The Right Wish - Michelle Mankin 2020-03-09

A modern-day retelling of Snow White by New York Times bestselling author Michelle Mankin. Once upon a time with a beautiful hooker who used to be a princess, and a handsome manager for rock stars who is more than he seems. She's kind and fanciful. He's bossy and straightforward. She has nothing and feels like her life has no value. He has a reliable well-paying job that keeps his bank account full, yet his yearning heart is empty. Both have hidden their true selves away. But if your secret self is hidden, how can the right person ever find and fall in love with the real you? Two lost and lonely souls arrange to meet at a pay-by-the-hour motel. Is it happenstance, fate, or a wish come true when his carefully crafted reality and her make-believe one collide? *The Right Wish* by New York Times bestselling author Michelle Mankin is a modern-day retelling of Snow White. Dress up. What once was lost is found. Hope in the most unlikely of places. Kindness over evil. Do you believe? In fairy tales? In happily ever after? In love?

Sun, Sand and Somals - Henry A. Rayne 1921

Baby Daddy - Kendall Ryan 2018-02-27

A hot and hilarious new standalone from New York Times bestseller Kendall Ryan. We met in a trapped elevator. Emmett was on his way to work, sophisticated and handsome in his tailored suit and tie. I was on my way to the sperm bank. Awkward, right? At thirty-five, my life hadn't taken the path I thought it would and I was tired of waiting—I wanted a baby. And I was ready to take matters into my own hands to make it happen. After our ill-fated elevator encounter, Emmett insisted on taking me to dinner—he also insisted on something else—that I ditch my plan involving a turkey baster and let him do the job. He would be my baby daddy. He was a wealthy and powerful CEO with little interest in diapers or playdates. And since he didn't want kids, I'd be on my own once his bun was in my oven, free to go my own way. But once his baby was inside me, it was like a switch had been flipped, and I got a whole lot more than I ever bargained for. This full-length standalone contains a hot, swoonworthy hero, lots of playful banter and some hot baby-making ! Enjoy.

Sandpiper Cove - Irene Hannon 2017-04-04

Hope Harbor police chief Lexie Graham has plenty on her plate raising her son alone and dealing with a sudden rash of petty theft and vandalism in her coastal Oregon hometown. As a result, she has zero time for extracurricular activities--including romance. Ex-con Adam Stone isn't looking for love either--but how ironic is it that the first woman to catch his eye is a police chief? Yet wishing for things that can never be is foolish. Nevertheless, when Lexie enlists Adam's help to keep a young man from falling into a life of crime, sparks begin to fly. And as they work together, it soon becomes apparent that God may have a different--and better--future planned for them than either could imagine. Lauded by Library Journal as "a master at character development," Irene Hannon welcomes readers back to this charming Oregon seaside village where hearts heal--and love blooms.

The Other Lady Vanishes - Amanda Quick 2019-01-08

The New York Times bestselling author of *The Girl Who Knew Too Much* sweeps readers back to 1930s California--where the most dazzling of illusions can't hide the darkest secrets... After escaping from a private sanitarium, Adelaide Blake arrives in Burning Cove, California, desperate to start over. Working at an herbal tea shop puts her on the radar of those who frequent the seaside resort town: Hollywood movers and shakers always in need of hangover cures and tonics. One such customer is Jake Truett, a recently widowed businessman in town for a therapeutic

rest. But unbeknownst to Adelaide, his exhaustion is just a cover. In Burning Cove, no one is who they seem. Behind facades of glamour and power hide drug dealers, gangsters, and grifters. Into this make-believe world comes psychic to the stars Madame Zolanda. Adelaide and Jake know better than to fall for her kind of con. But when the medium becomes a victim of her own dire prediction and is killed, they're drawn into a murky world of duplicity and misdirection. Neither Adelaide nor Jake can predict that in the shadowy underground they'll find connections to the woman Adelaide used to be--and uncover the specter of a killer who's been real all along...

Haqiqatul-Wahi - Hazrat Mirza Ghulam Ahmad 2018-06-01

In this book the Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.

No Second Chances - Kate Evangelista 2017-05-16

Full of high society debutantes, impossible tasks, and featuring a heroine who has confidence to spare, the final novel in the Dodge Cove trilogy is a modern twist on a classic fairy tale. Natasha was devastated when Jackson, her first love, disappeared without a word only to pop up months later as a famous DJ. But now she's over it--over him!--and ready to move on with her life. Isn't she? Jackson thought he was leaving Dodge Cove behind forever when he set off to LA to start his DJ career. But the one thing he hasn't been able to leave behind is the memory of his first love, Natasha, and now that he's proven his success, he's coming home to win her back... Don't miss No Second Chances, the final book in Kate Evangelista's romantic young adult Dodge Cove trilogy. Praise for The Dodge Cove Trilogy: No Holding Back: "Charming to the max." --Lola, Hit or Miss Books No Love Allowed: "It's like a modern fairy tale." --Camelle, reader on SwoonReads.com "Evangelista takes a familiar story of young love and makes it fresh." --VOYA "Given the growing awareness towards understanding the stigmas, issues and concerns surrounding mental illness, I find it refreshing that this book doesn't preach about what to do or how to be--it just tells a story of two people who fall in love and who just also happen to struggle with issues that deserve a place to be talked about." --Whatsageek.com "The romance was incredible. There was also a great set of secondary characters. Nathan was my favorite. And I'm so thrilled

that he's going to get his own story too. I can't wait for it. The perfect YA contemporary romance for me. It had humor, romance, awesome characters and great writing. Pretty much everything I want in a book." --Stephanie, Bookfever

The Sumerians - Samuel Noah Kramer 2010-09-17

The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."--American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."--Library Journal

Permanent Present Tense - Suzanne Corkin 2013-05-15

In Permanent Present Tense Suzanne Corkin tells the incredible story of the amnesiac Henry Gustave Molaison - known only as H.M. until his death in 2008 - and what he taught medical science, neuroscience and the world. In 1953, at the age of twenty-seven, Molaison underwent an experimental psychosurgical procedure intended to alleviate his debilitating epilepsy. The outcome was devastating - when Molaison awoke he was unable to form new memories and for the rest of his life would be trapped in the moment. But Molaison's tragedy would prove a gift to humanity, illuminating functions and structures of the brain and revolutionizing the neuroscience of memory. His amnesia became a touchstone for memory impairment in other patients. For nearly five decades, distinguished neuroscientist Suzanne Corkin studied Molaison and oversaw his care. Her account of his life and legacy in Permanent Present Tense reveals an intelligent man who, despite his profound amnesia, was altruistic, friendly, open, and humorous. She explores how his case transformed an entire field, helping to address eternal questions. How do we store and retrieve memories? How do we know that there are different kinds of memory, controlled by different brain circuits? Is our identity bound up with remembering? If you can recall people or events for only a few seconds and cannot learn from the past or plan the future, can you still live a meaningful life? Permanent Present explores the astonishing complexity of the human brain with great clarity, sensitivity, and grace, showing how one man's story challenged our very notions of who we are. Suzanne Corkin is Professor of Behavioral Neuroscience and head of the Corkin Lab at MIT. The author of nine books, Corkin lives in Charlestown, Massachusetts. 'A fascinating account of perhaps the most important case study in the history of neuroscience, rich with implications for our understanding of the brain, our experience, and what it means to be human' Steven Pinker, author of 'How the Mind Works' and 'The Stuff of Thought' 'The best way to understand memory is to witness the ways it can disassemble. In this remarkable book, Suzanne Corkin gifts us with a rare insider's view, revealing how a man who could not remember his immediate past so profoundly influenced science's future' David Eagleman, neuroscientist and New York Times-bestselling author of 'Incognito: The Secret Lives of the Brain' 'Suzanne Corkin has written an enjoyable and sensitive story of H.M.'s life and what it has taught us about memory. Millions of patients have been the source of advances in science but few are celebrated as individuals. We learn through H.M. that 'Our brains are like hotels with eclectic arrays of guests-homes to different kinds of memory, each of which occupies its own suite of rooms' Philip A. Sharp, Institute Professor, Massachusetts Institute of Technology, and winner of the Nobel Prize in Physiology or Medicine 'Drawing on her unique investigations over more than four decades, neuroscientist Suzanne Corkin relates the fascinating story of how one severely amnesic man transformed

our understanding of mind, brain, and memory' Howard Gardner, author of 'Multiple Intelligences'

Busted By The MILF! - Alana Church

Ron Hendrick is desperate. Out of money and out of food, he has to shoplift to feed his family. But when he is caught, the sexy security guard decides not to press charges. Ron is going to have to repay his debt to society in a different way. Because Ron's been "Busted By the MILF!" ~~~~~ Excerpt ~~~~~ So close, and so far away. Ron was driving her crazy, even though he had barely made a single move in her direction. Martya's arousal rose with every breath she took, taking in his clean male scent. If the kids hadn't been in the same room, she thought, smiling, she would have already been naked. She shivered at the thought of them making love someday, in front of the fire, the warm orange light gilding their bodies. Which didn't mean she couldn't do anything about the situation. As he spoke quietly, telling her about his theories about love and witches and Disney movies, she moved her hand under the blanket. With quick, deft moves, she unbuttoned his jeans and slipped her hand under the waistband. Jackpot. His manhood filled her hand, hot and hard and erect, and she had to bite her lip to stifle the moan of longing which would have had the girls looking at her curiously. As it was, his softly-spoken narrative stumbled to a halt as she stroked him, and he was unable to pick up the tangled threads of conversation. 'What's the matter?' she teased, running her fingers up and down his length. And damn, what a length it was! 'Cat got your tongue? Or does something else? have something else?' A muted groan, little more than a huff of air, was her only answer. 'From the first moment that I saw you, in the store,' she murmured, leaning close so she could whisper into his ear, 'I wanted you.' She followed up the words with a sharp nip to his earlobe, which won a startled jerk. She licked the lobe in apology, then took it into her mouth, suckling softly. 'So young. And no idea how hot you were. Of course,' she continued, choosing brutal honesty, 'if I had thought you were just jacking things from the store to get your kicks, I would have hauled your ass in to the station and turned you over to the cops, and never given you a second thought.' 'Good thing I wasn't then, isn't it?' 'Oh, yes. And it's always nice to know that your interest is returned.' She ran her thumb around his crown, spreading his moisture around and around the soft flesh, feeling him shiver in frustrated longing. She could sense him shifting on the couch, his hips lifting to push himself into her hand, and smiled. Over the past year, when she had been almost numb from the loss of Harry's death, she had wondered whether she was still attractive. Ron's unabashed desire for her woke a feeling of fierce pride inside her. I'm going to wear his young ass out, she thought.

Light in August - William Faulkner 2011-05-18

"Read, read, read. Read everything—trash, classics, good and bad, and see how they do it. Just like a carpenter who works as an apprentice and studies the master. Read! You'll absorb it. Then write. If it is good, you'll find out. If it's not, throw it out the window." —William Faulkner *Light in August*, a novel about hopeful perseverance in the face of mortality, features some of Faulkner's most memorable characters: guileless, dauntless Lena Grove, in search of the father of her unborn child; Reverend Gail Hightower, who is plagued by visions of Confederate horsemen; and Joe Christmas, a desperate, enigmatic drifter consumed by his mixed ancestry.

Pre-Incident Indicators of Terrorist Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Chasing Forever Down - Nikki Godwin 2013-03-28

After seventeen-year-old Haley Sullivan meets a mysterious stranger who plays by his own rules, she's more than determined to learn every trick of the trade from the master himself. But her dream-chasing mentor disappears after that night, and according to the local newspapers, he's been dead for years. Knowing he's very much alive, Haley enlists best friend Linzi to join her on a scavenger-hunt-style road trip that ultimately lands them in the surf town of Crescent Cove, California. Mystery guy is no mystery here, though – he's Colby Taylor, the west coast's biggest professional surfer. If Haley wants to talk to the wave rider again, she'll have to get past his four intimidating bodyguards who are highly skilled in the business of sending starstruck fangirls back to where they belong. Haley is up for the challenge if it means chasing her dreams and escaping the perfectly corporate future that's been planned for her. But dealing with these bodyguards isn't exactly what Haley imagined it'd be. Sure, being thrown off a jet

ski sucks, but falling in love with one of them might just be worse.

Sapphire Sunset - C. Travis Rice 2022-03-01

For the first time New York Times bestselling author Christopher Rice writes as C. Travis Rice. Under his new pen name, Rice offers tales of passion, intrigue, and steamy romance between men. The first novel, SAPPHIRE SUNSET, transports you to a beautiful luxury resort on the sparkling Southern California coast where strong-willed heroes release the shame that blocks their heart's desires. Logan Murdoch is a fighter, a survivor, and a provider. When he leaves a distinguished career in the Marine Corps to work security at a luxury beachfront resort, he's got one objective: pay his father's mounting medical bills. That means Connor Harcourt, the irresistibly handsome scion of the wealthy family that owns Sapphire Cove, is strictly off limits, despite his sassy swagger and beautiful blue eyes. Logan's life is all about sacrifices; Connor is privilege personified. But temptation is a beast that demands to be fed, and a furtive kiss ignites instant passion, forcing Logan to slam the brakes. Hard. Haunted by their frustrated attraction, the two men find themselves hurled back together when a headline-making scandal threatens to ruin the resort they both love. This time, there's no easy escape from the magnetic pull of their white hot desire. Will saving Sapphire Cove help forge the union they crave, or will it drive them apart once more?

Daddy From Flames - Ashe Moon 2021-04-28

Pregnant and without an alpha, human omega Grayson must rely on his tenacity to provide for his unborn daughter. But when a fire claims his home and everything he's struggled to work for, rescue comes in an unexpected form: the alpha dragon Altair and his flight of firefighters who reluctantly take Grayson into their custody. Altair's resentment of humanity is matched by a conflicting sense of duty to protect the town they share and all who call it home, human or dragon. He and his flight brothers have never had to deal with an omega before—let alone a human—and now they have one living under their roof! Everything Altair thought he knew about humans, omegas, and mates is called into question—and with Grayson's baby on the way, he's about to find out what it's like to be a daddy. *Daddy From Flames* is the first book in the Dragon Firefighters mpreg series. This book features dragon shifters, a human omega, firefighters, an industrial fantasy setting, pregnancy/birth, new dads, a cat, love healing wounds, action, fun, light drama, and, as always, a happily ever after.

When Scotland Was Jewish - Elizabeth Caldwell Hirschman 2015-05-07

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of

the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Heart Secret - Robin D. Owens 2012-08-07

On the faraway planet Celta, there are some things you can never tell—until someone discovers your Heart Secret... When a virulent disease killed the woman he loved and her baby, Garrett Primross was left alive, a reluctant survivor. Now, as a private eye, he strives to banish the memories of his past and rebuild his life. The Healers of Celta have something else in mind: Discover why he survived. He is monitored by Healer Artemisia Panax—his HeartMate, a love he never pursued. Still mourning his loss, he refuses to acknowledge her. Since her family was publicly disgraced, she's used to such treatment. She wants nothing more than to guard her livelihood and protect the secrets she's sworn to keep. Thrown together by duty, Garrett and Artemisia find the body of the last Black Magic Cultist who ruined her family. Suspicion flares, but they have little choice but to investigate the crime together. When their own lives are placed in danger, they realize that denying their HeartMates is only denying their own future.

No Love Allowed - Kate Evangelista 2016-04-19

It's all fun and parties until someone falls in love in this modern fairy tale from author Kate Evangelista. Caleb desperately needs a new fake girlfriend. Either he attends a series of parties for his father's law firm with a pretty girl on his arm, or he gets shipped off to Yale to start a future he's not ready for and isn't sure he wants. And sadly the last unattached girl in his social circle has just made the grievous mistake of falling in love with him. Fortunately, Didi, the waitress at the Country Club who just lost her job, is open to new experiences (also, art supplies are expensive!). It's the perfect setup for them both. Caleb has only one rule for the arrangement: Didi must not fall in love with him. The summer nights tick by in a whirl of lavish parties, and Didi is enjoying her foray into high society. But Caleb soon starts to worry that this time he's the one in danger of falling in love... Praise for No Love Allowed by Kate Evangelista: "The romance was incredible. There was also a great set of secondary characters. Nathan was my favorite. And I'm so thrilled that he's going to get his own story too. I can't wait for it. The perfect YA contemporary romance for me. It had humor, romance, awesome characters, and great writing. Pretty much everything I want in a book." —Stephanie, Bookfever "I read this book three times in succession . . . it's a read that leaves you with that silver lining of optimism and hope that everyone who wants love, can and will find it if they just give love a chance." —Noey Pico, whatsageek.com

House of Earth and Blood - Sarah J. Maas 2020-03-03

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life—working hard all day and partying all night—until a demon murdered her closest friends, leaving her bereft,

wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose—to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion—one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom—and the power of love.

The First Lie - Diane Chamberlain 2013-06-04

An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel Necessary Lies (September 2013). The First Lie gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life in the segregated South. My Not So Wicked Ex-Fiancé - Jennifer Peel 2019-04-29

"Oh. My. Lan. Ta. Thank you, Jennifer Peel, for another fantastic, romantic escape. I could live in your books forever." - Aimee, Getting Your Read On "My Not So Wicked Ex-Fiancé was AMAZING! It more than lived up to the first book in the series. In fact, I think I loved it more." - Author Becky Monson, Best Selling Author of the Spinster Series He rocked her world. She wrecked his. Now their worlds are colliding again. Expensive schools and etiquette classes never prepared Shelby Duchane for Ryder Prescott. He taught her more about life in his hay field classroom beneath a blanket of stars than anyone. Under that Georgia sky, she pledged forever to the farm boy with soul-melting chocolate brown eyes, even though it meant forfeiting her large inheritance. She couldn't wait to clip coupons and buy clothes off the sales rack until death do they part. But then she receives some photos of her intended with someone she had not intended. Brokenhearted, Shelby flees her hometown for Colorado without bothering to say goodbye to her cheating ex-fiancé. A year later and wiser, Shelby's doing her best to move on while running her boutique in Carrington Cove, when Ryder shows up and challenges all she thought she knew. Perhaps he wasn't the wicked ex-fiancé she believed him to be after all. But will Ryder be able to swallow his pride enough

to see why she was so persuaded? Will he realize before it's too late that the only way to heal his own broken heart is to mend Shelby's?

Breaking Dawn - Stephenie Meyer 2008-08-02

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hang. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." - Time "A literary phenomenon." -- The New York Times

Travels in West Africa - Mary Kingsley 2019-06-27

Mary Henrietta Kingsley was an English ethnographic and scientific writer and explorer whose travels throughout West Africa and resulting work helped shape European perceptions of African cultures and British imperialism. After a preliminary visit to the Canary Islands, Kingsley decided to travel to the west coast of Africa. The only non-African women who regularly embarked on (often dangerous) journeys to Africa were usually the wives of missionaries, government officials, or explorers. Exploration and adventure were not seen as fitting roles for women in the Victorian era. Yet, when Mary Kingsley's invalid parents died within six weeks of each other, she followed in her explorer father's footsteps and traveled to Africa against her society's every convention. Here is her lively and witty account of that journey, an immediate bestseller when it first came out in 1897 and every bit as gripping today. Kingsley's complicated and indomitable character shines through in each sentence, as she describes hacking, marching, and climbing her way through the continent. After more than a century, she remains a feminist icon and a most remarkable woman.

Nuclear War Survival Skills - Cresson H. Kearny 2016-01-19

A field-tested guide to surviving a nuclear attack, written by a revered civil defense expert. This edition of Cresson H. Kearny's iconic *Nuclear War Survival Skills* (originally published in 1979), updated by Kearny himself in 1987 and again in 2001, offers expert advice for ensuring your family's safety should the worst come to pass. Chock-full of practical instructions and preventative measures, *Nuclear War Survival Skills* is based on years of meticulous scientific research conducted by Oak Ridge National Laboratory.
