Splendours And Miseries Images Of Prostitution In L is available in our book collection an online access to it is set as public so you can download it instantly.

Our book servers spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Splendours And Miseries Images Of Prostitution In L is universally compatible with any devices to read

Marianne Meets the Mormons - Heather Belnap 2022-10-25

In the nineteenth century, a fascination with the Church of Jesus Christ of Latter-day Saints made Mormons and Mormonism a common trope in French journalism, art, literature, politics, and popular culture. Heather Belnap, Corry Cropper, and Daryl Lee bring to light French representations of Mormonism from the 1830s to 1914, arguing that these portrayals often critiqued and parodied French society. Mormonism became a pretext for reconsidering issues such as gender, colonialism, the family, and church-state relations while providing artists and authors with a means for working through the possibilities of their own evolving national identity. Surprising and innovative, Marianne

Meets the Mormons looks at how nineteenth-century French observers engaged with the idea of Mormonism in order to reframe their own cultural preoccupations.

The Belly of Paris - Émile Zola
2009-06-25

Includes bibliography, chronology, explanatory notes.

The Gospel of Life - Pope John Paul II 1995

Scritture e linguaggi del turismo - Laura Balbiani 2017-10-31

La scrittura turistica è luogo di formazione e trasformazione dell'esperienza di viaggio, reale o virtuale, e contribuisce alla creazione dell'immaginario sui luoghi e sui beni culturali. Il testo turistico apre orizzonti narrativi in cui si mescolano aspetti descrittivi

(informazioni su monumenti e siti) ed elementi emotivi (l'esperienza del viaggiatore, le sue impressioni), e si fa mediatore tra beni culturali e diverse tipologie di destinatari, oltre che tra diverse culture. I saggi raccolti nel volume osservano il fenomeno turistico da molteplici prospettive e si confrontano sulle diverse modalità interpretative del testo turistico inteso in senso ampio, dalla guida turistica al paesaggio alpino, dal resoconto di viaggio alla recensione in rete. Studiosi provenienti da diversi paesi europei e da diversi settori disciplinari si sono confrontati e interrogati sull'insieme dei problemi connessi alla formazione, all'uso e al valore di senso della scrittura turistica. Dai loro contributi, raggruppati intorno a tre nuclei

tematici: spazi semiotici e strategie linguistiche; storia, immagini e memoria del viaggio; convergenze socio-economiche, scaturisce un quadro dinamico sia per prospettive scientifiche che per metodologie di analisi.

Transcendental Magic - Éliphas Lévi
1923

Painted Love - Hollis Clayson
2003-10-30

In this engrossing book, Hollis Clayson provides the first description and analysis of French artistic interest in women prostitutes, examining how the subject was treated in the art of the 1870s and 1880s by such avant-garde painters as Cézanne, Degas, Manet, and Renoir, as well as by the academic and low-brow painters who

were their contemporaries. Clayson not only illuminates the imagery of prostitution-with its contradictory connotations of disgust and fascination-but also tackles the issues and problems relevant to women and men in a patriarchal society. She discusses the conspicuous sexual commerce during this era and the resulting public panic about the deterioration of social life and civilized mores. She describes the system that evolved out of regulating prostitutes and the subsequent rise of clandestine prostitutes who escaped police regulation and who were condemned both for blurring social boundaries and for spreading sexual licentiousness among their moral and social superiors. Clayson argues that the subject of covert prostitution was especially

attractive to vanguard painters because it exemplified the commercialization and the ambiguity of modern life.

One Hundred Years of Solitude - Gabriel Garcia Marquez 2003-06-24
One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of

Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Mein Kampf - Adolf Hitler 2021-03-19
'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN

KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one

of the most widely circulated and read books worldwide.

The Sumerians - Samuel Noah Kramer
2010-09-17

The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and

modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal *Libertines and Radicals in Early Modern London* - James Grantham Turner 2002

Analyses English sexual culture between the Civil Wars and the death of Charles II.

Performing Nerves - Anna Furse
2020-05-14

Academic interest in hysteria has burgeoned in recent decades. The topic has been probed by feminist theorists, cultural studies specialists, literary scholars, anthropologists, sociologists, psychologists, medical and art historians, as well as novelists. The hysteric is construed as a powerless, voiceless subject, marginalised by the forces of the patriarchy that have been the root cause of their distress, dissembling, and disablement. In *Performing Nerves*, Anna Furse interweaves her artistic and academic practice, drawing on her own performance texts to explore four

different versions of debilitating hysteric suffering. Each text is extensively annotated, revealing the dramaturgical logic and, in turn, the historical, medical, and cultural contexts behind their protagonists' illnesses, which are argued as environmentally caused in each case. This unique, reflective insight into a playwright and director's craft offers not only an account of how mental suffering can manifest in different contexts and times, from the 19th century to today, but also a breadth of access to the ideas that can motivate creative research. This book is an invaluable resource for scholars of theatre studies, performance studies, dramaturgy, 20th-century history, gender studies, and medical humanities.

Inner Experience - Georges Bataille

2014-07-22

Outlines a mystical theology and experience of the sacred founded on the absence of god. Originally published in 1943, *Inner Experience* is the single most significant work by one of the twentieth century's most influential writers. It outlines a mystical theology and experience of the sacred founded on the absence of god. Bataille calls *Inner Experience* a "narrative of despair," but also describes it as a book wherein "profundity and passion go tenderly hand in hand." Herein, he says, "The mind moves in a strange world where anguish and ecstasy take shape." Bataille's search for experience begins where religion, philosophy, science, and literature leave off, where doctrines, dogmas, methods, and the arts collapse. His method of

meditation, outlined and documented here, commingles horror and delight. Laughter, intoxication, eroticism, poetry, and sacrifice are pursued not as ends in and of themselves but as means of access to a sovereign realm of inner experience. This new translation is the first to include Method of Meditation and Post-Scriptum 1953, the supplementary texts Bataille added to create the first volume of his Summa Atheologica. This edition also offers the full notes and annotations from the French edition of Bataille's Oeuvres Complètes, along with an incisive introductory essay by Stuart Kendall that situates the work historically, biographically, and philosophically.

From Caligari to Hitler - Siegfried Kracauer 2019-04-02

An essential work of the cinematic history of the Weimar Republic by a leading figure of film criticism First published in 1947, From Caligari to Hitler remains an undisputed landmark study of the rich cinematic history of the Weimar Republic. Prominent film critic Siegfried Kracauer examines German society from 1921 to 1933, in light of such movies as The Cabinet of Dr. Caligari, M, Metropolis, and The Blue Angel. He explores the connections among film aesthetics, the prevailing psychological state of Germans in the Weimar era, and the evolving social and political reality of the time. Kracauer makes a startling (and still controversial) claim: films as popular art provide insight into the unconscious motivations and fantasies of a nation. With a critical

introduction by Leonardo Quaresima which provides context for Kracauer's scholarship and his contributions to film studies, this Princeton Classics edition makes an influential work available to new generations of cinema enthusiasts.

Cinema: The time-image - Gilles Deleuze 1986

Discusses the theoretical implications of the cinematographic image based on Henri Bergson's theories

Selling Beauty - Morag Martin 2009-10-05

The practices of beauty -- A market for beauty -- Advertising beauty -- Maligning beauty -- Domesticating beauty -- Selling natural artifice -- Selling the orient -- Selling masculinity.

Easy Virtue - Suzanné Bogman 2016

Dit voorjaar is in het Van Gogh Museum Lichte zeden te zien: een spraakmakende tentoonstelling in samenwerking met Musée d'Orsay over de verbeelding van prostitutie in de Franse kunst uit de jaren 1850-1910. Een onderwerp dat nooit eerder in een tentoonstelling op grote schaal is gepresenteerd. Prostitutie was in de tweede helft van de 19de eeuw een favoriet onderwerp in de beeldende kunst. Gretig verbeeldden kunstenaars de prostitutie als aspect van het moderne stadsleven in Parijs en schilderden tippelende vrouwen op de boulevards, rijke courtisanes in hun salon en de afgeleefde prostituees in het bordeel. Het thema was actueel door de talrijke maatschappelijke discussies over de gevaren van prostitutie en de voor- en nadelen van regulering. Lichte zeden, van 19

februari t/m 19 juni in het Van Gogh Museum, laat zien wat kunstenaars aantrok in dit prikkelende, maar ook complexe en gevoelige onderwerp. Exhibition: Van Gogh Museum, Amsterdam, The Netherlands (16.02-19.06.2016).

Flesh and the Ideal - Alex Potts
2000-01-01

Winckelmann's writing has a richness and density that take it well beyond the bounds of the simple rationalist art history and Neo-classical art theory with which it is usually associated. He often seems to speak disturbingly directly to our present awareness of the discomfiting ideological and psychic contradictions inherent in supposedly ideal symbolic forms.

The Book of Love - Paolo Mantegazza
1917

The Only Street in Paris: Life on the Rue des Martyrs - Elaine Sciolino
2015-11-02

A New York Times Bestseller
"Sciolino's sharply observed account serves as a testament to...Paris—the city of light, of literature, of life itself." —The New Yorker
Elaine Sciolino, the former Paris Bureau Chief of the New York Times, invites us on a tour of her favorite Parisian street, offering an homage to street life and the pleasures of Parisian living. "I can never be sad on the rue des Martyrs," Sciolino explains, as she celebrates the neighborhood's rich history and vibrant lives. While many cities suffer from the leveling effects of globalization, the rue des Martyrs maintains its distinct allure. On this street, the patron saint of France was beheaded and the

Jesuits took their first vows. It was here that Edgar Degas and Pierre-Auguste Renoir painted circus acrobats, Emile Zola situated a lesbian dinner club in his novel *Nana*, and François Truffaut filmed scenes from *The 400 Blows*. Sciolino reveals the charms and idiosyncrasies of this street and its longtime residents—the Tunisian greengrocer, the husband-and-wife cheesemongers, the showman who’s been running a transvestite cabaret for more than half a century, the owner of a 100-year-old bookstore, the woman who repairs eighteenth-century mercury barometers—bringing Paris alive in all of its unique majesty. *The Only Street in Paris* will make readers hungry for Paris, for cheese and wine, and for the kind of street life that is all too quickly disappearing.

ABM - 1993

Abstracts of journal articles, books, essays, exhibition catalogs, dissertations, and exhibition reviews. The scope of ARTbibliographies Modern extends from artists and movements beginning with Impressionism in the late 19th century, up to the most recent works and trends in the late 20th century. Photography is covered from its invention in 1839 to the present. A particular emphasis is placed upon adding new and lesser-known artists and on the coverage of foreign-language literature. Approximately 13,000 new entries are added each year. Published with title LOMA from 1969-1971.

The Arcades Project - Walter Benjamin
1999

Focusing on the arcades of 19th-

century Paris--glass-roofed rows of shops that were early centers of consumerism--Benjamin presents a montage of quotations from, and reflections on, hundreds of published sources. 46 illustrations.

Bauhaus Photography - Egidio Marzona 1985

Photographs from the 1920s and 1930s include portraits, still lifes, and pictures of furniture, sculpture, and class projects, and are accompanied by discussions of the Bauhaus movement

The Crimson Petal and the White - Michel Faber 2010

Yearning to escape her life of prostitution in 1870s London, Sugar finds her fate entangled in the complicated family life of patron William, an egotistical perfume magnate.

The Joy of the Gospel - Pope Francis 2014-10-07

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes

the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James

Martin, SJ, author of *Jesus: A Pilgrimage*
Splendor and Misery in the Weimar Republic - Ingrid Pfeiffer 2017
From the glamour of the Golden Twenties to the depths of the dark side of a world undergoing rapid change - the penetrating content of works by more than 60 artists recreates the age of the Weimar Republic, big - city life and the entertainment scene as well as the consequences of the First World War and socially controversial topics such as prostitution, political struggle and social tensions. As the first German democracy, the Weimar Republic (1918 - 1933) is regarded as a time of crisis and transition - from the German Empire to the totalitarian regime of National Socialism. Numerous artists not only

portrayed these years in their realistic representations, which are ironical and grotesque as well as critical - analytical; they also aimed to comment on the status quo and bring about social change. Works from Otto Dix and George Grosz via Conrad Felixmüller and Christian Schad to Dodo, Jeanne Mammen, Elfriede Lohse - Wachtler, famous artists and others waiting to be rediscovered, paint a multi-layered and political picture of the Weimar Republic.

Closing of the American Mind - Allan Bloom 2008-06-30

The brilliant, controversial, bestselling critique of American culture that “hits with the approximate force and effect of electroshock therapy” (The New York Times)—now featuring a new afterword

by Andrew Ferguson in a twenty-fifth anniversary edition. In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that “hits with the approximate force and effect of electroshock therapy” (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom’s argument caused

such a furor at publication and why our culture so deeply resists its truths today.

The Mass Ornament - Siegfried Kracauer 1995

The Mass Ornament today remains a refreshing tribute to popular culture, and its impressively interdisciplinary writings continue to shed light not only on Kracauer's later work but also on the ideas of the Frankfurt School, the genealogy of film theory and cultural studies, Weimar cultural politics, and, not least, the exigencies of intellectual exile.

Edvard Munch Prints - Edvard Munch 2009-06-26

This volume provides a general introduction to Norwegian artist Edvard Munch's (1863-1944) prints in the context of 20th-century European

art and also describes the innovative printmaking techniques used by Munch. Munch is regarded, along with Van Gogh and Gauguin, as one of the fathers of Expressionism. The authors have included 40 of his finest prints from the collection of the Munch Museum, in Oslo; these prints have been selected to best illustrate Munch's techniques.

Love in the Time of Cholera (Illustrated Edition) - Gabriel García Márquez 2020-10-27

A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When

Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

Los artistas hablan sobre el arte -

Holly Black 2022-01-20

Mediante una selección comisariada de citas, imágenes y entrevistas, este libro nos da acceso a las mentes de los pensadores y creadores más influyentes del mundo. Descubra cómo los titanes del mundo del arte, desde Ai Weiwei hasta Ana Mendieta, desarrollaron sus propios estilos

visuales, las ideas centrales en las que se sustentan sus prácticas y, lo más importante, qué es lo que le transmiten sus creaciones. 50 artistas excepcionales, entre ellos: Marina Abramovi?, Lisa Reihana, Theaster Gates, Tracey Emin, Nam June Paik, Gerhard Richter, Louise Bourgeois, Cindy Sherman, Yinka Shonibare y Mona Hatoum. Se reúnen citas de 50 artistas junto con reproducciones de sus obras y una visión general de sus distintas prácticas. Encontrará pintores y escultores, cineastas y fotógrafos, todos ellos con característicos puntos de vista sobre toda suerte de cuestiones, desde la corporeidad de la pintura hasta la naturaleza conceptual de la creación de imágenes. Se incluyen además cinco entrevistas realizadas exprofeso para

este volumen y en las que se ahonda en la forma en que estos innovadores artistas realizan su obra.

Dangerous Pleasures - Gail Hershatter
1997

In the past decade, as prostitution once again has become a recognized feature of Chinese society, it has been incorporated into a larger public discussion about what kind of modernity China should seek and what kind of sex and gender arrangements should characterize that modernity. Prostitutes, like every other non-elite group, did not record their own lives.

Reconfiguring Stigma in Studies of Sex for Sale - Jeanett Bjønness
2021-09-24

Reconfiguring Stigma in Studies of Sex for Sale is about the production and effects of stigma in sex work or

prostitution with contributions from four continents and different disciplines that taken together explore how such stigma is conditioned by differences in time, place, citizenship, gender, sexuality, class and race. Stigma is about relationships between people and also sets an interpretative frame whereby people understand and react to situations and actions, and the book is developed and organized to investigate this from various angles. It presents empirical studies that build on and expand the scholarship on stigma and sex work. This means that it contributes to a more complex understanding of stigma in sex work studies. Further, by using the example of sex work to explore how we can best understand the production and consequences of stigma, the book

makes a contribution that is relevant for all scholars who work on stigma and stigmatization. The book is intended for academic audiences interested in sex work or prostitution, on the one hand, and stigmatization, on the other. It is also intended for students in a broad range of disciplines, as well as for practitioners and activists who encounter or work with stigmatization or stigmatized populations.

Religion Index One - 1993

Goya - Janis A. Tomlinson 2002-03-11
Francisco Goya y Lucientes (1746-1828) created magnificent paintings, tapestry designs, prints, and drawings over the course of his long and productive career. Women frequently appeared as the subjects of Goya's works, from his brilliantly

painted cartoons for the Royal Tapestry Factory to his stunning portraits of some of the most powerful women in Madrid. This groundbreaking book is the first to examine the representations of women within Goya's multifaceted art, and in so doing, it sheds new light on the evolution of his artistic creativity as well as on the roles assumed by women in late eighteenth- and early nineteenth-century Spain. Many of Goya's most famous works are featured and explicated in this beautifully designed and produced book. The artist's famous tapestry cartoons are included, along with the tapestries woven after them for the royal palaces of the Prado and the Escorial. Goya's infamous Naked Maja and Clothed Maja are also highlighted, with a discussion on

whether these works were painted at the same time and how they might have originally hung in relation to one another. Focus is also placed on Goya's more experimental prints and drawings, in which the artist depicted women alternatively as targets of satire, of sympathy, or of admiration. Essays by eminent authorities provide a historical and cultural context for Goya's work, including a discussion on the significance of fashion and dress during the period. The resultant volume is surely to be treasured by all who admire Goya's art and by those who are interested in women's issues of his time.

The Hammock: A Novel Based on the True Story of French Painter James Tissot - Lucy Paquette 2020-10-03
THE HAMMOCK: A novel based on the

true story of French painter James Tissot portrays ten remarkable years in the life of James Tissot (1836-1902), who rebuilt - and then lost - his reputation in London. THE HAMMOCK is a psychological portrait, exploring the forces that unwound the career of this complex man. Based on contemporary sources, the novel brings Tissot's world alive in a story of war, art, Society glamour, love, scandal, and tragedy.

Human Remains - Jonathan Strauss 2012
The living and the dead cohabited Paris until the late 18th century, when, in the name of public health, measures were taken to drive the latter from the city. Cemeteries were removed from urban space, and corpses started to be viewed as terrifyingly noxious substances. Working across a broad range of disciplines this book

seeks to understand the meaning of the dead and their role in creating one of the most important cities of the contemporary world.

Visual Global Politics - Roland Bleiker 2018-02-13

We live in a visual age. Images and visual artefacts shape international events and our understanding of them. Photographs, film and television influence how we view and approach phenomena as diverse as war, diplomacy, financial crises and election campaigns. Other visual fields, from art and cartoons to maps, monuments and videogames, frame how politics is perceived and enacted. Drones, satellites and surveillance cameras watch us around the clock and deliver images that are then put to political use. Add to this that new technologies now allow

for a rapid distribution of still and moving images around the world. Digital media platforms, such as Twitter, YouTube, Facebook and Instagram, play an important role across the political spectrum, from terrorist recruitment drives to social justice campaigns. This book offers the first comprehensive engagement with visual global politics. Written by leading experts in numerous scholarly disciplines and presented in accessible and engaging language, *Visual Global Politics* is a one-stop source for students, scholars and practitioners interested in understanding the crucial and persistent role of images in today's world.

The Monk - Matthew Gregory Lewis 1890

Discipline and Punish - Michel

Foucault 2012-04-18

In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary

have merely shifted the focus of punishment from the prisoner's body to his soul.

Fratelli Tutti - Pope Francis
2020-11-05
