turns into a struggle for survival as one man becomes a human hunter who is offered his own harrowing deliverance. Praise for *Deliverance* “Once read, never forgotten.”—Newport News Daily Press “A tour de force . . . How a man acts when shot by an arrow, what it feels like to scale a cliff or to capsize, the ironic psychology of fear: these things are conveyed with remarkable descriptive writing.”—The New Republic “Freshly and intensely alive . . . with questions that haunt modern urban man.”—Southern Review “A fine and honest book that hits the reader's mind with the sting of a baseball just caught in the hand.”—The Nation “[James Dickey's] language has descriptive power not often matched in contemporary American writing.”—Time “A harrowing trip few readers will forget.”—Asheville Citizen-Times “A novel that will curl your toes . . . Dickey's canoe rides to the limits of dramatic tension.”—New York Times Book Review “A brilliant and breathtaking adventure.”—The New Yorker

[We Were the Lucky Ones](#) - Georgia Hunter 2019-07-30

The New York Times bestseller with more than 1 million copies sold worldwide Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. “Love in the face of global adversity? It couldn't be more timely.” —Glamour It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century’s darkest moment, the human spirit can endure and even thrive.

**The Caucasus** - Thomas De Waal 2018-12-03

Fully revised and updated, Tom de Waal's *The Caucasus* is an essential and authoritative introduction to this complex region. Armenia, Azerbaijan, Georgia, and the breakaway territories that have tried to split away from these states constitute one of the most diverse and challenging regions on

earth, impressing the visitor with their multi-layered history, ethnic complexity, and seemingly intractable conflicts. Over the last few years, the South Caucasus region has captured international attention again because of its role in disputes between the West and Russia, its unsolved conflicts, and its role as an energy transport corridor to Europe. De Waal begins with a historical overview and then shifts his attention to the contemporary era, particularly the roiling conflicts over Nagorny Karabakh, South Ossetia, and Abkhazia. He also analyzes the energy politics of the region, the 2008 "Five-Day War" between Georgia and Russia, and recent political changes in all three countries. In addition, the book features brief snapshots of fascinating side topics such as Georgian wine, Baku jazz, and how the coast of Abkhazia came to be known as the "Soviet Florida." Concise, stimulating, and rich in detail, *The Caucasus* is the perfect guide to this fascinating and misunderstood region.

*Georgia Boy* - Erskine Caldwell 2011-06-21

Fourteen stories that follow a young boy coming of age in a dysfunctional family in the rural South Meet William Strop, a young son of the South whose charming voice and mordant observations of family and culture make him one of American literature's most memorable narrators. In these fourteen interwoven stories, William details the high (and low) points of his family history, focusing particularly on his lazy, scheming father, Morris, his put-upon mother, Martha, and his confidante, Handsome Brown, a young black farmhand. As Morris matches wits with strangers and neighbors alike in constant pursuit of get-rich-quick plans, Martha tries to hold the family together without the aid of any discernable income. Told with the polish and moral resonance of fables, *Georgia Boy* captures the beauty and tragedy of life in the rural South during the twentieth century. This ebook features an illustrated biography of Erskine Caldwell including rare photos

and never-before-seen documents courtesy of the Dartmouth College Library.
