The Black Jacobins - C.L.R. James
1989-10-23

A classic and impassioned account of the Haitian Revolution—the first revolution in the Third World and the model for the liberation movements from Africa to Cuba. “One of the seminal texts about the history of slavery and abolition. . . . Provocative and empowering.” –The New York Times Book Review This powerful, intensely dramatic book is the definitive account of the Haitian Revolution of 1794-1803, a revolution that began in the wake of the Bastille. It is the story of the French colony of San Domingo, a place where the brutality of master toward slave was legendary. And it is the story of a barely literate slave named Toussaint L'Ouverture, who led the black people of San Domingo in a successful struggle against successive invasions by overwhelming French, Spanish, and English forces and in the process helped form the first independent nation in the Caribbean.

The Fence - Darrell J. Steffensmeier 1986
This book is based on the experiences of a dealer in stolen goods (alias 'Sam Goodman'), whose history serves as a model for understanding the role that fences play in today's society. Steffensmeier provides a detailed analysis of how a fence develops relationships with thieves, customers, and other fences, how prices are set and negotiated, the profits derived, and the

skills required for the job, and the meaning and rewards of fencing. Steffensmeier relates the potential consequences: the events surrounding Sam's eventual arrest and conviction for receiving stolen property. Sociologists, criminologists, law enforcement officers, and public policy makers will find this an book enlightening and engaging portrayal of the criminal career.

The Piano Lesson - August Wilson
2019-08-06

Winner of the Pulitzer Prize for Drama and winner of the New York Drama Critics Circle Award for Best Play, this modern American classic is about family, and the legacy of slavery in America. August Wilson has already given the American theater such spell-binding plays about the black experience in 20th-century America as Ma Rainey's Black Bottom, Joe Turner's Come and Gone, and the Pulitzer Prize-winning Fences. In his second Pulitzer Prize-winner, The Piano Lesson, Wilson has fashioned perhaps his most haunting and dramatic work. At the heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his dream of buying the same Mississippi

land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present.

The White Fence - Anton Prohaska
2014-10-12

In East Hampton, NY during the mid-Twentieth century, author Anton "Tony" Prohaska spends hours of his childhood sitting on his family's white fence and observing the diverse and eclectic community around him. With an artist father, caught between making a living as an illustrator and a devotion to fine art, and a mother, a former actress and model who is also an artist, Anton had to find his place in the alternate world of the local fishermen, farmers, and tradesmen. Through the area's diverse lives, his personal memoir threads a larger history of how the Hamptons become what we know it as today. Artists such as Jackson Pollock, Willem de Kooning, and James Montgomery Flagg (known for the "Uncle Sam Wants You" poster) represent only a few of the book's icons, but most of the folks are unsung heroes of the region. Experience their oral histories come to life—from smuggling, storing, and distributing alcohol during Prohibition to the community's close relationship with horses for both work and play. Complete with nearly fifty photographs illustrating the text and exhibiting the local art, *The White Fence* is a touching and vivid story of Long Island's East End, its effect on the world at large, and its shaping of a thoughtful and observant boy.

On the Fence - Kasie West 2014-07-01
She's a tomboy. He's the boy next door. With three older brothers, Charlotte Reynolds, aka Charlie, has always been more comfortable calling the shots on a basketball court than flirting with the opposite sex. So when her police officer dad demands she get a summer job to pay for the latest in a long line of speeding tickets,

she's more than a little surprised to find herself working at a chichi boutique and going out with a boy who has never seen her tear it up in a pickup game. Charlie seeks late-night refuge in her backyard, talking out her problems with her neighbor and honorary fourth brother, Braden, sitting back-to-back against the fence that separates them. Braden may know her better than anyone. But there's a secret Charlie's keeping that even he hasn't figured out—she's fallen for him. Hard. She knows what it means to go for the win, but if spilling her secret means losing him for good, the stakes just got too high. *On the Fence* is a sweet and satisfying read about finding yourself and finding love where you least expect it.

The Things They Carried - Tim O'Brien
2009-10-13

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Last Book in the Universe - Rodman Philbrick 2013-03-01

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

All My Sons - Arthur Miller 1974

THE STORY: During the war Joe Keller and Steve Deever ran a machine shop which made airplane parts. Deever was sent to prison because the firm turned out defective parts, causing the deaths of many men. Keller went free and made a lot of money.

The

O Pioneers! - Willa Cather 2020-07-01

O Pioneers! is the first novel of Willa Cather's Great Plains trilogy, followed by *The Song of the Lark* and *My Ántonia*. *O Pioneers!* tells the story of the Bergsons, a family of Swedish-American immigrants in the farm country near the fictional town of Hanover, Nebraska, at the turn of the 20th century. The main character, Alexandra Bergson, inherits the family farmland when her father dies, and she devotes her life to making the farm a viable enterprise at a time when many other immigrant families

are giving up and leaving the prairie.

Glad You're Here - Walker Hayes 2022-05-03

When Craig Cooper and Walker Hayes met, Walker was an alcoholic atheist reeling from the backlash of a failed music career. Through their unlikely friendship, Craig's life demonstrated the love of Christ in a way that shattered Walker's misconceptions of Christianity, ultimately leading him down the path to a dramatic conversion. The two are now close as brothers, choosing to be next-door neighbors and ripped out the fence between their homes as a testament to the power of the gospel to break down barriers and unite people together in Christ. *Glad You're Here* helps us discover how building relationships, sacrificing for the good of others, and drawing near in times of need can lead to powerful transformation. Through story and biblical reflections, *Glad You're Here* helps readers see how God works in the everyday lives of those who love him.

Narrative of the Life of Frederick Douglass, an American Slave - Frederick Douglass 2019-06-12

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be

one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

Fences - August Wilson

"This shark, swallow you whole" - Kathy Merlock Jackson 2023-03-15

One of the most influential thrillers in media history, *Jaws* first surfaced as a best-selling novel by first-time novelist Peter Benchley in 1974, followed by the 1975 feature film directed by Steven Spielberg at the beginning of his storied career. *Jaws* is often considered the first "blockbuster," and successive generations of filmmakers have cited it as formative in their own creative development. For nearly 50 years, critics and scholars have studied how and why this seemingly straightforward thriller holds such mass appeal. This book of original essays assembles a range of critical thought on the impact and legacy of the film, employing new perspectives--historical, cinematic, literary, scientific and environmental--while building on the insights of previous writers. While varying in focus, the essays in this volume all explore why *Jaws* was so successful in its time and how it remains a prominent storytelling influence well into the 21st century.

Schools and Masters of Fence from the Middle Ages to the End of the Eighteenth Century - Egerton Castle 1910

The Word for World is Forest - Ursula K. Le Guin 2010-07-06

The award-winning masterpiece by one of today's most honored writers, Ursula K. Le Guin! *The Word for World is Forest* When the inhabitants of a peaceful world are conquered by the bloodthirsty yumens, their

existence is irrevocably altered. Forced into servitude, the Athsheans find themselves at the mercy of their brutal masters.

Desperation causes the Athsheans, led by Selter, to retaliate against their captors, abandoning their strictures against violence. But in defending their lives, they have endangered the very foundations of their society. For every blow against the invaders is a blow to the humanity of the Athsheans. And once the killing starts, there is no turning back. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Hamlet - William Shakespeare 2021-02-09
Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

Heart of Darkness -

Follow the Rabbit-Proof Fence - Doris Pilkington 2013-05-01

This extraordinary story of courage and faith is based on the actual experiences of three girls who fled from the repressive life of Moore River Native Settlement, following along the rabbit-proof fence back to their homelands. Assimilationist policy dictated that these girls be taken from their kin and their homes in order to be made white. Settlement life was unbearable with its chains and padlocks, barred windows, hard cold beds, and horrible food. Solitary confinement was doled out as regular punishment. The girls were not even allowed to speak their language. Of all the journeys made since white people set foot on Australian soil, the journey made by these girls born of Aboriginal mothers and white fathers speaks something to everyone.

The Other Side of the Fence - Sheila

Croucher 2010-01-01

A growing number of Americans, many of them retirees, are migrating to Mexico's beach resorts, border towns, and picturesque heartland. While considerable attention has been paid to Mexicans who immigrate to the U.S., the reverse scenario receives little scrutiny. Shifting the traditional lens of North American migration, *The Other Side of the Fence* takes a fascinating look at a demographic trend that presents significant implications for the United States and Mexico. The first in-depth account of this trend, Sheila Croucher's study describes the cultural, economic, and political lives of these migrants of privilege. Focusing primarily on two towns, San Miguel de Allende in the mountains and Ajijic along the shores of Lake Chapala, Croucher depicts the surprising similarities between immigrant populations on both sides of the border. Few Americans living in Mexico are fluent in the language of their new land, and most continue to practice the culture and celebrate the national holidays of their homeland, maintaining close political, economic, and social ties to the United States while making political demands on Mexico, where they reside. Accessible, timely, and brimming with eye-opening, often ironic, findings, *The Other Side of the Fence* brings an important perspective to borderlands debates.

Recognizing 'Fences' - Troy Maxson's Identity Politics - Johannes Steffens 2007-11 Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,0, University of Tübingen, course: PS II Contemporary US Drama: August Wilson, 6 entries in the bibliography, language: English, abstract: August Wilson's 1985 play *Fences* focuses on black urban life in the late 1950s and deals with intergenerational conflicts, racial issues, distress, and the search for one's identity and position in life. The play's protagonist, Troy Maxson, has been turned into a loud-mouthed, hard-hearted, and occasionally "crude and almost vulgar" (Wilson 1987, 1) oppressor as a result of the hardships of Afro-American life in the first half of the 20th century and the experiences of his youth; Troy abandoned home at the age of fourteen, after being beaten up by his sadistic father for having watched him rape a thirteen-year-old girl. This paper is intended to examine the identity politics in *Fences* and will focus on the conflict between Troy and his second son Cory. First, it will highlight the importance of recognition for the development of human beings according to Charles Taylor's theory and then show the negative effects of misrecognition and nonrecognition. Secondly, it will show the different phases of Troy's misrecognition in the play and analyze how this leads to a mutilation of Cory's personality.

Plurilingual Pedagogies - Sunny Man Chu Lau 2020-04-10

This book critically engages with theoretical shifts marked by the 'multilingual turn' in applied linguistics, and articulates the complexities associated with naming and engaging with the everyday language practices of bi/multilingual communities. It discusses methodological approaches that enable researchers and educators to observe and interact with these communities and to understand their teaching and learning needs. It also highlights pedagogical approaches and instructional strategies involved with learning and teaching language and/or content curriculum to students across various learning and educational contexts. The book addresses recent debates on the multi/plural turn in applied linguistics and articulates the limitations of these debates - particularly the absence of discussion of social power relations and contexts in applying different theoretical lenses. It features empirical research from primarily North American classrooms to highlight how plurilingual pedagogies take shape in unique educational contexts, resisting monolingual approaches to language in education. Furthermore, it includes commentary/response pieces from established scholars in dialogue with recent plurilingual research in the field, to put the work in critical perspective within extant

theories and literature.

Harris and Me - Gary Paulsen 2007

A cloth bag containing ten copies of the title.

The Boy in the Striped Pajamas - John Boyne 2008-12-18

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

Three Plays - August Wilson 1991

Contains three plays about twentieth century African-American lives.

Fences - August Wilson 2019-08-06

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in

America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

They Called Us Enemy - Expanded Edition - George Takei 2020-08-26

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth

country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.
