WHY EVERY PARENT & MUSIC TEACHER SHOULD USE THIS

SONGBOOK! Learning to make music provides an excellent path to development in children. Plus it is joyful and fun. But learning has not always been easy. Traditional methods start with abstract symbols and concepts. The author began searching for a simpler, more intuitive way to teach music to his then three-year-old son. In his search, he began combining ideas from the worlds of design, early childhood education, film scoring and even storytelling. Thus, the
