Play Nice But Win - Michael Dell 2021-10-05
WALL STREET JOURNAL BESTSELLER From Michael Dell, renowned founder and chief executive of one of America's largest technology companies, the inside story of the battles that defined him as a leader In 1984, soon-to-be college dropout Michael Dell hid signs of his fledgling PC business in the bathroom of his University of Texas dorm room. Almost 30 years

later, at the pinnacle of his success as founder and leader of Dell Technologies, he found himself embroiled in a battle for his company's survival. What he'd do next could ensure its legacy—or destroy it completely. Play Nice But Win is a riveting account of the three battles waged for Dell Technologies: one to launch it, one to keep it, and one to transform it. For the first time, Dell reveals the highs and lows of the company's

evolution amidst a rapidly changing industry—and his own, as he matured into the CEO it needed. With humor and humility, he recalls the mentors who showed him how to turn his passion into a business; the competitors who became friends, foes, or both; and the sharks that circled, looking for weakness. What emerges is the long-term vision underpinning his success: that technology is ultimately about people and their potential. More than an honest portrait of a leader at a crossroads, *Play Nice But Win* is a survival story proving that while anyone with technological insight and entrepreneurial zeal might build something great—it takes a leader to build something that lasts.

[Both/And](#) - Huma Abedin 2021-11-02

In this beautifully written and propulsive memoir, Huma Abedin—Hillary Clinton’s famously private top aide and longtime adviser—emerges from the wings of American political history to take command of her own story. The daughter of Indian and Pakistani intellectuals and advocates

who split their time between Saudi Arabia, the UK, and the United States, Abedin grew up in many worlds. Both/And grapples with family, legacy, identity, faith, marriage, and motherhood with wisdom and sophistication. Abedin launched full steam into a college internship in the office of the first lady in 1996, never imagining that her work at the White House would blossom into a career in public service, nor that the career would become an all-consuming way of life. Still in her twenties and thirties, she thrived in rooms with diplomats and sovereigns, entrepreneurs and artists, philanthropists and activists, and witnessed many crucial moments in 21st-century American history—Camp David for urgent efforts at Middle East peace in the waning months of the Clinton administration, Ground Zero in the days after the 9/11 attacks, the inauguration of the first African American president of the United States, the convention floor when America nominated its first female presidential candidate. Abedin’s relationship with Clinton has seen both

women through extraordinary personal and professional highs, as well as unimaginable lows. Here, for the first time, is a deeply personal account of Hillary Clinton as mentor, confidante, and role model. Abedin cuts through caricature, rumor, and misinformation to reveal a crystal-clear portrait of Clinton as a brilliant and caring leader a steadfast friend, generous, funny, hardworking, and dedicated. *Both/And* is a candid and heartbreaking chronicle of Abedin's marriage to Anthony Weiner, what drew her to him, how much she wanted to believe in him, the devastation wrought by his betrayals—and their shared love for their son. It is also a timeless story of a young woman with aspirations and ideals coming into her own in high-pressure jobs, and a testament to the potential for women in leadership to blaze a path forward while supporting those who follow in their footsteps. *Both/And* describes Abedin's journey through the opportunities and obstacles, the trials and triumphs, of a full and complex life. Abedin's

compassion and courage, her resilience and grace, her work ethic and mission are an inspiration to people of all ages. "This journey has led me through exhilarating milestones and devastating setbacks," said Abedin. "I have walked both with great pride and in overwhelming shame. It is a life I am—more than anything—enormously grateful for and a story I look forward to sharing."

The Referral Engine - John Jantsch 2012-09-25

The small business guru behind Duct Tape Marketing shares his most valuable lesson: how to get your customers to do your best marketing for you. The power of glitzy advertising and elaborate marketing campaigns is on the wane; word-of-mouth referrals are what drive business today. People trust the recommendation of a friend, family member, colleague, or even stranger with similar tastes over anything thrust at them by a faceless company. Most business owners believe that whether customers refer them is entirely out of their hands. But science

shows that people can't help recommending products and services to their friends-it's an instinct wired deep in the brain. And smart businesses can tap into that hardwired desire. Marketing expert John Jantsch offers practical techniques for harnessing the power of referrals to ensure a steady flow of new customers. Keep those customers happy, and they will refer your business to even more customers. Some of Jantsch's strategies include: -Talk with your customers, not at them. Thanks to social networking sites, companies of any size have the opportunity to engage with their customers on their home turf as never before-but the key is listening. -The sales team is the most important part of your marketing team. Salespeople are the company's main link to customers, who are the main source of referrals. Getting them on board with your referral strategy is critical. -Educate your customers. Referrals are only helpful if they're given to the right people. Educate your customers about whom they should be talking to.

The secret to generating referrals lies in understanding the "Customer Referral Cycle"-the way customers refer others to your company who, in turn, generate even more referrals. Businesses can ensure a healthy referral cycle by moving customers and prospects along the path of Know, Like, Trust, Try, Buy, Repeat, and Refer. If everyone in an organization keeps this sequence in mind, Jantsch argues, your business will generate referrals like a well-oiled machine. This practical, smart, and original guide is essential reading for any company looking to grow without a fat marketing budget.

9-Nov - Colleen Hoover 2016-10-04

When Fallon and aspiring novelist Ben meet and fall in love the day before Fallon's cross-country move, they vow to meet on the same date every year, until Fallon suspects Ben is fabricating their relationship to create the perfect plot twist.

Reach for the Skies - Richard Branson
2011-04-28

One of the world's most famous business leaders

(and a well-known avian fanatic) explores the pioneers of flight. Bestselling author and billionaire entrepreneur Sir Richard Branson has always been obsessed with the skies. To promote a new Virgin Airlines route, he became the first man to water ski behind a blimp. His Virgin Galactic venture will soon offer ordinary people the opportunity to experience spaceflight aboard the first commercial spaceliner, SpaceShipTwo. In *Reach for the Skies*, Branson examines the history of aviation over the last two hundred years, putting the spotlight on trailblazers such as: *Tony Jannus, who made the first ever commercial flight over Tampa Bay, Florida, in 1914. *Leo Valentin, the "bird man" who jumped from 9,000 feet wearing a pair of wooden wings in the 1950s. *Steve Fossett, who broke 130 world records in planes, balloons, and airships. The pioneers of flight-not just the world-famous Wright Brothers, but also lesser known visionaries and dreamers-made it possible for any of us with the desire and the commitment to

reach for the skies ourselves.

[The Best Laid Plans](#) - Cameron Lund 2021-02-02
High school senior Keely Collins takes on firsts, lasts, and everything in between in this sweet, sex-positive rom-com for fans of Meg Cabot and Jenny Han. It seemed like a good plan at first. When the only other virgin in her group of friends loses it at Keely's own eighteenth birthday party, she's inspired to take things into her own hands. She wants to have that experience too (well, not exactly like that--but with someone she trusts and actually likes), so she's going to need to find the guy, and fast. Problem is, she's known all the boys in her small high school forever, and it's kinda hard to be into a guy when you watched him eat crayons in kindergarten. So she can't believe her luck when she meets a ridiculously hot new guy named Dean. Not only does he look like he's fallen out of a classic movie poster, but he drives a motorcycle, flirts with ease, and might actually be into her. But Dean's already in college, and Keely is convinced he'll drop her if

he finds out how inexperienced she is. That's when she talks herself into a new plan: her lifelong best friend, Andrew, would never hurt or betray her, and he's clearly been with enough girls that he can show her the ropes before she goes all the way with Dean. Of course, the plan only works if Andrew and Keely stay friends--just friends--so things are about to get complicated. Cameron Lund's delightful debut is a hilarious and heartfelt story of first loves, first friends, and first times--and how making them your own is all that really matters.

The Virginity Club - Kate Brian 2005-04-26

When an announcement is made for a special scholarship, four best friends begin a special club that is designed to demonstrate the "purity" required by the scholarship committee.

[The Years](#) - Annie Ernaux 2017-11-21

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Shortlisted for the 2019 Man Booker International Prize Considered by many to be the iconic French memoirist's defining work and a

breakout bestseller when published in France in 2008 *The Years* is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from 6 decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we recognize as the author's continually dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, *The Years* came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author, *The Years* was in many ways a departure: both an intimate memoir "written" by

entire generations, and a story of generations telling a very personal story. Like the generation before hers, the narrator eschews the "I" for the "we" (or "they", or "one") as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): "From a common fund of hunger and fear, everything was told in the "we" and impersonal pronouns." Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize *Like a Virgin* - Richard Branson 2012-09-25 It's business school, the Branson way. Whether you're interested in starting your own business, improving your leadership skills, or simply looking for inspiration from one of the greatest entrepreneurs of our time, Richard Branson has the answers. Like a Virgin brings together some of his best advice, distilling the experiences and

insights that have made him one of the world's most recognized and respected business leaders. In his trademark thoughtful and encouraging voice, Branson shares his knowledge like a close friend. He'll teach you how to be more innovative, how to lead by listening, how to enjoy your work, and much more. In hindsight, Branson is thankful he never went to business school. Had he conformed to the conventional dos and don'ts of starting a business, would there have been a Virgin Records? A Virgin Atlantic? So many of Branson's achievements are due to his unyielding determination to break the rules and rewrite them himself. Here's how he does it.

Review of Forensic Medicine and Toxicology - Gautam Biswas 2012-07-20

Up-to-date information, substantial amount of material on clinical Forensic Medicine included in a nutshell. Medical Jurisprudence, Identification, Autopsy, Injuries, Sexual Offences, Forensic Psychiatry and Toxicology are dealt with elaborately.

WEconomy - Sir Craig Kielburger 2018-03-07
***100% of Author Royalties are being donated to charity in keeping with the belief that WEconomy can indeed change the world by empowering families in developing communicates to lift themselves out of poverty with the small business training these book sales are providing. Track your individual impact on a global scale with the specific code on your book's back cover at WE.org. Your guide to 'Business with Benefits'... for All! change the world - who wouldn't want to be the person doing that?

Invention - James Dyson 2021-09-07

Dyson has become a byword for high-performing products, technology, design, and invention. Now, James Dyson, the inventor and entrepreneur who made it all happen, tells his remarkable and inspirational story in *Invention: A Life*, "one of the year's most relevant and revelatory business books" (The Wall Street Journal). Famously, over a four-year period, James Dyson made 5,127 prototypes of the cyclonic vacuum cleaner that would transform the way houses are cleaned around the world. In devoting all his resources to iteratively setbacks came hard-fought success. His products—including vacuum cleaners, hair dryer and hair stylers, and fans and purifiers—are not only revolutionary technologies, but design classics. This was a legacy of his time studying at the Royal College of Art in the 1960s, when he was inspired by some of the most famous artists,

designers, and inventors of the era, as well as his engineering heroes such as Frank Whittle and Alex Issigonis. In *Invention: A Life*, Dyson reveals how he came to set up his own company and led it to become one of the most inventive technology companies in the world. It is a compelling and dramatic tale, with many obstacles overcome. Dyson has always looked to the future, even setting up his own university to help provide the next generation of engineers and designers. For, as he says, "everything changes all the time, so experience is of little use." Whether you are someone who has an idea for a better product, an aspiring entrepreneur, whether you appreciate great design or a page-turning read, *Invention: A Life* is an "entertaining and inspiring memoir" (Kirkus Reviews, starred review) that offers motivation, hope, and much more.

The Virgin Way - Richard Branson 2014-09-09
In September 2012, a YOUNGOV poll conducted in Britain found that the person British workers

would most like as their manager was Sir Richard Branson. With over 40 years in business, Richard Branson is an inspiring pioneer of humanitarian projects and an iconic business leader. In *The Virgin Way: How to Listen, Learn, Laugh and Lead*, Richard shares and distils his secrets of leadership and success. Featuring anecdotes from his own business dealings, as well as his observations of many others who have inspired him "from politicians, business leaders, explorers, scientists and philanthropists" Richard reflects on the qualities he feels are essential for success in today's world. This is not a conventional book on leadership. There are no rules "but rather the secrets of leadership that he has learned along the way from his days at Virgin Records, to his recent work with The Elders. Whether you're at the beginning of your career, or head of a Fortune 500 company" this is your guide to being your own CEO (Chief Enabling Officer) and becoming a true leader "not just a boss.

Let's Not Screw It, Let's Just Do It - Richard Branson 2011-10-28

Throughout my life I have achieved many remarkable things. In this book I'll share with you my ideas and secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and into new and exciting areas - such as launching Virgin fuels. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I

have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

Losing My Virginity - Richard Branson 2011-10-28

Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business Losing My

Virginity is an autobiography without equal.
You're in Charge, Now What? - Thomas J. Neff
2007-03-27

When you start a new job, you are in a “temporary state of incompetence,” faced with having to do the most when you know the least. Tom Neff and Jim Citrin, two of the world’s experts on leadership and career achievement, know what it takes to succeed in a new position. Through compelling, first-hand stories, from CEOs like Jeffrey Immelt of GE and Bob Eckert of Mattel, You’re in Charge—Now What? offers an eight-point plan to show you how to lay the groundwork for long-term momentum and great performance.

Gideon the Ninth - Tamsyn Muir 2019-09-10
Gideon the Ninth is the first book in the New York Times and USA Today Bestselling Locked Tomb Trilogy, and one of the Best Books of 2019 according to NPR, the New York Public Library, Amazon, BookPage, Shelf Awareness, BookRiot, and Bustle! WINNER of the 2020 Locus Award

and Crawford Award Finalist for the 2020 Hugo, Nebula, Dragon, and World Fantasy Awards
“Unlike anything I’ve ever read.” —V.E. Schwab
“Lesbian necromancers explore a haunted gothic palace in space!” —Charles Stross
“Deft, tense and atmospheric, compellingly immersive and wildly original.” —The New York Times
The Emperor needs necromancers. The Ninth Necromancer needs a swordswoman. Gideon has a sword, some dirty magazines, and no more time for undead nonsense. Tamsyn Muir’s Gideon the Ninth unveils a solar system of swordplay, cut-throat politics, and lesbian necromancers. Her characters leap off the page, as skillfully animated as arcane revenants. The result is a heart-pounding epic science fantasy. Brought up by unfriendly, ossifying nuns, ancient retainers, and countless skeletons, Gideon is ready to abandon a life of servitude and an afterlife as a reanimated corpse. She packs up her sword, her shoes, and her dirty magazines, and prepares to launch her daring escape. But her childhood

nemesis won't set her free without a service. Harrowhark Nonagesimus, Reverend Daughter of the Ninth House and bone witch extraordinaire, has been summoned into action. The Emperor has invited the heirs to each of his loyal Houses to a deadly trial of wits and skill. If Harrowhark succeeds she will become an immortal, all-powerful servant of the Resurrection, but no necromancer can ascend without their cavalier. Without Gideon's sword, Harrow will fail, and the Ninth House will die. Of course, some things are better left dead. THE LOCKED TOMB TRILOGY BOOK 1: Gideon the Ninth BOOK 2: Harrow the Ninth BOOK 3: Alecto the Ninth At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Virgin Chronicles - Marina DelVecchio
2022-04-26

Kathy is a virgin in her twenties trying to navigate the blurred lines between sex and love even as outside forces attempt to detach her from her sexual autonomy. At home, her

adoptive mother's eyes investigate her body for evidence of sexual promiscuity and, despite her protests, she is called a putana—a whore—for her perceived sexual debauchery. At work, meanwhile, she is sexually harassed by male managers who slap her butt, tell her they want Greek for lunch (wink, wink), and fill out recommendation forms about her sexy qualities. A young girl on the cusp of womanhood, she encounters a version of herself as men experience her: hypersexualized and objectified. As if this is not enough, Kathy enters the dating scene in search of love only to find herself fending off young men who want her just for sex. In each relationship, Kathy uncovers her own strength and conviction as she fights for the kind of sex she wants instead of the kind of empty sex boys seem to require of girls. The more demands they make, the more determined she is to hold out for love—even if it means losing a guy or going home single and alone. Raw and empowering, *The Virgin Chronicles* sends the

message that love is worth waiting for and sex is better when it's paired with self-actualization.

100 Queer Poems - Andrew McMillan

2022-06-02

Mary Jean Chan and Andrew McMillan's luminous anthology, *100 Queer Poems*, is a celebration of thrilling contemporary voices and visionary poets of the past. Featuring Elizabeth Bishop, Langston Hughes, Ocean Vuong, Carol Ann Duffy, Kae Tempest and many more. Encompassing both the flowering of queer poetry over the past few decades and the poets who came before and broke new ground, *100 Queer Poems* presents an electrifying range of writing from the twentieth century to the present day. Questioning and redefining what we mean by a 'queer' poem, you'll find inside classics by Elizabeth Bishop, Langston Hughes, Wilfred Owen, Charlotte Mew and June Jordan, central contemporary figures such as Mark Doty, Jericho Brown, Carol Ann Duffy, Kei Miller, Kae Tempest, Natalie Diaz and Ocean Vuong, alongside thrilling new voices

including Chen Chen, Richard Scott, Harry Josephine Giles, Verity Spott and Jay Bernard. Curated by two widely acclaimed poets, Mary Jean Chan and Andrew McMillan, *100 Queer Poems* moves from childhood and adolescence to forging new homes and relationships with our chosen families, from urban life to the natural world, from explorations of the past to how we find and create our future selves. It deserves a place on the shelf of every reader keen to discover and rediscover how queer poets speak to one another across the generations.

Tough Choices - Carly Fiorina 2011-02-22

By accepting the CEO job at Hewlett-Packard, an iconic company that had lost its way, Carly Fiorina confirmed her status as the most powerful businesswoman in America. But she also made herself a target for everyone who disliked her bold leadership style and resented her rapid rise. For six years, as she led HP through drastic changes and a controversial merger, Fiorina was the subject of endless analysis, debate and

speculation. Yet in all that time, the public never really got to know the person behind the persona. Tough Choices finally reveals the real Carly Fiorina, who writes with brutal honesty about her triumphs and failures, her deepest fears and most painful confrontations – including her sudden and very public firing by HP's board of directors. Tough Choices shows what it's really like to lead a major corporation in a time of great change while trying to stay true to your values. It's one woman's inspiring story, along with her unique perspective on leadership, technology, globalisation, sexism and many other issues. "Superb... certain to be a hit. Ms Fiorina is at her best when recounting the travails of a woman in a male-dominated culture. She is also good in her psychological descriptions of the constant betrayals that occur in corporate bureaucracies. The woman that emerges from these pages is cultured, sensitive and vulnerable, even as she acts tough." —The Economist
Sorry Not Sorry - Naya Rivera 2016-09-13

Funny and deeply personal, *Sorry Not Sorry* recounts Glee star Naya Rivera's successes and missteps, urging young women to pursue their dreams and to refuse to let past mistakes define them. Navigating through youth and young adulthood isn't easy, and in *Sorry Not Sorry*, Naya Rivera shows us that we're not alone in the highs, lows, and in-betweens. Whether it's with love and dating, career and ambition, friends, or gossip, Naya inspires us to follow our own destiny and step over--or plod through--all the crap along the way. After her rise and fall from early childhood stardom, barely eking her way through high school, a brief stint as a Hooters waitress, going through thick and thin with her mom/manager, and resurrecting her acting career as Santana Lopez on *Glee*, Naya emerged from these experiences with some key life lessons: Sorry: - All those times I scrawled "I HATE MY MOM" in my journal. So many moms and teenage daughters don't get along--we just have to realize it's nothing personal on either

side. - At-home highlights and DIY hair extensions. Some things are best left to the experts, and hair dye is one of them. - Falling in love with the idea of a person, instead of the actual person. Not Sorry: - That I don't always get along with everyone. Having people not like you is a risk you have to take to be real, and I'll take that over being fake any day. - Laughing at the gossip instead of getting upset by it. - Getting my financial disasters out of the way early--before I was married or had a family--so that the only credit score that I wrecked was my own. Even with a successful career and a family that she loves more than anything else, Naya says, "There's still a thirteen-year-old girl inside of me making detailed lists of how I can improve, who's never sure of my own self-worth." Sorry Not Sorry is for that thirteen-year-old in all of us.

How I Lost My Virginity - Ellen Richardson
2019-08-02

Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great

business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business, let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. Losing My Virginity is a portrait of a productive, sane, balanced life,

filled with rich and colorful stories:

[ALEX FERGUSON My Autobiography](#) - Alex Ferguson 2013-10-24

Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly

entertaining and above all inspirational.

[Screw Business As Usual](#) - Richard Branson 2017-04-04

From the trailblazing founder and CEO of the Virgin Group, a powerful argument for using business to make a positive impact in the world. Richard Branson, one of the world's most famous and admired business leaders, argues that it's time to turn capitalism upside down—to shift our values from an exclusive focus on profit to also caring for people, communities and the planet. As he writes, “My message is a simple one: business as usual isn't working. In fact, it's 'business as usual' that's wrecking our planet. Resources are being used up; the air, the sea, the land—are all heavily polluted. The poor are getting poorer. Many are dying of starvation or because they can't afford a dollar a day for life-saving medicine. . . . Prophesying doom and gloom is simply not my style. . . . I think business can help fix things and create a more prosperous world for everyone. I happen to believe in

business because I believe that business can be a force for good. By that I mean doing good is good for business." Screw Business as Usual shows how easy it is for both businesses and individuals to embark on a whole new way of doing things, solving major problems and turning our work into something we both love and are proud of.

Ending the War on Drugs - 2016-03-24

For the last 50 years, drug prohibition laws have put the market for illegal drugs into the hands of organised criminals. Now, it's time to take control. Ending the failed war on drugs will reduce drug-related violence, tackle organised crime, end the needless criminalisation of millions, and will halt the drain on government funds and resources. In this book, global opinion-leaders on the frontline of the drug debate describe their experiences and perspectives on what needs to be done. Highlighting the pitfalls behind drug policy to-date and bringing to light new policies and approaches, which make a clear case for galvanizing governments to end the war

on drugs – once and for all.

Losing It - Kate Monro 2014-02-07

Kate Monro's searingly honest, groundbreaking survey of modern sexuality, and the secret story harboured by us all.

Business Stripped Bare - Richard Branson 2011-04-26

"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can

succeed and make a difference.

Extra Virginity: The Sublime and Scandalous World of Olive Oil - Tom Mueller 2011-12-05

"[Mueller reveals] the brazen fraud in the olive oil industry and [teaches] readers how to sniff out the good stuff." —Dwight Garner, New York Times For millennia, fresh olive oil has been one of life's necessities—not just as food but also as medicine, a beauty aid, and a vital element of religious rituals. But this symbol of purity has become deeply corrupt. A superbly crafted combination of cultural history and food manifesto, *Extra Virginity* takes us on a journey through the world of olive oil, opening our eyes to olive oil's rich past as well as to the fierce contemporary struggle between oil fraudsters of the globalized food industry and artisan producers whose oil truly deserves the name "extra virgin."

Screw It, Let's Do It - Sir Richard Branson
2011-08-04

Throughout my life I have achieved many

remarkable things. In *Screw It, Let's Do It*, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on *Gaia Capitalism* to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In *Screw It, Let's Do It* I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I

have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

Virgin by Design - Nick Carson 2020-04-28

A celebration of fifty years of daring innovation at the iconic Virgin brand. There is only one brand that could start as a record company and evolve into an airline, a hotel chain, and a space-flight provider—and that brand is Virgin. Because of the daring vision and marketing genius of Richard Branson, Virgin has defied categorization and broken all the rules of business while creating one of the most recognizable companies of all time. This new volume is a celebration of fifty years of bold innovation at Virgin. Lavishly illustrated, it tells the story of the creation and development of a globally respected brand. More than a retrospective, this book gets to the very heart of the Virgin brand, telling the gutsy origin story while examining why audiences and consumers adore all things Virgin. Virgin by

Design is for anyone interested in corporate identity, innovation, and stories of breaking the rules. With signature Virgin flair, this book includes chapters on being playful in business, risks without recklessness, collaboration, and using business to do good. Virgin companies past and present are featured, including those that were launched and closed, such as Virgin Cola and Virgin Brides, highlighting the company's resilience and spirit alongside its creativity and success.

Diagnosis Normal - Emma A. Jane 2022-03-01

'I have three gears: glum melancholy, inappropriate outbursts, and extreme slapstick. On a good day, I can pass as normal but not for too many minutes. I'm what most people would regard as a hardened introvert . . . I like other people. I'm just not very good at them.' Emma Jane has lived a thousand colourful lives. She escaped a small town and a traumatic childhood by moving to Sydney, where she made an indelible imprint on the oppressively blokey

mediascape. She played in an all-girl band, married a rock star she hardly knew, had a baby, ditched journalism for academia, and changed her name from Emma Tom to Emma Jane. But all the while she was struggling with her mental health. Then, during the first Sydney lockdown she was accidentally sectioned in a psychiatric ward. At the time she wasn't sure whether to be more embarrassed by the institutionalisation or the fact she'd forgotten to set her at-home eyebrow dye timer and looked like Groucho Marx. Given everyone suffered some sort of corona-related DIY body hair disaster, however, she decided to focus on her confinement, and when she was subsequently diagnosed with autism spectrum disorder a number of things suddenly fell into place. Emma writes candidly about the complex combination of autism, mental illness and childhood sexual abuse that led to her being the person she is, and explores the impact each has on so many others in society. Critically, by breaking the toxic silence surrounding sexual

violence and mental illness, she raises the possibility of not just surviving them but thriving. As she writes: 'We need to speak unspeakable things. We need more un-pretty stories.'

Heartless - Jade West 2020-09-15

In a single moment, she becomes my obsession... Elaine Constantine will be mine. And her destruction is only my beginning. I've known all my life that the Constantines deserved to be wiped from the face of the earth, only a smoking crater left where their mansion once stood. That's my plan until I see her, the woman in gold with the sinful curves and the blonde curls. My will to dominate her runs as deep as the hate I have for her last name. No matter how beautifully she bends beneath my hands, I'll leave her shattered, a broken toy for her cruel family. I'm a sadist, and she's the object of my obsession. "I'm speechless... My limits were tested and I even found a few hard limits of my own. I still hear that divinely, sexy man demanding those sinfully sweet words." - USA

Today bestselling author B.B. Reid on Dirty Bad Wrong Welcome to the Midnight Dynasty... The warring Morelli and Constantine families have enough bad blood to fill an ocean, and their brand new stories will be told by your favorite dangerous romance authors. WARNING: This book is intended for readers eighteen years old and over. It contains material that some readers could find disturbing. Enter at your own risk...

Finding My Virginity - Richard Branson
2018-07-10

Twenty years after his iconic memoir Losing My Virginit

y, the world's ultimate entrepreneur is back with the rest of the story. Richard Branson's Losing My Virginity shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: "Screw it, let's do it." Now, fifty years after starting his first business, Branson shares the candid details of a

lifetime of triumphs and failures and what he really thinks about his unique life and career. Finding My Virginit

y is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world's first commercial spaceline. Finding My Virginity takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It's also the story of Branson's evolution from hotshot entrepreneur to passionate philanthropist and public servant,

via Virgin Unite's environmental and health initiatives and through the Elders, a council of influential global leaders. And it's the story of his personal quest to become a better son, husband, father, and "grand-dude" to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

Out of the Easy - Ruta Sepetys 2013

Josie, the 17-year-old daughter of a French Quarter prostitute, is striving to escape 1950 New Orleans and enroll at prestigious Smith College when she becomes entangled in a murder investigation, in this eagerly anticipated follow-up to "Between Shades of Gray."

[Choose Wonder Over Worry](#) - Amber Rae
2018-05-15

Offers advice to move beyond the fears and

doubts that prevent individuals from creating a life that reflects who they truly are and discusses how to rewrite the internal "worry" narratives that hide the best and truest self.

Losing My Virginity and Other Dumb Ideas -
Madhuri Banerjee 2011-03-03

Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet; she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution—love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a rollercoaster ride filled with ideas; ideals and adventures—each new day competing with yesterday to make her rethink and re-evaluate life and love.

Finding My Virginity - Richard Branson

2017-10-05

Never lose the thrill of trying something for the first time. Fifty years ago, Sir Richard Branson started his first business. In his new autobiography, Finding My Virginity, the Virgin Founder shares his personal, intimate thoughts on five decades as the world's ultimate entrepreneur. Following on from where bestselling Losing My Virginity left off at the dawn of the new millennium, Finding My Virginity reveals how Branson created 12 different billion dollar businesses and hundreds more companies across dozens of sectors, whilst breaking world records on land, sea and air. It takes us behind the scenes as Sir Richard Branson creates the

world's first commercial spaceline, Virgin Galactic, and handles the biggest crisis he has ever faced. Join Sir Richard as he juggles working life with raising his children Holly and Sam, building a marriage with his wife Joan and creating a unique company culture. Discover how he created a new life on Necker Island, while continuing to grow the Virgin brand into all corners of the world. Get the real story behind adventures and run-ins with everyone from Bill Gates and Kate Moss to Nelson Mandela and Barack Obama. This is the true account of how the Virgin Founder reinvented himself and his brand for the 21st century, while continuing to push boundaries, break rules and reach for the stars in more ways than one. This is the story of the man behind the beard, the business, the bravado and the brand. Find out how the ultimate entrepreneur did it for the first time - all over again.

Jesus: My Autobiography - Tina Louise

Spalding 2015-06-01

“I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life.” The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in

your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus

[Losing My Virginity](#) - Richard Branson 2005
Candid, funny, inspirational and often revealing about Branson's family, close friends and his personal philosophy on life and business, this long-awaited autobiography covers dramatic events such as the dirty tricks campaign and the balloon adventures.
