World History: Patterns of Interaction ©
2012 is a highly integrated, high school
world history textbook program with
enhanced HISTORY® curriculum that
provides teachers with a practical and

motivational approach to help students
think critically and reflectively. Together,
HMH & HISTORY® infuse social studies with
streaming video and interactive features
that bring content to life for students and
help them make connections between the
past and present. Meeting the needs of all
learners is no easy task. This is why
Houghton Mifflin Harcourt created World
History: Patterns of Interaction. Designed to
engage students with the narrative while
integrating rich multimedia assets, the
program brings content to life for students
and enriches their understanding. -
