Dancing with Bees is Strawbridge Howard's charming and eloquent account of a return to noticing, to rediscovering a perspective on the world that had somehow been lost to her for decades and to reconnecting with the natural world. With special care and attention to the plight of pollinators, including honeybees, bumblebees, and solitary bees, and what we can do to help them, Strawbridge Howard shares fascinating details of the lives of flora and fauna that have filled her days with ever-increasing wonder and delight.

Carlson isn't out to anyone in small-town Stratton, Pennsylvania, only to distant friends and family, so a relationship is out of the question. That doesn't stop him from wanting one, though. When a night-shift call brings him face to thonged butt with a hired stripper whose girl-party gig went terribly wrong, Noel takes pity on the guy and lets him go. But he can't get the encounter out of his mind. Shane has big-time debts to repay, especially to the brother who sacrificed nearly everything for him. His two jobs, in a deli and as a stripper, leave him no time for a social life. But a non-date of hot sex and takeout food with Noel? He can squeeze that in. The bond they form is stronger than either expected or wanted. Especially since the step Shane's about to take to put his brother-and his soul-back in the black isn't quite legal. And he never calculated just how much his determination to make things right will cost him in the end.

Warning: Following on from the Cost of Repairs series, this book contains a closeted cop who's looking for love, an indebted stripper who doesn't believe he's worthy, and a tasteful abundance of dirty guy sex. Also contains references to past physical abuse some readers may find disturbing. *Shattered by the CEO* - Emilie Rose 2008-05-01 CEO Rand Kincaid had never been coerced—until his entire future was at stake. Tempt Me Like This: The Morrisons, Book 2

(Contemporary Romance) - Bella Andre 2015-08-19

"Sexy and heart-wrenchingly powerful, TEMPT ME LIKE THIS will make you cheer, laugh and cry." ~ 5 stars As one of the biggest rock stars in the business, Drew Morrison can have anything—and anyone—he wants. Only Ashley Emmit, who has joined his tour to work on a college research project, is completely off-limits. Drew promised her father that, once the tour was over, he would send her home pure and untouched by the rock 'n' roll world. But he has never been so tempted by anyone in his entire life. How is he going to make it through this tour without giving in to the urge to drag her into his arms and kiss her breathless?

Ashley has always lived by the rules. But from the moment she meets Drew, none of those rules make

sense anymore. Not only does Drew's music affect her deeply...but she's never wanted to kiss anyone so badly. Not that a magnetic star like Drew would ever feel the same way about a brainiac like her, of course. And even if he did, she knows from painful experience that two people as different as they are simply don't belong together. But when the attraction between Drew and Ashley burns hotter every moment they're together on the tour bus—and they begin to share their deeply hidden and emotional secrets—will either of them be able to resist temptation? Or could giving in to their feelings lead them straight toward a love they never saw coming... "Ashley and Drew are swoon worthy in TEMPT ME LIKE THIS! Bella Andre never disappoints." ~ 5 stars "Insightful and intense, passionate and dramatic! Nobody can make angst sound so delicious like Bella Andre." ~ 5 stars * * * *

The Island of the Great Mother, Or, The Miracle of Île Des Dames - Gerhart Hauptmann 1925

Begun in 1916, first published in 1924, this an almost poetic utopian work. About one hundred women and a twelve-year-old boy shipwrecked from a luxury liner on an unknown South Sea island establish a matriarchal society, a paradise of natural existence. In this society children are regarded as of divine origin, and there is a taboo on even considering who the father of any given child may be. The island religion resembles ancient Greek mythology but with Hindu and Buddhist aspects. As the male children grow up, they are exiled to the other side of the island where they

develop a different kind of society and even establish contact with the outside world.

Eventually, the matriarchal rule is ended by a revolt of the men, who bring society back to the more usual 'civilized' aspects and end this temporary, utopian, ideal world.
