The Signifier and the Signified - F. Noske 2012-12-06

The studies collected in this volume deal with the interpretation of opera. In most cases the results are based on structural analysis, a concept

which may require some clarification in this context. During the past decade 'structure' and 'structural' have become particularly fashionable terms lacking exact denotation and used for the most divergent purposes. As employed here, structural analysis is concerned with such concepts as 'relationship', 'coherence' and 'continuity', more or less in contrast to formal analysis which deals with measurable material. In other words, I have analysed the structure of an opera by seeking and examining factors in the musico-dramatic process, whereas analysts of form are generally preoccupied with the study of elements contained in the musical object. Though admittedly artificial, the dichotomy of form and structure may elucidate the present situation with regard to the study of opera. Today, nearly one hundred years after the death of Wagner, the proclaimed anti

thesis of Oper und Drama is generally taken for what it really was: a means to propagate the philosophy of its inventor. The conception of opera (whether 'continuous' or composed of 'numbers') as a special form of drama is no longer contested. Nevertheless musical scholarship has failed to draw the consequences from this view and few scholars realize the need to study general theory of drama and more specifically the dramatic experience.

Dependability: Basic Concepts and Terminology - Jean-Claude Laprie

Recovered Voices, Newfound Questions - Maria de Lurdes Rosa 2019

O objetivo da obra é o de apresentar arquivos muito pouco conhecidos, ou mesmo desconhecidos, interrogá-los e analisá-los à luz de novas perspectivas históricas e arquivísticas, descobrir as “vozes” de quem os produziu - e formular, assim, novas questões de investigação. Divide-se em três partes: “Recovering, reconstructing and (re)discovering family and personal archives”; “From a social, political and cultural history of the families to a social history of the archives”; “Public preservation and promotion of family and personal archives”.

Threads and Traces - Carlo Ginzburg 2012-09-02

"This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories

or microhistories from fragments, Ginzburg takes on the bigger questions: How do we draw the line between truth and fiction? What is the relationship between history and memory? Stories range from medieval Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians"--Provided by publisher.

Code Annota(c) de La Cour Pa(c)Nale Internationale: 2004 - 2006 - Cyril Laucci 2008-09-15

Depuis l'entrée en vigueur de son Statut, le 1er juillet 2002, la Cour pénale internationale (CPI) a commencé à travailler. Les premières Situations (République Démocratique du Congo, Ouganda, République Centrafricaine et Soudan) et affaires (Lubanga, Kony, Otti, Lukwya, Odhiambo, Ongwen, Katanga, Ngudjolo) sont à présent pendantes devant la Cour. Les premières décisions publiques datent de juillet 2004. Plus de 250 décisions publiques ont été rendues en date du 31 décembre 2006. Le Code annoté de la Cour pénale internationale (2004-2006) est le premier volume d'une collection. En fonction du nombre de décisions rendues par la Cour dans l'avenir, un nouveau volume sera publié chaque année ou tous les deux ans. Le Code propose une sélection des extraits les plus pertinents des décisions publiques rendues par la Cour entre juillet 2004 et le 31 décembre 2006. Les extraits proposés ont été sélectionnés sur la base des critères suivants :1) extraits qui clarifient un point de droit,

interprètent l'une des dispositions statutaires de la Cour ;2) extraits qui montrent comment une règle spécifique est concrètement appliquée par la Cour ;3) extraits pertinents du point de vue de l'évolution de la justice internationale, des droits de l'homme, du droit international humanitaire. Les extraits sont proposés dans leur version française officielle, chaque fois qu'elle est disponible ou dans leur version anglaise originale. Dans tous les cas, un résumé en français identifie de façon claire l'apport de l'extrait par rapport aux critères de sélection. Les extraits sont classifiés par rapport à la disposition statutaire (article du Statut, règle du Règlement de procédure et de preuve, norme du Règlement de la Cour) à laquelle ils se rapportent. Un numéro d'identification rapide facilite le renvoi aux extraits des autres décisions sélectionnés dans le présent volume. La présente collection de Codes annotés est avant tout conçue comme un outil à l'usage des praticiens du droit pénal international et des universitaires, qui, grâce au numéro d'identification rapide et à l'index thématique, y trouveront le moyen d'identifier immédiatement les extraits les plus pertinents de la jurisprudence de la Cour sur chaque sujet.

Bibliophilos - Charalambos Dendrinou 2021-06-08

The present volume is a Festschrift in honour of the distinguished Byzantinist Costas N. Constantinides. The title of the volume, *Bibliophilos: Books and Learning in the Byzantine World*, reflects Professor Constantinides' major contribution to the fields of Greek palaeography, editions of Byzantine texts, Byzantine history, scholarship and education, and Cypriot manuscripts and culture. The volume is introduced by a preface and a *tabula gratulatoria* dedicated to the honorand, followed by twenty articles, written by seasoned and younger scholars, who are former colleagues and students of Professor Constantinides. These articles, which appear in alphabetical order, offer new material and shed fresh light to the study of Greek manuscripts, binders and scribes, and the life, works and activities of Byzantine scholars, teachers and students, providing editions of unpublished texts, including letters and poems, and exploring various aspects of Byzantine and Cypriot history, literature, art, science and culture. In the process the authors often challenge earlier views and offer new interpretations and insights. *Bibliophilos* is a book for the student,

teacher and scholar of Byzantium in particular, and for every bibliophile in general.

Dictionnaire historique et critique - Pierre Bayle 1702

Nouveau dictionnaire françois-italien composé sur les dictionnaires de l'Académie de France et de la Crusca, Enrichi de tous les termes propres des sciences et des arts ... Par M. l'abbé François d'Alberti de Villeneuve, dans cette première édition italienne nouvellement corrigé, amélioré, & augmenté ... Tome premier [-secondo] - Francesco Alberti Di Villanova 1777

Historical Seismology - Julien Fréchet 2008-08-22

Modern seismology has faced new challenges in the study of earthquakes and their physical characteristics. This volume is dedicated to the use of new approaches and presents a state-of-the-art in historical seismology. Selected historical and recent earthquakes are chosen to document and constrain related seismic parameters using updated methodologies in the macroseismic analysis, field observations of damage distribution and tectonic effects, and modelling of seismic waveforms.

State Martyr - Baldassare Scolari 2019-06

Der Politiker Aldo Moro wurde 1978 von der terroristischen Organisation

"Rote Brigaden" entführt und getötet. Im Verlauf der Ereignisse stilisierten die Medien Moro zum "Staatsmartyrer". Der Band geht der hochaktuellen Frage nach, welche Rolle das ursprünglich christliche Konzept des Martyrers in der Spannung zwischen demokratischem Staat und Terrorismus spielt. Was leistet dieser Begriff aus der christlichen Antike im modernen gesellschaftspolitischen Diskurs? Welche Veränderungen hat der Terminus "Martyrer" in der Europäischen Religions- und Kulturgeschichte durchgemacht? Anhand von medialen Quellen zum Fall Moro wird eine wesentliche Phase der nachkriegszeitlichen Politik in Italien rekonstruiert. Die Studie eröffnet einen interdisziplinär angelegten theoretischen Horizont, um die Rolle religiöser Motive im gesellschaftspolitischen Kontext zu verstehen. Sie bringt eine zentrale neue Dimension in die Säkularisierungsdebatte ein, bei der Säkularisierung als neue Konfiguration von Politik und Religion verstanden wird.

Gazette nationale, ou le moniteur universel - France 1795

Poker menteur - Michel Collon 1998

" L'expérience acquise en Bosnie pourra servir de modèle pour nos opérations futures de l'OTAN. " Javier Solana, secrétaire-général de l'OTAN Etes-vous d'accord avec ces guerres que l'OTAN nous prépare ?

Mais vous vous demandez, après tant de désinformation : peut-on comprendre des conflits comme la Yougoslavie ? Ne sommes-nous pas dans un immense poker menteur où la règle est de mentir, bluffer, dissimuler ses alliances ? Voici justement la grille pour déchiffrer les intérêts cachés des grandes puissances : Etats-Unis, Allemagne, et leurs manœuvres en coulisses. La Yougoslavie a été un laboratoire permettant à l'OTAN de préparer de prochaines guerres. Où auront-elles lieu ? Reverrons-nous ces colonnes de réfugiés, ces camps, ces massacres ? Mais d'abord, que vaut notre information ? Dans ce livre, l'auteur d'Attention médias ! vous donne les moyens d'analyser vous-même les médiamentonges. Et surtout ces guerres qui viennent. Parce que défendre la paix vaut la peine de s'engager. En connaissance de cause.

De Naturis Rerum, Libri Duo - Alexander Neckam 2012-11-15

Published in 1863, these texts illuminate twelfth-century scientific knowledge and theology in prose and verse form.

Socialism of Fools - Michele Battini 2016-04-05

In *Socialism of Fools*, Michele Battini focuses on the critical moment during the Enlightenment in which anti-Jewish stereotypes morphed into a sophisticated, modern social anti-Semitism. He recovers the potent anti-Jewish, anticapitalist propaganda that cemented the idea of a Jewish conspiracy in the European mind and connects it to the atrocities that

characterized the Jewish experience in the nineteenth and twentieth centuries. Beginning in the eighteenth century, counter-Enlightenment intellectuals and intransigent Catholic writers singled out Jews for conspiring to exploit self-sustaining markets and the liberal state. These ideas spread among socialist and labor movements in the nineteenth century and intensified during the Long Depression of the 1870s. Anti-Jewish anticapitalism then migrated to the Habsburg Empire with the Christian Social Party; to Germany with the Anti-Semitic Leagues; to France with the nationalist movements; and to Italy, where Revolutionary Syndicalists made anti-Jewish anticapitalism the basis of an alliance with the nationalists. Exemplified best in the Protocols of the Elders of Zion, the infamous document that "leaked" Jewish plans to conquer the world, the Jewish-conspiracy myth inverts reality and creates a perverse relationship to historical and judicial truth. Isolating the intellectual roots of this phenomenon and its contemporary resonances, Battini shows us why, so many decades after the Holocaust, Jewish people continue to be a powerful political target.

Aristotle's Animals in the Middle Ages and Renaissance - Carlos G. Steel
1999

Aristotle's zoological writings with their wealth of detailed investigations on diverse species of animals have fascinated medieval and Renaissance

culture. This volume explores how these texts have been read in various traditions (Arabic, Hebrew, Latin), and how they have been incorporated in different genres (in philosophical and scientific treatises, in florilegia and encyclopedias, in theological symbolism, in moral allegories, and in manuscript illustrations). This multidisciplinary and multilinguistic approach highlights substantial aspects of Aristotle's animals.

Mafiacraft - Deborah Puccio-Den 2022-01-14

"The Mafia? What is the Mafia? Something you eat? Something you drink? I don't know the Mafia. I have never seen it." So said Mommo Piromalli, a 'Ndrangheta crime boss, to a journalist in the seventies. In *Mafiacraft*, Deborah Puccio-Den explores the Mafia's reliance on the force of silence, and undertakes a new form of ethnographic inquiry that focuses on the

questions, rather than the answers. For Puccio-Den, the Mafia is not a stable social fact, but a cognitive event shaped by actions of silence. Rather than inquiring about what has previously been written or said, she explores the imaginative power of silence and how it gives consistency to special kinds of social ties that draw their strength from a state of indetermination. What methods might anthropologists use to investigate silence and to understand the life of the denied, the unspeakable, and the unspoken? How do they resist, fight, or capitulate to the strength of words, or to the force of law? In *Mafiacraft*, Puccio-Den's addresses these questions with a fascinating anthropology of silence that opens up new ground for the study of the world's most famous criminal organization.

Spatial and Temporal Dimensions for Legal History - Massimo Meccarelli
2016-07-01

<http://dx.doi.org/10.12946/gplh6><http://www.epubli.de/shop/buch/53894>"The spatiotemporal conjunction is a fundamental aspect of the juridical reflection on the historicity of law. Despite the fact that it seems to represent an issue directly connected with the question of where legal history is heading today, it still has not been the object of a focused inquiry. Against this background, the book's proposal consists in rethinking key confluences related to this problem in order to provide coordinates for a collective understanding and dialogue. The aim of this volume, however,

is not to offer abstract methodological considerations, but rather to rely both on concrete studies, out of which a reflection on this conjunction emerges, as well as on the reconstruction of certain research lines featuring a spatiotemporal component. This analytical approach makes a contribution by providing some suggestions for the employment of space and time as coordinates for legal history. Indeed, contrary to those historiographical attitudes reflecting a monistic conception of space and time (as well as a Eurocentric approach), the book emphasises the need for a delocalized global perspective. In general terms, the essays collected in this book intend to take into account the multiplicity of the spatiotemporal confines, the flexibility of those instruments that serve to create chronologies and scenarios, as well as certain processes of adaptation of law to different times and into different spaces. The spatiotemporal dynamism enables historians not only to detect new perspectives and dimensions in foregone themes, but also to achieve new and compelling interpretations of legal history. As far as the relationship between space and law is concerned, the book analyses experiences in which space operates as a determining factor of law, e.g. in terms of a field of action for law. Moreover, it outlines the attempted scales of spatiality in order to develop legal historical research. With reference to the connection between time and law, the volume sketches the possibility of

considering the factor of time, not just as a descriptive tool, but as an ascriptive moment (quasi an inner feature) of a legal problem, thus making it possible to appreciate the synchronic aspects of the 'juridical experience'. As a whole, the volume aims to present spatiotemporality as a challenge for legal history. Indeed, reassessing the value of the spatiotemporal coordinates for legal history implies thinking through both the thematic and methodological boundaries of the discipline."

Nouveau Dictionnaire De Poche, François, Italien Et Anglois - F. Bottarelli
1792

Recueil alphabétique de questions de droit - 1830

International Migration Law - 2004

Migration is increasingly being acknowledged as an issue that needs a global approach and coordinated responses. States are not only discussing migration issues at the bilateral level, but also regionally and lately in global arenas. A commonly understood language is indispensable for such coordination and international cooperation to be successful. This glossary attempts to serve as a guide to the mire of terms and concepts in the migration field, in an effort to provide a useful tool to the furtherance of such international cooperation and the common understanding of migration

issues.

Grand dictionnaire français-italien composé sur les dictionnaires de l'Académie de France et de la Crusca ... - Francesco d' Alberti di Villanuova 1840

Collecting Recipes - Lennart Lehmhaus 2017-09-25

With a clear comparative approach, this volume brings together for the first time contributions that cover different periods of the history of ancient pharmacology, from Greek, Byzantine, and Syriac medicine to the Rabbinic-Talmudic medical discourses. This collection opens up new synchronic and diachronic perspectives in the study of the ancient traditions of recipe-books and medical collections. Besides the highly influential Galenic tradition, the contributions will focus on less studied Byzantine and Syriac sources as well as on the Talmudic tradition, which has never been systematically investigated in relation to medicine. This inquiry will highlight the overwhelming mass of information about drugs and remedies, which accumulated over the centuries and was disseminated in a variety of texts belonging to distinct cultural milieus. Through a close analysis of some relevant case studies, this volume will trace some paths of this transmission and transformation of pharmacological knowledge across cultural and linguistic boundaries, by

pointing to the variety of disciplines and areas of expertise involved in the process. 1826
