*Bluff City: The Secret Life of Photographer Ernest Withers* - Preston Lauterbach 2019-01-15

The little-known story of an iconic photographer, whose work captured—and influenced—a critical moment in American history. Who was Ernest Withers? Most Americans may not know the name, but they do know his photographs. Withers took some of the most legendary images of the 1950s and '60s: Martin Luther King, Jr., riding a newly integrated bus in Montgomery, Alabama; Emmett Till's uncle pointing an accusatory finger across the courtroom at one of his nephew's killers; scores of African-American protestors, carrying a forest of signs reading "I am a man." But while he enjoyed unparalleled access to the inner workings of the civil rights movement, Withers was working as an informant for the FBI. In this gripping narrative history, Preston Lauterbach examines the complicated political and economic forces that informed Withers's seeming betrayal of the people he photographed. Withers traversed disparate worlds, from Black Power meetings to raucous Memphis nightclubs where Elvis brushed shoulders with B.B. King. He had a gift for capturing both dramatic historic moments and intimate emotional ones, and it may have been this attention to nuance that made Withers both a brilliant photographer and an essential asset to the FBI. Written with similar nuance, *Bluff City* culminates with a riveting account of the 1968 riot that ended in violence just a few days before Dr. King's death. Brimming with new information and featuring previously unpublished and rare photographs from the Withers archive not seen in over fifty years, *Bluff City* grapples with the legacy of a man whose actions—and artistry—make him an enigmatic and fascinating American figure.

**Roman Fever and Other Stories** - Edith Wharton 2013-11-05

A side from her Pulitzer Prize-winning talent as a novel writer, Edith Wharton also distinguished herself as a short story writer, publishing more than seventy-two stories in ten volumes during her lifetime. The best of her short fiction is collected here in *Roman Fever and Other Stories*. From her picture of erotic love and illegitimacy in the title story to her exploration of the aftermath of divorce detailed in "Souls Belated" and "The Last Asset," Wharton shows her usual skill "in dissecting the elements of emotional subtleties, moral ambiguities, and the implications of social restrictions," as Cynthia Griffin Wolff writes in her introduction. *Roman Fever and Other Stories* is a surprisingly contemporary volume of stories by one of our most enduring writers.

**Al Capone Does My Shirts** - Gennifer Choldenko 2006-04-20

The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. *Al Capone Does My Shirts* has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. A Newbery Honor Book

**The Immortal Life of Henrietta Lacks** - Rebecca Skloot 2010-02-02

#1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

**501 Grammar and Writing Questions** - Learning Express LLC 2006

Many of us grimace when faced with grammar exercises. But in order to communicate with others, pass tests, and get your point across in writing, using words and punctuation effectively is a necessary skill. It's a fact that in our life today, good communication skills—including writing—are essential. The good news is that grammar and writing skills can be developed with practice.

**The Quiet American** - Graham Greene 2018-03-13

A “masterful . . . brilliantly constructed novel” of love and chaos in 1950s Vietnam (Zadie Smith, *The Guardian*). It's 1955 and British journalist Thomas Fowler has been in Vietnam for two years covering the insurgency against French colonial rule. But it's not just a political tangle that's kept him tethered to the country. There's also his lover, Phuong, a young Vietnamese woman who clings to Fowler for protection. Then comes Alden Pyle, an idealistic American working in service of the CIA. Devotedly, disastrously patriotic, he believes neither communism nor colonialism is what's best for Southeast Asia, but rather a “Third Force”: American democracy by any means necessary. His ideas of conquest include Phuong, to whom he promises a sweet life in the states. But as Pyle's blind moral conviction wreaks havoc upon innocent lives, it's ultimately his romantic compulsions that will play a role in his own undoing. Although criticized upon publication as anti-American, Graham Greene's “complex but compelling story of intrigue and counter-intrigue” would, in a few short years, prove prescient in its own condemnation of American interventionism (*The New York Times*).

[The Lynching of Emmett Till](#) - Christopher Metress 2002

On August 28, 1955, 14-year-old Emmett Till was abducted from his great-uncle's cabin in Mississippi and killed. With a collection of more than 100 documents, Metress retells Till's story in a unique and daring way juxtaposing news accounts and investigative journalism with memoirs, poetry, and fiction.

[Let the People See](#) - Elliott J. Gorn 2018-10-01

The world knows the story of young Emmett Till. In August 1955, the fourteen-year-old Chicago boy supposedly flirted with a white woman named Carolyn Bryant, who worked behind the counter of a country store, while visiting family in Mississippi. Three days later, his mangled body was recovered in the Tallahatchie River, weighed down by a cotton-gin fan. Till's killers, Bryant's husband and his half-brother, were eventually acquitted on technicalities by an all-white jury despite overwhelming evidence. It seemed another case of Southern justice. Then details of what had happened to Till became public, which they did in part because Emmett's mother, Mamie Till-Mobley, insisted that his casket remain open during his funeral. The world saw the horror, and Till's story gripped the country and sparked outrage. Black journalists drove down to Mississippi and risked their lives interviewing townsfolk, encouraging witnesses, spiriting those in danger out of the region, and above all keeping the news cycle turning. It continues to turn. In 2005, fifty years after the murder, the FBI reopened the case. New papers and testimony have come to light, and several participants, including Till's mother, have published autobiographies. Using this new evidence and a broadened historical context, Elliott J. Gorn delves more fully than anyone has into how and why the story of Emmett Till still resonates, and always will. Till's murder marked a turning point, Gorn shows, and yet also reveals how old patterns of thought and behavior endure, and why we must look hard at them.

*Juvenile Crime, Juvenile Justice* - Institute of Medicine 2001-06-05

Even though youth crime rates have fallen since the mid-1990s, public fear and political rhetoric over the issue have heightened. The Columbine shootings and other sensational incidents add to the furor. Often overlooked are the underlying problems of child poverty, social disadvantage, and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime. From a policy standpoint, adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals, between rehabilitation and “get tough” pronouncements. In the midst of this emotional debate, the National Research Council's Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis. *Juvenile Crime, Juvenile Justice* presents recommendations for addressing the many aspects of America's youth crime problem. This timely release discusses patterns and trends in crimes by children and adolescents—trends revealed by arrest data, victim reports, and other sources; youth crime within general crime; and race and sex disparities. The book explores desistance—the probability that delinquency or criminal activities decrease with age—and evaluates different approaches to predicting

future crime rates. Why do young people turn to delinquency? *Juvenile Crime, Juvenile Justice* presents what we know and what we urgently need to find out about contributing factors, ranging from prenatal care, differences in temperament, and family influences to the role of peer relationships, the impact of the school policies toward delinquency, and the broader influences of the neighborhood and community. Equally important, this book examines a range of solutions: Prevention and intervention efforts directed to individuals, peer groups, and families, as well as day care-, school- and community-based initiatives. Intervention within the juvenile justice system. Role of the police. Processing and detention of youth offenders. Transferring youths to the adult judicial system. Residential placement of juveniles. The book includes background on the American juvenile court system, useful comparisons with the juvenile justice systems of other nations, and other important information for assessing this problem.

[Neil Armstrong Is My Uncle and Other Lies Muscle Man McGinty Told Me](#) - Nan Marino 2009-05-12

A tender story about a tough-as-nails girl forced to take one small step towards understanding during the summer of 1969. “Muscle Man McGinty is a squirrely runt, a lying snake, and a pitiful excuse for a ten-year old.....the problem is that no one knows it but me. In the entire town of Massapequa Park, only I can see him for what he really is. A phony.” Tamara Ann Simpson is determined to expose Muscle Man McGinty, a foster boy new to her neighborhood, for the liar that she knows he is. Muscle Man tells the other kids his uncle is Neil Armstrong and he even has the audacity to challenge the entire block to a kickball game. So, why is Tamara the only one who can see through this kid? It's the summer of 1969 and things are changing in Tamara's little town of Massapequa, Long Island, and in the world. Perhaps Tamara can take one small step towards a bit of compassion and understanding.

An eleven-year-old shoots a stray cat with his new air rifle, subsequently suffers from guilt, and eventually assumes responsibility for it.

*Getting Real About Race* - Stephanie M. McClure 2017-08-24

*Getting Real About Race* is an edited collection of short essays that address the most common stereotypes and misconceptions about race held by students, and by many in the United States, in general.

[The Things They Carried](#) - Tim O'Brien 2009-10-13

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

[The Murder of Emmett Till](#) - Karlos Hill 2020-07-24

“The Murder of Emmett Till's primary aim is to commemorate the 1955 Emmett Till murder by providing an up-to-date and concise narrative of the murder that is reflective of the latest scholarship and recent developments in the case such as the Federal Bureau of Investigation's (FBI) reopening of the Emmett Till

murder case in 2004, the US Senate's formal apology for lynching in 2005, the FBI's 2006 Emmett Till murder investigative report, and the passage of the 2008 Emmett Till Unsolved Crimes Act"--

Take a look behind the bully in this modern classic from Newbery medalist Jerry Spinelli that packs a punch. And don't miss the highly anticipated new novel, *Dead Wednesday*. Cocky seventh-grade super-jock Crash Coogan got his nickname the day he used his first football helmet to knock his cousin Bridget flat on her backside. And he has been running over people ever since, especially Penn Webb, the dweeby, vegetarian Quaker kid who lives down the block. Through the eyes of Crash, readers get a rare glimpse into the life of a bully in this unforgettable and beloved story about stereotypes and the surprises life can bring. "Readers will devour this humorous glimpse of what jocks are made of." --School Library Journal, starred review

**Soldier X** - Don L. Wulffson 2003-07

In 1943, 16-year-old Erik experiences the horrors of war when he is drafted into the German army and sent to fight on the Russian front.

**Death of Innocence** - Mamie Till-Mobley 2011-12-07

The mother of Emmett Till recounts the story of her life, her son's tragic death, and the dawn of the civil rights movement—with a foreword by the Reverend Jesse L. Jackson, Sr. In August 1955, a fourteen-year-old African American, Emmett Till, was visiting family in Mississippi when he was kidnapped from his bed in the middle of the night by two white men and brutally murdered. His crime: allegedly whistling at a white woman in a convenience store. The killers were eventually acquitted. What followed altered the course of this country's history—and it was all set in motion by the sheer will, determination, and courage of Mamie Till-Mobley, whose actions galvanized the civil rights movement, leaving an indelible mark on our racial consciousness. *Death of Innocence* is an essential document in the annals of American civil rights history, and a painful yet beautiful account of a mother's ability to transform tragedy into boundless courage and hope. Praise for *Death of Innocence* "A testament to the power of the indestructible human spirit [that] speaks as eloquently as the diary of Anne Frank."—The Washington Post Book World "With this important book, [Mamie Till-Mobley] has helped ensure that the story of her son (and her own story) will not soon be forgotten. . . . A riveting account of a tragedy that upended her life and ultimately the Jim Crow system."—Chicago Tribune "The book will . . . inform or remind people of what a courageous figure for

justice [Mamie Till-Mobley] was and how important she and her son were to setting the stage for the modern-day civil rights movement."—The Detroit News "Poignant . . . In his mother's descriptions, Emmett becomes more than an icon; he becomes a living, breathing youngster—any mother's child."—Pittsburgh Post-Gazette "Powerful . . . [Mamie Till-Mobley's] courage transformed her loss into a moral compass for a nation."—Black Issues Book Review Robert F. Kennedy Book Award Special Recognition • BlackBoard Nonfiction Book of the Year

**Homeless Bird** - Gloria Whelan 2009-10-06

The National Book Award-winning novel about one remarkable young woman who dares to defy fate, perfect for readers who enjoyed *A Long Walk to Water* by Linda Sue Park or *Inside Out and Back Again* by Thanhha Lai. Like many girls her age in India, thirteen-year-old Koly faces her arranged marriage with hope and courage. But Koly's story takes a terrible turn when in the wake of the ceremony, she discovers she's been horribly misled—her life has been sold for a dowry. Can she forge her own future, even in the face of time-worn tradition? Perfect for schools and classrooms, this universally acclaimed, bestselling, and award-winning novel by master of historical fiction Gloria Whelan is a gripping tale of hope that will transport readers of all ages.

**Ghost Boys** - Jewell Parker Rhodes 2018-04-17

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

**Good Morning, Midnight** - Lily Brooks-Dalton 2016-08-09

"A remarkable and gifted debut novel" (Colson Whitehead) about two outsiders—a lonely scientist in the Arctic and an astronaut trying to return to Earth—as they grapple with love, regret, and survival in a world transformed. THE INSPIRATION FOR THE NETFLIX ORIGINAL FILM THE MIDNIGHT SKY, DIRECTED BY AND STARRING GEORGE CLOONEY Augustine, a brilliant, aging astronomer, is consumed by the stars. For years he has lived in remote outposts, studying the sky for evidence of how the universe began. At his latest posting, in a research center in the Arctic, news of a catastrophic event arrives. The scientists are forced to evacuate, but Augustine stubbornly refuses to abandon his work. Shortly after the others have gone, Augustine discovers a mysterious child, Iris, and realizes that the airwaves have gone silent. They are alone. At the same time, Mission Specialist Sullivan is aboard the Aether on its return flight from Jupiter. The astronauts are the first human beings to delve this deep into space, and Sully has made peace with the sacrifices required of her: a daughter left behind, a marriage ended. So far the journey has been a success. But when Mission Control falls inexplicably silent, Sully and her crewmates are forced to wonder if they will ever get home. As Augustine and Sully each face an uncertain future against forbidding yet beautiful landscapes, their stories gradually intertwine in a profound and unexpected conclusion. In crystalline prose, *Good Morning, Midnight* poses the most important questions: What endures at the end of the world? How do we make sense of our lives? Lily Brooks-Dalton's captivating debut is a meditation on the power of love and the bravery of the human heart. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SHELF AWARENESS AND THE CHICAGO REVIEW OF BOOKS "Stunningly gorgeous . . . The book contemplates the biggest questions—What is left at the end of the world? What is the impact of a life's work?"—Portland Mercury "A beautifully written, sparse post-apocalyptic novel that explores memory, loss and identity . . . Fans of Emily St. John Mandel's *Station Eleven* and Kim Stanley Robinson's *Aurora* will appreciate the Brooks-Dalton's exquisite exploration of relationships in extreme environments."—The Washington Post

**Pain Management and the Opioid Epidemic** - National Academies of Sciences, Engineering, and

Medicine 2017-09-28

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

*The Hate U Give* - Angie Thomas 2018-08

Read the book that inspired the movie! Sixteen-year-old Starr lives in two worlds: the poor neighbourhood where she was born and raised and her posh high school in the suburbs. The uneasy balance between them is shattered when Starr is the only witness to the fatal shooting of her unarmed best friend, Khalil, by a police officer. Now what Starr says could destroy her community. It could also get her killed. Inspired by the Black Lives Matter movement, this is a powerful and gripping novel about one girl's struggle for justice.

**Murder in the Bayou** - Ethan Brown 2019-09-17

Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is “part murder case, part corruption exposé, and part Louisiana noir” (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings’ class-divided neighborhoods. The Jeff Davis 8 had been among society’s most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman’s final hours delivering a true crime tale that is “mesmerizing” (Rolling Stone) and “explosive” (Huffington Post). “Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real life” (The New York Times). “A must-read for true-crime fans” (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of

poverty, race, and class division—and a lightning rod for justice for the daughters it lost.

*Slaughterhouse-Five* - Kurt Vonnegut 1999-01-12

Kurt Vonnegut’s masterpiece, *Slaughterhouse-Five* is “a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century” (Time). Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world’s great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber’s son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming “unstuck in time.” An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut’s writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O’Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut’s words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut’s portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties.

**Patterns for College Writing** - Laurie G. Kirszner 2011-12-22

"A higher education history textbook on World History"--

*Getting Away with Murder* - Chris Crowe 2018-01-09

Revised and updated with new information, this Jane Adams award winner is an in-depth examination of the Emmett Till murder case, a catalyst of the Civil Rights Movement. The kidnapping and violent murder of fourteen-year-old Emmett Till in 1955 was and is a uniquely American tragedy. Till, a black teenager from Chicago, was visiting family in a small town in Mississippi, when he allegedly whistled at a white woman. Three days later, his brutally beaten body was found floating in the Tallahatchie River. In clear, vivid detail Chris Crowe investigates the before-and-aftermath of Till's murder, as well as the dramatic trial and speedy acquittal of his white murderers, situating both in the context of the nascent Civil Rights Movement. Newly reissued with a new chapter of additional material—including recently uncovered details about Till's accuser's testimony--this book grants eye-opening insight to the legacy of Emmett Till.

The Year of Miss Agnes - Kirkpatrick Hill 2008-08-26

A year they'll never forget Ten-year-old Frederika (Fred for short) doesn't have much faith that the new teacher in town will last very long. After all, they never do. Most teachers who come to their one-room

schoolhouse in remote, Alaska leave at the first smell of fish, claiming that life there is just too hard. But Miss Agnes is different -- she doesn't get frustrated with her students, and she throws away old textbooks and reads Robin Hood instead! For the first time, Fred and her classmates begin to enjoy their lessons and learn to read and write -- but will Miss Agnes be like all the rest and leave as quickly as she came?

**Sons of Mississippi** - Paul Hendrickson 2015-02-18

They stand as unselfconscious as if the photograph were being taken at a church picnic and not during one of the pitched battles of the civil rights struggle. None of them knows that the image will appear in Life magazine or that it will become an icon of its era. The year is 1962, and these seven white Mississippi lawmen have gathered to stop James Meredith from integrating the University of Mississippi. One of them is swinging a billy club. More than thirty years later, award-winning journalist and author Paul Hendrickson sets out to discover who these men were, what happened to them after the photograph was taken, and how racist attitudes shaped the way they lived their lives. But his ultimate focus is on their children and grandchildren, and how the prejudice bequeathed by the fathers was transformed, or remained untouched, in the sons. Sons of Mississippi is a scalding yet redemptive work of social history, a book of eloquence and subtlety that tracks the movement of racism across three generations and bears witness to its ravages among both black and white Americans.

*Lolita* - Vladimir Nabokov 2010-08-24

Awe and exhilaration--along with heartbreak and mordant wit--abound in *Lolita*, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love--love as outrage and hallucination, madness and transformation.

**March: Book One** - John Lewis 2013-08-12

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.
