*Collision of Wills* - Jack Gilden 2018-10

In their seven years together, quarterback Johnny Unitas and coach Don Shula, kings of the fabled Baltimore Colts of the 1960s, created one of the most successful franchises in sports. Unitas and Shula had a higher winning percentage than Lombardi's Packers, but together they never won the championship. Baltimore lost the big game to the Browns in 1964 and to Joe Namath and the Jets in Super Bowl III--both in stunning upsets. The Colts' near misses in the Shula era were among the most confounding losses any sports franchise ever suffered. Rarely had a team in any league performed so well, over such an extended period, only to come up empty. The two men had a complex relationship stretching back to their time as young teammates competing for their professional lives. Their personal conflict mirrored their tumultuous times. As they elevated the brutal game of football, the world around them clashed about Vietnam, civil rights, and sex. *Collision of Wills* looks at the complicated relationship between Don Shula, the league's winningest coach of all time, and his star player Johnny Unitas, and how their secret animosity fueled the Colts in an era when their losses were as memorable as their victories.

[Called for Traveling](#) - Tyler Smith 2017-10-24  
Called for Traveling is a pro basketball journey that spans four continents, seven countries and twelve teams over eleven hilarious and adventurous years. After playing his college ball at Penn State, Tyler Smith had a path in mind of where he wanted his pro basketball career to lead. Bringing his own toilet paper to away games, courts made of concrete, and fully-gearied riot police at every stadium were not part

of his original dream. Where were all the big contracts people talked about? Would he even have a job next season—or next week? And would he be playing for free this month because the team didn't feel like paying him? In this highly unstable and unorthodox overseas lifestyle as a professional basketball player, Smith draws readers in quickly with his humor and ability to share his clever stories that seem outrageous, but are 100 percent true. His attitude and faith are tested relentlessly through bounced paychecks, injuries, and the seemingly endless frustrating reality of people around him speaking a language he could not understand. From Italy to Japan to Uruguay, and even the NBA, the challenges and adventures only accelerate as Tyler's wife and kids are added to the overseas equation. His unique story is highly engaging whether or not you're a basketball junkie. Called for Traveling is an honest and entertaining inside look at one man's journey playing pro basketball around the world.

**Nomadland: Surviving America in the Twenty-First Century** - Jessica Bruder  
2017-09-19

The inspiration for Chloé Zhao's 2020 Golden Lion award-winning film starring Frances McDormand. "People who thought the 2008 financial collapse was over a long time ago need to meet the people Jessica Bruder got to know in this scorching, beautifully written, vivid, disturbing (and occasionally wryly funny) book." —Rebecca Solnit From the beet fields of North Dakota to the campgrounds of California to Amazon's CamperForce program in Texas, employers have discovered a new, low-cost labor pool, made up largely of transient older adults. These invisible casualties of the Great Recession have taken to the road by the tens of thousands in RVs and modified vans, forming a growing community of nomads. *Nomadland* tells a revelatory tale of the dark underbelly of the American economy—one which foreshadows the precarious future that may await many more of us. At the same time, it celebrates the exceptional resilience and creativity of these Americans who have given up ordinary rootedness to survive, but have not given up hope.

*Havin' a Ball* - Richie Aduardo 2020-10

In *Havin' a Ball* one of basketball's most colorful characters and storytellers chronicles his life in the game, from high school coach in New Jersey to head coach in both the NBA and the WNBA. Richie Aduardo isn't a Hall of Fame name, but he's one of basketball's most beloved coaches, with a lifetime of stories that are humorous and heartfelt, poignant and personal. Aduardo's career has crossed paths with many of basketball's most memorable people and events. Starting in the 1960s, he was part of the Jersey Guys, a group of young junior high and high school coaches—including Hubie Brown, Dick Vitale, and Mike Fratello—who all later went on to coach in the NBA. He was hired as Vitale's assistant coach with the Pistons in 1979. Then, three years later, he was hired by Hubie Brown as the Knicks' assistant coach. He would stay in pro basketball for the next twenty-five years, with stints as head coach for the Dallas Mavericks and Orlando Magic and the WNBA's

New York Liberty and Washington Mystics. In fact, he is the first coach to have led teams in both leagues to the playoffs. Adubatu grew up as an Irish Italian Jersey kid with modest aspirations who went on to experience a fascinating ride in pro basketball. He tells readers how a young Magic team led by Shaquille O'Neal came undone, about his years coaching the Mavericks at a time when the NBA was never more popular, what it was like to coach in the WNBA when the Liberty were outdrawing the Knicks in attendance, and what it was like to coach with, and against, other Hall of Famers. *Havin' a Ball* takes readers into locker rooms, planes, practices, games, and off court to the inner world of pro basketball with an insider's unique perspective.

*The Mentor* - 1916

*I Came As a Shadow* - John Thompson  
2020-12-15

A NEW YORK TIMES NOTABLE BOOK The long-awaited autobiography from Georgetown University's legendary coach, whose life on and off the basketball court threw America's unresolved struggle with racial justice into sharp relief. John Thompson was never just a basketball coach and *I Came As A Shadow* is categorically not just a basketball autobiography. After five decades at the center of race and sports in America, Thompson—the iconic NCAA champion, Black activist, and educator—was ready to make the private public at last, and he completed this autobiography shortly before his death in the historically tumultuous summer of 2020. Chockful of stories and moving beyond mere stats (three Final Fours, four-time national coach of the year, seven Big East championships, 97 percent graduation rate), Thompson's book drives us through his childhood under Jim Crow segregation to our current moment of racial reckoning. We experience riding shotgun with Celtics icon Red Auerbach and coaching NBA Hall of Famers like Patrick Ewing and Allen Iverson. What were the origins of the phrase "Hoya Paranoia"? You'll see. And parting his veil of secrecy, Thompson brings us into his negotiation with a D.C. drug kingpin in his players' orbit in the 1980s, as well as behind the scenes of his years on the Nike board.

Thompson's mother was a teacher who had to clean houses because of racism in the nation's capital. His father could not read or write. Their son grew up to be a man with his own larger-than-life statue in a building that bears his family's name on a campus once kept afloat by the selling of 272 enslaved Black people. This is a great American story, and John Thompson's experience sheds light on many of the issues roiling our nation. In these pages, he proves himself to be the elder statesman whose final words college basketball and the country need to hear. *I Came As A Shadow* is not a swan song, but a bullhorn blast from one of America's most prominent sons.

This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every move. **Goodbye, Oakland** - Andy Dolich 2023-04-11

A fascinating tour of Oakland sports history and a look toward the future of professional sports in the East Bay. Oakland is a sports city like no other. It is the only city in America to be abandoned by the same team twice, with the Raiders most recently leaving for Las Vegas. The Golden State Warriors, who crossed the bay in 1971 in search of better digs, have now returned to San Francisco with trophies in tow. The long-fought battle to keep the Oakland Athletics in the East Bay may narrowly save the city from a hat trick of departures. And yet, Oakland has produced more than its share of success in the form of 10 league championships across the NFL, NBA, and MLB. The city is gritty, gutsy, and self-preserving, with a blue-collar mentality and a gold standard under that collar. Bolstered by the Silicon Valley tech boom, Oakland has become one of the most desirable places to live in the entire country, all while its sports fans are increasingly made to feel that, in the famous words of Gertrude Stein, "There is no there there." What is it about Oakland that inspires such wanderlust in its professional teams? Featuring numerous conversations with luminaries across sports, politics, and economics, this new book explores Oakland's

fascinating and paradoxical identity as a sports town while illuminating a cast of characters as diverse as the city itself: rogues, superstars, movers and shakers operating on and off the field, and the ill-treated fans. Through the insight of venerated Oakland Tribune scribe Dave Newhouse and sports business leader Andy Dolich, readers will come to appreciate the many quirks and challenges that define "The Town."

***The Sevenpenny Gate*** - John Cairney 2011-10-06  
'Clutching in my hand my seven copper pennies, I ran down the two flights of stone stairs from our tenement flat and through the East End to Kinloch Street, where, puffing a bit, I joined the queue of other wee boys lining up to place their coins on the brass plate above the iron turnstile, push hard against it, then climb up onto the dirt terracing and into Paradise. The rest of the world called it Celtic Park.' This is a story seen through green-and-white spectacles. It begins when nine-year-old Glaswegian John Cairney walks through the boys' gate at Celtic Park and embarks on a series of adventures that, over the years, take him all over Scotland and beyond. The Sevenpenny Gate is about a search for heroes, Celtic heroes. It is also the tale of an East End club of humble Irish origins that has developed into a worldwide brand and continues to command the devotion of its fans, even with the Celtic diaspora now spread across the globe.

***The Last Nomad*** - Shugri Said Salh 2021-08-03  
A remarkable and inspiring true story that "stuns with raw beauty" about one woman's resilience, her courageous journey to America, and her family's lost way of life. Winner of the 2022 Gold Nautilus Award, Multicultural & Indigenous Category Born in Somalia, a spare daughter in a large family, Shugri Said Salh was sent at age six to live with her nomadic grandmother in the desert. The last of her family to learn this once-common way of life, Salh found herself chasing warthogs, climbing termite hills, herding goats, and moving constantly in search of water and grazing lands with her nomadic family. For Salh, though the desert was a harsh place threatened by drought, predators, and enemy clans, it also held beauty, innovation, centuries of tradition, and a way for a young Sufi girl to learn courage and independence from a fearless group of relatives. Salh grew to love the freedom of roaming with

her animals and the powerful feeling of community found in nomadic rituals and the oral storytelling of her ancestors. As she came of age, though, both she and her beloved Somalia were forced to confront change, violence, and instability. Salh writes with engaging frankness and a fierce feminism of trying to break free of the patriarchal beliefs of her culture, of her forced female genital mutilation, of the loss of her mother, and of her growing need for independence. Taken from the desert by her strict father and then displaced along with millions of others by the Somali Civil War, Salh fled first to a refugee camp on the Kenyan border and ultimately to North America to learn yet another way of life. Readers will fall in love with Salh on the page as she tells her inspiring story about leaving Africa, learning English, finding love, and embracing a new horizon for herself and her family. Honest and tender, *The Last Nomad* is a riveting coming-of-age story of resilience, survival, and the shifting definitions of home.

*Historical Dictionary of the Gypsies (Romanies)* - Donald Kenrick 2007-07-05

Originating in India, the Gypsies arrived in Europe around the 14th century, spreading not only across the entirety of the continent but also immigrating to the Americas. The first Gypsy migration included farmworkers, blacksmiths, and mercenary soldiers, as well as musicians, fortune-tellers, and entertainers. At first, they were generally welcome as an interesting diversion to the dull routine of that period. Soon, however, they attracted the antagonism of the governing powers, as they have continually done throughout the following centuries. The second edition of the *Historical Dictionary of the Gypsies (Romanies)* seeks to end such prejudice by clarifying the facts about this nomadic people. Through a list of acronyms, a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, events, institutions, and aspects of culture, society, economy, and politics, the history of the Gypsies and their culture is told.

*In Search of Nomads* - John Ure 2003

From time immemorial 'the tradition of the campfire has faced that of the pyramid': settled peoples have contemplated nomads with a mixture of fascination and envy, of disdain and fear. English-speaking peoples seem to have had a particular obsession with certain nomadic peoples, stemming often from their own wanderlust and admiration for the unfettered life. John Ure looks at four regions that are rich in nomadic culture: the Arabian peninsula with its Bedouin; the Sahara with its Moors and Tuareg; the mountains of southern Iran with their migratory pastoral tribes; the steppes of Central Asia with their Mongol horsemen and

Tartar descendants. He has travelled there with all these peoples and here observes their special characteristics and what he learnt about their past. But most appealing are his insights into the array of eccentric Britons and Americans who also chose to seek them out, sometimes even to travel with them. Many of them, as he discovered, were often odder than the exotic peoples they sought. Some, like Lady Hester Stanhope and the Hon. Jane Digby, were exiles from 19th-century high society; others were footloose adventurers, like Richard Burton and T. E. Lawrence. There were distinguished literary figures like Vita Sackville-West, Freya Stark and Bruce Chatwin; notable scholars like Gertrude Bell and Owen Lattimore. And others, eternally original characters, about whom little is known: the tetchy Consul Abbot in Persia or the dedicated missionary ladies, Misses Cable and French, deep in the Gobi Desert. Whoever they are, John Ure has found them and brings them all to life here with great skill and humour.

Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes'

adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F\*ck* Ten Years a Nomad is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. *Ten Years a Nomad* is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

Trip - Tao Lin 2018-05-01

Part memoir, part history, part journalistic exposé, *Trip* is a look at psychedelic drugs, literature, and alienation from one of the twenty-first century's most innovative novelists--The Electric Kool-Aid Acid Test for a new generation. A Vintage Original. While reeling from one of the most creative--but at times self-destructive--outpourings of his life, Tao Lin discovered the strange and exciting work of Terence McKenna.

McKenna, the leading advocate of psychedelic drugs since Timothy Leary, became for Lin both an obsession and a revitalizing force. In *Trip*, Lin's first book-length work of nonfiction, he charts his recovery from pharmaceutical drugs, his surprising and positive change in worldview, and his four-year engagement with some of the hardest questions: Why do we make art? Is the world made of language? What happens when we die? And is the imagination more real than the universe? In exploring these ideas and detailing his experiences with psilocybin, DMT, salvia, and cannabis, Lin takes readers on a trip through nature, his own past, psychedelic culture, and the unknown.

Can I Keep My Jersey? - Paul Shirley 2008-03-25 He's been called a journeyman. Even Paul wouldn't dispute that classification. Regardless, Bill Simmons, ESPN's "The Sports Guy," has said of Paul Shirley, "We could finally have an answer to the question 'What would it be like if one of our friends was an NBA player?'" There's no denying that Paul Shirley is the closest thing pro basketball's got to Odysseus. In Homeric fashion, he has logged time practically everywhere in the roundball universe, from six NBA cities to pro leagues in Spain and Greece to North America's pro ball Siberia, the minor leagues. Hell, he's even played in the real Siberia. And in *Can I Keep My Jersey?*, Shirley finally puts down roots long enough to deliver one of the great locker-room chronicles of the modern age. With sharp elbows and an even sharper wit, Shirley--whose writings have been described as "wildly entertaining" by *The Wall Street Journal*--drops hilarious commentary, revealing which teams have the best cheerleaders (he's spent many a time-out watching them ply their trade), why Christ is rapidly becoming every team's "sixth man," and even the best ways to get bloodstains out of your game uniform, using only an ordinary bar of soap and a hotel bathroom sink. From sharing the court with Kobe and Shaq to perusing the food court at some mall in a bush-league burg; from taking pregame layups to getting laid out by a stray knee from an NBA power forward; from hopping a limo to the team's charter jet to dashing to catch the van home from a B-league game in Tijuana, Shirley dishes on what it's like to try to make it as a professional athlete. Can I

Keep My Jersey? is a rollicking, thoughtful, even thought-provoking insider's look at a pro baller's life on the fringe. Like Jim Bouton's Ball Four or John Feinstein's A Season on the Brink, Shirley's odyssey deserves to find a home on every sports fan's bookshelf.

Vera Lights is a former Broadway star whose life has taken a new direction. Now a single mother living in a hotel in midtown Manhattan with her two young children, Henry and Loretta, Vera does her best to protect and nurture them, despite her meager resources. Alone after failed

marriages and with seemingly no hope for a career revival, she must rely on her inner strength to carry her through her exhausting days. While Vera works as a waitress in a Broadway diner to make ends meet, Henry and Loretta grow up in a dark, challenging world in which vagrants, pimps and drug dealers own the street corners, police turn a blind eye, and tourists avoid Times Square. But as life comes full circle and a resurrection of Broadway and midtown Manhattan begins, Vera and her children may be able to rise from the depths of despair and breathe life back into their dreams. Lights is a poignant, sweeping story of revival as a Broadway actress attempts to restore her hope, faith, and separate destinies for her family while living in a city marked by hate, ignorance, and poverty.
